President's Report

By Ray Lamoureux #9

It was a different summer here on Cape Cod. The weather has been going from cool to very hot in the same week. As of this writing the weather is very pleasant today mid-seventies but the next few days mid-nineties. The fishing has been slow but should start picking up in the next few days.

The board is still working on projects at Golden Acres. The culvert that runs from 2nd avenue to Third Avenue is being cleaned again this summer. It filled more dirt from storm runoff and needs to be removed to make it flow better during storms.

The reserve study is still ongoing during the summer. We must go over the company findings and question some of the figures they come up with and how they arrived at those numbers. I'm going to have a conference call with Paul Reardon and two other board members to complete the study. It will be voted on at a board meeting later this year.

We are still working on getting some cement work done in the park. The contractor gave us a quote but they are backed up on jobs now and will get back to us when they are freed up to proceed with the job.

The camera installation is waiting on the installation of two poles. One by the front entrances the other by the back entrance. The poles were ordered in April and delivered in June but the delivery was changed to July. We also need electrical work to go along with the camera installation to power the cameras. Also, a new computer to record what the cameras pick up for a log of activities.

The budget will be coming out for the board to vote. The residents will receive the budget three days prior to the budget meeting. The budget meeting is scheduled in December.

As of this writing we have no units for sale.

The board hopes we have a quiet summer with no major storms in Golden Acres. We hope everyone is having a safe and healthy summer.

A picture of Georgina and me marching for the VFW Cape Cod fourth of July.

From the Editor's Desk

By Sue Bailey #188 - suebail@tampabay.rr.com

Greetings:

I hope everyone enjoyed their Canada Day and Fourth of July. There were many fireworks here in Dunedin, FL. They were going off in every direction just outside of Golden Acres. Many could be seen in the sky from amateur pyrotechnics, and if you couldn't see them, you heard the bang.

August is a very quiet month at Golden Acres. The weather is hot and most of us stay inside with the air conditioning. We still have our monthly events (thanks to the planning of Timmie Strader, Cindy Hubbard, and Donna Delf), but not much else is happening. From talking with people up north, they have had some Florida-Like weather there too.

There aren't any holidays in August except for birthdays and anniversaries. So, if you're celebrating a birthday or anniversary. Have a Happy one!

We had a really good time at our Fourth of July picnic as you will read in this month's newsletter. Thank you Kurt Novakowski #177 for your heartfelt article. Gail and you will be in my prayers as I'm sure along with many others when they read your article. Without people like you contributing articles to the newsletter, there wouldn't be much of a newsletter. You will also read an article from NIH (News in Health) to discover herbal products and beware of text scammers. Many thanks to all for contributing to this month's newsletter. Please keep everyone informed with your summer activities wherever you are located by sending articles and pictures for the monthly newsletter.

Have a joyous and plentiful summer wherever your journey takes you.

Until next time,

May God bless and keep you well and safe...

Fourth of July Picnic

By Timmie Strader #129

The picnic was wonderful this year!! We had about 48 people attend. The food was dogs - burgers - baked beans - potato salad and slaw. This year we had entertainment: First was Ron Winders #149 doing his impressions of famous people, then Jack Spurlin #137 played his music and sang songs during the whole meal. Thank you so very much. Several people brought desserts and we had watermelon and birthday cake to celebrate the July birthdays. As usual, we couldn't do all of this without help - thank you Terry and Cindy #114 for cooking and Mary Ann #15 for serving. The room and tables looked festive again thanks to the helpers. Several people stayed and helped clean up. Thank you everyone who came to the picnic. All of you make our Summer Fun a success.

Beware of Phone Text Scammers

By Sue Bailey #188

I was notified that if I receive a text from an unknown source asking to push a designated key to opt out of future messages – Don't – instead forward the text to 7726 so cell phone carriers can block the sender. Also avoid calls from area codes 268, 664, and 876 as they are also scammers with high per minute phone charges.

Kurt Novakowski Update

By Kurt Novakowski # 177

Will visit with our Dear Friend Peg Slapak #86 and family on July 14 at her beautiful G-daughter graduation. Gail and I are looking forward to it. Hoping Roz Frabotta #72 and a few other GA friends are there in Cleveland for the event.

It was nice to hear from a few GA owners that found my last article on Coach insurance helpful as some paying too much for too little and some just getting started and found the article of value.

Gail is having a setback with her cancer spreading to new areas as the immunotherapy did not work for her, Chemotherapy and possible other options will be needed to get her back in check. We keep optimistic and already have been enjoying three years together that two doctors had told us we would not have. In our Senior years we are grateful to enjoy whatever time we have. Hopefully many more years to come.

If possible, we will return to GA in October and may enjoy some Christmas visits with some family visiting us there this year. Hope nothing interferes with our Christmas planning.

God Bless everyone, hope to see you soon.

The cost of dry cleaning around the world

Have you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

Discarded tech adds up

Chances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).
- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).

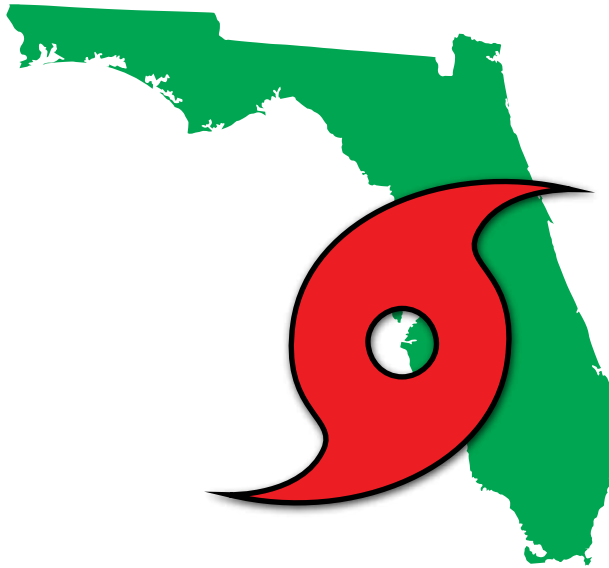

Computers are better than we are at arithmetic, not because computers are so good at it, but because we are so bad at it.

Keep your dog safe in hot weather

Dogs are often like members of the family, so you will want to treat them with care during hot weather. Here are a few tips to keep your four-legged friends happy and healthy:

- **Never leave your dog—or any animal—in the car during hot or even warm weather.** The interior temperature of your car can easily soar to 120 degrees in just minutes. The only way dogs can cool down is by panting and through the pads of their feet. Many animals die every year because their owners leave them in cars. Even if you leave the windows partially down, the temperatures can soar to dangerously high levels.

- **Don't let your dog ride in the bed of a pickup truck.** Serious eye injuries can occur from debris hitting their eyes at up to 70 miles per hour. The dog could also be thrown into oncoming traffic or could fall underneath the truck and be injured. Serious injury or death can also occur when a driver hits the brakes suddenly, swerves, or is hit by another vehicle.

- **Keep your dog away from fertilizers, plant foods, and insecticides.** They can be fatal if your pet ingests them. Don't let your pet walk or play on a treated lawn.

- **Make sure your pet always wears an ID tag.** Even if your dog has an embedded identification chip, you'll still want to make sure it has a tag so that he can be returned quickly to you if it is found. It's also a good idea to keep a current picture of your pet with you. That way, if it disappears or wanders off, you have a photo to show to people when you ask them if they've seen your dog.

- **Give your dog prescribed heartworm medicine on a regular basis.** It is also a good practice to use only flea and tick medications prescribed by your dog's veterinarian.

- **Make sure your pet has plenty of water and shade outdoors.** You'll also want to make sure your dog isn't walking on hot asphalt when the heat is high, because it can burn its paws.

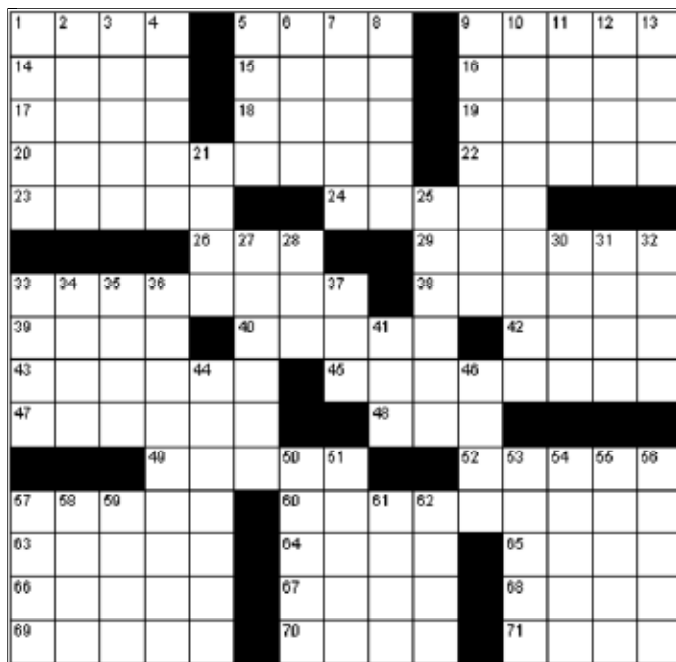

Good health is not something we can buy. However, it can be an extremely valuable savings account.

—Anne Wilson Schaef

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a
20 Year Transferable Warranty!
