SHUFFLEBOARD

Joyce Herbort

Well shuffle friends it's time to get back out on the courts and play! I'll be out there **October 1** waiting for someone to come and play shuffleboard with me at 3 P.M. I sure hope you'll join me. The courts look good, the benches have been painted and Janet Green and her husband have spruced up the scoreboards. Come join us even if you've never played. We're right by the lake and usually have a nice breeze. Don't forget your quarter

FROM THE Gazette EDITOR

Barbara Strachan

If you would like to put an article in the NOVEMBER Gazette, please send it to me at sbarscan@gmail.com before OCTOBER 15.

Needlework

Barbara Strachan

Get your yarn and needles out and come join us on Monday October 1 at 10am at the clubhouse for another year of needlework. Tell us about your summer., I hope you take pics of what you made to show us. We'll get started on some new needlework projects and finish up on what we like doing. Hope to see you there.

GLENWOOD SOCIAL COMMITTEE

JEANNE BURKET, SECRETARY

Bingo started back up September 20th. Card sales end at 6:45 and bingo starts at 7:00 p.m. Come join us. You won't get rich but you will have a good time. The more players, the better the prizes.

Due to the rising prices for coffee & donuts, the new prices for Saturday morning coffee will be 75 cents for coffee and 75 cents for each donut. Still a bargain.

Halloween party will be held on Saturday, October 27th. Details to follow. Look for the flyer on the bulletin board.

Thanks again to all who made coffee on Saturday mornings and everyone who participated in our events for the summer.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Did you know that October is also...

National Apple Month. Because apples are high in fiber and contain no sodium, cholesterol, or fat, they make a great snack. With more than 2,500 varieties grown in North America, it won't be difficult to find one you can enjoy chopped into your morning oatmeal, baked into a pie, or cored and sliced any time of the day when you want a delicious treat.

International Augmentative and Alternative Communication (AAC) Awareness Month. AAC is a set of strategies, tools, and devices used by people to overcome communication challenges. People who rely on AAC might use sign language, text, pictures, symbols, speech-generating devices or a combination of these for their basic communication. This month let's increase our awareness of the possibilities that could develop when everyone has the ability communicate effectively.

National Work and Family Month. In 2003 the U.S. government designated October as a time to promote sensible, flexible, and healthy work environments, as well as the benefits of work/life balance. Don't wait for your employer to create an initiative or perk to combat the daily grind. Take a day or more of PTO to decompress from your busy life and reconnect with your family.

Positive Attitude Month. Researchers believe people who embrace a positive outlook have less stress, an increased sense of well-being, better coping skills, and longer life spans. Purge the negativity from your life: Meditate, pray, practice positive affirmations, and surround yourself with only happy people. Do whatever you must, but always look on the bright side.

Fire Prevention Week, Oct. 7-13. This year's motto is "Look. Listen. Learn. Be aware. Fire can happen anywhere." Look for and eliminate potential fire hazards in your home. Listen for the sound of smoke alarms. Learn two ways of exiting every room in the event of an emergency. Visit the National Fire Protection Association website at <https://www.nfpa.org/Public-Education/Campaigns/Fire-Prevention-Week> to access more information.

Bone and Joint Action Week, Oct. 12-20. It's estimated that more than half of the U.S. population over 18 is dealing with some sort of musculoskeletal issue. This can include arthritis, osteoporosis, back pain, injuries or other conditions causing pain, disability, and a diminished quality of life. There is hope. Visit the website for the U.S. Bone and Joint Initiative at <https://www.usbj.org/> to find out about research, prevention, and initiatives targeting bone and joint issues

National Taco Day, Oct. 4. Have one for breakfast, lunch, dinner, or any time of the day. We celebrate the taco on this day just to give you one more reason to enjoy them.

Game changer

It was the bottom of the fourth inning, and the home team was getting slaughtered. The pitcher might as well have been playing for the other team. The bases were loaded, and the visiting team's best hitter was up at bat. Just then a horse walked into the dugout wearing the home team's jersey.

"Put me in," he said to the manager. "Your bullpen is done. I can pitch. I can hit. Just give me a chance!"

"Why not," the manager replied. "It couldn't get any worse."

The horse trotted to the mound and relieved the pitcher. He threw a series of fastballs and quickly struck out the player at bat—and the next one and the one after that. He repeated this performance for the next two innings.

When he finally took his turn at bat, the horse hit a fly ball to center-field that almost made it out of the park, but it hit the wall and fell to the ground.

The centerfielder grabbed the ball, tripped, and dropped it before picking it up again and throwing it toward the infield. The ball flew over the head of the second baseman and almost knocked out the catcher, who caught it and threw it past first base. The first baseman ran into the field, retrieved the ball, and sauntered back to the base.

The horse was out by five feet. He trotted back to the dugout and took a seat on the bench.

"You're the best pitcher I've had all season," said the manager. "You're a pretty good hitter, too. Not much of runner though, are you?"

The horse looked at the manager and said, "Do you think I'd be here if I was?"

Road rules

When Jane's car stalled in the middle of a busy intersection, no amount of wishing and praying could get the engine to turn over.

Just as she turned on her hazard lights, the guy in the car behind her began to lay on his horn, and he continued to honk even as other cars began to pull around.

Jane walked back to the other driver and said: "My car won't start and I'm waiting for a tow, but if you think you can get it started, have at it. I'll sit in your car and honk at you."

Favorite places to eat, 2018 edition

What's your favorite place to eat? The American Customer Satisfaction Index's Restaurant Report 2018 ranked consumer preferences based on such factors as food quality, food order accuracy, courtesy of servers, and food variety. The top full-service restaurants in the United States are:

- Texas Roadhouse
- Olive Garden
- TGI Friday's
- Ruby Tuesday
- Cracker Barrel
- Outback Steakhouse
- Applebee's
- Denny's
- Longhorn Steakhouse
- Red Lobster
- Chili's

Trends in U.S. dining: Quick decisions and lots of delivery

Diners in the United States are pretty spur-of-the-moment when it comes to deciding where to go out to eat, according to a survey cited on the Fast Casual website. Eighty-five percent make their dinner decision on the day of the meal.

Delivery is a popular option among all age groups, from Baby Boomers to Generation Z (born 1995–2010 or so). Fifty-one percent in the survey said they'd gotten food delivered in the past three months, with millennials doing the most ordering—77 percent of the age group.

What are people ordering?

- Burgers (28 percent)
- Wings (27 percent)
- Mexican (21 percent)
- Barbecue (14 percent)
- Desserts (11 percent)

Anyone who considers arithmetical methods of producing random digits is, of course, in the state of sin. For, as has been pointed out several times, there is no such thing as a random number—there are only methods to produce random numbers, and a strict arithmetic procedure of course is not such a method.
