TIE DOWN PROGRAM

Jayne Naska VP Board of Directors

Recently, William gave me paper work on Mobile Home Tie Down programs.

What is a tie down--- tie-downs are systems of heavy-duty straps and anchors designed to stabilize manufactured homes (also known as mobile homes) during high winds.

The State of Florida has allocated grant money through a contract with Tallahassee Community College to implement the Manufactured Home Tie Down Enhancement Program. One of the eligibility requirements is homes must be built and installed prior to September 1999. Cost is free and covered by the grant. In the past, the cost of removal and re-installation of skirting on your home was not covered, it is now no cost to you.

I called the women in charge and found out that the quotas that they use to have no longer exist.

I have been speaking with the representative from Windstorm Mitigation, who is the company that does the installs. She likes to have is about 100 homes in a park for them to come out and do the installs of tie downs. If we can not get all 100, then we would be combined with another local park to make the 100. I do not know if we will have 100 participants, if not she said it can take a bit longer to pair us up with another park. I am working on getting information and more details together, at this time.

She will be coming to Gateway on September 6th, time to be announced. At that time, she will answer a lot of our questions. The forms also have eligibility requirements, what they will be doing and authorization to proceed consent form to sign to participate.

Forms will be available by the activities table in the Club House. For those who are not currently in the park, they will be available on line. You need to print the form out, and mail it back. You can mail it back to me at Jayne Naska 10640 Bay Street NE, St Petersburg FL 33716. Please do not e-mail it back. It was requested by the women in charge of the program to have all our forms mailed together at one time.

Meda O'Donnel (813) 309-3202) is one of our newer residence and she will be assisting and gathering forms. We also will try and survey the park and see if we can find home that do not have tie downs and inform them of the program.

GATEWAY LET'S CONNECT

JULY 4TH - ICE CREAM SOCIAL

Jayne Naska, Coordinator

A hot July 4th and a cool treat! Over 30 people enjoyed making their own ice cream sundaes with Vanilla, Neapolitan or Mint Chocolate Chip ice creams. Syrup toppings of chocolate, strawberry and Carmel were provided and sprinkles too. Can't forget the whip cream and cherry on top.

A big thanks to all the lovely ladies who helped make the event a success. Margarite Randolph helped with shopping, clean up and provided very nice Patriotic – American music. Margarite and Karen Feyen helped decorate the hall, Dorinda Barns for getting the signs and tickets. Janice Cook was the greeter – ticket taker and everyone for assisting in clean up. I want to thank various members of the Activities Group with their guidance the behind the scenes advice helping me with questions for setting up my first event of this type.

In an unexpected twist—I went outside at about 3:50 to the pool for last call for ice cream. As I reached the pool gate, two of our new umbrellas blew up in the air, across the patio fence and into the lake. One umbrella was recovered as it was close enough to the grass for the guys to save it, although I think it may have been torn. The other umbrella, we watched sadly disappear into the lake, not to be seen again. The 2 remaining umbrellas were quick taken down and placed on the concrete. One gentlemen had his beach towel and car/house keys blown way, but luckily he later found them in the grass. Two people at the pool said it appeared that a small wind disturbance, like a mini tornado, was what caused the umbrellas to blow away.

CREATIVE COLORING

Jayne Naska, Co-ordinator

Creative Coloring will be changing our meeting times. Previously we were meeting weekly at 6 pm to 8 pm. Starting in August, we will meet on the 1st and 3rd Sunday from 6 pm to 8 pm in the hall.

Beat the heat and relax in the A/C and color. No supplies necessary, we have a variety of pictures, color pencils, markers and gel pens available for your use. Explore your inner artist, relax and color.

RUMOR MILL & OTHER THINGS

The Editor

It has come to my attention that a 'citation for violation' has been issued as the result of EMS being hampered while responding to a call for 'assistance' within Gateway. This came about as the result of vehicle(s) being parked overnight on our streets. It is a VIOLATION of park rules for a vehicle to remain parked overnight upon the streets of Gateway! There is no excuse or reasonable explanation anyone can offer for failing to obey this rule and thus placing our residents in danger by restricting the timely arrival of medical help. It is the responsibility of residents to take the time to make their visiting friends and overnight guests aware of this parking restriction.

It is my understanding that violators will see their vehicles towed at their expense.

No-See-Ems!

Florida, unfortunately, is home not only for abundant mosquitoes, but also for minute biting insects known locally as "sandflies" (elsewhere as "no-see'ums" or "punkies"), although the more correct name is "biting midges." They are especially troublesome in coastal areas, where most of Florida's population lives.

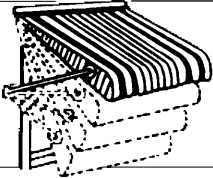

No-See-Em Repellents

Avon Skin-So-Soft; Skin-So-Soft + Rubbing Alcohol (50/50 Spray); Sandalwood Incense & Oils; Manuka Oil (pricey); or this: Mix 1 cup of Original Listerine with 1 cup of witch hazel and 3 drops of tea tree oil, apply as spray every few hours. (Editors Note: Before you use any of these make certain you are not allergic to any of the ingredients they contain!)

Keep in mind the pipes supplying water to our homes and to water our lawns are old and not buried deeply in the ground. Parking and driving on the grass will most certainly lead to breakage and the interruption to water service during the time it takes to accomplish repairs to either of the systems. Pay attention to the signs and please do not drive on or park your motor vehicles on the grass.

Residents are reminded that the 4th Street North and Gandy (Frontage) Blvd intersection is, in my opinion, among the most dangerous in Pinellas County. Though the completion of the flyover has brought a great deal of relief to our ability to exit the park at the main entrance, still care should be taken at all times as you approach 4th Street seeing as how when drivers have a choice as to which of six lanes to select as they approach the traffic signal it is highly likely mistakes as to where they can go from the lane where they intend to be will be common. Try not to get in their way.

A SUMMER OF CLEANUP AND REPAIR

The Editor

As many of you have come to know Kathy and I escape the heat and humidity of the Gateway summer at a riverside campground in East-central Ohio. For years it was a weekend retreat that was upgraded to accommodate full-time living when we retired in 2005. It has been the place of many enjoyable days, weeks and months of summer fun and relaxation.

This brings us to my story. This past winter was quite unkind to the mid-western states. In Ohio especially, the cold settled in around Thanksgiving and it did not warm again until the end of March. Typically, central Ohio experiences brief periods, usually a few days and at times a week each of the winter months when the Arctic cold is forced to retreat. Such was not the case this season. An extended near zero cold spell beginning in mid-December froze the river to a thickness of four feet. An ice dam formed and eventually raised the water and ice nearly 20 feet above the normal flow level. People staying at the campground were rescued by boats manned by local EMS personnel as the river rose nearly six feet in a matter of a few hours during the nighttime and early morning hours. All but six of the nearly forty homes at the campground were flooded. While our lot and ground level storage sheds flooded to a height of nearly three feet, our home itself was spared by mere inches. Two gas powered lawnmowers, a chain saw, electric tools and a variety of items were destroyed. The vinyl skirting surrounding our home was torn from the channels and scattered in neighbors yards and a field close by. A railroad tie and large tree branch debris were left under the home when the water receded and ice melted. Our boat dock, stored in the yard, was floated off it's supports and deposited in a field a half-mile from our lot. Neighbors lost entire trailers, pontoon boats, docks, decks, cars and trucks. Satellite dishes were crushed and rolled to resemble grey metal burritos as the mass of heavy ice was pushed into yards as the water rose. When the ice dams broke and water levels quickly fell the debris that had been collected was dropped where the thick blocks of ice came to rest. One person noted how the water level fell by nearly three feet in about 30 minutes on one occasion.

Kathy and I spent a February four-day weekend in Ohio, surveyed the damage and thus came to know how this would be a working rather than a vacation summer. I came north in late May, Kathy arrived early June and with weekend help of our son Michael and a great deal on a Craig's List mower, we are well on our way to having our lot and home in respectable looking condition.

I have little doubt we will be looking forward to returning to our Gateway home in September.

GATEWAY MEN'S GOLF

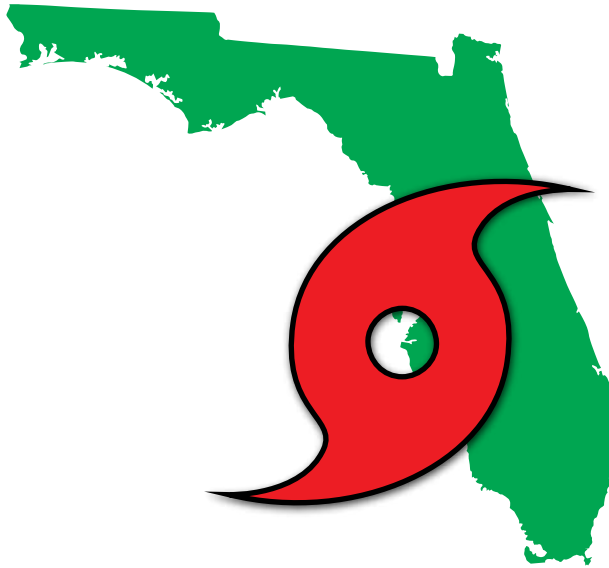

Peter Soehnen, Editor/Wannabe Golfer

We play twice weekly (early mornings) Tuesday and Friday at the Par 3, nine hole Cypress Links located east of 4th Street off 62nd Ave North, about 10 minutes from Gateway and at the Mainlands course, off US 19 just north of Wal-Mart. Both courses offer special summer rates and Mainlands has early morning 9-hole special for \$10.00 with a cart.

GATEWAY COMMUNITY DIRECTORY

Peter Soehnlén, NewsNDos Editor

New directories were distributed with the April issue of NewsNDos. Please take the time to review your information to verify that it is correct and as you wish it to appear. If you desire any changes or corrections please contact me at the email or phone number below.

These directories are meant for use by residents and should not be casually discarded or left at the Clubhouse. Should yours become lost, destroyed or be eaten by a pet please feel free to contact Peter Soehnlén, Editor of NewsNDos at (727) 269-9569 or GAOnews@tampabay.rr.com for a replacement. Additional copies will NOT be available at the Park Office.

GATEWAY ACTIVITIES ORGANIZATION

Peter Soehnlén, President

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway 'social' scene will find the monthly meetings provide an informative overview of activities. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

EDITOR'S NOTES

Unless listed otherwise, the phone numbers shown in News N Dos are located within the 727 Area Code.

The editor of News N Dos is responsible for all Gateway related content that appears. Anyone with any questions or concerns for the wording or structure contained in any of the articles or committee reports should address their comments to the Editor, Peter Soehnlén. "...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
