MESSAGE FROM THE OFFICE

DeeVon Schisler, LCAM, Office phone 727 584-1413, email: secretary.fourseasonsestates@gmail.com

September is here. Where has our summer gone? Even though the park activities have been at somewhat of a standstill, the office certainly has been as busy as ever. We have been flooded with construction requests all summer with people taking advantage of the situation of our current pandemic to get some of their projects done. I would like to remind you all, that you need to obtain a construction request form from the office, then fill it out for approval prior to any work being done at the exterior of your home, this includes painting your driveways, sod installation, planting anything outside of your planter box, exterior painting, etc. Anything on or around the outside of your unit. In most circumstances I can have an answer for you on approval or a reason why a closer look is needed in an hour of receiving your completed form.

We have had a new Jacobsen home privately placed in our community and another one coming in on lot 187, which we are excited about as well. This unit will be a Skyline home that Steve Lynn, Lloyd Wilson and I have designed. There is also another new home in the planning stages for lot 346. While we are all excited about these new homes, we ask that you do not try to gain entry into these homes. This is a liability issue for the park and these homes belong to someone else.

Violation letters have been going out for weeds and power washing. Weeding should also include the sides and the rear of your units. Some of them are looking pretty bad in these areas. We are also seeing some mailboxes that need attention, so letters will be going out about them as well. Please make sure that you are responding to those letters by correcting the issues listed. I realize it is harder for our snowbirds to keep up on these things, nonetheless, it is a requirement and part of owning property here. If you are unable to travel back and forth to do this, arrangements should be made with someone local to have it done on a consistent basis. These letters are not sent for enjoyment of the office. It is certainly not a part of my job that I enjoy but, have been tasked to do the job. These letters are sent to keep our community looking its best. Unfortunately, I have to repeat again that I cannot discuss with you someone else's violations or whether someone got one. I can only discuss your own with you and I appreciate your understanding on that matter.

Our home values have continued to rise here in Four Seasons Estates. We are a very desirable community to prospective buyers and the appearance we keep goes a long way in that goal. Our shareholders and homeowners alike are very pleased with this effort. We have not slowed down a bit, despite this pandemic on selling homes in our community. There have been several that have been sold prior to hitting a formal listing. Our preferred agent Pat Long has a list of people who are shopping for homes and who want to be in our park, so we see her "sold" signs often before she even has had a chance to put a "for sale" sign up!! Again, that is in part due to all of you keeping your own homes looking fabulous! Our community is beautiful and

Continued on page 10

unique! I also have several calls in a week for inquiries!

I will also remind everyone that our office hours are Monday-Friday from 9-3. Please come to the window for any business that you need to do and call ahead so we can be on the lookout for you. The window system has worked very well and allows us to continue to do business that needs to be done. I wish I could offer news of when the Clubhouse will reopen but, there are no plans for that in the near future. There are some reports from the legal industry and insurance companies that are guessing at timelines of the first of the year, although we really do not know. SAC keeps publishing their events calendar each month with hopes of returning to their scheduled activities and I have spoken with the SAC President on several occasions. It is just still too early and information changes so rapidly. We do not want to put anyone at risk. It's easy for someone to say "I'll clean up", or "I'll be in charge". It's just not that simple.

As our season draws near, remember that if you intend to rent your unit, all renters must obtain an application and go through our vetting process. They must fill out an application, pay their fee, and have a minimum credit score of 650 and a clean background. As the owner of the unit, it is your responsibility to get the appropriate packet to your potential renter. We have had issues in the past of renters being "snuck in". This will not be ignored going forward. This also opens us up to selective enforcement issues that we cannot have the park exposed to. We are all adults, you know the rules of renting and it is easy to do the right thing... If you intend to keep renting, you will need to follow the rules of doing so. If you are renting to a Canadian, make sure they are aware that they are required to give the office their SIN number. Failure to do so is an incomplete application and it will be denied. We are also an age restricted community. Please make sure your potential renters are aware of that. We cannot bend the rules on this or we jeopardize our 55+ status.

In closing, we are always here to listen to your comments, answer your questions and listen to your concerns. All will be held in confidence and we need them in writing to be able to act on them. If you do not have the forms, they are available in the office.

I THOUGHT IT WAS TIME...

To come up with a 4 Seasons Greeting Contest. Since the following are no longer healthy or allowed or recommended...no kisses, hugs, handshakes, high fives, elbow bumps, fist bumps, air kisses, etc. - either due to close contact or not wearing a mask, I say let's come up with a 4 Seasons welcome. I will start!

Namaste (nah-mas-tay)
My soul honors your soul,
I honor the place in you where the entire universe resides.
I honor the light, love, truth, beauty & peace within you
Because it is also within me.

In sharing these things we are united, we are the same, we are one!

Namaste is a traditional greeting used in India and is often spoken with a corresponding gesture. This gesture is performed with the hands pressed together against the chest, palms facing one another, the head slightly bowed. In fact, it's common for many to carry out this motion silently, as Namaste is implied in the gesture's movements.

The word Namaste is a combination of two Sanskrit terms: *namah* (I bow respectfully to you) and *aste* (let there be). However, the literal translation is not nearly as important as the spirit of the greeting – a motion that is deferential, cordial and executed with grace and a certain humility. In India, Namaste may also be used in cross-cultural academic and business settings, although generally, the Western handshake has replaced this tradition.

Let's put our thinking caps on for the day we reunite. Let's practice at our summer homes so when we come together at 4 Seasons it will be second nature and won't feel uncomfortable or awkward.

You can email me at red5hot0@icloud.com or drop off your suggestion in the park mailbox at Lot 144. Hope you all are staying healthy and safe. Namaste! Angela Shuman

LET ME ENTERTAIN YOU...

Spring 2020 and time had arrived to be a summer bird. Map out the route, make reservation at high dollar motel (\$\$\$ means Covid 19 cleaned), pack food for two days, masks, rubber gloves, Clorox wipes, cross your fingers and off to mid-Indiana.

Happy to be home I set about settling in for a lazy summer (everything restricted just like Florida)!! Two weeks later I am up late at night reading and I hear a low growl from my fireplace area! I cannot dismiss any longer the sounds that I had ignored for two years! The fact that I had raccoons in my chimney (woe is me). Picture this: one and half story house, 8 feet of chimney against the house and 20 feet of free standing above the house – oh dear!

Where do I find a chimney sweep? Do they still exist? How are they listed in the phone book? Do they still look English with the little umbrella?

Word of mouth led me to the modern day version of sweeps - raccoon removal - chimney clean out - chimney repair (none of which had been done in the 55 years that I have lived here)! It was very evident that the raccoons had been with me a long time! Talk about the evidence inside my fireplace (yes, you are right, I had not opened the fireplace screen doors since Bob died in 2011). In my defense my chimney top had two flues - one to where the fire burns and a side that Y's off to vent the heating in the basement (house was built in 1950) - which is where the raccoon family lived. They scaled that chimney and my downspout every time they went in and out.

Noting that the chimney was 70 years old - removal of raccoon family, complete repair of both flues of chimney, two stainless steel guards for chimney top took all thoughts of fun out of my summer plans!

Now I am content to sit on my porch swing, read my book and watch the moles make patchwork of my yard and dream of October when I can return to Four Seasons, where all the predators seem like pets (rabbits & cats & an occasional reptile).

Soon I will pack up in reverse and return to Florida. Indiana stay-cation vs. Florida stay-cation is like a box of chocolates - YOU NEVER KNOW WHAT YOU ARE GOING TO GET - so enjoy wherever you are! Sandy Hansen

TYING KEEPS ME SANE IN THE PANDEMIC

I'm certainly not a quilter, but I sure can tie!! Thankfully our Prince of Peace Lutheran Church (Largo) quilting group is still in business despite the Covid 19 pandemic. Everyone is busy working at home and producing beautiful quilts for Lutheran World Relief. This is a yearly project – last February 145 quilts were displayed in our Sanctuary (unfortunately the black/white photo doesn't do it justice). At the rate we're going, we might actually outdo ourselves – we're up to 89 already (end of August) and we haven't even met together. Once completed, the quilts are boxed for their first trip to Tampa and then shipped to our distribution center in Maryland.

LWR Quilts provide comfort to many across the globe in times of need – particularly to the elderly, abandoned women, children and people living with disabilities. So I'm tying one on! Again and again and again...it's keeping me sane during this pandemic. Marilyn Franz

PS: the knot is a symbol of the Trinity when tied three times.+

BE CAREFUL? OR BE CHEERFUL?

A doctor gave a 92-year-old man a physical exam. A few days later he happened to notice the man walking down the street with his arm around a gorgeous young woman and grinning from ear to ear. The next time he encountered the man, the doctor said, “You are really doing great, aren’t you?” “Just doing what you said, Doc,” the man agreed. “You said, ‘Get a hot mamma and be cheerful.’ “I didn’t say that,” replied the doctor. “I said you’ve got a heart murmur. And be careful.”

I wonder if the advice to be cheerful may actually do him more good than to be careful. There is no shortage of self-help books and articles about taking care of yourself physically – from watching your diet to getting proper exercise. In other words, “Be careful!” But just as necessary is learning how to care for your mind and spirit. And cultivating a cheerful attitude can be an important part of the treatment.

You’re no doubt familiar with some of the research linking a healthy sense of humor, and especially laughter, to overall better health. Researchers now know that:

- Laughter reduces stress hormone levels so we feel less stressed.
- It enhances our immunity by improving our mood. Our immune system is stronger on those “up” days and we are less prone to upper respiratory infections.
- Laughter causes us to breathe more fully, bringing in more oxygen and releasing toxins.
- After a good laugh our blood pressure drops, heart rate and breathing slow down and muscle tension decreases.
- Even in stressful times, humor and good cheer help us to find joy. As you know, joy and stress just don’t mix.
- Also, they are learning that laughter increases productivity and creativity.
- It helps our muscles to relax. This natural relaxation effect not only reduces stress but it also has been shown to alleviate headaches, chronic anxiety and other stress-related problems.
- Laughter reduces pain in the chronically ill. Norman Cousins, in his book *Head First: The Biology of Hope*, noticed that ten minutes of belly laughter often gave him two hours of pain-free sleep.
- In fact, it is said that a good belly laugh is so good for the heart some people liken it to internal jogging.

Do you tend to focus on what is wrong with your life, or what is right? Are you known as an angry person, or are you known more for being up-beat and positive? Are you finding enough laughter and humor every day? Sometimes I think the best sense we can make of life is a sense of humor. By Steve Goodier www.lifesupportsystem.com

STAYCATION – SEEING THE LOCAL SIGHTS...

For Lisa and I the summer has been pretty quiet. The Covid cases in NL are very low but the government is taking a cautious approach as well. Our summer has been full of projects like replacing our deck, some painting, and many other small items. We have taken a few day trips for a “staycation” to see some parts of Newfoundland we have not seen before. Hoping to see all our 4 Seasons friends before too long! Gerry & Lisa Langford

PREPARING FOR OUR LITTLE ONES...

At home in Spring Lake, MI during the past two months, I have been assisting our church's childcare prepare to reopen on August 10th. After closing our doors in late March due to the Covid 19 virus, we used our shutdown time to refurbish as well as clean and sanitize our center. When would we have another opportunity to complete such a project?

What an undertaking that became! Many decisions had to be made and implemented to get this accomplished. Fresh paint throughout, carpet and area rug cleaning, updated electrical and lighting work, playground renovation, etc. were just a few of our upgrades. I even learned how to operate our new sanitizing foggier which is used daily after closing.

It was worth all of our anxious moments. The final product was well received by our church members and given a thumbs up!!! Parents are not admitted yet into the secure area, so we will have to wait awhile before getting their approval. Lynn Ruhl

I LOVE WILLIE...

To "keep our sanity" during this time, Ernie and I both started getting more creative with exercising, riding our bikes when it was cooler, and getting our own treadmill. I have been painting more. I'm currently working on a portrait of Willie Nelson which is on a metal slate. It will be completed soon! Angie Simon

YEAH, COMPANY'S COMING...

As my flight to NYC was cancelled in April, I spent Easter with friends at Four Seasons. Thanking God for my health and the health of most family and friends.

My daughter was scheduled to come down and we were planning on seeing the Rolling Stones in Tampa, on July 5th, but of course the concert was postponed. However after testing negative for Covid-19 my daughter flew down to spend the 4th with Mama in Florida.

To our surprise we had a wonderful golf cart parade, decorations, singing, and lots of laughter here at Four Seasons to celebrate the 4th. An evening we enjoyed and needed along with our neighbors who felt the same way.

Jessica flew back to NYC, tested negative for Covid-19 again and sent her appreciation back to all who participated in our 4th of July extravaganza! God bless us and keep us all safe. Pat McDonnell

MASTER CARPENTER AT WORK...

Thankful to Harold Bell for all the park mail boxes that he has made over the past year. This is his outdoor workshop on the porch – Kitchen done – now on to the master bathroom. Good job, Harold!

FOUR SEASONS HOMEOWNERS ASSOCIATION

Janice Lamore, Secretary, Lot #332, Phone #802-879-0501

For quite a while now we had thought about writing an article or have one written by one of our neighbors and call it “Spotlight on our Neighbor”. Since there aren’t any meetings or much activity regarding our Homeowners Association, I have written the following as something different to break the tedium of another day of isolation. This has also given me something to do that I enjoy – original writing. Here’s hoping that you enjoy it. (Reprinted from May newsletter)

“A Slice of Life in the Country” by Janice Lamore. My house is a small ranch-style home which was built by my husband and a friend in 1969 on a ten-acre parcel of land that we had purchased. We raised our three children here. (I acquired sole ownership in 1984 as part of our divorce settlement.) This land came with a huge two-story barn with a gambrel roof built in the 1940’s. My family had also lived here during my childhood in the late 1940’s when it was a 366-acre farm which my father worked and managed for a few years. (The original farmhouse which was built in the 1800’s was too deteriorated to be lived in or saved when we bought it.) It is located on a dirt road called Lost Nation Road in the Town of Essex, Vermont where more signs of green are evident and just a hint of budding on my lilac bushes and apple trees. I am grateful for these signs of spring. (Before it was named Lost Nation Road many years ago, the entire area of about three-square miles was called just “Lost Nation” mostly because people couldn’t find it.) I have long considered this to be my “piece of heaven” although I was blessed to find another “piece of heaven” in Florida.

I am also grateful for having been blessed with a daughter and daughter-in-law who have been doing all the grocery shopping for me and leaving it on my back porch. I am grateful for knowing both families are close by, living either a little bit up or down the road from me, each having built their own homes on their eleven-plus acres of land that I was fortunate enough to own and sell to them many years ago. (More land that we later purchased from the original farm acreage that had been subdivided and divided once more.)

I flew home to Vermont much earlier than usual at the request of my family, leaving behind my sunny seventy and eighty-degree “piece of heaven” in Florida and coming home to a mostly

continued on page 28

rainy forty and fifty degrees with a few inches of snow in the mix. It feels very cold here to me so this has required a “period of adjustment” on my part which includes a blanket for watching tv from my couch and turning up the heat a degree or two more.

During the first few weeks at home, the usual staples were not available; toilet paper, Kleenex, all liquid soap and cleaning supplies, etc. But most important to me, there was not a fresh or frozen carrot to be found to go into my lentil soup or my pea soup or my rice and red-bean soup. I did have onions and spices but it just wasn’t the same. Needless to say, I am very grateful to now have a carrot or two in my soups and salads. It’s amazing to think what a difference one or two carrots can make in life or I should say my life.

The only signs of animal life I’ve seen each day are two very fat and persistent squirrels chewing everything in sight on my lawn and one small bird that likes to visit a large bare bush out by my mail box. I did follow deer tracks on a walk down to my meadow behind the barn. And there are a couple of piles of horse manure under my apple trees left over during the winter from my neighbor’s horses who like to escape and venture up the road at least once or twice a month. Oh yes, I forgot; I did see those three horses trotting around the corner and down the road toward their home last week after another adventure out. I found out yesterday that there are two horses down at the end of my road that sometimes get out accompanied by two goats. I’m looking forward to that.

I also enjoy seeing the little four-year old blond-haired boy next door riding his little bicycle along the road in front of my house with his mom or dad out for their daily walk. How soon will he realize how much his life is changed by the blessed event last Thursday that gave him a baby brother? We can only hope that he will not dwell on the fact that he has lost his spot as an only child and that he will be able to enjoy his new position as older brother without more than the usual amount of teasing. Looks like he’s taking it all in stride; he was pushing the baby carriage as they were out for their walk today. We know that there will be some bad to come out of this but let’s keep our eyes open for the many good things that will also come and embrace the good. Also, we could give some consideration to how little it takes to be grateful for what we already have. That’s it for now. Stay well. Stay safe. And please stay grateful. P. S. The Governor of the state of Vermont has asked everyone to postpone their spring cleaning so that the landfills do not overflow. I am so happy to be using this as an excuse not to do any housework. Well, that’s my story and I’m sticking to it.

And now for a quick commercial for the Four Seasons Homeowners Association: We, as a Board, are doing our best to represent all the homeowners in our park and work together with the ROC for the betterment of the community and the residents of this great park. We have many new homeowners and welcome them to our park. If any homeowners, new or old, have about five hours a month to spare, please consider volunteering for our Board. It is important to maintain a sense of community and our Homeowners Association. Please step up if you would like to help out!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

HELLO FROM GANDER...

We sure miss our Florida life and all of you in our lovely Four Seasons Estates. Hoping you are well and keeping safe during this Pandemic and all the challenges it holds for us. It has changed all our lives and has been and still is a very uncertain time for everyone. So many of us are finding comfort on social media - sharing positive thoughts and poems and stories etc. - hoping to brighten up our lives during Covid 19.

I have been sharing my music on Facebook with so many friends and many of them are in our Park. Sharing my passion with you all in song means a lot to me and knowing that they are enjoyed and they bring back some good memories to everyone is just the best feeling I could have. I am so blessed to be able to share my music with you - it keeps me in touch and fills the gap of the reality of this pandemic and what it can mean down the road to all of us Snowbirds. I hope to continue to entertain you and Bryan and I send our thoughts and prayers that we all will stay well and get to meet again in Four Seasons. Here's to that hope and here's to a positive thought that we will bring Music and Friends back to our lovely Clubhouse. Love and positive thoughts to you all. Katherine and Bryan Connors.

A VISIT TO THE NEW ST. PETE PIER...

A Sunday afternoon ride ended up at the new St. Pete Pier. It was a beautiful day so we decided to explore. On entering the pier there is an area with local art and crafts. Also the tram will take you to the end of the pier if you are not up to walking. In between there is a splash pad and play area for children and a Marine science center. At the top there is a restaurant, fishing pier and small beach. It definitely is worth going to see, no need to worry about parking as there are 2 parking lots where the tram stops to pick up and drop off! Creta and Terry Batchelder

2020-2021 PARK TELEPHONE DIRECTORY

Our 2020-2021 Four Seasons phone directory is now available and was delivered with the August newsletter to our summer residents. As our seasonal residents return, pick up your copy at the office when you check back into the park. Or contact Mandi at #373 or Marilyn at #411.

Please check your entry and if you need/want to make any changes for the next edition, contact Marilyn Franz at moosicldy@aol.com or drop off a note at #411. Thanks for your attention to this matter.

GOOD NEIGHBOR RESOURCE

Pat McDonnell, #508, Phone: 347-925-5532 and Creta Batchelder, #446, Phone: 330-979-0853

Our good neighbor resource has continued to serve all summer. We would like to express our sincere thanks to Bob Colletti, Ron and Mike Loftus and Angie and Ed Schuman who have shown kindness and generosity which enabled us to serve all summer. We will continue to take all precautions when making deliveries. If you see or talk to a neighbor in need please inform them of our resource group. Thank you all.

HEADING NORTH FINALLY...

Don and I have been in isolation since February in our coach. Only going out for food and prescriptions. Much too hot to even sit on our patio. I have been walking a mile each day in my hallway. Don has been doing his 4 miles outside but returning soaked to his skin. I have done 12 puzzles and finished a 16x24 cross-stitch for my granddaughter. (I expected that would have taken me a year to do under normal circumstances). Reading a lot and napping a lot. Our house in Massachusetts is ok for us to live in and so we are out of here soon with a stopover in North Carolina to visit family. Hope to see everyone in the fall.

SHED UPDATE

Judy Ingram, #243. Phone: 603 769 0710

Please remember that Tuesdays and Thursdays are your drop-off days. And please call me to let me know that you have left some things in front of the shed – that’s the only place - not in front of the clubhouse or by the back door! If it looks like rain, call me first – so many things are tossed if they get wet. Thank you – appreciate your donations.

AQUA LADIES...AND MEN!

Pat Mcdonnell, #508 and Joanne Halle #434

Yes, you heard it right ... 7 days in one week - 8 water aerobic sessions – WOW! Here is our summer schedule:
Mon-Friday 9am - Tues and Thurs 6pm - Sat 9:30 am.
Total of 8 classes weekly! Come join us! 🏊

FOUR SEASONS ESTATES SOCIAL ACTIVITIES, INC. (SAC)

We’re looking forward to being back together just as soon as we can open the clubhouse. We’ll be sure to let you know when that happens.

Join us on Wednesday mornings for **Koffee Klatch** – coffee is ready at 8AM (bring your own cup to help us save on paper products and trash) - and say hello to your neighbors! A short meeting of announcements takes place at 9AM.

If you are new to the park and want a name tag, there is a signup on the bulletin board or give Terry H. a call.

Clubhouse Rental: Scheduling of all events in the Clubhouse must go through the SAC, (Four Seasons Estates Social Activities, Inc.), Information Chairperson. This is to check on availability of clubhouse and posting on the activity calendar. Residents can use the clubhouse for private events by filling out the current form and paying a \$100 deposit.

AFTER HOURS EMERGENCY CONTACT PHONE 727-869-9700 – this number will go directly to our management office (OPM) on weekends or after normal business/office hours (M-F 9-3). If you need Largo Police or an ambulance, call 911.

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

We have available wooden park mail boxes made by our resident Harold Bell. Let me (Mandi at #373) know if you want one. During the winter months our Monday Craft Club also makes mail pouches – hopefully they will be back in business later this year. Cost is \$3 and \$5 for one with a military design.

Our newsletter publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail box/pouch. If you don't get a newsletter delivered to your door, Mandi may have a few extras available on her front step. The newsletter is also available on line at www.monthly-media.com after the first of each month.
