From The Desk Of The President

Shirley Roslan

We now have the 2017 Board of Directors seated. Shirley Roslan, President. Dave Schultz, Vice President. Jim Wildes, Treasurer. Tom Mackey, Secretary. Pat Bailey, Director. Jackie Rouette, Director. and Fil Tua, Director. We will do our best to uphold the standards of the Park. Also, please, note the changes in the committee responsibilities inside the front cover of this edition.

From The Board Of Directors

The result of keeping the pool uncovered is costing us a fortune in propane. In one week we blew through \$1,500.00. It is a little late to salvage this winter, but, we have to prevent a repeat in 2017-18. Any ideas out there? We're open to suggestions.

Glenwood Thursday Night Bingo

Jeanne Burket

We have a great turn out at our Thursday night bingo. Just a reminder that we start selling cards at 6:00 and stop selling at 6:45. Bingo starts at 7:00. Please, bring small bills as we cannot break large bills. Daubers are available for \$1.00.

Thank you to my bingo committee, Barb Mucci and Beth Pickett, our callers Ron Ransdell and Rick Geary, Sue Archambault, our cookie jar lady, and all who help make our bingo night a success. Come join in the fun. See you there!

Beautification Committee

Shirley Roslan, Chr.

It's that time again and we will be coming around at some point this month to ensure that Glenwood continues to enjoy the high standards we have all become accustomed to.

Mad Hatters Luncheon

Pat Vaillancourt

The Mad Hatters Luncheon is on Tuesday, March 7th at noon but, please, be at the clubhouse at 11:30. Our hostess this month is Pat Vaillancourt and we are going to The Greek Village located at 11125 Park Blvd in Seminole. If you need a ride call Pat at 978-257-3876.

A special thank you goes to Nancy Roth. We had a great time at The Bellevue Biltmore Golf Club.

Thank You To Glenwood Residents

Ginger Henderson

First, we would like to thank the Glenwood Social Committee for choosing our cause, Priscilla's Circle, as your annual charity for 2017. Little seems to be known about the group we are sponsoring, Miracles Outreach. These girls are survivors of human trafficking. Our aim is to try to reach one, and show them there is someone who cares. We are hoping that by our efforts, we can do this, and help lead them back into as normal a life as possible.

Second, but definitely not the least, we want to thank the residents of Glenwood for their participation in this cause, by their most generous financial contributions to help us help the girls. May the Lord bless you!

Sincerely,
Priscilla's Circle

Thank You!

From The Social Committee

Catherine Cutting, President

Residents of Glenwood were invited to an informational meeting of the Social Committee to provide suggestions, comments, etc. to possible changes in the Social Committee agenda in the future. The meeting was very successful. Many residents provided historical information for those of us who are new to the community. Members of the Social Committee are presently discussing these changes and will provide a full report to the community on March 11th following coffee.

Issues under discussion include enhancing the process of welcoming new residents to the community and the various social events that take place in the community; Pot Luck Dinners maybe changed to Meet and Greet new residents. These meetings may include a theme chosen by persons interested in preparing for these dinners. Celebrations, including Valentine's Day Party, St. Patrick's Day Party, Easter Dinner, Halloween Party, Thanksgiving Dinner, Christmas Party, and Christmas Dinner, Chili Cook-Off, etc. will remain on our agenda. Additional celebrations will also be discussed and decided, based on comments and suggestions given by our residents. Notification of our events will also be enhanced to ensure that our community is well informed. Let's continue to work together to make 2017 as meaningful and fun as past years. Please feel free to contact Catherine Cutting at 437-7925 with questions or comments. Thank you to all who have been a part of these events.

MARCH

St. Patrick's Day Party – March 11, 2017 @ 6:00 p.m.

Please see postings on the clubhouse bulletin board for additional information and sign-up sheets. As always, thank you for your consideration and assistance.

Goodness At Glenwood

Maxine Lasecki

In our years at Glenwood, my husband and I have been aware of all the caring and volunteering going on in our community. This includes helping the sick and those recovering from operations or injuries. Mary Cronin has been our health reporter for years. She has made us aware of who needs prayers, cards, visits, etc. and keeps us up to date on how the sick from our park are doing. There is also the generosity of those who serve on the Board Social Committee and those who do other things to keep our park special.

I want to write especially about a lady in Glenwood names Pat Bailey, who was recently widowed but found it in her heart to help others who are widows or widowers. Pat lost her husband last year within four days of her sister-in-law, Ethel, losing her husband. The deceased were brothers. Ethel is our neighbor and we witnessed what she went through with her husband's long illness. It wasn't easy and she had her own health problems, one being that she lost the sight in one eye. There was a miracle in that her sight did come back and the doctor couldn't explain why. Pat has a strong Christian faith and takes Ethel to church. She also kept Ethel busy going to various places and got her to join in activities at the clubhouse. Now when I see Ethel she has a smile I haven't seen in a long time.

May God continue to bless Glenwood and keep it the caring community it is.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Fresh or frozen? The choice is yours

Mom may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

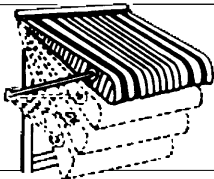

Watch for these sources of illness while traveling

Traveling has enough hassles—check-in lines, lost luggage, bad airline food—without adding germs to the mix. Be safe by watching out for these common sources of germs and bacteria that can make you sick when you travel (from the CNN website):

- Washroom stall locks. In one test, airport stall locks were found to have an average of 70 colony-forming units (CFUs) per square inch. Use soap and water or a good hand sanitizer after touching them.
- Seatbelt buckles. Clean your hands after buckling up. Airplane belt buckles can have up to 230 CFUs per square inch.
- Lavatory flush buttons. These can get pretty nasty, containing 265 CFUs per square inch (although overhead vents and tray tables have more).
- Drinking fountains. Thirsty? Maybe buy a bottle of water instead. The buttons on airport drinking fountains have been found to hold 1,240 CFUs per square inch.

Tough interview

Singer/songwriter and Nobel Prize winner Bob Dylan is known for his idiosyncratic and iconoclastic ways. His sometime guitar partner Bruce Langhorne tells a story of one time the two were being interviewed on a talk show in 1965.

Les Crane, the interviewer, was getting frustrated with Dylan's brief, uninformative answers to his questions. So at one point, when Dylan joked, "That's a nice tie, though," Crane pointed out that Dylan never wore neckties, and then gave the musician his tie to calm the tension.

Dylan responded by saying he liked Crane's boots. Crane didn't turn them over. Instead he said, "Hey, Bob, that's a nice harmonica." But Dylan refused to give it up.

Hotel concierges go above and beyond

Hotel concierges have to deal with some pretty unusual situations sometimes. Here are some of their most outlandish stories, from the Huffington Post website:

- One guest in a London hotel requested wild goat's milk for his bath. The concierge had to take a cab to Wales (£600) to buy the milk (£50). Then the milk had to be heated for the bath, and the concierge also had to supply 50 bottles of Evian water to wash the milk off after the bath.
- A bride-to-be spilled coffee on her satin wedding dress, and the concierge spent hours washing the stain out and then drying the dress with a hand dryer, consoling the bride all the while.
- One guest asked for 20 pounds of ice to be delivered to his room for his penguins.
- A couple checking into a luxury hotel in New York for their wedding asked for a life-size chocolate statue of themselves.
- A crew of commercial filmmakers asked the concierge to find them a trained monkey for their shoot when the monkey they had originally arranged for didn't show up.

"Have you experienced the Sunset Appliance Difference? It's all about our Service!"

Ancient gold belt dug up in U.K.

Archeologists in the U.K. have dug up a 3,000-year-old gold belt in Cambridgeshire, and it's now on display at the British Museum in London.

The object, known as a torc, is the largest ever unearthed. Torcs were usually worn around the neck, but this one measures 49.6 inches, suggesting it was worn as a belt between 1300 and 1100 B.C., or that it was worn by a sacred animal slated for sacrifice. The torc, made of 20 karat gold, weighs 1.6 pounds.

British scientists examining the artifact have found little sign of use or wear on the links used to fasten the torc together, so its original function remains a mystery.

Astronomers discover the sky's smallest asteroid

The universe is full of objects large and small: Sharp-eyed astronomers have recently discovered a near-Earth asteroid just 6 feet in diameter.

The asteroid, named 2015 TC25, was discovered in October 2015 by scientists working with the Catalina Sky Survey. It's one of the brightest of its kind ever observed, reflecting about 60 percent of the sunlight that hits it, and it's one of the fastest spinning. Astronomers speculate 2015 TC25 was chipped off another asteroid, (44) Nysa, a large bright object in the main asteroid belt that's about 44 miles in diameter.

The small rock is about the size of many meteorites that fall to Earth, but astronomers believe there's little likelihood of 2015 TC25 dropping on our planet very soon.

New light on our oldest ancestor, Lucy

The remains of "Lucy," the name given to the oldest human ancestor yet discovered, were found 42 years ago, and ever since scientists have debated whether she spent most of her time walking on the ground or climbing through the trees. The journal PLOS One reports that new evidence suggests the three-million-year-old woman had muscular arms, indicating that she may have been a tree dweller, at least some of the time.

A CT analysis of Lucy's fossilized skeleton shows that her arms were heavily built and similar to those of chimpanzees. Scientists speculate that Lucy may have slept up in the trees to avoid predators at night, spending as much of one-third of her life above the ground. The fact that Lucy may have died from falling out of a tree adds weight to the theory.

Monthly

American Red Cross Month. For more than a century, the American Red Cross has harnessed the generosity of the American people, mobilizing the nation in the wake of disaster. The American Red Cross and its international partners have served during crises across the United States and around the world. During American Red Cross Month, Americans celebrate the nation's humanitarian spirit and recommit to providing relief and hope in times of crisis.

Brain Injury Awareness Month. Sponsored by the Brain Injury Association of America, which conducts an awareness campaign each March. The theme for the 2017 campaign is "Not Alone," providing a platform for educating the public about the incidence of brain injury and the needs of people with brain injuries and those in their families.

Music In Our Schools Month. An annual celebration of music educators, students, and communities nationwide, all promoting the benefits of high-quality music education programs in schools. Music In Our Schools Month began as a single statewide event in New York in 1973 and grew to become a monthlong celebration of school music in 1985.

Women's History Month. Women's History Month had its origins as a national celebration in 1981 when Congress requested that the president proclaim the week beginning March 7, 1982, as "Women's History Week." Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as "Women's History Week." Since 1995, Presidents Clinton, Bush and Obama have issued a series of annual proclamations designating March as "Women's History Month."

Weekly

Professional Pet Sitters Week, March 1-7. An annual observance that honors professional pet-care providers, seeking to educate the pet-owning public about the advantages of professional in-home pet care and encourage pet-loving entrepreneurs to explore professional pet sitting as a viable career.

Dental Assistant Recognition Week, March 5-11. Dental assistants are a key part of the dental practice year-round. During Dental Assistants Recognition Week, dentists in the United States and Canada celebrate by honoring their dental assistants for the variety of duties they perform and helping them provide patients with top-quality dental care.

Women in Construction Week, March 6-12. The focus of Women in Construction Week is to highlight women as visible members of the construction industry. The National Association of Women in Construction's thousands of members across the country raise awareness of the opportunities available for women in construction and emphasize the growing role of women in the industry.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$135,000** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:
