President's Report

By Ray Lamoureux

The office informed me the Fourth of July Picnic at the clubhouse. It was held on July 1st with a number of full time residents attending. Not all is quiet while we are up north in our summer homes.

We still have a couple of places left for sale. The two new homes going in lot 35 and lot 65 should be completed when we return in the fall. It is good to see some of the park being replaced with new homes.

The water bills from the city keep getting better than the previous year. We are still looking to improve with less water usage. The bills are getting closure in what we used than the previous year. We still need to look at where we are losing water in the park.

The budget meeting will be coming up in November. We are looking to balance the budget so we are not using so much of our savings when we vote for fully funded or partially funded budget. We are trying to keep a reasonable balance in what we take in verses paid out of our savings. We are looking at a small increase in maintenance fees to bring that balance closer.

We had a request in writing in suggestion to look at some of our rules and regulations. This is still in the planning stage. The committee will be a mix of board members and residents to look at these rules and try to make them easier to understand. Some of the rules are not defined as to their intent. The board has not fully taken time to set up what is needed of this committee. This will be discussed more fully when we return in the fall.

I have had great reviews of our lone board member that is taking care of business in the park. If you happen to see Skip Delf thank him for all his help this summer. It is a great help having someone there all summer long.

Although there aren't any national holidays in Canada or the USA in the month of August, there is an observance in the US on August 21st called National Senior Citizens Day. It was established to honor senior citizens who made contributions in their communities and to also bring awareness of social, health, and economic issues that affect senior citizens.

Here at Golden Acres we are definitely in the dog days of summer. That hot sultry period of summer when Sirius the dog star rises and sets with the sun between early July and early September. August is the last full month of summer. Most of us at Golden Acres remain indoors unless it's really early in the morning or late in the evening. Even our pool water is very warm.

Mary Ellen Hearn (unit 18) shared Mel's Memorial Card for his Memorial Service held on June 27th to celebrate his life. It is a beautiful tribute to Mel!

Within this newsletter are articles of the events that have occurred this summer at Golden Acres. It won't be long and the park will be bustling with residents again and even more scheduled events.

The month of August is named after Augustus Caesar, founder and the first emperor of the Roman Empire. August birthstones are peridot, green in color and one of the oldest known gemstones; and sardonyx, lesser known but is a white and brown banded gemstone once believed to have mystical powers. The official flower is gladiolus.

I hope you are enjoying your summer wherever your journey takes you.

Until next time,
May God bless and keep you well and safe...

Notes from the Office

By Jo Ellen Bryant

Hi everyone, we are into a full -fledged summer here at Golden Acres. Our summer residents had a lovely Picnic at the clubhouse on July 1st with fried chicken and all the works. It was well attended, but more folks signed up than attended. This makes planning difficult and we do wish you had all come. Thanks to the committee who planned, and the personalized manner in which residents were invited by hand delivering flyers. There were lots of new faces of residents who do not normally attend events. It was great to see everyone. Please view the photos on our web site.

Last month I stated an incorrect fact about Canadian credit checks. We were told one thing, and then informed it was not true. Our Tenant Check company can NOT do credit checks on Canadian residents. We have a different method of checking Canadian credit which we have always used and will continue to do so.

I'd like to remind everyone what you can put in your recycling blue bins for the city to pick up on Mondays: Cardboard, glass bottles – all colors; all plastic containers (no Styrofoam); paper milk and juice cartons; newspapers; aluminum can; and steel cans. With recycling, your regular trash should be significantly reduced. If you have any problems with your recycle bin let the office know.

If you are thinking of renting your unit in the fall or winter, please let us know. There are many forms on our web site, one of these is to be used if you have a renter. Or, I will gladly mail you a form. If the time has come that you want to sell your unit, you must notify the office in writing of your intent to sell before you post a FOR SALE sign or advertise your unit for sale. An email will suffice for this note.

You are all doing a good job having your summer residents signing into the office or library. Keep up the good work.

The summer offers lots of recreation to local residents and there are many points of interest to visit. Recently I visited the Tampa Theater which was built in 1926 as a theater to show silent films. It is an amazing theater with quite a history and has been slowly renovated through the years. They offer a guided 1 ½ hour tour at 11:30 on Saturday mornings for \$12 which is most interesting followed by a foreign film. They even demonstrate their pipe organ which was used to accompany the silent films. Every Sunday afternoon a classic old movie is shown in the theater for a minimal fee. It's a great place to take visitors and a cool place literally to enjoy a morning and afternoon of Tampa history.

Good to Know

By Bob & Rita Sheire

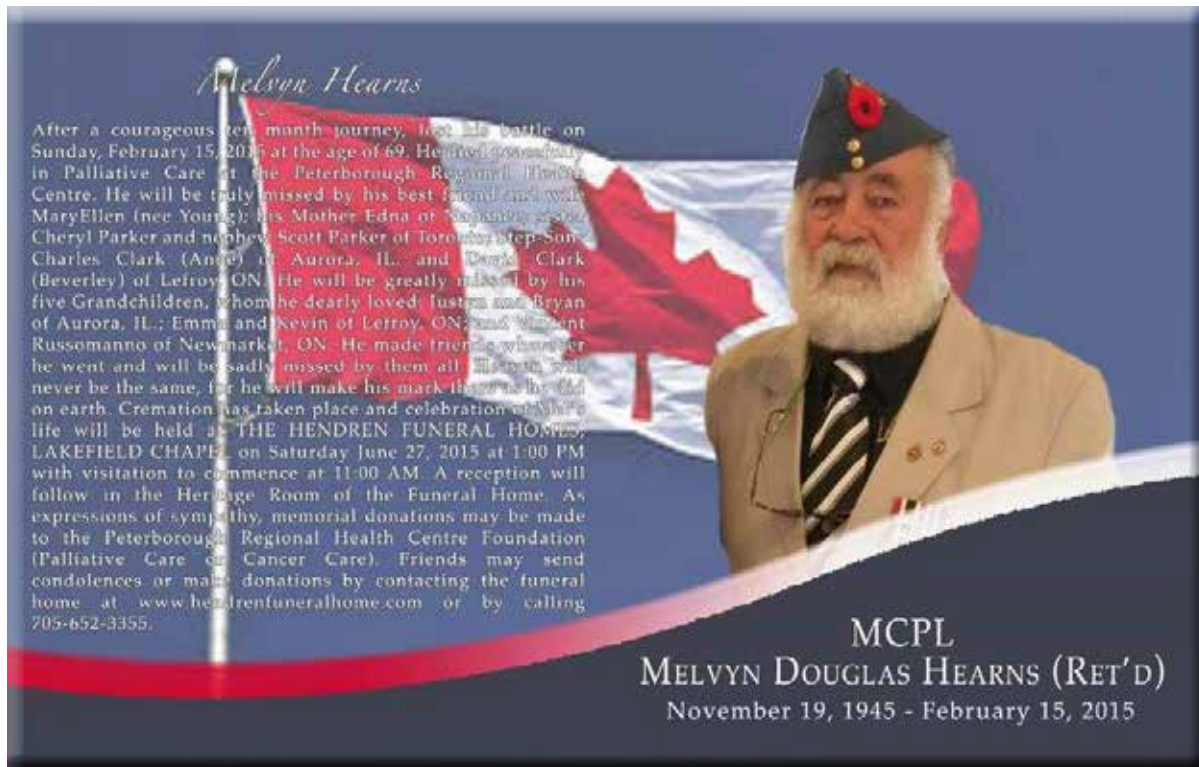

In the event that there is a horrible smell from a rotting corpse under your coach that invades your living area try this, it really works: Mix oil of wintergreen (according to Carol Spinney can be purchased from The Medicine Shoppe in the plaza across from Golden Acres) and olive oil in a dish of half oil of wintergreen and half olive oil (50/50). It reduces the smell and has a pleasant fragrance.

Safely Home

I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.

All the pain and grief is over,
Every restless tossing passed;
I am now at peace forever,
Safely home in Heaven at last.

Did you wonder I so calmly
Trode the valley of the shade?
Oh! but Jesus' arm to lean on,
Could I have one doubt or dread?

Then you must not grieve so sorely,
For I love you dearly still;
Try to look beyond earth's shadows,
Pray to trust our Father's Will.

There is work still waiting for you,
So you must not idly stand;
Do it now, while life remaineth--
You shall rest in Jesus' land.

When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!

Melvyn Hearns

TWO Barbers Now To Serve You

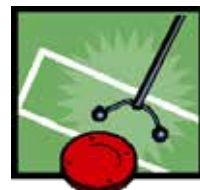

Recreation Events and Summer Coffee Club

By Donna Delf

We have come up with some new fun events for the Summer! Come join us. Everyone in the park is invited. Signup sheets are on the bulletin board in the clubhouse for all events to come.

Wednesday night "Under the Stars Fun Shuffle at 7 pm (weather permitting). It has gotten off to a slow start. We played one night under the stars at 85 degrees. There were six of us, Bob and Rita Sheire are learning to play! More are interested if it doesn't rain on Wednesday nights.

Annual Picnic on July 1st was well attended with forty four of us. There was lots of food and games for all. Many played corn hole (beanbag game). Val O'Farrell played music and everyone sat around visiting and had a good time. We had lots of chicken, baked beans, rolls, potato salad and watermelon. Of course ice cream to go with Rita Sheire's pineapple angel food cake and Kathy Merriam's German Chocolate cupcakes. Great time by all.

Trip to Tarpon Springs on the Jolly Trolley has been changed to September after Labor Day. Time and date to be announced. Sign up in the clubhouse. We will visit the Sponge Docks, have lunch, hang around Tarpon for the day and leave anytime you wish.

Sunset Dolphin Cruise from Dunedin Marina coming up in late August. The cost is \$24 per person and we can go at night from 5:30 to 8:30. Music, drinks and soda are provided. Please sign up in clubhouse by August 12th so that we can book this event after August 15th.

More to come in September? If you have any ideas / suggestions, see Norma Miller (Unit 34) on 2nd Street or Donna Delf (Unit 27) on 1st Street or Marsha Baylor (Unit 196) on 4th Street.

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. We pay out \$400 every month to residents who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

Plan your vacation with these trends in mind

You may already have taken your summer vacation and are eagerly planning next year's. If so, you might want to consider these 2015 vacation data, according to the Summer Travel Guide from the travel insurance comparison website InsureMyTrip.com.

The five most popular vacation destinations were the U.K., France, Italy, the Caribbean, and the Netherlands. Planning ahead makes sense: The survey found that 82 percent of travelers booked their trips more than 30 days ahead of time, with 15 percent waiting until just a week or so before leaving to make their plans, and only 3 percent heading off at the spur of the moment.

Where will you stay? In the 2015 survey, 42 percent of vacationers chose hotels, 25 percent took a cruise, and 18 percent opted for vacation rentals. Only one in 10 survey participants said they bunked in with family or friends while traveling.

‘Appointment TV’ a thing of the past?

Not too long ago, the only way to watch your favorite show was to make sure you were home when the networks decided to broadcast it. Not so much anymore. Modern technology is taking hold of our viewing habits, according to the Digital Democracy Survey from Deloitte.

The study of more than 2,000 U.S. consumers age 14 and up found that 56 percent of viewers are streaming movies on their laptops, tablets, or other devices, and 53 percent stream television shows once a month. More than 42 percent of U.S. households use a video streaming service like Netflix to watch their shows and movies. Meanwhile, only 45 percent prefer to watch TV live.

Video streaming also makes binge-watching a thing, according to the survey: Sixty-eight percent of consumers report sometimes watching at least three episodes of a TV program in one sitting, and 31 percent of them do it once a week or more.
