UPCOMING EVENTS

- August 21st – Wednesday – Potluck Dinner @ 5:00 p.m.
- September 2nd - Monday - Labor Day Picnic @ 4:00 p.m.

SEWING CENTRAL ON HIATUS

Dorinda Barnes, Co-ordinator

Due to lack of attendance on Tuesdays both Ellen and myself are suspending Summer Sewing Central. We are usually the only two there and we have our own things to take care of and we both are experiencing health issues. Those who wish may come to play games as the clubhouse does remain available for use. As such Sewing Central will be suspended from the monthly calendar until further notice.

Keep in mind that Summertime Potluck Dinners have been going well with lots of lovely food and very nice group of people. The August Dinner will be at 5:00 pm Wednesday the 21st. We look forward to seeing you there.

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau5@gmail.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

JULY 4TH PICNIC

Walt and Sheila Fleitz, Committee Chairs

The 4th of July picnic went very well. We had about 30 people and all enjoyed themselves immensely. Special thanks to Walter Willis, Eddie and Judy Shuffitt for help setting up and cleaning up. Thanks and appreciation to all who attended and to those who assisted with cleanup.

Watch the display cases and bulletin boards for details and information of the upcoming Labor Day Picnic.

GAO SUMMER SEASON

Cheryl Williams, Vice-president GAO

For questions regarding Summer activities on the calendar and for scheduling the clubhouse for use during summer months, residents should contact Cheryl at 607-725-2180.

Gateway Summer season activities continue.

Sunday Creative Coloring 1st and 3rd Sundays, 6P - 8P

Tuesday and Friday early morning golf

Tuesday evening Game Night with an added Wii game console has been a great success and has attracted a regular following. Stop by the clubhouse Tuesday evenings between 7 and 9 to see what is happening.

Wednesday Hold-em Poker at 6P

A monthly Potluck Dinner, offering the same format as fall-winter Potluck, will continue August 21st at 5:00 pm and repeat the third Wednesday of September.

Friday evening Euchre at 6:30P

Saturday Movies from 7P to 9P remain on the calendar.

August is the slowest of summer social months and following the Potluck your summertime volunteers will begin preparing for the September 2nd Labor Day event.

TUESDAY GAME NIGHT

Walt (Butch) Fleitz, GameOp

Game night has been going well. We started with about 6 to 8 people and it has grown to about 10 to 12 regulars each Tuesday. Everyone wanted another Wii console so we can have two going at once. Game players wanted to both bowl and play darts and we are pleased that GAO approved the purchase of an additional Wii console which I was able to acquire together with three remotes for a bargain price of \$45 dollars.

I am also pleased to announce a second monitor (TV) has been donated so that both consoles will be in use throughout the evening with far less wait time for anyone wanting to play.

Game Night is open to all residents and their visiting guests. So stop by the clubhouse any Tuesday evening 7P - 9P to become acquainted with what is available.

To all the “new residents” come join us in these activities and all the other activities that are being offered. Try it, you might like it. Check the Gateway Calendar for days and times. If you have any questions, call me and I will try to help you.

Enjoy the rest of the summer!!

MESSAGE FROM MANAGEMENT

To All Gateway Home Owners

First off, We would like to say we hope everyone is doing well and enjoying their summer. Second, we would like to thank those that have continued with their cooperation in keeping their homes, carports and lawns clean, neat & tidy. But for some reason I just cannot get some of our Tenants to cooperate. Which is not fair to your neighbors and or their invited guest. Now despite some opinions I have been more than patient and I have tried to be as understanding as I possibly can, but the interest of Gateway Mobile Home Park as a whole must remain my top priority. We here at Gateway have a lot of Tenants Violating a Great Deal Of Gateway & H.O.A Rules and Regulations. I have been trying to take care of these on an individual basis but seem to be getting ignored. I have been trying to have discussions with tenants instead of writing up Violations. I have really tried to keep from getting into Evictions over violations but some Tenants are just forcing my hand. Some of our tenants would rather say “well someone on Bay Street isn’t following the rules, why should I have to?” Trust me, the same exact conversation is being had with EVERYONE. I WILL MAKE SURE EVERY RULE IS BEING FOLLOWED BY EVERY TENANT, THIS I PROMISE YOU. I will go to whatever length I have to achieve what should not only be the goals Gateway Management office but also the goals of every home owner at gateway.

...continued n page 10

THESE ARE THE MOST COMMON VIOLATIONS AT Gateway

1. **SPEEDING (15 MPH)** –Rules & Regulations says after 3 offenses Tenant may be evicted, questions asked.
2. **FENCES or GATES-** Rules & Regulations say **ABSOLUTELY NO FENCES OF ANY KIND-** Yard Or Driveway.
3. **CLEANLINESS-** Rules & Regulations say- No mold or Mildew, only yard furniture, bikes and grills on carport.
4. **YARDS-** Rules & Regulations say yard needs to be Mowed at least every 10 days- and **ABSOLUTELY** no debris, junk or building materials in Front, Back or sides of Home.
5. **PETS-**Rules & Regulations say **ALL PETS MUST BE DOMESTIC (Dogs or Cat)** And they must always be on a leash at all times and you must clean up after your pets. Not someone else's responsibility to clean up after your pet.
6. **Cats-** your Cats are no better than Dogs If they are out of the House they must be on leashes, It is not the responsibility of your neighbors to take care of your cats, and they are breeding at a rapid pace which has got to stop. If this problem keeps up we will be forced to trap **ALL** cats and have them sent to the pound. **THEY ARE SUPPOSED TO IN YOUR HOME NOT WANDERING THE PARK.**
7. **DUCKS-** Rules & Regs say- **THEY ARE NOT PETS.** They are uninvited Pains in neck to all tenants and Management. We at Gateway have the right to make and Enforce certain rules and **RULE #1** for a long time has been *****DO NOT FEED THE DUCKS** (THIS MEANS NO ONE IS EXEMPT FROM FEEDING THEM- NO MATTER YOUR PLACE OR POSITION IN OUR COMMUNITY)** Which also means No Bird Feeders, No Bird Baths. Until we can get **DUCK** issue under control these items cannot be in your yards.

I realize this may be a lot to handle all at one time and I am not trying to be rude. I am trying to make Gateway Mobile Home Park a Great Place to live and it will take each of you to help make it that way. Like I said, I have been trying to avoid at all cost to keep writing Violations, and or turning to evictions for Violations but I will if Necessary. I cannot let the Majority suffer for the few.

Thank You
Gateway Management

RUMOR MILL & OTHER THINGS

The Editor

I have been an online computer user from the earliest days of personal computing and even prior to the perils of identity theft and debit cards to purchase gasoline I was aware of and concerned for personal information privacy and security. I have been a purchaser and user of Norton/Symantec Security software for decades and can recall fondly how I was the one being called by friends when their systems had been compromised and was able, through the use of Norton/Symantec tools to get them back online and their fears of future loss allayed.

The following information involving **Home Cyber Security** is printed with permission from a recent **Norton Online Security Newsletter**.

Personal Documents

Paperwork that contains personal information like your social security number is extremely valuable to identity thieves. Make sure important papers (i.e., mortgage documents, vehicle titles, deeds, birth certificates, passports, loan information, estate plans, visas, passports, current and expired licenses) are stored safely. And check on them frequently to make sure they are still there – not just when they need an annual renewal.

Desktop Computers

Some people may think that if your computer is stationary it's not susceptible to hacking. Wrong. Your hardware, software, and network can all be compromised. If your desktop is older and you don't make updates to your operating system or software, you may be exposing the information on your desktop to security holes. Always check for updates, 'bug fixes', and stay alert to any suspicious emails from people you don't know.

Mobile

Our phones feel like extensions of ourselves, and thus they're popular targets for scammers. Cybercriminals continue to develop stealthy new threats for mobile devices - threats that can spy on your location information, steal your passwords or damage your device.

Recycling

While you're trying to be good for the environment you may be aiding identity theft. Make sure you do not throw bills or mail that includes your personal info into the recycling bin without shredding it first.

Laptops

To keep your computer safe, always keep software up to date (even a new laptop right out of the box can have outdated software that's vulnerable to attack). Manufacturers' updates are designed to address security holes in operating systems.

Trash

This one may seem old-fashioned, but your trash can be like a candy store for identity thieves. By digging through your garbage, they can snatch bills, receipts, and credit offers. If your trash has personal information on it, you may be vulnerable.

Other Things

Kee in mind the pipes supplying water to our homes and to water our lawns are old and not buried deeply in the ground. Parking and driving on the grass will most certainly lead to breakage and the interruption to water service during the time it takes to accomplish repairs to either of the systems. Pay attention to the signs and please do not drive on or park your motor vehicles on the grass.

Residents are reminded that the 4th Street North and Gandy (Frontage) Blvd intersection is, in my opinion, among the most dangerous in Pinellas County. Though the completion of the flyover has brought a great deal of relief to our ability to exit the park at the main entrance, still care should be taken at all times as you approach 4th Street seeing as how when drivers have a choice as to which of six lanes to select as they approach the traffic signal it is highly likely mistakes as to where they can go from the lane where they intend to be will be common. Try not to get in their way.

A SUMMER OF RAIN AND DESPAIR

The Editor

As many of you have come to know Kathy and I escape the heat and humidity of the Gateway summer at a riverside campground in East-central Ohio. For years it was a weekend retreat that was upgraded to accommodate full-time living when we retired in 2005. It has been the place of many enjoyable days, weeks and months of summer fun and relaxation.

The title for this column last August was A Summer of Cleanup and Repair that followed a disastrous flood of the campground as the result of winter ice damming our normally free-flowing river.

This Spring I returned north in early May to complete some home maintenance and looked forward to having our floating dock and pontoon boat in the water by the time the temperatures had warmed to Kathy's acceptable degree. Well, here it is mid-July, and the dock is sitting in the yard on blocks and the boat sits on its trailer. The problem? Ohio's weather.

In particular it has been a Spring and Early Summer of rain, lot's of it, and it just so happens that most all the rain that falls in eastern Ohio from a point nearly 100 miles to our north does eventually have to pass by our riverside home. It is not as though we are in danger of being washed away. At normal summer time water levels we get to our dock and boat down a set of 17 wooden steps. Throughout the latter half of May, all of June into early July only 6 of the 17 remained above the fast flowing river. To date we have yet to see the bottom 4 steps and even now the speed of the current is still hazardous boating for all but the more powerfully equipped vessels. It is not as though there will be no time on the boat, it is rather how it is not likely to be done from the convenience of our dock on the river.

There has been joy and fun, especially the day spent with Cheryl Williams and Bob Harris who stopped by while on their OH/PA/NY odyssey away from Gateway. But how ironic, late afternoon the day Cheryl and Bob departed a violent wind and what sounded to be a tornado passed close enough that two large river side trees about 1/4 mile down stream were toppled into a backyard and onto the roof of a screened porch. And then during the night a large portion

of an already stressed tree being held together with a log chain broke off and landed on the roof of the mobile home on the lot next to ours.

Then there was a pig roast pot luck with entertainment at the far end of the campground. Kathy made her corn casserole specialty that was gone early on. It was scheduled to go 5 till about 11. The rain began at 6 and it ended just about 10:30. Those attending, 30 adults and about 8 children, nonetheless had a good time.

I have little doubt we will be looking forward to returning to our Gateway home in September.

Peter Soehnlén, NewsNDos Editor

Our 2019 Gateway Park Directories have been distributed. Please take the time to review your information to verify that it is correct and as you wish it to appear. If you desire any changes or corrections please contact me at the email or phone number below.

These directories are meant for use by residents and should not be casually discarded or left at the Clubhouse. Should yours become lost, destroyed or be eaten by a pet please feel free to contact Peter Soehnlén, Editor of NewsNDos at (727) 269-9569 or GAOnews@tampabay.rr.com for a replacement. Additional copies will NOT be available at the Park Office.

GATEWAY ACTIVITIES ORGANIZATION

Barbara Fuelling, President

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway 'social' scene will find the monthly meetings provide an informative overview of activities. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

Monthly

Children's Eye Health and Safety Month. It's time to schedule eye exams for your children as you make plans for the coming school year. Find information and resources on vision care at the American Academy of Ophthalmology website: <https://www.aao.org/eye-health/resources/articles>

Immunization Awareness Month. This is a topic sure to bring about spirited debates. No matter what side of the issue you are on, take the time to get information from credible sources and speak with your physician regarding any concerns you might have.

National Read a Romance Month. Since 2013, freelance writer and book reviewer Bobbi Dumas has been celebrating the romance genre. She believes that as the summer nears its end, August is the best time to try a light read. Add a romance novel to your reading list this month, or select one to read with your book club.

National Win with Civility Month. Take the high road this month in your dispute resolutions, mediations, and negotiations anytime you are faced with conflict.

Weekly

National Farmers' Market Week, Aug. 4–10. Buy and eat local. Support the farmers in your area and the tireless efforts of the folks selling all sorts of good stuff this season.

U.S. Amateur Golf Week, Aug. 12–18. The Pinehurst Resort and Country Club in North Carolina will host the week's events on two of its legendary courses. Let's hope for good weather.

Little League World Series, Aug. 15–25. There are no underdogs, upsets, or losers—just kids with a lot of heart, playing their favorite sport. Let's root for all of them.

World Water Week, Aug. 25–30. In an effort to develop a water-wise world, individuals and organizations from around the globe meet in Sweden annually to brainstorm sustainability issues and preserve access to our planet's most valuable natural resource. This year's theme is "Water for society—including all." Learn more at <http://www.worldwaterweek.org/>

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

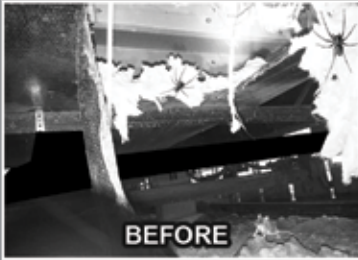

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
