Glen Ellen Muti Media Messenger

I hope everyone is enjoying the Newsletter. I think it is a great upgrade and I thank all the individuals who produce the Newsletter for their cooperation in helping me to 'get r done'. A special 'thank you' to everyone who has 'chaired a month' or just put on a special dinner for the residents of Glen Ellen or has a function every month during the highlight of our season. It is a lot of work but much appreciated by all. Thank you – you are special and caring people!

Enjoy February everyone!

Your scribe,
Nancy Labbe

Manager's Message

I hope everyone had a great New Year's Eve and all the best for the coming year! Just a few items, again I want to thank those who have worked really hard to clean up their home and yard. I understand that there are some residents who are not physically able to do this so I am asking them and all the residents to please pitch in and help those who need it. We need to maintain a clean and well kept park so everyone needs to take responsibility for their own homes.

I know that some of you feel Diane is coming on a little too strong in the area of home clean ups but intentions are from the heart, she and myself are trying our best to do what we can do, if you have any suggestions please let us know. Unfortunately we can only do so much so again if you will work with her we will all achieve the same goal. I know that some homes need to be pulled out , but again I can only do what I can do and just keep nagging the higher ups to pull them for us.

Please stop speeding through the park, if anyone knows who these speeders are, please let me know. Also please let us know if anything or anyone in the park is breaking the rules, disturbing you , etc. we need to know these things otherwise we can't stop them.

One last item, you do not need to write anonymous letters to Chicago , just come to me and let me know your concerns, we can deal with them together.

Administrative Assistant's Message

Just a note from the GLEN ELLEN OFFICE

Pertaining to yards:

Please be sure your yards are kept free of debris and items not belonging in the yard. We have determined that much of our problems with grass and plantings are related to a mole cricket infestation. As they can be hard to get rid of, pest control is exorbitant. After some research, we found an organic way of controlling them. We need to attract an insect called the Lara wasp, a nonaggressive insect that feeds on the mole crickets. To do that, we need to plant small shrubs called 'partridge pear'. These shrubs can be planted around March first. We plan to purchase some of these and do so. If you are interested in participating in these plantings please call me.

While this method may take a little longer to solve the problem. It is a long term solution. If you have other concerns or ideas please discuss them with me. We remain committed to provide the best service and community we can.

To all who have done their home maintenance and given the office your Information Update, thank you so much for your cooperation. For those who have not taken care of these things remember there was a January 1st deadline to get these into the office. As of the beginning of February 1st I will be knocking on doors until I can get these things taken care of.

Diane Wheeler
Administrative Assistant

February Is...

American Heart Month. Cardiovascular disease (CVD)—including heart disease, stroke, and high blood pressure—is the No. 1 killer of women and men in the United States, as well as a leading cause of disability, preventing Americans from working and enjoying family activities. During February, learn about your risks for heart disease and stroke and stay “heart healthy” for yourself and your loved ones.

Black History Month. A celebration of African-American history and culture. In 1976, as part of the U.S. Bicentennial, Black History Month was officially recognized by the federal government, with President Gerald R. Ford urging Americans to “seize the opportunity to honor the too-often-neglected accomplishments of black Americans in every area of endeavor throughout our history.”

Love the Bus Month. Sponsored by the American School Bus Council, Love the Bus Month is a campaign to raise awareness and appreciation for the hundreds of thousands of school bus drivers who safely transport children to and from school. By supporting the value of student transportation to our education system, the ASBC promotes the idea that every person involved in our schools is vital to our children’s success.

National Children’s Dental Health Month. Developing good habits at an early age and scheduling regular dental visits help children get a good start on a lifetime of healthy teeth and gums. Each February, the American Dental Association sponsors National Children’s Dental Health Month to raise awareness about the importance of oral health for young people.

Keep your back in good shape with this advice

Back pain is important to avoid. To prevent strain and suffering, remember these helpful tips:

- Exercise. Always the first mode of defense for a host of ailments, exercise is essential to strengthening back and stomach muscles.
- Lie down correctly. Keep your upper back flat when lying down. Use a pillow under your knees. If you’re lying on your side, put a pillow between your knees. If your back aches, don’t lie on your stomach.
- Move around. Shift your weight when you have to stand for long periods of time.

Watch your tablets and smartphones

Quick—do you know where your smartphone is? The answer may depend on whether you’re a man or a woman. One Harris poll found that 46 percent of men think they’re likely to lose their phones and other mobile devices like laptops or tablets, but only 27 percent of women admit to the same worry.

What that says about men and women is uncertain, but security risks due to lost or stolen mobile devices can be costly: A study by the Ponemon Institute determined that a single lost laptop can cost an organization \$50,000 on average.

Let me assert my firm belief that the only thing we have to fear is fear itself—nameless, unreasoning, unjustified terror which paralyzes needed efforts to convert retreat into advance.

—President Franklin D. Roosevelt
