We are having our Labor Day Picnic Monday, September 2nd at 4 PM.

As usual we ask you to bring a dish to share with your friends and neighbors.

We are grilling Hamburgers, Kielbasa, and Hotdogs. So it will be meat, buns and condiments together with Iced Tea, Coffee and Kool-Aid all for \$3.50. Walt and Sheila (727-440-9145) and Dorinda Barnes (727-578-5741) handling the ticket sales. Thank you to all of our summertime neighbors and guests for supporting and attending our activities.

Our Grand Finale for the Summer will be our Potluck Dinner, Wednesday, September 18th at 5 PM. Summertime Potlucks have gone very well with lots of interesting dishes being shared, good gathering of people, we usually sit after dinner and converse and enjoy the company.

2019 - 2020 Fall-Winter seasonal activities will begin the first week of October.

You are a good fun loving crowd and we have really enjoyed spending our Summer with you, hope to see you next year.

Looking forward to seeing you at the Labor Day Picnic and Potluck Dinner.

GAO SUMMER SEASON

Barbara Fuelling, President GAO

Residents wishing to schedule the clubhouse for use during the upcoming months, should contact GAO President Barbara Fuelling at 727-577-6042.

Gateway Summer Season activities will end this month as we look forward to the traditional Fall-Winter activities schedule that will kick-off with Golf, Ladies Day and Bingo on Tuesday the 1st of October.

Our summer season clubhouse holiday events conclude with the September 2nd, Labor Day Picnic and Summer Season closes out its activity schedule with the Wednesday, September 18th Potluck Dinner. Tuesday Summer Season Wii Game Night will conclude September 24th to make way for the Gateway Tuesday Bingo beginning October 1st.

Continuing Wii Game Night as a Fall-Winter activity is being considered though a change from Tuesday will be necessary.

Your support and thanks for the volunteer efforts by those who bring about these Summer activities is appreciated and the best way to express your gratitude for their efforts is by attending these final 'special' events.

CREATIVE COLORING

Jayne Naska, Chairperson

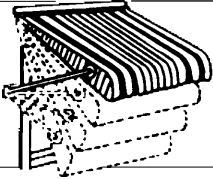

Creative Coloring will be meeting every other Sunday from 6 - 8 pm September 1st, 15th and 29th except in the case of bad thunderstorms.

There was an article in Woman's World July 1st about coloring that any repetitive hobby such as coloring or crocheting create some meditative like state that lowers stress level and induces cortisol by releasing calming brain waves. The article says research has found that doing these types of activities daily helps with less anxiety and more energy.

Beat the heat and relax in the A/C at the Gateway Clubhouse and come join our coloring group. If you are a new resident it is a good way to meet some nice ladies. No supplies necessary, we have a variety of pictures, color pencils, markers and gel pens available for your use. Explore your inner artist, relax and color.

MESSAGE FROM MANAGEMENT

News and Dos Sept 2019 Edition

Gateway Management wishes to thank everyone for their continued effort in cleaning up their properties but we still have three very big remaining issues.

1. ****ALL FENCES MUST GO****- Absolutely Every Fence (Front and Back Yards Must Go) I am doing my absolute best to get these problems fixed without handing out violations. I am trying my best to clean up (YOUR HOMES, YOUR PARK) --WITHOUT CREATING ANYMORE ANOMOSITY BETWEEN THE OFFICE AND OUR RESIDENTS. But I keep falling on deaf ears. I must get these issues taken care of one way or the other and I will make sure it does.
2. ****MOWING YOUR GRASS****--Now I realize we are in the rainy season but that does override the fact that some of our homes have knee high grass. This is an issue that must be dealt with. The Rules and Regulations say your yard must be mowed at least every 10 Days. During the rainy season maybe more. Letting the grass get and stay that high not only make your home look neglected but the park look neglected as well.
3. ****DEBRIS IN YARDS & CARPORTS****---While some of you think I am just picking on you or your neighbors that is not at all my intentions. But my one and most important intention is to get these messes cleaned up. When every resident in Gateway moved in they signed paperwork in the office saying they would keep their yards and carports clean and debris free, while 99% of our tenants are keeping that commitment we have that 1% with (construction materials, wheel barrows, bricks totes and tubs) stored outside. Visible from the streets or in their backyards AND THIS ALL MUST GO. NOT NEGOTIABLE.

Thank you all for your help in these matters. We at the Gateway MHP Office care about and appreciate all of our tenants and we hope you love living here as well that is why we go to such great efforts to make sure ALL RULES are followed by ALL TENANTS.

Thank you
Management

GATEWAY ACTIVITIES ORGANIZATION

Barbara Fuelling, President

Summer is fast fading and our Fall and Winter season of activities is just around the corner. We will be starting all of our regular seasonal activities in October. As you may recall, the management sponsored Continental Breakfast was moved to the first Thursday with Bike Parade the second and third Thursday and what has proven to be a well attended Coffee Chat for the fourth and sometimes fifth Thursday of each month.

This will continue for the coming season.

If it is Thursday morning you can be assured a number of your friends and neighbors will be at the Clubhouse for a social gathering! Bring a coffee cup, and come join your neighbors for a morning snack and chat.

...continued n page 10

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway 'social' scene will find the monthly meetings provide an informative overview. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

PREVIEW OF OUR FALL-WINTER SEASON

Our community Fall-Winter activities schedule begins each October and extends through April of the coming year. The month of September sees the early arrival of our seasonal residents (approximately 100) who make up the bulk of Gateway Activities volunteers and attendees. The sparsely filled September NewsNDos Calendar is in sharp contrast to the multiple daily activities that will typify the monthly calendars to come. The following is a summary and partial listing of next month's activities that illustrates the transition to our attractive, varied and comprehensive Fall-Winter schedule.

Fall-Winter Seasonal Activities Begin In October

- October 1st - Tuesday - Bingo @ 4:45 p.m.
- October 3rd - Thursday - Continental Breakfast @ 9:00 a.m.
- October 9th – Wednesday – Potluck Dinner @ 5:00 p.m.
- October 10th - Thursday - Bike Parade @ 9:00 a.m.
- October 12th –Saturday – Gateway Activities Organization Meeting @ 10:00 a.m.
- October 24th - Thursday - Coffee Chat @ 9:00 a.m.
- October 26th – Saturday – Pancake Breakfast @ 8:00 a.m.
- October 26th – Saturday – Halloween Dance @ 7:00 p.m.

Regular Weekly Activities

- Sundays - Creative Coloring (1st & 3rd)

GATEWAY HOMEOWNERS ASSOCIATION

Jayne Naska, President

Now is the time to start thinking about securing your home should we have a hurricane approach warning. It is a good idea to make a list of things that you need to secure under your carports, takedown hanging plants and store anything else that could blow around the neighborhood. If you do not have them it may be a good idea to invest in some clips to secure your awnings against your home. I got some last year for a few bucks at Mobile Home Depot off of Ulmerton. In addition to taking care of your home and yourself don't forget your fur babies or pets. We need to pack a bag of food and necessities for our pet Family too.

Homeowners, the 2019 Pinellas County storm newspapers are available for free in the clubhouse and laundry room and they are a very good source of information. So far we have been very lucky with the storms that we have had.

August has seen rains above normal and storms have caused some problems within the park. On August 15th there was a late night storm. After the Storm I drove around the park and we had a few of the new palm trees that were leaning slightly. There were a few small catfish jumping around the puddles and one or two garbage cans ended up blowing into the streets. As the result of several heavy rains the pool had filled to overflowing and in the process of draining off the excess a valve was not closed resulting to too much water being drained.

Your Homeowners association wishes to note the departure from Gateway of Director Janice Cook. Janice has moved to Georgia to be closer with family and we wish to express our thanks for her service and how she was a very big help to the board in researching things and attending all the FMO meetings. We should also note that Janice was the FMO representative for Gateway.

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau5@gmail.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

**A Complete Listing of Resident Services

LINE DANCING

Lana Kennedy

Hope everyone is having a great summer and looking forward to our new season in Florida. I will be back at Gateway by October 18 and hope to have a dance class on Monday, October 21st to brush up on dancing and get ready for our Halloween Dance on Saturday, October 26th. Hope to have a few more this season.

CONTINENTAL BREAKFAST

Kathy Soehrlen and Cheryl Williams, Chairperson

We look forward to once again offering this FREE, courtesy of Gateway Management, Continental Breakfast. Come join your friends and neighbors the first Thursday of each month for our program of announcements of Park news and coming events, a breakfast of beverages, quality pastries and toasted raisin bread, followed by friendly chat.

GATEWAY BINGO

Peter Soehrlen, Bingo Volunteer, Bingo Player, I even called one evening

Tuesday Evening Gateway Bingo begins **OCTOBER 1st**

Game package sales begin at 4:45 pm and continue until 6:00 with the games beginning at 6:15. The Gateway Bingo program is 18 games, with a break and refreshments after the first 10, and usually finishes prior to 9 p.m.

The money collected each evening is paid out in prizes and the 2018-19 season single game payouts averaged about \$30 with the Jackpot (final game of the evening) payout of just over \$100. This was based upon an average attendance of 30 residents and their guests.

Cheryl Williams begins her third season at the helm of Gateway's most popular of Park activities and she is obviously doing something right given how attendance and average weekly payouts have increased each season. She and her trained and experienced staff of volunteers look forward to another fun-filled season. So mark your weekly Tuesday calendar and stop in at the Clubhouse for an evening of fun with your friends and neighbors. Spend some bucks and win some bucks as a regular player at Gateway Bingo!

Bait and switch

A little girl walked into her Sunday school class half an hour late. When the teacher asked why she was so tardy, the young girl replied, “I wanted to go fishing with my daddy, but he said I had to come to Sunday school.”

Pleased with the father’s spiritual dedication, the teacher asked, “And did he tell you why he wanted you to come here?”

“He said he didn’t have enough bait for the two of us.”

How to tell you’re not in college anymore

You’re not a kid anymore. Here’s the proof:

- Your refrigerator has more food than beer in it.
- 6 a.m. is when you get up, not when you go to bed.
- You hear your favorite song—on the elevator.
- You make plans to watch the Weather Channel.
- A clean sweater and jeans are no longer considered “dressing up.”
- You have no idea how late the pizza place delivers.
- Your older relatives feel comfortable telling dirty jokes around you.
- You feed your dog Science Diet instead of cold pizza.
- A \$7 bottle of wine is no longer “the good stuff.”

Where did you start?

A child and his father were helping out an elderly neighbor. They raked the neighbor’s leaves, organized his garage, put the trash out, and did other small jobs around the neighbor’s house.

When they finished their work, the child and his father went up to the front door. The old man thanked them for their help, and then the child impulsively asked, “How old are you?”

The embarrassed father apologized for his son’s question, but the neighbor laughed.

“That’s OK. He’s just curious. Young man, I’m 92 years old.”

The child stared at him. “Did you start at number one?”

We must believe that we are gifted for something, and that this thing, at whatever cost, must be attained.

Surprising discoveries around the solar system

The solar system is full of surprises. Here are three startling new discoveries about other worlds orbiting the sun:

- **The moon.** A mass of metal beneath the surface of the moon's south pole has been discovered by scientists, The New York Times reports. It's under a huge, 4-billion-year-old impact crater, and it's five times bigger than Hawaii. Scientists at Baylor University speculate that it's composed of the remains of an ancient meteor that created what's known as the South Pole-Aitken—near where the Chinese Chang'e 4 lunar rover landed in January.

- **Mars.** Scientists have discovered a huge reservoir of water underneath the Martian north pole, the Gizmodo website reports. The water was detected inside a deposit of multiple layers of water ice mixed with sand, and it formed over hundreds of millions of years. It's about 1.2 miles beneath the north pole, and contains enough water to submerge the entire planet.

- **Europa.** This moon of Jupiter has long been known to have an ocean beneath its surface layer of ice—an ocean with more water than all of Earth's oceans combined. Now the Hubble Space Telescope has detected what appears to be sodium chloride—NaCl—in the seas, the Fox News website reports. Sodium chloride, which makes up ordinary table salt, is also a major ingredient in Earth's salt-water oceans—meaning that Europa may be more Earthlike than previously thought.

The boulder in the road

A king had a boulder placed on a roadway, then hid and watched to see if anyone would move the boulder out of the way.

Some of the kingdom's wealthiest merchants and courtiers came by and simply walked around it. Many of them loudly blamed the king for not keeping the roads clear.

Then a peasant then came along pushing a cart of vegetables. Upon approaching the boulder, the peasant set his cart aside and tried to push the stone out of the road. After much pushing and straining, he finally succeeded.

Then he noticed a purse lying in the road where the boulder had been.

The purse contained many gold coins and a note from the king, explaining that the gold was for the person who removed the boulder from the roadway.

Moral: Every obstacle we come across in life gives us an opportunity to improve our circumstances.
