## President's Report

By Ray Lamoureux

All is quiet in Golden Acres from the last report from the office. The park is planning a fourth of July cookout. We still have 79 residences living in Golden Acres year around. That a slight increase over past years.

The fencing repairs on fourth street fence have not been completed as of this writing. I hope to have it completed in the near future. The fence repairs are due to tree removals and to box in other trees so the fence will be continuous.

The water bill from May is still improving over the same time frame as last year. We have had just one water leak in the last couple of months. Robert keeps an eye out for water leaks and tries to make sure they are fixed as soon as possible.

We still have only one unit left for sale as of this writing. There are a couple of units that are in probate but we don't know at this time what their status will be after the probate is completed. Two new manufactured homes are going in over the summer. It is good to see new units replacing some of the old ones that are in bad shape.

We contacted an engineer in the state about our flooding issue on Third Avenue. He informed us that we have to hire an engineer first before he would look at our problem with the flooding. So everything is on hold till the board can decide our next move.

The board hopes everyone made it home safe.

Happy Canada Day on July 1st to all our Canadian Counterparts! Happy Independence Day on July 4th to all our USA residents! I hope everyone is enjoying their summer. Things are quiet here at Golden Acres, but we're looking forward to our annual Summer Picnic to be held at the Clubhouse on July 1st, after all July is National Picnic Month!

Fraser Muir provided a very interesting article on the 70th Anniversary of the liberation of the Netherlands. Hats off to Fraser!

There is also an article from Pinellas County regarding the household / electronics / chemicals mobile collection that will be held monthly. We will no longer have to search for a drop-off location.

I am very impressed and excited about all of the Summer Activities that are scheduled for the summer months. Read all about them in this issue of the Newsletter!

The month of July is named to honor Julius Caesar during the Julian Calendar reform. It is considered the warmest month of the year in the Northern Hemisphere. July's birth flowers are the Larkspur or the Water Lily. The birthstone is ruby which symbolizes contentment.

Have a joyous and plentiful summer wherever your journey takes you.

Until next time,  
May God bless and keep you well and safe...

## Notes from the Office

*By Jo Ellen Bryant*

---

Summer Time is here at Golden Acres. It's mildly hot at 89 degrees before noon (but just wait until August when we can say "bloody hot"), and almost every afternoon we have those heavy showers which keep our trees and shrubs looking green. It plays havoc on driving, but usually one can wait it out.

Things have been going very smoothly, it's actually a bit scary. It's June and we've only had one minor water leak, vendors are actually checking in at the office, and visitors too. The pool really needs some company and is extremely quiet. Perhaps late evening there is some activity. Don't forget, it's a great way to cool off and get some exercise!

Sue and I are working on the Directory to be distributed when you return to the park in the fall and early 2016.

Our mowing service is here promptly on Wednesdays, and I've not heard of a single complaint, in fact only compliments. They are aware, courteous, and are doing a great job.

Our summertime coffee hour has a nice following and have a picnic planned for July 1st. Sign-up is requested in the clubhouse.

This is an organizational period at the office, updating forms, cleaning out old files, and still meeting folks who want to see the park or rent. If you are not able to be here in the winter do consider renting as an option. There is a form on our web site for you and your renter to sign. You then mail it to the office. We have a list of folks who would love to be here in the winter just waiting for a place.

Our credit check for Canadians has changed. Our current Tenant Check Company now does Canadian Credit checks, so any new buyers will fill out our credit form just as those in the US do.

We would like to recognize and thank Ron Porter (Lot 80) for keeping such an updated and well organized inventory list for the workshop. This is done every year so that we can keep track of all the items in the shop and also determine what needs replacement or repair. Currently there are several missing items, and if you should know of their whereabouts or have borrowed these items, kindly return them to the workshop. Missing items: file, 2ft level, pry bar, step stool.

Did you all know that there is a fabulous Armed Forces Museum in Largo? It is an amazing place with exhibits from all the Military Services displayed with all the wars represented. You must visit it upon your return. Visit the web site: <http://armedforcesmuseum.com/> The Museum is an enormous warehouse in an unsuspecting location off Ulmerton Road. It's so big that during the summer they have a fun ride once a month through the facility for kids and adults. Check out the web site for their schedule. It's very well organized and a treat to visit.

Enjoy your summer, stay well, appreciate the company of your families and friends, and be safe on your vacations. We do miss those of you who are away, truly.

# Celebrating 70th Anniversary of the Liberation of the Netherlands

By Fraser Muir

I was one of the 60 Canadian Veterans of WW 2 that attended the 70th Anniversary of the Liberation of the Netherlands. We were flown over on a Royal Canadian Air Force Air Bus that requires anyone over 80 years old to have a Care Giver, so Joan came as mine. Our daughter, Sheona, made the trip as well. She recently purchased Unit #17 in Golden Acres.

We were treated like Royalty as the Dutch have never forgotten us Canadians who liberated them. We were there for 10 Days, took part in two parades, several Ceremonies, four Cemeteries, and two Concentration Camps.

## Hello GA Friends

By Roz Frabotta

**C**an it already be the end of May? Seems like just yesterday it was mid April. It doesn't seem possible that it's been six weeks since leaving "senior summer camp" and reentry into the real world!

It's been a busy six weeks at that! Of course, baseball season has been in full swing and there's nothing like taking in a ball game. In spite of the fact that my Tribe has gotten off to a horrible start! Had a great time at my first home game even though we lost. Hopefully, we'll have better outcomes on my future games.

## July Is...

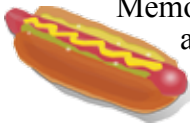

---

**Eye Injury Prevention Month.** Eye injuries occur at a rate of more than 2,000 per day, with an estimated 1,000 eye injuries occurring in American workplaces alone. In addition to wearing proper safety eyewear, early detection and treatment of eye conditions and diseases are essential to maintaining good vision throughout your life.

**Independent Retailer Month.** Celebrate independent retailers across the country. Support and shop independent merchants all through the year, and use July as a time to unite for the independent retailers in local communities that help build our economy.

**National Hot Dog Month.** What better month to enjoy a delicious hot dog? The National Hot Dog and Sausage Council estimates that Americans eat over 7 billion hot dogs between Memorial Day and Labor Day, with 150 million consumed on the Fourth of July alone. Do your part.

**Parks and Recreation Month.** This year marks 30 years of Parks and Recreation Month, highlighting the enduring importance of parks and recreation for the world. From the start, parks were created to give us a place to appreciate nature, exercise, socialize, and have fun—a mission that lives on into the future.

## July Daily News...

---

**World UFO Day, July 2.** Have you had a close encounter? Spread the word on this day that explores the unexplained.

**Independence Day, July 4.** The United States declared its independence from Great Britain on this day in 1776.

**Global Forgiveness Day, July 7.** “To forgive is to offer opportunity for a new beginning to the offender, and provides a process of healing for the victim.”

**Shark Awareness Day, July 14.** As much as we enjoy being frightened by this predator of the sea, remember that the shark has a key role to play in keeping marine ecosystems in balance.

**World Ranger Day, July 31.** Sponsored by the International Ranger Federation to commemorate rangers killed or injured in the line of duty and to celebrate the work rangers do to protect wildlife around the world.

## ATTENTION RESIDENTS!

Did you know this Emporium/Classified listing reaches over 21,000 homes in Pinellas County? It goes into 60 community newsletters (just like this one) from Dunedin to St. Petersburg. This is a great market to sell items, advertise your next event, try and get help for a function, and many other great things. Remember to think about this the next time you're planning something.

Thanks!
