"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

FOUR SEASONS ESTATES ROC, INC.

Ed Shuman, President, Lot #144, email e.c.dreamer@live.com, phone 586-246-4883

Hello everyone. I hope those traveling to northern homes made it home safely and all is well. I want to stress to everyone the importance of checking in when you get here after a long absence and checking out when you leave for an extended period. Also, let the office know of any guests you have staying with you and when they leave.

This will help us in two ways. 1. In case of an emergency, we know who we should be looking for. 2. Four Seasons is entering into a contract with Volo Village, a communication system to enable us to be in electronic contact with all our residents. Volo Village will contact all residents in case of an emergency or even a water shut off. To do this we will require up-to-date information from every resident - addresses, phone numbers, email addresses, and emergency contacts. An email would be best so that we have a copy for your file.

Volo Village uses the information you provide to contact you when necessary. You will get the chance to choose which method they use to contact you. Unfortunately, they will not make international calls so emails will be used for those out of the country. For shareholders, please let us know if your email can be passed on to the ROC Secretary. Thanks for your cooperation.

Stay healthy, we'll hold down the fort! Regards to all, Ed.

HOMEOWNERS ASSOCIATION

Doc Wells, Parliamentarian, Lot #115

We are seeing the usual departing of residents of Four Seasons Estates traveling to their second homes up North, consequently our Wednesday morning Koffee Klatch is gradually getting smaller each week. We still need volunteers for the weekly Koffee Klatch kitchen, so if you are in the park for the summer, why not sign up and join us for a cup of coffee and a donut!

As usual, John Jones President of HOA and I are continually looking for past history of Four Seasons Estates. Our HOA Director Claire Martin gave me a post card showing what Four Seasons Estates looked like before Largo Mall and Golden Corral was developed. Some of you may remember that our property extended all the way to Ulmerton Road before the Golden Corral was built and was surrounded by a white fence.

For all residents who are remaining here during the summer months please be aware of our emergency telephone number listed in our Community Directory for your use. DIAL 727 577 2200 to the Associa Office after hours.

There will be no HOA meetings until our next regular meeting on November 3, 2016 at 10:00 A.M.

PARK MANAGER'S REPORT

Michael W. Davis, Office phone: 727 584-1413 - EMERGENCY PHONE 24/7: 727-577-2200

The summer mowing schedule is in effect - every Tuesday of the month weather permitting. As reported last month, Desiree & I presented a communicational tool to the ROC Executive Board called Volo Village which was approved at the April Board Meeting. This is a system of communication through automatic calling, texting, or email regarding emergencies & such to each coach, each resident. We will be working on this project during the summer months. We are looking into a new Sharp copier machine to lessen administrative costs, become more efficient & qualitative as well.

Final touches on the pool and shuffleboard renovation are completed. The patio floor has been painted as well as the shuffleboard benches. We have received several plumbing bids for the corner drainage area at the pool on best remedy & solution. That decision will be made quite soon.

The signs at the first and second entrances have been redone. Decision was made in mid May to implement two (removable) speed bumps/humps at the second entrance. These are rubber & short in height. Please everyone be mindful of our 10 MPH speed limit throughout the park.

In early May I met with the new representative for Republic Services (our trash compactor) and adjusted the contract, savings of about \$400 per month.

We expect to resume our contact with Tampa Bay Plumbing regarding their presentation for additional valves, possible water line replacement remedies.

A beautiful new coach at # 484 is completed and for sale. Anyone interested, should contact Desiree who is our licensed agent. As soon as we receive permits from Largo, we will order another 2 bedroom home for lot #480.

I continue to work with Mathew Gridzlo, Pinellas County canal rep, regarding the growth in the canal and along the banks. We continue also to remove any dead trees and invasive plants throughout the park. Please notify the office if you see anything that needs our attention. Additional palm tree trimming is being done since the palms are producing pods now due to the unusually warm spring. Alexander's palm tree bid for the park just received.

We are grateful that many of our winter residents, who have left for northern homes, notified the office upon their leaving. **It is important for our summer residents to let Desiree know when you leave the Park even for a week.** For the safety of all residents it is imperative that we know which units are occupied or unoccupied.

It is always helpful to know when guests are visiting. If they are using the pool, please be sure that they are wearing green identification bracelets. And a reminder to all: if you are the last person out of the pool, remember to put the rope back across the pool. We could be cited if the pool is empty and the rope is not in place – should a Largo inspector make a surprise visit.

If you notice a street light out in your area, jot down the number on the pole and give

...continued on page 10

Desiree a call. She will notify Duke Energy for repair.

We also continue to appreciate your cooperation on our trash/recycling pick-up days. Trash in a covered trash receptacle will keep the streets clean and the animals and birds under control. An instructional flyer will be left at your coach's door when a proper trash receptacle is not implemented.

For those owners who wish to have Alexander's (or any individual/other company) care for your planter and/or flower beds while you are away, I am requesting that you deal directly with Alexander's and contract with them. The FSE office will not be responsible for any contractual agreements between a home owner and Alexander's (or any individual/other company). You must deal directly with the company (or the individual) – phone 727-535-7314 or info@alexanderspm.com. Ryan Hudson is our representative and is usually in the Park on Tuesdays.

FLORIDA TROPICAL STORM SEASON JUNE - NOVEMBER

Submitted by Angela Shuman

Are you ready – just in case? Because we live in a mobile home we are required to evacuate in case of a hurricane. Where will you go? Do you have your medications at the ready with a supply of them in case you are gone for an extended length of time? What about food and water and clothes, etc?

First thing - where would you go? Friends or family? Hotel? Do you need help by police/fire - there are forms that must be filled out and turned into them before a disaster strikes. Which hotel would you go to? How long will it take you to get ready to leave? Remember you have to also prepare the outside of your home - bring in "flying" objects like outside chairs, tables, plants, decorations, BBQ grills, etc. how long will this take? Put your awnings down! Will you need help? Fill up your gas tank before the storm is upon us - the gas pumps won't work if no power? Do you have cash available in case there is no power and you can't withdraw from an ATM - most stores won't take a credit/debit card.

FOOD? What do you have in your evacuation kit? Put high protein non-perishable food items like tuna, chicken, beans, peanut butter, spam, maybe some dry cereal cups, crackers. How about non-refrigerated milk? Can opener? Plastic utensils, paper plates, napkins.

BEDDING? If you have to leave do you need to bring bedding supplies with you? Your favorite blankets or pillow? What about bath towels?

CLOTHING? What will you need for a couple of days? What about a week? Take warm clothes in case of a chill? Rain gear? Footwear? Anything special?

MEDICATIONS? Do you have your medications together? Do you have enough for a couple of weeks in case pharmacies are closed or shipments can't be delivered? If the medications are in the refrigerator do you have a note in your evacuation kit to remind you to

WHERE IN THE WORLD HAVE YOU BEEN?

Submitted by Mandi Harman-Ashley

On March 10, 2016 we flew from Miami to Barbados to spend 2 days on the sugar sand beach prior to a cruise of the Windward Islands in the Lesser Antilles. It was part of a deal we found online but booked thru Star Clippers office. Arriving early assured making the embarkation on time as airport complications can happen. We embarked The Royal Clipper, a 5 masted square rigged clipper ship built in 2000 carrying 190 passengers & 100 crew members. It is the largest of its kind in the world. It was a vacation perfecting the fine art of doing nothing. This was not a "working" cruise. The square sails were lowered mechanically with a push of a button while the jibs were handled by crew. There was much drama while setting sail into the sunset while the theme song from the movie 1492 was played on deck. The noticeable thing was the quiet soft breezes of a ship underway. 95% of the journey was under sail reserving the engines for practical things like running the electric, AC, & refrigeration on the boat.

The itinerary included stops at St. Lucia, Martinique, Isle de France, St. Kitts, Aruba, Dominica, & Antigua. All the islands are volcanic, jutting out of the ocean except Barbados. Because it is a "smaller" ship we were able to stop at destinations unavailable to the floating hotels. We also avoided the extra 5,000 + tourists in the ports. These boats are really geared for adults and do not have water slides, rock climbing walls, casinos, or elevators. Deck chairs were a plenty and there were 2 small pools. For some, the adventure was to climb the mast using the ropes in a harness for a great photo op.

The crew & passengers were very international which made for interesting meal times. All announcements were in 3 languages, English, German, & French, all made by an Italian crew member. The menu was also done the same making for some humorous moments resulting in signs next to the samples indicating "meat", "vegetables", or "fruit", clarifying everything. Dinner was at 7:30 following a 5:30 snack time & entertainment was centered around your tablemates. We found that the Europeans were fascinated by American politics, not shy to ask what our views were & what they thought about it all. After 7 days we returned to Barbados to fly to Miami. The best advice is to fly out of another airport as that part of the journey put a damper on a lot of pleasant memories!

If you will be traveling this summer and would like to tell us about your trip, please email the Forum Editor at moosicldy@aol.com. Articles will be used as space permits.

RENTAL CONNECTION

Bob Mendes, bobm@fourseasonsestatesroc.com, 727 437 2340 or 781 326 7685

By way of the ROC web site, I receive upwards of 100 inquiries a year looking for seasonal rentals. My stock response has been "sorry, there is no central listing of homeowners desiring to rent out their homes".

The ROC board of directors has authorized me to create a simple list of owners willing to rent, which I would then send out to anyone inquiring about a rental. This is being done as a service to all owners in the park. The list will consist of owner's name, lot number, contact info, single/doublewide, number of bedrooms and baths, and months available. It will NOT include anything about rental terms, promotional descriptions, or anything else that implies recommendation. The interested party will contact you and you can then "do your magic" to negotiate a deal.

If you want your place to be listed, you can pick up a form from Desiree or just email the information to me.

WHAT MAKES A DAD

Author unknown

God took the strength of a mountain
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea.

The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight.

The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need.

Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, he called it DAD.

POTTED PLANTS AT POOLSIDE

If you are a regular at our beautiful pool, please take a moment to check the plant pots around the perimeter; water them if they need it, pull a weed or two – in other words, they need a little TLC.

RESIDENT UPDATES

Angela Shuman, #144, red5hot0moma@hotmail.com, phone, 200-3240

At this time I have no new residents to report. If you are new to the park and haven't turned in your questionnaire regarding telephone book, etc., please do so as soon as possible.

Carolyn Schum, Lot 174, had eye surgery and bladder surgery this past month. Carolyn is coming along. We received a thank you and prayer card from Liz Teixeira in regards to the passing of her husband, Joe. Al Thornycroft, Lot 194, passed away on April 22. No service will be held in Florida as he was originally from St Joseph, MI and Ellen will have services there.

Nora Skelding had a small incident and sprained both feet/ankles but all is well and she and Gary are now home. Pat and Don Wright's daughter, Cheryl, had surgery and is going to have a long recovery. Cheryl needs help 24/7. Judy Clark Redman, Lot 136, had knee replacement surgery on May 3 and is home recovering. Marlene Rydzewski, Lot 380, had eye procedures in the last couple of weeks and all is well. Hazel Cyr, Lot 323, fell and broke her hip and had a slight stroke. She is at Largo Indian Rocks Rehab. Jim Moran, Lot 240, is currently at Palm Gardens Rehab on Starkey Road. Terry Menz, Lot 300, is still at Apollo Rehab in St Pete.

Thank you for all your updates and if you have any further information regarding our friends and neighbors, please email me at red5hot0moma@hotmail.com. Thank you and I hope you have a safe and happy summer.

OFFICE HOURS

FSE Office hours are Monday-Friday 9-3PM. The office phone is 727-584-1413. Please be sure to see Desiree if you need to update your emergency contact information or address/phone. It's also important to notify Desiree when you are leaving the park for any extended time. This assures the safety of all residents to know which homes are occupied or unoccupied.

TRAVEL AND ENTERTAINMENT

Sandra Hansen, #452, hansens167@gmail.com, 727-586-1985

On the travel board are two newsletters - one on day and overnight trips and the other on cruises only. In this article I am going to mention what I think will be the easiest for those of you that are staying during the summer. Remember that September and October will be the best buy on cruises. Always feel free to call Advantage Tours at 727-576-4010 and ask for what is on the hot sheet (last minute to fill the ship price). When doing this, be prepared to pack and go quickly. Carnival and possibly NCL are the only ones keeping a ship in Tampa over the summer. Port Canaveral is the next closest port, and two or more couples driving over together makes the parking charge reasonable. Hotels are available in Coco Beach and offer shuttle service to the port with a stay at the hotel.

OF INTEREST: STAR PRINCESS TO HAWAII—15 night plus 1 night pre hotel in Los Angeles - stops at 4 islands - Ensenada; includes R/T air to LA, hotel, port & gov't taxes & travel insurance. MAR. 12-28, 2017 – Ocean view \$3474.pp, Balcony \$4182.pp

CORAL PRINCESS 15 NIGHT PANAMA CANAL CRUISE + 1 NIGHT IN LA - Sept. 24, 2016.

Ms EURODAM (H/A); 12 days MEDITERRANEAN TAPESTRY - Sailing from Barcelona to the ports of Monaco, Italy, Greece, Croatia, Montenegro – Sept. 15-27, 2016.

NEW YEARS EVE IN DUBAI - 14 Night Arabian Sea & India Cruise; **CELEBRITY'S SIGNATURE EVENT** on the Celebrity Constellation - ports Abu Dhabi to Muscat, Bombay and more with New Years Eve in Dubai – Dec. 19, 2016 to Jan. 2, 2017.

ITALY AND GREEK ISLES; August 16-29, 2016 - Sailing from Rome (2 night hotel in Rome) transfers, free shore excursion, cocktail party and pick two money saving on board perks.

The above 4 cruises are specialty cruises and worth a look into for all details. Call the agency or check out the newsletter on clubhouse travel board. Contact me at the email above over the summer.

4 SEASONS SOCIAL ACTIVITIES CLUB FACEBOOK PAGE

Mandi Harman-Ashley, #373

You can keep in touch with Four Seasons friends and neighbors through our FaceBook page. We have many people who LIKE our page & our viewing has dramatically increased with postings of videos & photos of park happenings. We currently have 193 Likes and in mid-April reached more than 600 FB fans!

Our page has sought to keep residents informed on computer scams & potential viruses. And up to the minute announcements about Park happenings. You'll also see photos of events in the Park almost as they are happening. Residents and friends of the Park who are on FB appreciate this on-the-spot information.

You can also invite FB friends or family to LIKE our page. Pass the word – this is a great park – we're a friendly group – many beautiful amenities (especially our newly renovated pool and shuffleboard courts) and lots of fun activities.

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

Residents need to provide a container for their newsletter or they will be asked to pick up their newsletter in the clubhouse. Even if you are a renter, you still need a receptacle. You could use a small basket or box on your step or purchase a park mail pouch from our Monday Craft Club. Cost is \$3 for a regular pouch and \$5 for one with a military design.

The publisher delivers only enough newsletters for our park – one per coach. And in the summer, they obviously cut back on the quantity. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, you may pick one up in the clubhouse after the 1st of the month.

These are our current Four Seasons Forum delivery people. If you are available to sub during the summer months, please let Mandi know.
