GAO SUMMER SEASON

Marlene Johnson, Vice-president GAO; Dorinda Houghton Barnes, Summer Activities

GAO Vice-president Marlene Johnson took charge of the summer schedule for activities beginning in May until Cheryl Williams returns in the Fall. For questions regarding Summer activities on the calendar and for scheduling the clubhouse for use during summer months, residents should contact Marlene at 248-410-2698.

Gateway Summer season activities continue.

Sewing Central is the substitute for the regular Tuesday Ladies Day.

Koffee Klatch will be the first Thursday of September at 9:30 am at the clubhouse. Paul and Sandy Vertz together with Karen Feyen and Dorinda Barnes have organized this as a social event for the summer months. Coffee, pastries, donuts and cookies will be the typical fare and those attending are requested to contribute \$1.00 towards the cost.

A monthly Covered Dish Dinner, offering the same format as fall-winter Potluck, will continue September 16th at 5:00 pm.

On a final word, our numbers have been going up at all our functions, wonderful!

LABOR DAY PICNIC

Dorinda Houghton Barnes, Summer Activities

The Labor Day Picnic will be on Monday, September 7th at 4 PM.

The menu will be Hot Dogs, Kielbasa, Hamburgers, with condiments; beverages are provided, Iced Tea, Coffee. Watch the clubhouse bulletin board and display cases for details. The day will also include a movie following the eats.

For further details and ticket information please contact:

Marlene Johnson 248-410-2698.

Cassie Packala 727-289-1208.

Dorinda Barnes 727-578-5471.

SEWING CENTRAL

Dorinda Houghton Barnes, Summer Activities

Our Sewing Central ladies group held their monthly luncheon at Cheddars Restaurant on Park Blvd. Quite a nice meal was had by all. July 28th was our monthly finger food luncheon along with a group craft project making dream catchers.

By Tuesday, August 4th, storms and rain had forced even the most dedicated ladies to remain at home, but the next week they were once again hard at work preparing for the Bazaar Craft Table. Over the summer, Sewing Central has had quite a full room which is a lovely sight to see and everyone has been quite busy.

SUMMER SOCIAL SUPPER

Dorinda Houghton Barnes, Summer Activities

Our Summertime Potluck went very well for the month of July, as usual lots of lovely food, also it was noticed a handful of people didn't bring anything, for the next month for those that don't bring anything we are going to ask them to put \$3/\$5.00 in the pot as when only the same people go to the trouble of preparing and putting everything together this is not fair on them. Our last Summertime Potluck for the season will be Wednesday, 16th of September, we will have a movie again.

KOFFEE KLATCH

Our final Koffee Klatch will be Thursday, September 3rd at the Gateway Clubhouse at 9:30 a.m. I am pleased to report that each month our numbers have been getting better. All you need to join are a coffee cup and a one dollar bill. A delicious assortment of pastries served with coffee and tea are presented by host and hostess of the month. Everyone is welcome.

COMMUNITY WIDE YARD SALE

Dorinda Houghton Barnes, Summer Activities

Our Summertime Community Sale went quite well, several people I spoke to were happy with what they had made, cause it was a bit wet!!!! on the Saturday. We have had a lot of rain for this time of the year but at least no flooding.

IN MEMORIAM

Written and furnished by June Boudreau

Dot Anderson, age 94 and a long-time resident of Gateway MHP, died on July 22, 2015 in Sauk Rapids, Minnesota. Dot and her late husband, Cliff, lived at their home on Bay Street for over 40 years and were very active in the community. They attended Grace Lutheran Church in St. Petersburg, and collected and delivered clothing and bedding to the migrant workers.

Dot enjoyed collecting antiques, reading, and was an avid bridge player. She also participated in bike parades, potluck dinners and Ladies Day. She volunteered for many years at the Christmas Bazaar where she looked after the Bake Table. In 2007 Dot and Cliff were honored at the Gateway Anniversary Dinner on their 65th Anniversary.

Dot's northern home was St. Cloud, Minnesota where she and Cliff raised four children, Daryl (Ise), Debbie, and Doug who passed away last year. Son David and his wife, JoAnne, followed in his parents' footsteps and moved into Gateway almost 20 years ago. Dot is also survived by a sister, 13 grandchildren and 14 great-grandchildren.

MESSAGE FROM MANAGEMENT

Amy Danson, Assistant Manager

I would like to thank everyone for welcoming me into the park and I look forward to meeting you all.

I am in the office Monday – Friday 9:00 – 3:30 and can be reached via phone at 727-576-1287 or email me at gateway@arcinvestments.com.

With the abundance of rain our region of Florida has had the last few weeks, and the minor lake and street flooding we had, the park grounds are finally drying out. Please tend to your lawns and flower beds at your earliest convenience, as the rain has increased the growth rate. I will be happy to give you names and numbers if you need someone to assist you with this.

We have noticed an increase in wildlife and stray animals in the community. Please refrain from feeding the wildlife and other animals as this will keep them coming back into the community. All pets must be kept indoors unless leashed and accompanied by the owner. Please keep your pets off other resident's yards and always pick up after your pet.

Several of you have noticed we have a few new homes available for sale and have inquired about these homes for friends or family. I will be happy to assist you in finding them a new home or maybe a new home for yourself. We also have several vacant lots in which you can bring in your own new home that can be designed and built to your specifications. Please let me know if you would like more information.

GATEWAY ACTIVITIES ORGANIZATION

Cheryl Welch-Williams, President

Ready Set Go! Summer is fast fading and our Fall and Winter season of activities is just around the corner. We will be starting all of our regular seasonal activities in October. We have something for everyone whether it be sewing, playing games, shuffleboard or just enjoying conversation with good friends. So come out and join all of our wonderful volunteer chairman for whatever may appeal to you!

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway 'social' scene will find the monthly meetings provide an informative overview. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

PREVIEW OF OUR FALL-WINTER SEASON

Our community Fall-Winter activities schedule begins each October and extends through April of the coming year. The month of September sees the early arrival of our seasonal residents (approximately 100) who make up the bulk of Gateway Activities volunteers and attendees. The sparsely filled September NewsNDos Calendar is in sharp contrast to the at times multiple daily activities that will typify the monthly calendars to come. The following is a summary and partial listing of next month's activities that illustrates the transition to our attractive, varied and comprehensive Fall-Winter schedule.

Fall-Winter Season

October 5th – Monday – Gateway Homeowners Board Meeting @ 7:30 p.m.

October 7th - Wednesday - Continental Breakfast @ 9:00 a.m.

October 10th –Saturday – Gateway Activities Organization Meeting @ 10:00 a.m.

October 14th – Wednesday – Potluck Supper @ 5:00 p.m.

October 25th – Saturday – Pancake Breakfast @ 8:00 a.m.

October 30th – Friday – Halloween Dance @ 7:00 p.m.

CONTINENTAL BREAKFAST

Pete and Kathy Soehnen, Chairpersons

We look forward to once again offering this FREE, courtesy of Gateway Management, Continental Breakfast. Come join your friends and neighbors the first Wednesday of each month for our program of announcements of Park news and coming events, a breakfast of beverages, quality pastries and toasted raisin bread, followed by friendly chat.

October 7th will begin Pete and Kathy's 8th season as host and hostess for Continental Breakfast. We were 'recruited' to the task by Lew and Barb Wood.

GATEWAY HOMEOWNERS ASSOCIATION

HOA Board of Directors Meetings are the first Monday of each month at 7:30 pm, October through March. There is an annual election to replace retiring directors in December. All residents of Gateway are welcome and encouraged to attend the meetings of the Directors to become familiar with the function and operation of this valuable community asset.

GATEWAY BINGO

Following the summertime break and in the wake of another successful season, Gateway Bingo is due to start the first Tuesday of October. We look forward to our weekly games and expect to experience increased attendance and an accompanying increase in prizes as the season progresses. Start now to make plans to set aside Tuesday evenings from 6 until 9 for an entertaining evening of fun at the clubhouse.

POTLUCK SUPPER

It's hard to believe summer is just about over. Which means Potluck Supper will soon begin! Once again Judy Mitsch and I will be hosting this activity. Potluck is held on the 2nd Wednesday of the month. Keep in mind and make a note that Potluck Supper will begin a half-hour earlier at 5:00 p.m. It's always nice to sit down and enjoy a meal prepared by all your friends and neighbors, so get ready to prepare your favorite dish to share and join in the fun at the clubhouse. Just bring your own place settings and an appetite. I'm looking forward to seeing everyone again and hoping to meet some new people in the park. Come see what's cooking!

AN INTERESTING POEM

From Lana Kennedy

Today was the absolute worst day ever
And don't try to convince me that
There's something good in every day
Because, when you take a close look
This world is a pretty evil place.
Even if
Some goodness does shine through once in a while
Satisfaction and happiness don't last.
And it's not true that
It's all in the mind and heart
Because
True happiness can be obtained
Only if one's surroundings are good
It's not true that good exists
I'm sure that you can agree that
The reality
Creates
My attitude
It's all beyond my control
And you'll never in a million years hear me say that
Today was a good day

GATEWAY MEN'S GOLF

Peter Soehnlén, Editor

We play twice weekly (early mornings) Tuesday and Friday at the Par 3, nine hole Cypress Links located east of 4th Street off 62nd Ave North, about 10 minutes from Gateway and at the Mainlands course, off US 19 just north of Wal-Mart that has been offering an early morning 9-hole special for \$9.00 with a cart.

GATEWAY COMMUNITY DIRECTORY

Peter Soehnlén, NewsNDos Editor

New directories were distributed with the May issue of NewsNDos. Please take the time to review your information to verify that it is correct and as you wish it to appear. If you desire any changes or corrections please contact me at the email or phone number below. I will be publishing updates to the listings here as information is received in order that you may make the corrections and additions in your Gateway Directory. These directories are meant for use by residents and should not be casually discarded or left at the Clubhouse. Should yours become lost, destroyed or be eaten by a pet please feel free to contact Peter Soehnlén, Editor of NewsNDos at (727) 269-9569 or GAOnews@tampabay.rr.com for a replacement. Additional copies will NOT be available at the Park Office.

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau3@aol.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

City life? Not for all young adults

The TV sitcom *Friends* depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

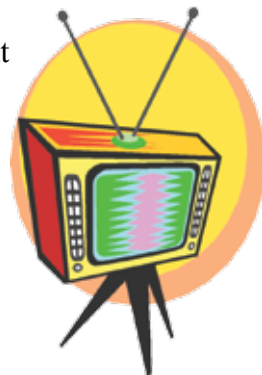

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

Online videos bigger than TV these days

Video has taken over the Internet, especially among the younger generation. A survey of 13- to 24-year-olds by Defy Media found this evidence of the influence of YouTube and other video providers on youthful fans:

- Millennials watch an average of 11.3 hours of free online video a week, and 10.8 hours of subscription video—but only 8.3 hours of scheduled broadcast TV.
- Videos are more popular than online TV content. Seventy-six percent of young people in the survey said they find YouTube more entertaining than TV programs (more popular with 55 percent of participants).
- They're tolerant of advertising on the Internet. Fewer than half—41 percent—said online videos have too many advertisements, but 63 percent feel TV does.

Mathematics is the art of giving the same name to different things.

Keep relationships healthy over long distances

Ten years ago, some 2.9 percent of all marriages were long-distance relationships. Today that number has grown. Maintaining any kind of relationship takes work; when partners are separated, the effort grows. Keep your relationship steady and solid with these tips:

- Set ground rules. The secret to success in a long-distance relationship is managing expectations. Talk over how you'll handle the separation—who will be responsible for bills, child care, and other household issues. Do this ahead of time so nothing falls through the cracks. Set up a schedule for regular phone calls so you can plan conversations effectively.
- Communicate—but not too much. Regular contact is essential to the health of any marriage, so make a point of getting in touch as often as you need to. Just don't overdo it. If one partner feels crowded or badgered by insistent demands, he or she may back off, making the relationship even more complicated.
- Vary your channels. Don't rely on the telephone alone. Use e-mails and texts to send quick messages without interrupting the other person at work or at an awkward moment. Variety helps strengthen any relationship, so look for different ways to connect.
- Plan positive visits. You'll want to get together with your partner as often as you can. Don't put too much pressure on yourselves to make each visit spectacular, though. Give yourselves time to relax so no one feels personally responsible for the visit's success. You both need some downtime to get used to being with each other again.
- Be flexible. Travel plans can change at a moment's notice. An emergency may delay or interrupt a phone call. Although you're disappointed, do your best to respond positively and patiently when other demands disrupt your planned activities. Getting into a fight over every minor crisis won't keep your relationship strong.

Physical fitness is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity.

Get the full impact from these healthful foods

Certain foods have definite health benefits, but you have to eat them the right way to get their full impact. Here are some common foods you might be eating “wrong,” according to the CNN website:

- Flaxseed. Full of fiber and omega-3, these little seeds may improve your heart health—as long as you grind them up first. Sprinkling them whole over your cereal or yogurt will keep their nutrients locked inside.
- Broccoli. Eat this raw or steamed, not cooked, to receive the full dose of vitamin C, chlorophyll, and antioxidants this vegetable offers.
- Strawberries. Slicing this delicious fruit exposes its healthful nutrients to light and oxygen, which can dilute their effects. Eat them whole, or hold off cutting them until the last minute.
- Garlic. The enzyme allicin, found in garlic, may help ward off cancer, but its benefits are more pronounced when it’s exposed to air. Let garlic sit for about 10 minutes after chopping to release this enzyme fully.
- Tomatoes. Fresh tomatoes are tasty, but you’re better off cooking them. The antioxidants in them increase in potency when they’re heated to about 190 degrees Fahrenheit.

Stone tools point to early use by primitive humans

Humans have been using tools for longer than we’ve known. As reported by the journal *Nature*, a team of archeologists in Kenya have found stone tools dating back 3.3 million years, some 700,000 years older than the oldest tools previously discovered.

Before this find, the oldest known stone tools came from sites in Ethiopia and were believed to have been used some 2.6 million years ago. Still, evidence of earlier tool use suggested that humans may have been using stone for longer than that—fossils of animal bones, also in Ethiopia, show signs of cutting some 3.4 million years ago.

The Kenyan tools were dated with an analysis of the sedimentary layer where they were uncovered. Scientists speculate they may have been used to open nuts or fruits with hard surfaces. Weighing in at about 6.6 pounds, the tools are 10 times heavier than any stone tools discovered so far.
