Ed Shuman, President, Lot #144, email: [e.c.dreamer@live.com](mailto:e.c.dreamer@live.com), phone 586-246-4883

---

Hello everyone. I hope everyone made it home healthy and safely. For some it is a long, long drive. It was another great winter with great weather, good friends, and enjoyable times. We have some residents who are not coming back and they will be missed. However, we have some new neighbors we can greet and welcome into the neighborhood.

We have an engineer looking at and getting ready to put our water system out there for the bidding process. We also have had companies bidding on our sidewalks and our streets. We will have to look at what we would like to do with the north end of our property and look at the fencing on both sides of the cart path.

Most of you know that Officer Julie Williams has retired and we will have a new officer we can rely on to keep us informed and aware of what is going on in the City of Largo. Everyone please stay safe and healthy. Best regards to all, Ed Shuman.

## PARK MANAGER'S REPORT

Michael W. Davis, Office phone: 727 584-1413

---

Summer mowing is in effect – every Tuesday weather permitting.

Office will be closed on Monday, May 29th in observance of Memorial Day.

Please observe 10 MPH speed limit throughout the park.

Two new coaches #480 and #483 are for sale. Contact Desiree in the office for additional information.

**PLEASE notify Desiree when you are leaving the park for vacation or for the summer. And also let her know when you return. This helps to keep our resident records up to date. Provide any up to date telephone numbers and update emergency contact information. Many times the numbers are outdated in just a short time.**

Contact Alexander's Landscape Maintenance Company directly if you wish to have them take care of your planter and/or flower beds while you are away Phone 727-535-7314 or [info@alexanderspm.com](mailto:info@alexanderspm.com). Ryan Hudson is our representative and is usually in the Park on our Tuesday mowing days. Please also be advised to use the company of your choice.

The office has the right to hire out this work to be completed & then charge back to the owner, as necessary.

Golden Corral had cut back invasive exotics to the rear of their property. City of Largo has been contacted regarding their inspection for code violations from remaining debris on property.

The pool heater had a repair & the grids inside the pool filter plus pool light were replaced.

Pinellas County continuing their spraying of the canal on an intermittent basis. Some heavy rains that finally came helped push algae away after long drought. City of Largo re-contacted to perform additional cleanup on channel working under Four Seasons Estates Aquatic Permit through the Florida Wildlife & Fisheries Commission. That channel connects to Lake Seminole, which is labeled an Aquatic Preserve by the state. City of Largo did clear the mouth of the channel from large silt, mud buildup.

Many tall queen palms were trimmed of recent beautifying the park, for years the taller palms were only trimmed once per year. Next tall palm trimming shall be end of summer, beginning of fall. Trees less than 10 feet are handled by Joe & James.

I continue to receive many appreciative & kind comments on the trash & recycling performances. Thanks much to Joe, James, & Johnny. Clay is back fulltime & performing quite well. Thanks to Desiree & Holly, a new part time admin. to work on an as needed basis, for their administrative office performances. Many heartfelt thanks to Beryle Patton especially for her hard work, dedication & professionalism in helping in the office on a moment's notice!

We are working toward some resolution on the water distribution & valve scenario in the park. An engineer was hired to help shepherd the project & a utility surveyor was in the park first week of April to mark water lines, utilizing GPR (ground penetrating radar) and a drone. I am in the process of also providing the Board of Directors with proper information on near future infrastructure expenditures regarding our sidewalks & roads.

The PVC fence cleaning shall commence in late spring, early summer as many other projects are focused upon.

Remember to hire only licensed & insured contractors for their necessary work.

Always check with the City of Largo whether a permit might be required for remodeling. Firstly, please come to the office for a construction request approval form.

Thanks to all for their steadfast cooperation, volunteerism & dedication.

Angela Shuman, #144, red5hot0moma@hotmail.com, phone, 727 200-3240

**H**i, I can't believe another winter season has come and gone. Please keep me updated on our fellow residents so I can send out cards, prayers squares, and/or prayer shawls. If I don't know, I can't follow up.

We have two new full time residents from Kentucky. Glenn and Debbi Bryant. I hope they join is on Wednesday mornings for coffee and donuts at 8 am (50 cents) and a quick weekly update meeting at 9 am. We meet all summer so please join us.

Previous resident, Jean Murdock, passed away.

Please keep each other in your thoughts and prayers even though we aren't together. Absence makes the heart grow fonder.

## HURRICANE SEASON IS JUST AROUND THE CORNER

**H**urricane season begins June 1st – are you ready? Whether you are a long-time Florida resident or new to the area, now is the time to take an inventory of your home, prepare your evacuation kit, decide where you will go if we need to evacuate. Because we live in a mobile home community, we will be required to evacuate in case of a hurricane. Make sure you have your medications at the ready with a supply of them in case you are gone for an extended length of time. There are many things to consider – we will publish information each month to help you prepare in case of an emergency evacuation. You might also want to take advantage of this seminar on May 26th at the Largo Public Library.

## Had a Wonderful Time

---

I have a collection of humorous and poignant epitaphs and tombstone verses. I find it interesting to note what is said about someone who has recently died. Granted, not all tombstone sayings are telling. Like the one for Lester Moore at Boot Hill Cemetery in Tombstone, Arizona:

HERE LIES LESTER MOORE  
FOUR SLUGS FROM A 44  
NO LES  
NO MORE

Or this grave marker from Uniontown, Pennsylvania:

HERE LIES THE BODY OF JONATHAN BLAKE  
STEPPED ON THE GAS  
INSTEAD OF THE BRAKE

In the effort to explain how the person died, the tombstone of Harry Edsel Smith of Albany, New York says:

LOOKED UP THE ELEVATOR SHAFT  
TO SEE IF THE CAR WAS  
ON THE WAY DOWN  
IT WAS

Television celebrity and talk show host Merv Griffin penned his own:

I WILL NOT BE RIGHT BACK AFTER THIS MESSAGE

Sometimes these “last words” reveal more than the deceased may have wanted, like this one:

HERE LIES A FELLOW WHO LIVED FOR HIMSELF  
AND CARED FOR NOTHING  
BUT GATHERING PELF  
NOW WHERE HE IS OR HOW HE FARES  
NOBODY KNOWS AND NOBODY CARES

These posthumous writings will often summarize a life. If accurate, they can point the reader to that which was most important to the deceased. Did this person enjoy life? Was she cared for? Did he make a difference? Did she leave a legacy?

When you die, how will you be remembered?

*Continued on page 18*

Newspaper columnist Nick Clooney printed some epitaphs from people still alive, written by themselves. Some were humorous, some serious. Some hoped that their own original epitaph would be close to the way they might be remembered. One that I appreciate came from Charlie Mechem, former head of Taft Broadcasting. Charlie wished that this might be put on his tombstone: “Dear God, Thanks for letting me visit. I had a wonderful time.”

All right. Not every day is a wonderful day. But as I look back over my life, the good and bad, the difficult and fun and exciting and dreadful, I would like to be able to say in summary: I had a wonderful time. There were friends and family, there were failures and even disasters, but there was also plenty of fun. And through it all, there was important work to do. When it’s finally over, I want to honestly say I had a wonderful time.

So I’m going to make sure I appreciate today. And I know that if I can look back on most days as being somehow worthwhile, and often times enjoyable, I know that if I will find a way to appreciate every day given to me, I will be able to say in all sincerity, “I had a wonderful time.” I can’t ask for more. ## **SOCIAL ACTIVITIES CLUB**

*Tom Ritchie, President*

---

**T**hanks to all our residents and friends who supported our activities this winter. We had wonderful entertainment, dances, dinners, music, pool parties, flea market and so many other occasions to be together and have fun.

**Summer activities continue** – our residents love to be together – join us on Friday afternoons at 1PM for Fun Bingo. It’s a cool place to be on a hot, summer afternoon.

We usually have puzzles out on the tables in the clubhouse throughout the summer months. Come in and out as your schedule allows – you’ll meet others there and have a relaxed time of conversation and puzzle-making!

We also have 3 picnics scheduled – Memorial Day, 4th of July, and Labor Day. If you would like to host one of these picnics please talk to Tom.

And we continue to collect non-perishable food items for RCS – the large barrels in the clubhouse by the door are for that purpose. Summers are light since many residents leave the area, but the need is still great. We appreciate your generosity for those in need.

The FSE Social Activities Club By-Laws were updated on April 5, 2017. They will be published (in part) in the Monthly Media Forum over the next few months and they are posted in full on the clubhouse bulletin board for your information.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## RELIGIOUS COMMUNITY SERVICES (RCS) FOOD BANK

---

**W**e will continue to collect non-perishable food items for the RCS Food Bank in Clearwater. With the winter people leaving, it is even more important during the summer that we think of others who are in need in our area.

If you buy a BOGO at Safeway or Publix, consider putting the extra item in the RCS containers in the clubhouse. **PLEASE DO NOT PUT TRASH OR COFFEE CUPS IN THESE SPECIALLY MARKED CONTAINERS. THEY ARE FOR FOOD ITEMS ONLY!** The folks from RCS will come every few weeks to empty the containers. Thanks for your continuous generosity.

## VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

**T**hank you, veterans, for your service. If you have served in the military, we would like for you to take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from Desiree in the office, to provide certain stats and I will prepare them for the wall. You may also drop off your photos and info to Desiree. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who served our Country. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

## SHED SALES & PICK UP

Terry Helopoulos, #372, phone: 954-895-9056

---

The shed will be open every Wednesday in May following Koffee Klatch. We are filling the shelves with new merchandise every week, so come on in and look around. If you are interested in furniture, please let us know, so we can take you out back to the PODS where we have a few things stored (sofa, chairs, end tables, kitchen table, wicker shelf, organ, etc.). We are always looking for good saleable furniture, but we no longer have use of a mobile home unit for storage because they are all being sold or remodeled. Once the PODS are full, we are at a standstill, so we will need to be selective about what large items are accepted as donations.

Your non-furniture donations can still be brought to the shed on Wednesday, or placed outside the shed door (if the weather is nice), or you can put things in the clubhouse by the back door near the pool table (not on the pool table). Thanks for your continued support.

Terry Helopoulos, SAC Assets Committee Chair

**A**LL RESIDENTS MUST PROVIDE A CONTAINER SO THAT YOUR MONTHLY NEWSLETTER DOESN'T BLOW AWAY. We cannot put the newsletter in the US Postal Box/Mail Box. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse on the credenza by the office, after the 1st of the month.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed. Don't call them until after the 1st of the month if you haven't gotten your booklet.

## Eating more fish may help prevent Alzheimer's

**A**lzheimer's, a disease that afflicts some 5.1 million Americans, is a type of dementia that affects a person's memory, thinking, and behavior. Although at this point no cure exists, you can take measures to reduce your chances of suffering from this debilitating condition.

New evidence suggests that eating more fish—as long as it's not fried—may help to protect your brain from the shrinkage and decline associated with Alzheimer's. Researchers from the University of Pittsburgh Medical Center tracked the diets of 260 people with normal cognitive function for more than 10 years. Using magnetic resonance imaging (MRI), they measured the brain volume and function of each participant at the beginning of the study, and again at the end. The results: The 163 subjects who ate fish on a weekly basis (the majority consuming it one to four times a week) had a larger orbital frontal cortex and hippocampus (two areas of the brain that are known to shrink in Alzheimer's patients) and better memory function than those who ate less fish.

The researchers determined that the risk for Alzheimer's and mild cognitive impairment was lowered fivefold within the five years following the brain scans. So start eating more fish today.

## Follow this 'Golden Rule' to reduce cancer risk

**W**ant to cut your risk of developing cancer? Check the color of your food—particularly your toast and potatoes. Scientists in the United Kingdom say that cooking those two items too long can increase levels of a naturally occurring chemical called acrylamide, which has been linked to cancer in rats.

Acrylamide is formed when starchy foods like potatoes and root vegetables are cooked at over 120 degrees. To reduce it in your foods, follow these guidelines:

- **Cook until golden.** Whether you're making toast, roasting potatoes, or baking vegetables, cook until the food is gold-colored, not brown.
- **Check the instructions.** Follow instructions for baking or frying packaged vegetables like fries or parsnips.
- **Keep raw potatoes fresh.** Don't put them in the refrigerator if you're going to roast or fry them. Colder temperatures can increase acrylamide levels.
