President's Report

By Ray Lamoureux #9

I talked to Karin in the office last Thursday and everything in the park is going ok. We have a few projects in the works but none have started now. We are having security cameras being installed this summer. The poles were ordered back at the end of April and will be delivered on June 20th. One pole will be installed at the front entrance near the office. The other will be installed at the back gate at the mail box on unit 158. We will have nine cameras all told with recording the motion near the cameras. The cameras will catch the license plates of cars entering and leaving the park.

The sheriff looked at our contract and approved the type of cameras being used and will help if we have any more thefts in the park.

We are also looking to clean more fill out of the culvert between Second Avenue and Third Avenue. Karin has been trying to contact the contractor that did it last but has called several times with no return calls. She is trying to find another contractor for this work.

The hurricane season is here and I hope we don't have the same problem we had last year. I have been watching the weather channel and they are saying an estimate of twelve hurricanes this year. Let's pray they stay away from Golden Acres.

The reserve study is being worked on over the summer by a company that we hired in April. The people that are doing the study had a meeting in the park on May 31st and discussed what they are planning on listing in the study also wanted dates when we had things replaced such as roofs and pool equipment. They also removed some of the items of the last study that were not over \$10,000 to replace.

The last time I talked with Karin we have no units for sale. All the units that were for sale have closed thru the lawyer and nothing is pending as of this writing.

The board hopes everyone is doing well and is having a safe and happy summer.

Greetings:

I hope everyone is enjoying their summer. Things are quiet here at Golden Acres, but we're looking forward to our annual Summer Picnic to be held at the Clubhouse. After all, July is National Picnic Month!

I want to give a huge thank you to Elaine Janes #59 for taking on the responsibility of creating a mini-biography (profile) of Golden Acres Residents' for our newsletter. Starting with the July edition you will see more of her profile articles in the months to come. Elaine did an excellent job as I knew she would. You will also read about our Salad Luncheon and other upcoming Summer Months Events. Also, an interesting article from Kurt Novakowski and suggestions from NIH (News in Health) to keep our inner clocks on track. Many thanks to all for contributing to this month's newsletter. Please keep everyone informed of your summer activities wherever you are located by sending articles and pictures for the monthly newsletter.

As July approaches, here are some notable events to remember:

July 1st is a celebration of Canadian nationalism, heritage and pride. Canada became self-governing on July 1st, 1867, with the passage of the British North America Act (BNA Act) in the British Parliament. The holiday was originally known as "Dominion Day". It was changed to Canada Day by the Canadian Parliament on October 27, 1982.

July 4th is the birthday of our nation. Today, we celebrate and enjoy the freedom that comes with the event that made this day so special. The Declaration of Independence was voted and approved on July 4, 1776 declaring freedom for the 13 colonies from British rule.

Did you know? The U.S. and Canada share the largest un-defended border in the world. So Happy Canada Day and Happy Fourth of July to all our friends and neighbors!

Have a joyous and plentiful summer wherever your journey takes you.

Until next time,

May God bless and keep you well and safe...

Greetings from the Office

By Karin Desmone #1

Trash & Recycling day changes from Monday to Wednesday starting July 11th. **No** pick up on Monday July 9th. Please have trash containers out at curb either Tuesday night or first thing Wednesday morning.

There are several coaches that the owners have left for the season and there is lawn furniture, tables, chairs, wall decorations, statues, potted plants, recycle and trash bins that are **not** secured and will become projectiles during a storm causing damage to both your coach and your neighbor's. These items were to be tied down or taken inside before you left. For the safety of all, it would be greatly appreciated if you could make arrangements to have these items secured while you are away.

This is just a friendly reminder that the workshop hours are Monday through Saturday 8:00 AM to 7:00 PM. Closed on Sunday's. If you are using the workshop, please do so during the posted hours.

Salad Lunch

By Timmie Strader #129

The salad lunch held on June 6th was a great success. We did have less people than we had last year but again not two salads were the same. About 18 or 20 people came and we had birthday cake to celebrate the June birthdays. As usual it's great to see the full-time residents and visit with everyone. We do hope our newer residents will come out for our "Summer Fun" times.

Profile of Louis & Paulette Belanger #192

By Elaine Janes #59

Welcome to new Golden Acre residents, Louis and Paulette Belanger, from Cobalt, Ontario. Though new owners to Golden Acres, Louis and Paulette are not new to the area. They lived in the Countryside Estates Mobile Home Park in Clearwater for twelve years. They sold that home a year ago and rented last winter here. Paulette's favorite thing about Golden Acres is the heated pool. When coach #192 became available they decided to buy. Louis and Paulette already have good buddies in the park: Rose and John West, Doug and Nadine Templeton, and Ed and Jean Morin are all hometown friends.

The Belanger family includes their children, Lise and Denis. Lise has two daughters, Alyssa and Caylin. They live in Temiskaming Shores, Ontario. Denis has two sons, Thomas and Sebastien. They live in Toronto, Ontario. You know they have a great time together when the family is in one city!

Paulette and Louis are thrilled to be retired after having busy careers. Paulette worked for 27 years as the Assistant Treasurer for the Town of Haileybury. Louis was a barber and then an Ambulance Attendant for 20 years.

Since retiring, Louis and Paulette have had more time for the things they enjoy. Paulette loves to swim and plans to spend a lot of time in the pool. They love to play golf. Paulette enjoys strolling through Saturday morning garage sales. Louis enjoys riding his bike. They are looking forward to making more friends in Golden Acres and attending many activities in the park. By the way, the pool was a huge plus for Paulette. She plans to meet lots of new friends there.

Be sure to welcome Louis and Paulette Belanger when you see them this winter.

Try to come to the Picnic in the clubhouse on the Fourth of July. A sign-up sheet will be in the clubhouse. If you don't get to the clubhouse please call me (Timmie) and let me know you are coming. If I'm not home please leave a message. Good times will be had by all and we will be inside with air conditioning and out of the heat.

See you on the 4th - Donna - Cindy - Timmie

Kurt Novakowski Now Has Insurance

By Kurt Novakowski # 177

When we purchased our coach in April 2015 I tried to purchase insurance and was denied because the policy was not transferrable from seller to new owner (Citizens). The government was getting out of the insurance business in high risk areas so the best I could buy from a major known carrier was \$8000 for \$840 with hurricane coverage. I decided on No Deal.

Then comes Irma and as bad as the policy offer was at the time, I wished I had purchased it. The Government changed its posture and Citizens now writes policies in our area again after denying me in 2015. So, they now cover me for all perils including hurricane at a cost of \$733 a year giving \$25,000 for coach, and \$12,500 for contents. Happily, insured now, but don't ever want to see another Irma.

All is good in Erie, PA as my garden is flourishing. Last year I started asparagus seeds in a beer box while at GA and they became very nice crowns for planting this year. They are a very delicate plant to grow, and I enjoyed the challenge.

Gail's cancer is getting under control with "Optivo" and although there are always issues of some kind, they are manageable.

Will be back at GA in 135 more days and wish everyone a Great summer. God Bless.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
