President's Report

By Ray Lamoureux

The annual Golden Acres budget meeting will be held on Wednesday November 18th in the clubhouse at 10:00 am. A copy of the proposed budget should be mailed out to all shareholders prior to the meeting. The proposed budget includes a five dollar increase in maintenance monthly fees. We have voted every year to partially fund our reserves. We need to keep a close eye on these reserves to make sure we will not be spending the park reserves money to maintain the inter structure of our park.

The palm trees should be trimmed by this newsletter. They seem to have grown faster over this summer than most summers. I was told by many residents that it was a very wet summer.

The fencing in the whole park is completed. The only part that is not completed and we have not considered installing any is along the culvert by the hobby shop on Third Avenue to San Christopher. Our property line runs down the middle of the culvert and we can't install fencing.

We have two new manufactured homes installed in the park over the summer. These replace some units that were in total disrepair and needed to be replaced.

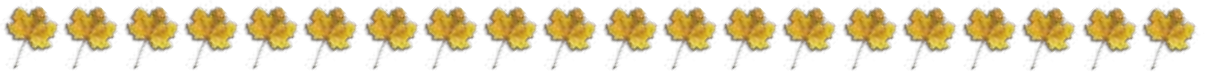

We are still in the process of upgrading certain parts of our water and sewer lines. Some of the shut off valves were replaced over the summer. The sewer lines in certain sections need to be repaired or replaced in the near future. We still have more work to do on finding water leaks and that will continue when more people return to the park.

As of this writing we still only have two units for sale. The office has people calling every week looking for rentals or to purchase units. These units should not last long on the market.

The board hopes everyone has a safe trip back to Golden Acres.

From the Editor's Desk

By Sue Bailey; suebail@tampabay.rr.com

November is a month that is all about giving thanks. Giving thanks to our Armed Forces for protecting our freedom; giving thanks for our abundance and a good life; giving thanks to our family and friends; and giving thanks for all of our relationships and camaraderie within our Golden Acres' community.

Within this newsletter are articles and pictures from some of our residents and announcements for upcoming events in November. Our GA calendar is starting to fill up.

November comes from the Latin word *Novem* (meaning nine) because in ancient Rome November was the ninth month of the year. Although it's now the eleventh month, it retained its original name. The birthstone of November is Topaz. The word 'topaz,' comes from a Sanskrit word meaning "fire." And in ancient lore, the topaz could be used to control heat. It was said to have the power to cool boiling water, as well as excessive anger. As medication, topaz was used to cure fever. The flower is the chrysanthemum, symbolizing love and cheerfulness. The colors range from pink, red, white, yellow, mauve and orange.

Some important dates to remember in November include: Daylight savings time ending on November 1st so don't forget to set your clocks back an hour and gain an hour of sleep. Veteran's Day is November 11th (Remembrance Day in Canada) to honor and give thanks to all of the men and women who have served and are serving in the Armed Forces. November 26th is Thanksgiving and is also celebrated at the clubhouse for all of us that want to participate in giving thanks for the harvest and blessings of the past year and expressing our gratitude to friends and family members. Joe and Paula Bunevith are organizing it this year. There will be a sign-up sheet at the clubhouse for those that want to come. Everyone is invited.

If you are traveling to Golden Acres this month, have a safe and enjoyable journey. Until next time,
May God bless and keep you well and safe...

Recreation Committee

By Ron Short

Here I am, writing this report in October and wondering where did summer go? I apologize for no October Recreation Report as I overlooked the date and did not submit the report in time.

First of all, the recreation committee would like to thank Norma Miller and Shirley Toohey for looking after the Wednesday morning coffees and to Bob/Rita Sheire and Dave/Kathy Merriam and their crew for the wonderful waffle breakfast with all the trimmings. I hear that the golden Acres residents really enjoyed it with over twenty five attending.

Thanksgiving Dinner

By Joe & Paula Bunevith

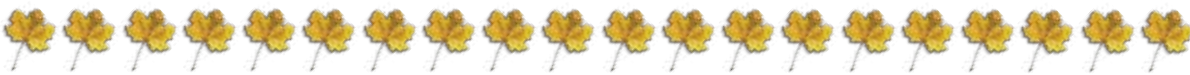

Hello Everyone: One again there will be a Thanksgiving Dinner at the clubhouse. Turkeys will be provided by the Recreation Committee. We will try something a little different this year. A list will be posted on the bulletin board. Anyone attending the dinner will be asked to provide a side dish for the dinner. We will be looking for folks to cook the Turkeys, the person cooking a Turkey will also provided the stuffing and gravy. This way no one person has to worry about what is on their table. It will be set up Buffet Style.

Each person attending the dinner will also bring their own place setting .

The Easter Dinner was a Buffet style and folks seem to enjoy that.

And our Canadian friends please join us. Two Thankful days is better than one!!

Hope to see all of you there. Any questions please ask. We live at Lot 202.

Kudos to Dave Merriam

By Brenda Neafsey

Living next door to the Workshop, I was able to observe how Dave Merriam (unit 50) worked tirelessly for many hours to get all of the equipment maintained and running properly. This included replacing saw blades, cleaning out the sawdust collection system, replacing broken parts, and a myriad of other repairs and upkeep too numerous to mention. He saw the need and stepped up to the plate to take on this thankless and laborious undertaking. The next time you use the workshop, think of Dave and the next time you see him don't forget to thank him for such an awesome job.

"Saluting our Veterans"

WHEN: November 15, 2015: 7:00 PM

WHERE: 700 Mease Plaza, Dunedin, FL

Tickets: \$15 at door

For more information visit:

www.suncoastsingersfl.com

Ising with the Suncoast Singers of Florida and we will be entertaining our audience with a special show saluting our veterans this year, our 36th season. We are performing in several venues, but your community may be most interested in the show at Mease Manor in Dunedin November 15 at 7:00 PM. We are providing a show to the residents at Mease Manor in the afternoon, but we will have a full show open to the public at 7:00.

We are offering special group rates to mobile home parks because we know there are many seniors, especially veterans, who will want to see this show. For 36 years we have received rave reviews from our audience and this show, filled with patriotic music, will be one of the best. Tickets are \$15.00 at the door, but if you want to get the special ticket price of \$13.00 (groups of 8), \$12.00 (groups of 16) and reserved seating, I would be happy to arrange that for you.

Editor's Note: There is a signup sheet on the bulletin board in the clubhouse for those interested in going to see the show. The more that sign up, the cheaper the price per ticket. I will be in charge of collecting the money once an amount is determined.

The Golden List

By Sue Bailey

Everyone knows "Angie's List", so we at Golden Acres have decided to create our own internal list called "The Golden List" of services that companies offer where a resident was pleased with the result and is willing to "endorse" the company in order to be put on the list. Few or many factors can be used to determine if a resident will "endorse" the company such as reliability, quality of work, fair price, professional and courteous to name a few. I will be in charge of the list, and it will be posted in the clubhouse for all to use.

I'm sure some of you have had unsatisfactory outcomes and wished that there was a list of reliable companies in which to choose from. I am convinced that it's more than a business card that makes a company reliable and one of the best ways I know is by word of mouth.

There is a Disclaimer at the top of the list: "This is a list constructed by GA Residents but in no way should the endorser be liable for any dispute between the Service Provider and the Customer due to an unsatisfactory outcome."

The list currently consists of about eighteen services but only six endorsers. If you have a service that you want added to the list, please let me know and I will add it and update the list in the clubhouse. Let's make this list so that no one in the park has an unsatisfactory outcome again.

In Memoriam

By Rita Syroteuk

Wellness

By Jean Binette, JGBEE@aol.com

Joan Sprouse (unit 102) is asking for your prayers. Hospice is with her to keep her pain at a minimum. Her oncologist at Moffitt told her that there is nothing else they can do in the way of treatments and recommended that she seek help from Hospice in-home care. Please pray that God takes her home soon and for no pain. Thanks everyone for your great strong prayers. Please pray for Jean Key (unit 138). She will be having surgery very soon and asked for our prayers.

Please pray for all the Golden Acres residents coming south to arrive safely. We will all be happy to be reunited with everyone for the winter.

Katherine (Kitty) Minck (unit 21) needs prayers to help battle and overcome a rare immune system problem and severe Musculoskeletal disease of blood, muscles, and bone (rheumatic arthritis). She is using cancer and chemo drugs. Your concern and prayers are much appreciated.

Condolences

Kim Healy (unit 22) lost the long battle with cancer and passed away on October 6th with all her children around her. Our condolences to her lovely family, she will be missed. She is reunited with her husband who has waited very patiently. May they be happy in heaven together. Her eldest son, Robert, said that Suncoast Hospice did an outstanding job in making her comfortable and supporting the family.

Joy Green (former resident of unit 117) has passed away. She is now reunited with her husband Harry Green.

Pat Picard (unit 24) passed away on September 14th from pancreatic cancer. Our condolences to her husband Gilles and family.

Moo! Cows may be smarter than you think

What's the smartest animal you can think of? Dolphins and chimpanzees may spring to mind quickly, but don't neglect one often-overlooked farm animal: the cow.

College students at the University of Sydney (as reported by the Huffington Post) conducted experiments with dairy cows and found that our bovine friends are capable of quickly mastering a maze to find food, and thus may possess better problem-solving skills than previously known.

The cows were tested in a T-shaped maze similar to those used with mice and rats. They learned to follow a sound through the maze to get to their food, with one of them reaching its goals within the first 20 seconds of the test.

The results suggest that cattle farmers could train cows to obey specific sound signals to come in for milking, producing greater efficiency on dairy farms.

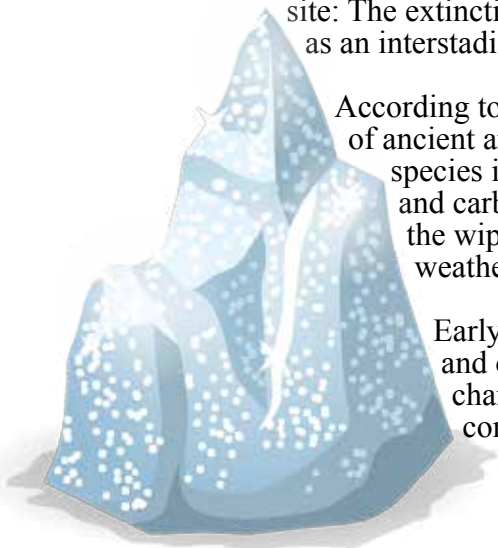

Global warming, not Ice Age, may have killed mammoths

Giant woolly mammoths roamed the Earth until about 11,000 years ago, when they abruptly went extinct. For years, scientists theorized that they were killed by the cold temperatures of the last Ice Age. Now some believe the explanation is just the opposite: The extinction event was caused by a sudden warming event known as an interstadial.

According to research published in the journal *Science*, DNA studies of ancient animals point to the sudden extinction of many large species in past ages. As more DNA from fossils became available, and carbon dating methods improved, scientists discovered that the wipeouts didn't correspond to the rise of glaciers and cold weather, but rather to periods of rapid global warming.

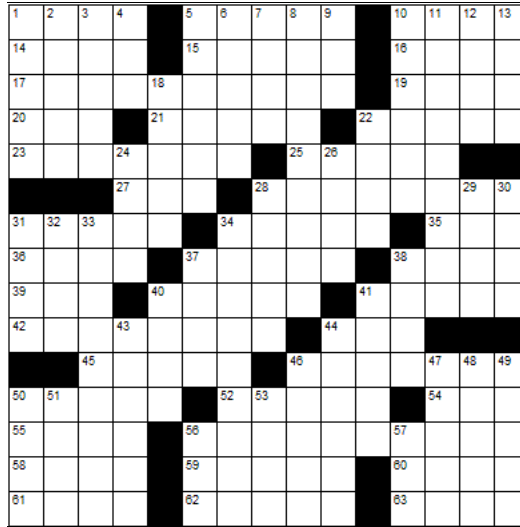

Early humans also contributed to the demise of the mammoths and other large beasts, but the evidence suggests that climate change was a major factor in their extinction—raising concerns about the future of our present environment.

Have a nice flight (if you can)

Flying may be the fastest and safest way to travel, but we all have our own preferences and quirks when traveling by air. A survey of more than 1,100 family travelers by ExpertFlyer looked at passenger habits. Their findings included:

- **Airline choice.** United? American? Southwest? Forty-five percent of participants said that airline mile redemption was a factor in choosing which airline to fly on.
- **Storage space.** Space is at a premium on most airplanes. Seventy-five percent admitted to “stealing” overhead bin space beyond their authorized allotment.
- **Food.** In-flight meals aren’t the only option if you’re hungry. More than one-third of passengers said they bring their own food to eat during flight.
- **Complaints.** Flying can be stressful. The top complaint: A bad seat or a seat not near companions (35 percent), followed by delays (25 percent), and general discomfort (24 percent).
- **Worries.** Lost luggage is one thing, but 21 percent of survey participants said that terrorism is their biggest concern when traveling with their families. That was followed by getting lost or separated (19 percent) and crime (19 percent).

Who’s drinking all the coffee?

Lots of people depend on coffee to get them through the day. According to figures from Gallup, 64 percent of U.S. adults drink at least one cup a day. Some drink more:

- One cup 26 percent
- Two cups 19 percent
- Three cups 8 percent
- Four or more 11 percent
- None 36 percent

Coffee is somewhat more popular with the older generation, with 74 percent of people 55 or older drinking it daily, a habit shared by just 50 percent of the 18-34 crowd. Women drink a little more than men: Sixty-six percent of women report having one or more cups per day, while 62 percent of men say the same. And Caucasians drink more than African-Americans—67 percent to 59 percent.

November Is...

Military Family Appreciation Month. Throughout November, military families serving around the world are honored through a variety of observances and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

National Epilepsy Awareness Month. The Epilepsy Foundation estimates that 65 million people around the world, and 2 million in the U.S., have epilepsy—a neurological condition in which disturbances in the electrical activity of the brain cause seizures. National Epilepsy Awareness Month seeks to break down barriers stopping people with epilepsy from reaching their fullest potential.

National Peanut Butter Lover's Month. Celebrate your love of peanut butter this month by sharing these facts with your friends: One 12-ounce jar of peanut butter contains about 540 peanuts; one acre of peanuts can produce enough peanut butter for 30,000 sandwiches; and peanuts contribute more than \$4 billion to the U.S. economy every year.

Native American Heritage Month. Beginning as a single day of recognition for the contributions the first Americans have made to the establishment and growth of the U.S., Native American Heritage Month was designated in 1990 by President George H. W. Bush.

Week to Week in November

National Animal Shelter Appreciation Week, Nov. 2-8. Approximately 3,500 animal shelters across the United States serve the estimated 6-8 million homeless animals in need of refuge each year. Show them some love and support.

National Hunger & Homelessness Awareness Week, Nov. 14-22. Held each year the week before Thanksgiving to give Americans a time to show compassion for people experiencing hunger and homelessness.

Geography Awareness Week, Nov. 15-21. Spatial thinking through maps is one of the most important skills that students can develop as they learn geography, Earth and environmental sciences, and so much more. Celebrate and explore the power of maps!

American Education Week, Nov. 16-20. Take this opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education.
