GAO SUMMER SEASON

Marlene Johnson, Vice-president GAO - Dorinda Barnes, Summer Activities

GAO Vice-president Marlene Johnson took charge of the summer schedule for activities beginning in May until Cheryl Williams returns in the Fall. For questions regarding Summer activities on the calendar and for scheduling the clubhouse for use during summer months, residents should contact Marlene at 248-410-2698.

Gateway Summer season activities continue.

Sewing Central is the substitute for the regular Tuesday Ladies Day.

A monthly Covered Dish Dinner, offering the same format as fall-winter Potluck, will continue August 19th at 5:00 pm and repeat the third Wednesday of September.

A Coffee Klatch will be held the first Thursday of each month at 9:00 am at the clubhouse. Paul and Sandy Vertz together with Karen Feyen and Dorinda Barnes have organized this as a social event for the summer months. Coffee, pastries, donuts and cookies will be the typical fare and those attending are requested to contribute \$1.00 towards the cost.

INDEPENDENCE DAY PICNIC

Dorinda Barnes, Summer Activities

The Independence Day Picnic was a wonderful occasion. Mike Johnson handled the grill despite boiling heat, blinding rain and the cracks of thunder and flashes of lightning. Ever the trooper, not a word of complaint was heard. Paul Vertz led us in the Pledge of Allegiance followed by a prayer. While I was busy with the usual odd jobs, Marlene, Sandy and Cassie handled the kitchen as well as the table full of delicious side dishes provided by 44 residents and guests. Ellen and her sister Loren provided valuable help with cleanup. A great big thanks to all volunteers for making this event so memorable.

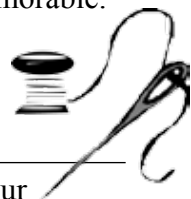

SEWING CENTRAL

Dorinda Barnes, Summer Activities

The monthly luncheon outside the park on the 16th of June was at one of our favorite places, Roe's Deli (located in the Train Station on Park Blvd.) A good group of ladies attended as always.

The craft and sewing room has been full of our talented crew working hard doing various projects. Ellen, Karen, Mariette, Sandy, Betty, Lupe and I have been very busy. Some others are joining us for lunch and conversation.

I am asking any ladies that are here during the summer months if they would like to make a 9" square (crochet, sew, embroider, appliqué) with a design of their choice. We have decided to make and hang a new special quilt in place of the older quilts while they are in protective storage until cooler weather. Several ladies like this idea. Stop by our Sewing Central room Tuesday mornings 9:30 to noon for more information and to enjoy a cup of coffee, treat or work on a sewing project. All ladies are welcome.

SUMMER SOCIAL SUPPER

Dorinda Barnes, Summer Activities

Our first Supper and our first chance to sit in our new chairs was held June 17th at the Clubhouse. A hungry group of 23 people enjoyed some very delicious food prepared and brought to share. You never know what will be on the table, but you are always guaranteed friends and fellowship are on the menu.

Thanks to volunteers for set up and Karol Dunlap for assistance in clean-up.

Our August get together will be Wednesday the 19th at 5:00 pm. The Dream Team, Mike, Marlene, Cassie, Sandy, Paul, Karen and I hope to see you there.

Editors Note: Special thanks to Larry Koubeck for the FaceBook photo posts. Makes us sorry we missed the meal!!

KOFFEE KLATCH

Monthly Koffee Klatch was held Thursday, July 2nd at the Gateway Clubhouse at 9:30 a.m. A delicious assortment of pastries served with coffee and tea were presented by host and hostess of the month, Paul and Sandy Vertz. This monthly morning get together happens the first Thursday of each month. All you need to join are a coffee cup and a one dollar bill. We supply the smiles.

This month's Koffee Klatch will be August 6th at 9:30 a.m. Everyone is welcome.

COMMUNITY WIDE YARD SALE

Dorinda Barnes, Summer Activities

Due to popular request, our Summer Community Yard Sale will be held two days, Friday, August 7th and Saturday, August 8th from 8am to 3pm each day. This will be the perfect opportunity to empty your closets, drawers and shelves of un-needed items and make money to buy new un-needed items to refill the empty spaces.

There is a sign-up sheet on the table at the east entrance to the Clubhouse. We ask for a small donation of \$2.50 from each participant to cover the cost of newspaper advertising.

For additional information see Dorinda Barnes 727-578-5471 or Cassie Packala 727-289-1208

MESSAGE FROM MANAGEMENT

Susan Worden, Manager

There are some changes coming to Gateway and I wanted to let you all know. Doyce Mathis a/k/a Trademark Sales Group will no longer be working out of the Gateway office. Doyce will be working from his home office going forward. If you have a listing with him or need to speak to him, you may reach him on his cell number 727-409-0766.

Welcome our new Assistant Manager, Amy Danson. Amy comes to us with vast experience from assisting in managing apartment communities. Her office hours will be Monday thru Fri 9:00 – 3:30. Amy will be assisting in managing the community as well as Sales for Great Florida Living. Amy has been with our company for 4 month's at our other community I manage; Riviera Estates. She has been working to become familiar with the Rules of Gateway and should be able to assist you with questions you may have.

Effective immediately, Amy and I will be available to assist you with the sale of your home through our sales entity, Great Florida Living. We both have many years' experience of knowledge of mobile homes, negotiating and closing the deal.

My position as Manager will remain the same. The days and hours I will be here are Monday and Thursday 9:00 – 3:30. If you need assistance please see Amy first. She will be able to contact me at any time should the need arise.

A high priority for Gateway is to remove clutter, clean up home sites, and ensure the community is a desirable place to live. With that, Amy will now be assisting in the routine inspections of your home sites to make sure everyone is keeping their homes neat, orderly and clean. This will include making sure that you don't have unauthorized items stored outside of your home cluttering up the carports, driveway and screen rooms. Your homes should be pressure washed and/or painted as often as necessary. Please cooperate when requested to improve the appearance of your homesite...it is beneficial for everyone!

The mobile home owner is responsible for mowing his LAWN at least once every ten (10) days during the growth season from April through October. No mowing, trimming or any other work that will disturb other residents will be permitted on Sundays.

It saddens me to have the need to report that there have been several bicycles stolen lately... none of which were locked up. I urge everyone to Lock Up!! This includes your bicycles, golf-carts, your home and your cars. Call the Sheriff to report crime.

And I am pleased to report we have received the new chairs for the Clubhouse and they look "GREAT".

Thank you in advance for your cooperation to keep our community looking great.

WEATHERING THE WEATHER

Part 3 in the continuing saga: "Summer WHINE!" - Kathy Soehrlen

Many times I asked myself what I would have missed here in Ohio if I had stayed in Hot Humid Florida another month. The answer is ... so many exciting things. Beginning with 28 nights of listening to the furnace eating up kilowatts of electricity to heat our home to 72 degrees. Fondest memories of gathering around the evening campfire dressed in our sweatpants and fleece lined windbreakers on the 7 nights it didn't rain. The chance to wear our winter 'jammies' and huddle under thermal blankets for 13 nights of below 60 degree temperatures. Enjoying morning coffee sitting on the swing overlooking a muddy swollen-to-overflowing river and commenting on how blessed we are that none of the large trees floating downstream in the swift current are on the side where we live. I would have missed getting my daily exercise of wildly waving my arms in an effort to avoid the kazillion mosquitoes made possible by all this moisture, and gaining second hand knowledge of what a visit to Washington State in January would be like. Wet, **'with not a SKY in the CLOUDS.'**

I believe I am beginning to feel very sad for the weather forecasters here in our area. Their voices have a noticeable quiver and their tear filled eyes are showing signs of fear. I've noticed slight indications of outlines caused by bullet proof vests under their clothing. As for me? I'm taking the attitude of the 'hippie' in a marijuana field. "It's all good!!" Every day I add a little more air to my inflatable ark, and send invitations to the many people I have accidentally friended on FaceBook. I shall set my course due South to my extremely HOT, HUMID, surroundings in Gateway. Upon arrival I shall announce with a broad smile upon my face: "Take me to the nearest air-conditioned restaurant."

dead fish immediately. I don't know and was not contacted by a USA Agriculture person.

Fish kills happen every so often in all of our lakes. Most of the time it is due to the lack of oxygen in the water. There is no cause for alarm.

In addition, the word is that our swan recently transferred to the north (laundry room) pond is getting along famously. It is also reported that since he arrived, there has been little or no need to clean up after any of our muscovy duck population in the vicinity of the laundry.

RUMOR MILL & OTHER THINGS

The concrete road deck beams are in place over 4th Street and Roosevelt Avenue, replacement of the fire scared wall from the tanker fire back in December is proceeding and building of the approach ramp immediately south of the Gateway will likely be completed by summer when construction of the road deck itself can begin.

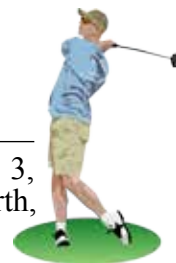

It has been reported that the Sheriff's Department has been conducting radar speed checks on 106th Avenue (side entrance to Gateway) as people enter and leave the park and pass through the 10 mph posted Sienna Bay neighborhood. Sienna Bay management has expressed their concern that people are traveling too fast through the area.

Other than the Annual Bazaar and Halloween and Valentine Dance ticket donations the only other source of GAO General funding is through the paper and can recycling. The paper 'dumpster' is located at the north end of 1st Way and aluminum cans (free of cigarette butts and ashes please) can be deposited in the clubhouse storage room or the barrel marked for aluminum cans at the east entrance bulletin board.

GATEWAY MEN'S GOLF

Peter Soehnlén, Editor/Wannabe Golfer

We play twice weekly (early mornings) Tuesday and Friday at the Par 3, nine hole Cypress Links located east of 4th Street off 62nd Ave North, about 10 minutes from Gateway and at the Mainlands course, off US 19 just north of Wal-Mart that has been offering an early morning 9-hole special for \$9.00 with a cart.

PINELLAS PARK ORCHESTRA

Submitted by Bob Daniels

Welcome to all string players!!
The Pinellas Park Orchestra began its summer 'Workshop for Strings' the first of June and runs through August 30th. It is held at the Performing Arts Center on the

usual Monday rehearsal time. Open to everyone at all levels. If you are a string player and would like to hone your skills again, or a new player who would like the experience of playing with a group, you are all welcome to attend. There is no charge. Show up with your instrument.

Currently, bowing techniques is the topic being undertaken. An effort to get all the bows going in the same direction at the same time throughout a piece of music. Music being played is some that will be used for the regular monthly concerts throughout the season.

GATEWAY COMMUNITY DIRECTORY

Peter Soehnlén, NewsNDos Editor

New directories were distributed with the May issue of NewsNDos. Please take the time to review your information to verify that it is correct and as you wish it to appear. If you desire any changes or corrections please contact me at the email or phone number below. I will be publishing updates to the listings here as information is received in order that you may make the corrections and additions in your Gateway Directory. These directories are meant for use by residents and should not be casually discarded or left at the Clubhouse. Should yours become lost, destroyed or be eaten by a pet please feel free to contact Peter Soehnlén, Editor of NewsNDos at (727) 269-9569 or GAOnews@tampabay.rr.com for a replacement. Additional copies will NOT be available at the Park Office.

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau3@aol.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

GATEWAY ACTIVITIES ORGANIZATION

Cheryl Williams, President

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. All for the best

A king was friends with a wise doctor. They spent many hours hunting together, talking about the world as they walked through the kingdom. The king was intrigued by the doctor's insistence that events always worked out for the best. He was never convinced, but they remained close friends.

Then one day they went out hunting. The doctor's rifle went off by accident, and the bullet hit the king in the hand. The doctor had to amputate two fingers, and the king was so angry that he had his friend thrown into a dungeon.

Several months later, the king went on a safari in the deep jungle. Bored, he went off by himself and was promptly captured by a band of savages who carried them back to their village.

The king realized that these people planned to eat them, and all his promises of riches and rewards if they freed him were ignored. But when they came to prepare him for their feast, they noticed that his hand lacked two fingers.

Their traditions demanded that they not harm anyone with an amputated limb. They freed the king, and he returned to camp unharmed.

When he got back to his castle, the king immediately freed the doctor. He told his friend the story, and added, "If not for you cutting off my fingers, I might have been killed."

The doctor was happy that the king. "You see, that proves my point about things happening for the best."

"But what about you?" the king asked. "You spent all those months in a dungeon. How did that work out for the best?"

The doctor smiled. "If I hadn't been in the dungeon, I might have been out hunting with you."

Go fly a kite

The mayor of a small town was walking through the park one day when she spotted a little boy flying an enormous and beautiful kite high in the sky. Intrigued, she walked up and asked who was responsible for the keeping the kite in the air.

"I am," the boy said. "I made this kite all by myself, and I got it up into the air on my own."

Then they both heard a whisper in the air. "I am the wind," the voice said. "I keep the kite in the air by holding it aloft with my breath."

A third voice, high-pitched and vibrant, joined in. "I am the kite's tail," said this voice. "I keep the kite stable as it flies through the air. Without me it would crash to the Earth!"

Moral: Cooperation and teamwork are essential to every endeavor.

Little-known facts about books and language

The world of books, reading, and words is full of surprises. Take a look at some of these stories about writers and other creative people (from the BuzzFeed website):

- **Green Eggs & Ham.** This Dr. Seuss classic was written on a bet. Publisher Bennett Cerf wagered \$50 that Ted Geisel couldn't write a children's book using fewer than 50 different words. Geisel won.
- **Thomas Jefferson.** The third U.S. president (and writer of the Declaration of Independence) invented more than 100 "American" words to distinguish U.S. writing from British usage—including the word "anglophobia."
- **Gone with the Wind.** Margaret Mitchell began work on her first (and only) novel after recovering from an auto accident. During her convalescence, she read so many books from the local library that her husband got tired of going back and forth—so she suggested she try writing a book of her own.
- **Amazon.** The first book sold on the now dominant website was *Fluid Concepts and Creative Analogies*, by Douglas Hofstadter. Its subject: whether machines could be taught to think like people.

Stay optimistic to get ahead

Successful people are optimistic. They're realistic, and they see the challenges, but they don't lose their confidence. Here are some of the characteristics of "intelligent optimists" that anyone can master:

- **Don't deny problems.** Don't try to pretend difficulties don't exist. Learn to live with obstacles while looking for ways to overcome them.
- **Accept reality.** Recognize that you can't solve every problem. Don't get too wrapped up in trying to fix things you can't influence that you ignore what's possible.
- **Don't bury negative thoughts.** Everyone has them—"This will never work," or "Why am I wasting my time?" Instead of trying to repress them, ask what they're telling you, and work on getting past the problems that create negative thinking.
- **Look for different solutions.** Many solutions start as attempts to solve a different problem. Searching the background can provide clues to resolving the current difficulty.
