One latte mystery finally solved

Maybe you've never noticed that your latte is a whole lot less likely to slosh over the side of your cup than regular coffee. If so, you're not a physicist with too much time on your hands, apparently. The Sci-News website reports that scientists at Princeton University explored the phenomenon by creating a narrow glass container, filling it with a solution of water, glycerol, and a commercial dishwashing detergent. Then they injected a stream of air through the container's bottom to create layers of bubbles like the foam in a latte.

In the resulting experiment, the scientists used two specific types of movements, a side-to-side jolt and a steady back and forth rocking motion. They discovered that five layers of the foam managed to decrease the waves created by the movement by a factor of 10. More layers didn't have any additional effect on the sloshing. Then, presumably, they went out for coffee.

On the serious side, Sci-News notes that the work may help to develop better techniques for transporting large amounts of fluid with minimal spillage.

FROM THE DESK OF THE PRESIDENT

Cheri Adam

At the May 18th meeting the decision was made to accept the bid from Florida Paveworks to reseal the streets. The Project team hopes to schedule this for July or August and will keep us all informed when a date is firmed up. Jan, Jim, & Bob have been working diligently on this because so much has to be coordinated. All of our regular vendors plus mail deliveries, product deliveries, etc. This is quite the challenge and they're doing a great job.

The seawall is set to commence in August. We are not sure if this will happen before or after the streets. It depends on Dann Sapp's schedule.

The pool deck is set for June 22nd so plan on the pool being closed for a week or so after that providing Mother Nature cooperates.

These projects are going to inconvenience all of us at some point. The units along the west side of the lake will have to deal with the streets and the seawall so I thank everyone in advance for your patience and understanding while they are taking place.

Did You Know About These Great Monthly Media Services?

Summer Mailings - If you are heading north for the summer but still want to receive a printed copy of your monthly newsletter, just call our office and sign up for Monthly Media's Summer Mailing Service. We will ship (USPS 1st Class) a printed copy of each month's newsletter to your northern address, for as long as you're away, the cost is \$4 per month. Dozens of residents are already taking advantage. Please see our brightly colored insert for more information.

Get Your Picture on the Cover - We select a new and interesting picture every month to be printed on the cover of your newsletter. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. Please include a description of the image and a brief release allowing us to reprint the picture. Our mailing and email address are located the bottom of this page.

Emporium/Classified Listing - Do you have an event in your community such as a Bake Sale or Flea Market? An item for sale like an old set of golf clubs that needs to go? Help needed or vendors wanted for an event? Maximize the people that see your listing and use the Emporium! Your listing will be printed & delivered to over 20,000 homes in Pinellas County. See the Emporium page toward the end of the newsletter for more info.

Larger Print Newsletters - At the request of some residents we are now offering Larger Print Newsletters to those who request them. The newsletter type will be approximately 20% larger (16 pt article body type vs. 12 pt normally). There is a small service charge of \$2 per newsletter for those who request. The larger type newsletters can either be delivered to you every month like they are now or we can mail them directly to your home for an additional \$2 per issue shipping charge. Please call Monthly Media (phone number listed below) for more information.

Eat Better to Spur Creativity

Some great artists and writers are known to have used drugs or alcohol to seek inspiration, but you don't have to risk your health when you need a creative boost. The Medical Daily website suggests trying some of these foods to help stimulate the brain:

- **Fruit.** Fruits have lots of an amino acid called tyrosine, which helps synthesize proteins and may influence your ability to think deeply. In one study, students performed better at completing puzzles when they drank orange juice strong with tyrosine.

- **Chocolate.** The flavanols in chocolate may enhance short-term cognitive skills, according to one British study, because flavanols boost the amount of oxygen in the brain. Try a cup of hot cocoa before you need to be at the top of your mental game.

- **Carbohydrates.** Carbs deliver a quick dose of glucose to your body and brain, providing aid to concentration and memory. Potatoes, oatmeal, and other carbs may have a beneficial effect on brain function.

- **Walnuts.** Rich in omega-3 fatty acids, walnuts can help memory and increase brain function, according to the journal *Plant Foods for Human Nutrition*. The results of one study showed that rats given a diet of raw walnuts for 28 days showed better learning and memory than rodents on another diet.

Money Matters

Try these smart shopping tips at the grocery store

Everyone wants to stretch his or her food dollars. You don't have to live on ramen noodles and cold cereal three times a day to do it. Here are some tips for savvier shopping at the store:

- Don't fall for fancy displays. Items stacked at the end of the aisles, like sodas, aren't necessarily on sale. The display can make them seem like they're marked down, but often they're still regular price.

- Remember that you pay for convenience. Skinless chicken breasts cost more than those packaged with skin. The same applies to the pre-cleaned and cut carrot sticks. In both cases, they're a little more expensive. Decide whether the convenience is worth the extra money.

- Try the store brands. If you compare the contents and nutritional value of name-brand versus no-brand items, you'll often discover that they're almost identical. In many cases, they're made in the same plant and just packaged with the store label.

- Use coupons. How often have you clipped coupons only to allow them to expire? Develop a system that will ensure you remember and use them.

FROM THE BOARD OF DIRECTORS

There was recently an issue with trash pick-up. A resident put a fairly large amount of carpet out for removal on Monday May 11th and it was not taken. Waste Pro informed us that Monday's are an extremely heavy trash day and asked that if a resident had a large amount of trash from remodeling etc. would we, please, put it out for Thursday's pick-up instead. So, if you are anticipating a large amount of trash to be thrown away, please, call the office on Wednesday and let Linda know so she can notify Waste Pro that there will be a heavy pick-up at your Lot number

NEW HORIZONS

Mike Pellino, Lot 64, passed away on Friday, April 16, 2015.

Gerry Travers, Lot 224, passed away on Tuesday, April 28, 2015.

THANK YOU ALL ONCE AGAIN

Shirl & John McAra

Finally, by the time you folks are reading this, John and I will settled be in our new house. It has been a long three months. We want to thank everyone, especially our immediate neighbors, and the Board of Directors, for their patience and tolerance for looking at the total mess at Lot 100 for so long. No one complained and we really have appreciated that.

We want to thank the Ferguson's for putting up with us for two months. We appreciate all the good will coming from friends and neighbors. It may have seemed small to you but it meant a lot to us for all the good wishes and kind words from everyone.

Now that we are settled in our house we will start to try making the outside as pretty as the old house. We also want to invite anyone who would like to come in and see our house to please do so. We would love to show off our home. Thanks again, and God Bless.

Footnote: Shirl sent me this via email for publication in May's issue. It somehow slipped through the cracks and I would like to take this opportunity to apologize to her for that. Linda

Singles Luncheon

Doris Roche

The singles luncheon will be on Friday, June 12, 2015. Our Hostess this month is Sue Kelley and we will be going to O'Keefes located at 1219 Fort Harrison in Clearwater. If you need a ride call Doris 595-2849.

A special thank you goes to Alice Hunt our Hostess for May. We had a great time at J.D.s

MAD HATTER'S LUNCHEON

Karen Creamer & Pat Haacke

The Mad Hatter's Luncheon will be on Tuesday, June 2, 2015. Our Hostesses will be Karen Creamer & Pat Haacke and we will be going to

A special thank you goes to Jan Troke & Kitty Wagner our Hostesses for May. We had a great time at The Columbia.

FROM THE SOCIAL COMMITTEE

Janet Green, President

The only planned event for June is the Father's Day Lunch. It will be on Saturday, June 20th at 11:30 A.M. No charge to Dad's, Ladies charge is \$7:00, and, non-resident charge is \$8:00. The menu is pulled pork BBQ or fish, baked beans, coleslaw, corn bread and desserts. Everyone needs a ticket and you can get them from Judy Lee at Saturday morning coffee, Wednesday night cards, or Thursday bingo.

NEW RESIDENTS

I have neglected to welcome new residents for quite some time so I am welcoming all the new residents for 2015! If I missed you from last year and you'd like to be in the Gazette, give me a call. Linda

- Hugo & Alicia Herrera moved into Lot 5. They are from Chicago, Illinois and will be full time residents.
- Sophie & Bruno Ogradny moved into Lot 32. They are from Northridge Illinois and will be part time residents.

...continued on page 10

- Jack & Peggy Bragg moved into Lot 46. They are from Muncie, Indiana and will be part time residents.
- Stephen & Linda Bizan moved into Lot 168. They are form Clifton Park, New York and will be part time residents.
- John & Catherine Cutting moved into Lot 206. They are from Albany, New York and will be part time residents.
- Susan Callahan and Lucy St. Pierre moved into Lot 91. They are from Merrimac, Massachusetts and will be full time residents.
- Larry & Linda Reeves moved into Lot 101. They moved here from Shipwatch and will be full time residents.
- Cheri & Allan Halm moved into Lot 140. They are from Ottawa, Illinois and will be part time residents.

Travel updates for 2015 & 2016

Carol Smerker & Joyce Herbort

Some interesting trips are being planned for the summer season.

See mini horses of Fallen Pine Farm on Tues., June 9th. Some of the horses are champions. The cost includes lunch, only \$62.

A trip Saturday, June 13th to St. Armands Circle & Sarasota Farmers Market at St. Armands Key. A great get away for \$34.

Thurs. July 9th is a trip to see "Footloose" at the Broadway Palm Dinner Theater in Ft. Meyers. Buffet and transportation for \$84.

Some overnight trips listed are:

July 3, 3day trip to St. Augustine, includes 3 meals and 2 nights for \$299 pp.

A 9 day cruise, Jan. 21st 2016, aboard the R.C. Vision of the Sea, going to the Eastern Caribbean starts at \$751pp.

See the travel board ask one of us or check travel boxes for a lot more! We hope you will enjoy some of our trips.

June Facts and Trivia

Basic Facts

- June is named for the Roman goddess Juno. The month of June is a popular month for weddings, perhaps because Juno was the goddess of marriage.
- In ancient Rome, June was the fourth month of the year. When the Gregorian calendar was adopted, it became the sixth month of the year. It is one of the four months with thirty days.

Birthstones

- The traditional birthstone for June is the pearl. It is a symbol of purity and is the only gem that comes from living sea creatures.
- Alexandrite is an alternate birthstone for June. This unique gemstone changes color depending on the lighting conditions. It is greenish brown in color when exposed to daylight and fluorescent light, but changes to a purple, reddish hue by incandescent or candlelight. It is a symbol of joy and good fortune.
- Another alternate birthstone for June is moonstone. It is considered a sacred stone in India. Moonstone varies in color from clear to bluish white or peach. It is a symbol of health and longevity.

Flower

- The flower for the month of June is the rose. Roses are a symbol of love and appreciation. They are also known as the flower of passion.
- Roses come in a wide variety of colors. Each color has a different meaning. Red roses symbolize love; white roses symbolize innocence and purity, and light pink roses are a symbol of admiration or sympathy.

Astrological Signs

Gemini and Cancer are the astrological signs for June. Birthdays from June 1st through the 20th fall under the sign of Gemini. June 21st through the 30th birthdays fall under the sign of Cancer.

Historic Events in June

- Benjamin Franklin discovered electricity on June 15, 1752.
- Continental Congress adopted the United States flag known as the Stars and Stripes on June 14, 1777.
- The Pledge of Allegiance was recognized by Congress on June 22, 1942.
- The Korean War began on June 25, 1950.

Famous People Born in June

Many famous people were born in June. Here are just a few of them.

- One president: George H.W. Bush
- Several actors and actresses: Tim Allen, Courtney Cox, Johnny Depp, Michael J. Fox, Angelina Jolie, Nicole Kidman, Toby Maquire, Marilyn Monroe, and Meryl Streep
- Singers/Musicians: Paul McCartney and Lionel Ritchie
- Athletes: Joe Montana, Michael Phelps and Venus Williams

Here's to you, dad: The start of Father's Day

Father's Day started with a dedicated woman: Sonora Smart Dodd, the daughter of a widowed Civil War veteran who had raised her on his own. Dodd came up with the idea for a special day celebrating fathers when listening to a Mother's Day sermon in 1909. She held her own special tribute for her father on June 19, 1910, in Spokane, Wash., and began a campaign for an official celebration thereafter.

The idea of Father's Day initially met with some skepticism, but in 1919, President Calvin Coolidge expressed support for the holiday, and in 1926 a National Father's Day Committee was formed in New York City. In 1966 President Lyndon B. Johnson signed a proclamation designating the third Sunday in June as Father's Day, but it wasn't until 1972 that President Richard Nixon officially recognized it as a national holiday.

Loyalty to country, always. Loyalty to government, when it deserves it.

—Mark Twain

Quick zingers and fast chuckles

Need to get a laugh in a hurry? Try some of these handy one- or two-liners:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- I used to think the brain was the most important organ. Then I thought, "Look where that idea comes from."
- A dwarf fortune-teller who kills his customers might be known as a small medium at large.
- Did you hear about the dyslexic devil worshipper who sold his soul to Santa?
- During a prison break I saw a dwarf climb over a wall. As he jumped down he sneered at me, and I thought, "That's a little condescending."
- A blind man walks into a bar. And a table. And a chair.
- You never see a hippopotamus hiding in a tree. They must be really good at it.

Monthly For June

African-American Music Appreciation Month. A celebration of African-American music in all forms. In June of 2011, President Barack Obama proclaimed, “African-American musicians, composers, singers, and songwriters have made enormous contributions to our culture by capturing the hardships and aspirations of a community and reminding us of our shared values.”

Child Vision Awareness Month. Children’s vision challenges can be difficult to detect because they may not know they see the world differently than other children. Infants and children should have regular eye exams to ensure that they can see both near and far away, confirm that their eyes work together to focus on a single object, and treat eye diseases early.

National Zoo and Aquarium Month. A good time to explore your local zoo and aquarium. Many have excellent educational resources—photographs, videos, lesson plans, and other activities. Go to the website of the Association of Zoos and Aquariums for links to its accredited zoos and aquariums.

National Scoliosis Awareness Month. A yearly campaign with the goal of highlighting the growing need for education, early detection, and awareness about scoliosis and its prevalence within the community. The campaign unites scoliosis patients, families, physicians, clinicians, institutions, and related businesses in local activities, events, and grassroots networking throughout the month of June.

Daily For June

National Running Day, June 4. Longtime runners reaffirm their love of running and beginners can kick off a lifetime and life-changing commitment.

World Oceans Day, June 8. A day to celebrate the world’s oceans and support action to protect them.

Flag Day, June 14. A patriotic celebration of the flag of the United States of America, a symbol of freedom and hope around the world.

Magna Carta Day, June 15. Date of the signing of the Magna Carta by King John of England, an important document in the history of political freedom.

Father’s Day, June 21. Tell dad how much you appreciate everything he’s done for you.

Take Your Dog to Work Day, June 26. Take your loyal canine companion to the office with you for a day (but check with your boss first).

Memory Disorders Center at St. Anthony's Hospital

CONNECTING *families to resources, education and support*

The Memory Disorders Center at St. Anthony's Hospital connects those with memory disorders and their care partners with health care and community resources that can help enhance functioning and treat the symptoms of memory disorders. Led by the clinical director, a neuropsychologist and a licensed clinical social worker, the services of the Memory Disorders Center are free for patients and families.

Services include:

- Evaluation of patient's needs, development of a treatment plan, navigation of care and referrals to resources
- Support for caregivers through education, navigation and support groups
- Resource library

Danger at home: Keep your children and grandchildren safe

The home can be a dangerous place, especially for young children. Most household accidents are avoidable, though, with some commonsense precautions. Safe Kids Worldwide, a global organization providing safety information aimed at preventing accidents and injuries to children, shares these tips for keeping your family healthy and safe:

- Bathroom. Don't leave children alone in the bath, or anywhere near water.
- Hallways. Install smoke and carbon monoxide detectors, and check their batteries at least every six months to ensure they're working properly.
- Bedrooms. At bedtime and nap time, remove any blankets, pillows, stuffed animals, and toys from your baby's crib to prevent accidental suffocation. Make sure your baby sleeps alone and on his or her back.
- Staircases. Put up safety gates to keep children from tumbling down staircases. Install similar gates for every window a child might reach.
- Medicine chest. Store all medicine in cabinets above the reach of children, and lock cabinets they might get into. Keep track of any medication you might carry in your purse or briefcase.
- Living room. Install brackets and braces to secure bookshelves and other furniture against accidental tipping. Secure television sets to the wall or place them on low platforms.
- Kitchen. Use the back burner of your stove when cooking with children present. Turn pots and pans so that their handles face away from the edge, out of reach from tiny hands. Store household cleaners in high cabinets and shelves, or lock lower cabinets to keep children out.

Keep kids safe from bugs during summer months

As summer comes, so do the bugs. And some of those bugs can bite. Follow these guidelines from the American Academy of Pediatrics to protect your children from getting stung or bitten:

- Avoid using scented soaps, hair sprays, and perfumes on your child. The scents can draw insects and bugs and increase your child's risk of being bitten.
- Stay away from nests or places bugs might congregate. This includes stagnant pools of water, areas where uncovered foods are abundant, and gardens where flowers are blooming.

Scientists delve deep into the heart of the world

Jules Verne's *Journey to the Center of the Earth* described an inner world of jungles, seas, and dinosaurs. The reality is quite different, but no less interesting to scientists, and it's changing all the time.

The latest discovery about the nature of the Earth's core comes from a professor at the University of Illinois at Urbana-Champaign. The inner core, about 3,000 miles beneath the world's crust, actually contains a second core about half the radius of the outer one. This inner core contains iron crystals, which are oriented in an east-west alignment. The outer inner core's crystals align north-south, although they appear to have flipped several times in the distant past.

Scientists liken the twin cores to the rings on a tree, which allow researchers to peer directly into the past. The discovery could provide important clues to the formation and development of our world.

'New' solar system is the oldest ever found

The oldest solar system in our galaxy is 11.2 billion years old, according to data from NASA's Kepler space telescope. By comparison, our home solar system is about 4.5 billion years old. The new find is about 117 light-years from Earth, with five Earth-sized planets in an orbit too close to their star to allow for life. But the discovery of a solar system's formation only a few billion years after the Big Bang some 13.8 billion years ago suggests that life could have proliferated throughout the cosmos much earlier than scientists previously believed.

Sophie the Stegosaurus steps on the scale (sort of)

How much did the dinosaurs weigh? That question has been answered—at least for one specimen at London's Natural History Museum.

Sophie the Stegosaurus is about 150 million years old, and was discovered in 2003 by paleontologists in Wyoming. It now resides at the British museum, its skeleton 85 percent intact. According to the Yahoo News website, British researchers created a 3-D digital version of the skeleton, then calculated the amount of flesh it would have had around its bones, and compared that with data from modern animals of a similar size.

The result? Sophie tipped the scales at about 1.6 tons, with a body mass roughly equivalent to a small rhinoceros. Knowing its weight will allow paleontologists to learn more about stegosaurus metabolism, food needs, and growth rate.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

14,492 manufactured home residents have won over \$124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or [mail your paid receipt](#) to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:
