DUKE ENERGY BILLING INCREASE LETTER

The Editor

Residents have reported receiving a Duke Energy Form Letter notifying them of a forthcoming billing increase due to 'municipal' charges imposed by the City of Saint Petersburg. Those who have contacted Duke Energy, including myself and GAO Vice-president, Cheryl Williams have since been called by Duke Energy representatives and told to IGNORE the contents of the letter and that the increases will not be applied because Gateway 'homes' are not within Saint Petersburg city limits.

AMERICAN RED CROSS SAINT PETERSBURG FIRE & RESCUE SMOKE ALARM TESTING AND INSTALLATION TUESDAY, APRIL 30th

Peter Soehnen, GAO Past President

In early March I was contacted by Axl David, a Red Cross Disaster Program Specialist with the plan that Red Cross, Local Fire & Rescue and corporate community volunteers would be conducting a 'canvas' of Gateway to test and install Smoke Alarms free of charge to any resident willing to participate in the program. Over the six week period leading up to the April 30th event there were exchanges of emails, an onsite meeting and a conference call as part of the preparations. During this period Gateway Activities Organization and NewsNDos took an active role in assuring that residents were aware of this opportunity. Plans were already underway when Barbara Fuelling was elected President of GAO and she immediately became involved in seeing this to its overwhelmingly successful conclusion.

We were told by Axl how typically these canvassing events meet with fifteen to twenty percent participation rates. At the end of the day, around 2 pm, there were 143 homes inspected and 291 smoke alarms installed. This amounts to nearly 50 percent participation and residents of Gateway should take great pride in the efforts they put forth in response to this offering.

Recognition goes to William Hulett, James and Robert of Gateway Management for keeping the clubhouse area clear for parking; Walter Willis, Virginia Ehrman, Bonnie Sisco and Jon Fuelling of the NewsNDos 'delivery staff' who distributed notices throughout the park a couple days in advance; Peter Soehnen and Barbara Fuelling, GAO representatives who planned and assisted in notification efforts throughout the period and answered resident inquiries the day of the event.

Special thanks to all the ladies of Ladies Day who set aside their regularly scheduled Tuesday clubhouse use to facilitate this community education and safety event.

Note from Red Cross:

If residents weren't home and need an alarm installed, they should email their name, address, phone number, and best time to call to: **virginia.harter@redcross.org**

You will get called from a number you may not recognize to setup an appointment. Due to the volume of requests, it's important to answer the call the first time and be sure to keep their appointment time.

GATEWAY ACTIVITIES ORGANIZATION

Barbara Fuelling, President

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway 'social' scene will find the monthly meetings provide an informative overview of activities. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

GAO SUMMER SEASON

Summer is upon us and along with the heat comes our Summertime Activities. Last month featured our Memorial Day Picnic and I am sure a good time was had by all who attended. June brings our Annual Summertime Carport Sale. Hopefully the weather will cooperate so this comes off without a hitch.

Creative Coloring hosted by Jayne Naska the first and third Sunday evenings each month will continue throughout the summer as will Wednesday evening Hold-em Poker Sit-N-Go's.

Sewing Central is also going on each Tuesday morning for any of our ladies who wish to sew and do crafts or play games. Beginning this month Tuesday evenings at 7 pm, Walt Fleitz will have WII computer gaming available on the big screen at the clubhouse. Also the second and fourth Saturdays there will be a movie night beginning at 7 pm. And don't forget we also have a monthly Potluck Dinner. As you can see there are things going on at the Clubhouse throughout the summer and all residents and their visiting guests are invited to attend.

Watch our bulletin boards and display cases along with the NewsNDos monthly calendar for notifications as to when each of these activities will be taking place.

Keep in mind that GAO Vice-President Cheryl Williams (607-725-2180) will be the summer contact for those wishing to schedule use of the Gateway clubhouse for resident functions. Gateway Management must be provided the nature and details while the date and time must be cleared with Gateway Activities so as to avoid conflicts with previously scheduled events.

A reminder from our 'kitchen crew' that during the summer months responsibility for cleaning any clubhouse 'dish towels' used for your event or function should be washed, thoroughly dried and returned to the clubhouse.

For all our seasonal Snow Birds, here's hoping you all have a safe and wonderful summer. See you soon.

CREATIVE COLORING

Jayne Naska

Creative Coloring will continue to meet every other Sunday through the summer months. We meet in the Sewing room from 6 to 8 pm. I recently saw a magazine called something like a Guide to a Healthy Brain. In the magazine, they had an article on the benefits of coloring for relaxation, de-stressing and creativity. They also had a few pages to color. Yes, coloring is a good way to escape from everything for a while. I enjoy bringing a picture to life with colors and seeing the work that the others in the group create. Another fun part of coloring is that you can't do it wrong, there is no pressure to color a picture a certain way. You can do it anyway you want and in any colors - be crazy with colors! Gateway Creative Coloring has all the supplies you need to color a picture and many pictures to pick from. Come on in and join us on a Sunday in the air conditioning!

SEWING CENTRAL

Beginning 9:30 am each Tuesday, the sewing room is open and all crafters and all ideas are welcome. Even if you don't want to join us for crafts and sewing we have plenty of games available, SCRABBLE, RUMMY CUBES etc., we would love for you to join us. We will provide fresh coffee so bring your bagged lunch.

About once each month we go out for lunch at a local restaurant.

SUMMER POTLUCK DINNER

It is only June and we have already enjoyed two Summer Season Potluck Dinners. April 17th we had 18 and May 15th there were 20 residents and guests who enjoyed great home made dishes from their neighbors kitchens. Thanks to Walter Willis and Sheila Fleitz for setup and to Sheila, Lynn Harbour, Beverly O'Brian and Kathy Soehnen for cleanup in May.

This months Potluck Dinner will be Wednesday, June 19th at 5pm. Please arrive prior to start time, bring a covered dish to share and have a fun filled evening with friends. Summer Season Potluck Dinner is held on the third Wednesday of each month, June through September and offers a format similar to that held during the Winter season.

Further details please contact: Dorinda Barnes 727-578-5471.

GATEWAY HOMEOWNERS ASSOCIATION

Jayne Naska, President

Help made a difference in your community.

The Board of Directors is in need of a Secretary. We thank Meda O'Donnell for her service as Secretary. She stated that she can not continue as she does not have a computer or printer. Thank You also to June Boudreau for her many years of running the Yearly Election. A volunteer is needed to run the election. Dorinda Barnes announced at the May 4th meeting that she no longer will be serving on the Board of Directors. She served 1-1/2 years and participates in many activities and dinners in the park-Thank You Dorinda.

If any one would be interested in Secretary, Chairperson of the yearly Election or a Director position, please contact Jayne Naska, President at 798-9898. I will be happy to explain the duties involved and the Board would welcome your interest and assistance. Help made a difference in your community.

Please watch the Clubhouse board. I am trying to set up a presentation with the Pinellas County Sheriff Department for some time in June for a talk related to storms and safety. I am waiting on the 2019 County Storm guide newspapers. They are free and will be on the table in the Clubhouse and at the Laundry. They should be arriving very soon.

YARD SALE - SATURDAY, JUNE 1st

The Board of Directors of the GHO will be selling hot dogs and beverages on June 1st in the Clubhouse 10 am until 2:00 pm unless food sells out before. Come get out of the heat and enjoy some doggies!

The next Home Owners Meeting will be Monday, July 1 at 7:30 in the Clubhouse.

Have a great summer!

FREE HOME CHECKS

Jayne Naska

ARE YOU GOING ON VACATION OR LEAVING THE PARK FOR A WHILE?

On April 8th Deputy O'Brien did a Personal Safety presentation. He talked about **FREE home checks done by Pinellas County Sheriffs Department.** He explained the 'Home Check' program as when you are out of town, for vacations or at your other residence, you call 727-582-6177, provide information and the Sheriff Dept will come by your home daily or every other day and check it. This is wonderful! Double benefit-- The more the Police are seen around our park, the more it tells the bad guys to stay away!

MESSAGE FROM MANAGEMENT

Thanks to all of those that have been cleaning up their Homes. But there are still many homes with Mold and/or Mildew on them. This really needs to be taken care of as quickly as possible. The Gateway Office has exhausted all means to get this done so the next step will be Our Maintenance Team will come by and wash your home and leave you a bill that will be added to your monthly account. I apologize for this drastic measure but everyone must have a clean home and yard.

Further, ANY/ALL Improvements must go through the office. (This includes New Windows, Roofs, New Siding. ETC)

We have a major issue with Tenants and their Dogs. #1 Letting your dog walk around without a leash. #2 Letting your dog go up in other tenants yards (which is Prohibited) #3 Not cleaning up after your Dog when it uses the restroom. This is a bad practice when you don't clean up after your dog in your own yard, but much more inconsiderate when you first allow your dog to potty in your neighbors yard and then not cleaning it up. Please be more mindful of your neighbors and clean up after your pets.

BESIDES, THIS IS WHY WE PUT IN A VERY NICE DOG PARK TO BEGIN WITH.

Thank you
William, Gateway Manager

OUR GATEWAY COMMUNITY

The Editor

The following is a reprint from the June, 2018 NewsNDos and serves as both a reminder to all residents and visitors as they move about the streets of Gateway.

I invite any resident to submit copy for publication (subject to my approval and editing) or to offer any suggestions as to topics that would be appropriate for our residents.

Traveling Safely Within The Park

My wife Kathy and I have lived at our home on 1st Street since January of 2006 and when we first arrived neither of us are certain as to just how few 'golf carts' there were. Our recollection is ONE. At the same time our Thursday morning Bike Parades regularly exceeded 70 people at the clubhouse with three to four dozen riders. In addition, each evening (weather permitting), there were a dozen or so of us who together would tour the streets of Gateway chatting among ourselves and waving our greetings to others. There were also singles but mostly couples enjoying an evening ride. There were seldom concerns for safety on these occasions, even in the dark, due to the size of the group and the fact that several had lights, front and rear, to alert car drivers to our presence.

There is no question that Gateway is well lit but from my personal experience and that of others I have spoken with there are occasions where dark clothed people and unlit bikes and golf

carts appear to be nothing more than 'shadows in moonlight.' As the daytime temperatures begin to climb, people will be inclined to walk and ride after sunset and with the very limited twilight the full darkness of 'night' comes on quickly. For walkers and bikers who have discovered that the cheap, often defective battery lights are simply junk, you should consider that Home Depot has a selection of 'reflective' safety vests available for less than \$5.00. Quality bike lights are \$15 - \$20 a set, but will continue well beyond the few months of high humidity and the single battery exchange typical for those available at the 'flea markets.'

There has been the addition of numbers of various motorized chairs and motor scooters. Those residents using these at any time to move about on the streets are encouraged to have bright reflective vests and their chair/scooter should be illuminated or at the very least contain reflectors or bright red, orange or yellow reflective tape so as to alert auto/truck/SUV drivers to your presence. And because Gateway does not have sidewalks your motorized chair or personal travel scooter should be operated as a 'motor vehicle', on the right side of the streets.

Remember that single golf cart in 2006. I counted 30 scattered around and throughout our Gateway community. They can be observed at all hours day and night traveling about the streets (where else can they go) on various Gateway errands, chores and visits or simply to 'take a ride.' My main concern is that their presence on the street is not always apparent and the fact that they are 'electric silent', 'speedy' and not always well lit can present a hazard, especially to those on foot or biking when approached from behind. Golf cart operators are therefore requested to take special care when approaching walkers and bikers from behind and please have lights illuminated when traveling about the park after dark.

Dog owners should also consider placing reflective tape on their animal's collar. Should they escape your home, especially at night, it could save their life from the wheels of a vehicle and would also make them easier to identify and recover.

At the same time, exercise walkers and dog walkers should wear light colored clothing after dark and consider purchasing and wearing reflective safety vests. Remember to walk on the side of the street facing oncoming traffic, that golf cart, quiet car or even a bike approaching you from behind doesn't stand a chance to avoid you or stop as you or your pet suddenly move further into the street.

Bike riders, my wife and I are among them, should ride the right side of the street and have lights ON front and rear after dark.

Please stay observant and aware of what is in front and behind you as you move about our Gateway Streets this summer. Night time especially, but being aware that during the day is when visitors to the park are most likely to be on our streets walking to and from the pool area.

I wish to thank Virginia Ehrman of 1st Street for suggesting this Gateway safety issue related column be written.

GATEWAY MEN'S GOLF

Lew Wood and Dick Gilbert

For you new golfers at Gateway, we play twice weekly (early mornings) Tuesday and Friday at Mainlands Golf Club, located off US 19 just north of Walmart/Park Blvd. Mainlands offers a very affordable Back 9 with a cart for the first 6 tee times. Following our round we often stop for coffee and chat at the 4th Street McDonald's just south of Gandy or breakfast at Spring Gardens on 62nd Avenue.

For information regarding an opportunity to be part of our groups you may contact Lew Wood at 418-1422 or Richard Gilbert at 815-236-9946.

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau5@gmail.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
