FOUR SEASONS ESTATES ROC, INC.

Derm Doyle, President, Lot #317, email: kdoyle@nl.rogers.com,

Good Day Friends:

I have returned to Newfoundland and am very much missing the sun and warm weather. Hopefully, as this edition of newsletter reaches you all, the concrete work will have been completed on unit 440 as well as the carport construction. I certainly hope my nose doesn't grow!

Before I left we laid out the site for 446, which will be ordered and installed in September. Work continues to progress on unit 162 with the concrete work and carport work scheduled for this site as well.

We will be doing a few projects around the park over the summer months. These will include the sealing of the pool deck and the repair and sealing of our roads. Before we know it, our winter season will again be upon us. I look forward to returning. Keep the light on for me. Best Regards, Derm

A MESSAGE FROM THE ROC BOARD OF DIRECTORS

DeeVon Schisler, ROC Secretary

Well, we are now heading into mid-way thru the year. The time is going by quickly. Projects continue to go on here in the park, most noticeable at lots 440, 162 and 446.

The pool will be closed for 3 days in July to repaint the coping around the pool, and again in September for three (3) days for the pool deck to be re-sanded and resealed. Both of these projects will more than likely be done on a Tuesday thru Thursday. We will keep you informed of these closures thru our messaging system. We will also post in advance on the door (with card reader), the workout room, and in the Clubhouse.

We will also be resealing the streets and fixing problem areas in the park. This will be done in stages and is scheduled to start sometime in September/October. When we do this we will give you notice along with instructions on where to park during this process. Most companies request 2-3 days to allow for proper drying before traffic can resume. We will notify you through our automated messaging system. If you have not already signed up for messaging thru Volo Village, please see Kathy in the office so we can get your information loaded into the system. If you have been getting Volo messages either by text, email or voice recorded calls you do not need to call or stop by.

Summer heat is hard on our grass. Please refrain from parking and driving your golf carts on the grass. There are numerous places in the park that are showing wear from repeated cart traffic. Also, please refrain from parking on the sidewalks. This includes golf carts as well as your vehicles or those of your guests.

Please remember that we are a NO PET PARK. Your guests cannot bring their pets into the Park. If they have a comfort or service animal, it **must be vetted** thru our attorney process prior to coming into the Community. We have a packet that was prepared by our attorney. This is the packet that must be used. I realize we have given this information before, but please be sure whether you are selling or renting your unit, that the potential buyers or renters must come into the office and get an admittance packet. This has to be done for the safety of everyone in our Community, not to mention for the financial sake of our Community. They must be approved **before** you can sell or rent.

While on this topic, **Patricia Long, with Select Realty** is able to show any home that is for sale in our Community. She is also able to show and sell any home that is listed for sale. It makes no difference whether it is “her” listing or not, or who the listing agent is. It also makes no difference whether it is a share attached home or not. There seems to have been some confusion about that. Pat has listed and sold a great deal of homes in our Community. So, we hope this clears up any questions on our admittance and selling procedures.

If you have any maintenance issues or requests, please come to the office. A work order will be generated.

Remember that hurricane season is upon us. We will be sending reminders out to some residents that they need to have objects secured and put away. This is for the safety of everyone and to prevent damage from flying debris.

The Good Neighbor Resource has had a wooden bin constructed which is in the clubhouse next to the soda machine. We encourage you to drop off non-perishable food items to assist the people in our Community who may be in need. We have also relocated the food barrels for RCS into the corner by the computer. We are committed to keeping the aesthetic look of the Clubhouse inviting.

Have a happy and safe summer and be conscious of the heat. It can sneak up on you! We would hate to see anyone go down with a heat stroke or heat exhaustion. Stay cool and stay hydrated.

A MESSAGE FROM OUR PARK CHAPLAIN

Chuck Truitt, #173, email: truittwc@aol.com, phone: 902-8094

Did you know that the Indianapolis 500 speedway has a unique practice? Racing cars is very dangerous, and I think the Dale Earnhardt family can attest to that. At the Indianapolis 500 Motor Speedway no driver has ever been pronounced dead. Drivers have crashed there and been pronounced dead later, but officials have made it a rule that no one is to be pronounced dead at the track. No memorials are set up for them, and the speedway's museum contains no list of drivers who have died at that location. Driver Scott Goodyear said, "You don't go look at where it happened. You don't watch the film on television. You don't deal with it. You pretend it never happened." The speedway's officials have embraced that idea, and when a crash happens, the track closes for a day, then they paint over any evidence that a crash happened. Folks just want to ignore the fact that people have died at the Indianapolis Motor Speedway. While that seems sad or callous, what is even sadder is when Christians act like the crew at the speedway - painting over any sign of Christ in their lives.

Sadly, many Christians are Christians in belief only. They believe that God is Lord. That Jesus died for their sins, and are trusting Christ for salvation, yet they don't show any other signs of Christianity. They may attend church each week, but people at their workplace, or even their friends have no idea they are a Christian. They have a mouth that professes Jesus Christ, but their lives deny Him. That type of Christian is all too common in our world. Notice someone who also denied Jesus, the Apostle Peter had faithfully followed the Lord for three years. He had heard His sermons, studied His teachings, observed His miracles, and witnessed the lives He had changed. Yet because of the danger he faced, he denied Christ. If someone were to ask your friends if you were a Christian, what would their answer be? If a bystander were to observe your life for one day, would they witness your beliefs, or would your life say, "I do not know the Man"?

God shouldn't be someone you only believe in, but someone who has an effect on every aspect of your life. God should be on the tip of your tongue, at the front of your mind, and constantly in your thoughts. Do you reflect the Lord in your life? Does your life proclaim, "God has saved me and controls me!" or are your actions stating, "I do not know the Man"? Keep God in the forefront of your life. Allow Him to permeate every action, thought, and word you speak. Don't cover Him up like the Indy crews, but boldly and faithfully let the world know that you are redeemed by the shed blood of Jesus Christ.

REASON TO SMILE

Comedian George Burns said that he was advised: “Let a smile be your umbrella.” He said, “I tried that once. I had pneumonia for six weeks and shrunk a \$450 suit.”

All right. Maybe it won’t keep you dry in the rain, but there are other good reasons to smile. It’s said that it requires more muscles to frown than to smile, and who wants to overwork their facial muscles? Smiling also puts others at ease and helps establish instant rapport. And if that isn’t enough, when you smile it releases endorphins in your brain and gives you a feeling of well-being and contentment. So if you smile when you don’t feel like it, you’ll soon be smiling just because it feels so good. Here are a few other reasons to smile:

- Smiling is a universal language that everyone knows.
- People will enjoy being around you when you smile.
- Smiling reduces stress, which may improve your overall health.
- Smiling will change the sound quality of your voice when you speak or sing.
- A smile costs nothing but gives much. It enriches those who receive it, without making poorer those who give.
- When you smile at a stranger, you just might change a life.
- It takes only a moment, but the memory of it lingers far after the moment has passed.
- A smile cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away.
- And finally, some people are too emotionally drained to give you a smile. Give them one of yours, as no one needs a smile so much as one who has no more to give.

Why not give out a few extra smiles today – and be prepared to get some back.

Special thanks to Harold Bell (he made it) and Sharon Canavan-Stone (she painted and decorated it) we have a new GNR food box. It is in the clubhouse next to the soda machine and we hope you all will be generous in donating non-perishable food items. We will deliver once a month (third week) or as needed. If you have any perishable items, give us a call.

THE AQUA LADIES

Pat McDonnell #508

A group of women meet for water aerobics Monday and Friday at 9AM and Wednesday after KK at 9:30 in our beautiful pool. Our favorite exercise is to love, love, love our knee - pull your foot back to your butt. If you can't reach it, your butt is too small!!!

We had our first luncheon at "Sweet Tomatoes" in May and hope to do this once a month. Come out and join us and men are invited too. You'll get some good exercise and have fun at the same time.

HURRICANE PREPARATION INFORMATION

The hurricane season is from June 1-November 30. **Be prepared:**

- Listen for weather updates - radio (WEOC AM940) and TV.
- Build your survival kit.
- Get cash and fuel your car.
- Protect the windows, and secure your awnings and outdoor objects.
- Purchase bottled water, freeze containers of water, have coolers handy.
- Refill prescriptions.
- Make an itemized list of personal property and take photos.

Hurricane Warning means that a hurricane is expected within 24 hours. If there is a MANDATORY EVACUATION, all residents must leave when notified. Announcements will be made over the radio and TV. Decide in advance where you would go (a friend, relative, or hotel). Leave early. **If you need assistance in evacuation, you should register in advance with the Largo Fire Department. THERE ARE FORMS IN THE CLUBHOUSE ON THE CREDENZA. Also a list of hotels in non-evacuation zones.**

If you must evacuate:

- Take your survival kit, important papers including identification with local address, jewelry and any other items of value.
- Let friends or relatives know where you will be going.
- Turn off electricity, gas and water.
- Check your neighbors and make sure they have a ride.
- Lock all windows and doors when leaving.
- Drive carefully to nearest assigned shelter.

Once evacuation is lifted, and you can return home, beware of fallen branches, flooding and hanging electrical wires. Before entering your home:

- Check for damage from the outside.
- Turn water, gas and electricity back on.
- If area has been without power for extended period, the perishables in your refrigerator may have to be discarded.

KEEP THIS IN MIND WHEN PREPARING FOR THE WORST

We worry about shopping for bottled water and bread and milk, and there are plenty of things we should keep in our pantry (peanut butter, crackers, soups, etc.), but it's most important to stock up on fresh produce, says Barry Swanson, a food scientist at Washington State University. "You want some nutrients and some fiber – something to keep your diet normal."

Although you may think of fruit and vegetables as having a shorter shelf life, Swanson says many of them can last for quite a while. Here's a list of go-to fruits and veggies, and the reason behind why you should be sure and snag a few before the next storm.

Apples. Skip quick-ripening bananas and reach for long-lasting apples. They're high in fiber, and can last for up to three months when stored somewhere cool and dry.

Citrus fruits. With high acid content and thick skin, fruits like oranges and grapefruits can last for up to two weeks without refrigeration, particularly if you buy them on the under-ripe side. Plus, think about all that vitamin C you'll be getting, and the hydration from the juice.

Avocados. Buy this one unripe, and it will last for at least a week at room temperature, providing plenty of vitamins and minerals (and a delicious meal during a crisis).

Tomatoes. When purchased unripe, these antioxidant-packed fruits (nope, not a vegetable!) will last for up to a week un-refrigerated.

Potatoes, sweet potatoes, and yams. These tasty root vegetables, loaded with potassium, will last for about a month if stored in a cool, dark place.

Cucumbers and summer squash. These vegetables will last a few days without refrigeration and don't need to be cooked.

Winter squash. These guys should keep for up to a few months. If you've still got access to a working stove (or outdoor grill), cooked squashes such as acorn and butternut are nutritious and delicious.

Assuming you've got a working cooking source, most of these veggies can be cooked up into a yummy soup, but plenty of them can be eaten raw and will last you quite a while. Now, make sure you have plenty of stormy entertainment to keep you busy when you're not eating!

VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

Thank you, veterans, for your service. If you have served in the military, we would like for you to join us and take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from me to provide certain stats about your service and I will prepare them for the wall. You may also drop off your photos and info to the FSE office. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who have served our Country or any of the allied Countries. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

FOUR SEASONS ESTATES SOCIAL ACTIVITIES, INC. (SAC)

Summer Bingo is back on Friday afternoons at 1PM – bring a friend! And our puzzle people are back to work. Fun way to pass the hot summer afternoons.

Join us on Wednesday mornings for **Koffee Klatch** – coffee is ready at 8AM (bring your own cup to help us save on paper products and trash) - and say hello to your neighbors! If you are new to the park and want a name tag, there is a signup on the bulletin board or give Terry H. a call.

Clubhouse Rental: Scheduling of all events in the Clubhouse must go through the SAC, (Four Seasons Estates Social Activities, Inc.), Information Chairperson. This is to check on availability of clubhouse and posting on the activity calendar. Residents can use the clubhouse for private events by filling out the current form and paying a \$100 deposit.

We have two (2) large barrels in the clubhouse for non-perishable items that go directory to **RCS Food Bank** in Clearwater. Please be generous.

Thanks to all who made our **MEMORIAL DAY PICNIC** an enjoyable afternoon. The summer folks will have two more picnics – July 4th and Labor Day. Circle your calendars now and plan to join us.

WE ARE ALL ONE COMMUNITY

ROC: (Resident Owned Community). **If you own a share in FSE**, you are a share-owner and are encouraged to attend all ROC Board meetings.

HOA: (Homeowners Association). **If you own your home in FSE**, but do not own a share, you are a homeowner and are encouraged to attend all HOA Board meetings.

SAC: (Social Activities Inc.). **ALL residents of Four Seasons Estates** (share-owners, homeowners and seasonal renters) are members of the SAC. Everyone is welcomed and encouraged to attend the SAC meetings.

Our current Board members are listed on the inside front cover of our monthly newsletter. All Board meetings will resume in the fall and are noted on the monthly calendar.

MEDICAL SHED

Chris Helopoulos, #372, 954-895-4681

We currently have walkers, wheelchairs, quad canes, bedside commodes, and shower chairs in the Medical Shed. Please give Chris a call if you need to borrow any of these, or if you have something to donate.

DONATIONS TO THE SHED

Tom Smith, SAC Chairman of Information, tom200486@yahoo.com, 585 737 3589

The sheds are always looking for donations throughout the year. New or slightly used and clean items are acceptable. If you are making room in your home by cleaning out some of the items you no longer need, please consider donating them to the Shed. They can be left outside the Shed door (if the weather is nice) or we will arrange to pick them up. Questions? Call Kathy at 720-250-8770. And Kathy's backup helpers are Judy Ingram at 603-769-0710 and Sue Shockey at 678-9228.

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

Residents need to provide a container for their newsletter or they will be asked to pick one up in the clubhouse. Even if you are a renter, you still need a receptacle. You could use a small basket or box on your step or purchase a park mail pouch from our Monday Craft Club. Cost is \$3 and \$5 for one with a military design.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, you may pick one up in the clubhouse. The newsletter is also available on line at www.monthly-media.com after the first of each month.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed. There may be changes as new volunteers come on board. Back-up volunteers are always needed. Please let me know if you are interested!
