# President's Report

By Ray Lamoureux

Spring is almost here as of this newsletter. It is only a couple of weeks away and it is time to start thinking about heading north for the summer. The winter was one of the mildest we have seen in years. Are we not lucky that we had no freezing temperatures and snow to deal with over the winter?

The park is looking great with a lot of units having work done over the winter. Everyone works very hard to keep this park looking great, the board thanks you for all your hard work.

We have no places for sale as of this writing. The ones we had for sale went so fast that the office did not know till after there was a buyer. All money in the sales is sent to the lawyer to be settled at closing. The good faith deposit should be sent also to the lawyer. It should be held by the seller. The buyer should make out the check to the lawyer and all money will be held in escrow.

The oak trees will be trimmed in the near future. We are also planning on purchasing five more palm trees for the park. We are looking at units that have no palm trees on either side of the unit first to plant these trees.

The front of the office we are having trouble to keep plants growing. They don't last because of the soil in that area. The beatification committee has come up with another idea for the area and will have it redone in the near future.

The board has purchased new cooking pots for the kitchen and replaced the window in the front of the kitchen. We had problems with the drains in the clubhouse and hope they are fixed after the last flood.

The rear fence and gate are in full operation from the last accident we had with the car. It took a long time to get everything right again but it is working ok now.

The office is on the last phase of updating and getting the new phone books completed. Karin has been working hard to get the numbers correct for the new book. If you did not get your new number in it is too late by this writing.

The board hopes that everyone travelling back north has a safe trip and we will see you come fall.

### Happy Easter!

Well spring is finally here, although at Golden Acres we had a very mild winter and a very busy one as well. There were so many exciting events that occurred these winter months that we will need a break just to rest up before next season is upon us.

Many thanks to all of you that provided articles and pictures for this month's newsletter. Please keep the articles and pictures flowing every month in 2017. This month you will read articles about Progressive Cards, the O'Malley Family, Valentine's Dance, A Hole in One, The 50th Anniversary Celebration, Pool "Pops", GA Paddlers' Adventures, Can / Am, Recreation Report, a couple heartfelt thank you and some GA Trivia.

As April approaches, here are some notable events to remember:

April 1st: April Fool's Day.

April 16th: Easter Sunday.

April 17th: Easter Monday in Canada.

April 18th: Income Tax filing ends in the US.

April 22nd: Earth Day.

April 28th: Arbor Day.

Many snowbirds will be heading back to their summer homes this month with memories of happy times encountered with their winter friends at Golden Acres. If you are traveling this month, I wish you a safe journey arriving to your destination.

Until next time,

May God bless and keep you well and safe...

## Beautiful Unity

Quotes By Author Audre Lorde

---

"It is not our differences that divide us. It is our inability to recognize, accept, and celebrate those differences. In our work and in our living, we must recognize that difference is a reason for celebration and growth, rather than a reason for destruction".

I look forward to our next progressive cards – bring out your friends and have a fun filled evening.

## The O'Malley Family

*By Ann Stewart*

**M**r. and Mrs. O'Malley were a married couple. Then one day he left her. She decided to come to Golden Acres to look for him because she knew that there were many single women living here. Eventually she found him and they reunited. Now there is a baby! It appears that each March there is one more O'Malley to celebrate St. Patrick's Day.

## Valentine's Dance

*By Wayne & Moya Bettridge (Hosts)*

There were one hundred and eleven Romeo & Juliette's who danced and celebrated Valentine's together. We all enjoyed the entertainment, Chris and Sue, who call themselves "Tangent" This was the first time they played in our hall and were recommended by residents of Golden Acres who had heard them entertain at Nauti Nancy's.

Many thanks to all who helped with setting up and decorating the hall. Special thanks to Jim & Mary Stewart, Gil & Gail Callingham, & Cheryl Taylor for all their help and support.

Thanks also to Ann Stewart for donating one of the spot dance prizes.

We always look forward to getting together with our friends and neighbors here at Golden Acres.

## Hole in One

*By Cheryl Taylor*

On Feb 21, Carol Healey made her second hole in one at Countryway Golf Course. Witnessing her amazing shot on the 18th hole were Lynn Mickle, Cheryl Taylor and Rose West. The cheering and laughter could be heard for miles! The celebration continued in the clubhouse.

Congratulations, Carol!

## POOL POPS(icles)

By Nancy Baker

**W**e've renamed the Aquafit Class since the heater for the pool was broken down. Swimming in 75 degree water is definitely a challenge. That cool water transformed us into popsicles so we are now called the Pool Pops (short for popsicles). Nevertheless, everyone kept warm enough by working hard and staying in motion -- until the stretches at the end of class when we were too still. That's the first time they preferred getting out of the water rather than into the water! Here's a picture of our "Pool Pops" - thankfully in the sunshine enjoying our popsicles!!

## Interesting Golden Acres' Trivia

By Sue Bailey

Many residents would like to know where everyone is located when they aren't at Golden Acres. Unfortunately, if you are a full-time resident, you are a Floridian since we don't have any information on where you came from. Also the count is by unit number, not per individual occupant for a total of 224 units. As of the writing of this newsletter here it is (since it changes so rapidly).

# 50th Anniversary Celebration March 5, 2017

By Barb Cox & Theresa Quinn - Pics by Bob Mickle

**O**n a beautiful Sunday afternoon in Golden Acres, family, friends and visitors gathered to join in the festivities for seven couples that will be celebrating their 50th wedding anniversary in 2017 - David & Kathy Merriam, , Dennis & Jackie Cunningham, John & Barbara Kanney, John & Phyllis Cullen, Ed & Jean Morin, Frank & Linda St. Peter, and Rennie & Mary Wittenbols.

Everyone enjoyed the life histories of the celebrants as narrated by Mary Heffernan and all the couples danced to “May I Have This Dance for the Rest of My Life” sung by Carol Spinney who was accompanied on the piano by Belinda Sezbenski. Once again, Rita Syroteuk handmade all the place cards for this event. Everyone enjoyed the cupcakes (baked and decorated by Theresa Quinn).

Many thanks go out to all the volunteers that helped with this event – without them none of this would have materialized.

# The GA Paddle Club

By Gil & Gail Callingham

The G.A. Paddle Club has been very active taking cruises to:

Craig's Park in Spring Bayou in Tarpon Springs (Twice).

Walsingham Park in Largo.

Pop Stansell Park in Palm Harbor (twice) Once for a cruise to see it, and a second time from the park to an island for a picnic lunch on the beach.

Weedon Preserve in St. Petersburg.

To Caladesi Island from the Causeway.

John Sargent's Park on the Hillsborough River.

We have plans to cruise, " WEATHER PERMITTING", from:

Crystal Beach late afternoon to Sunset Beach, have supper and watch a sunset.

Down the Pithachuscotte River and other destinations.

Look on the bulletin board in the club house for dates, destinations, and times.

We are a club organized to enjoy cruises on the beautiful waterways of Florida in and around our area. The club is open to all GAers and guests. You do not have to have any experience in paddling, just a desire to learn.

Need to rent? We have had success in obtaining very good rental fees and services in the local areas. So just come out and join us in the fun.

The Admiral and the Rear Admiral.

## Can / Am 2017

*By Don Webb*

---

**O**ur annual Can / Am dinner and entertainment night was held on February 23, 2017 at our clubhouse. As usual, we had a sold out event.

Don Webb was Master of Ceremonies and he warmly welcomed the attendees and gave a message of thanks to our American friends for having us stay in their country and to be a part of this great community of Golden Acres.

The highlight of the evening was a telephone call from Lynn Perron wishing all the best for the evening. Thank you Lynn for your call. Over the past ten years, Lynn was in charge of the entertainment and unfortunately could not be here this year as her husband is not well. We pray for a speedy recovery so they can join us next year!

Thank you was expressed to our main organizer, Theresa Quinn, for ticket sales, the selection of chicken and preparation as well as ensuring that items were not forgotten.

Thanks go out to Frank St. Peter and Dick Donnelly for helping out in the kitchen.

The decorating committee and table setup was completed by Gary & Bev Collins, Frank & Linda St. Peter, Ray & Donna Outhouse, Mike & Barb Cox, Paul Cox (Mike's brother), and Mary Lou Webb.

Bob Mickle was Master of Ceremonies for the entertainment. Bob did a superior job in selecting scenes from past shows and compiling various skits for our show this year. The review of past years was really well received. Thank you, Bob, what a great job!

## Thank You for your Prayers

*By Roz Frabotta*

---

**T**hank you for all of your prayers and support for my sister, Vinny, prior to, during, and after her February open heart surgery. It was quite a lengthily (nine hours in the OR!) and involved procedure but a very successful one!

At this writing (one month after surgery) she is at home recouping slowly but steadily and I continue to remain with her in my Florence Nightingale role. We are anticipating the arrival of spring, especially in the weather department, so we can get outside for some sunshine therapy!!!

Miss all of you and look forward to seeing everyone again next season!

**Thank You!**

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

# Recreation Report

By Ron Short

Our busy winter vacation months are rapidly coming to a closed season with many snowbirds preparing for the trip north.

Last November brought us the American Pot Luck Dinner and the Early Bird Dance.

December brought us our December Pot Luck Dinner, Christmas Pot Luck Dinner and our New Years Eve Dance.

January commenced with Line Dancing, Ball Room Dancing, Aqua Fit, Bingo, Indoor Exercises, and the Welcome Back Snow Bird Dance. Along with our first morning Pancake/bacon breakfast, Progressive Cards, Soup Pot Luck dinner and a Sock Hop Dance.

February brought us the Super Bowl, Valentine's Dance, another Breakfast and Can-Am.

March brought us another Pot Luck Dinner, 50th Anniversary Celebration, our Penny/Craft/Bake Sale, the St-Patrick's Dance, another Pancake/bacon breakfast, the Volunteer Appreciation Afternoon, and the Spring Fling Dance.

And of course the Easter Pot Luck Dinner is on April 16, 2017.

Next year we will be combining the Welcome Back Snow Bird Dance with the Sock Hop Dance. We are trying to have one dance per month with the exception of March . (St. Patrick's Dance and the Spring Fling Dance).

Your Recreation Committee has had a very busy year and we are already looking forward to next year. Some changes have occurred with the committee and we are very saddened to see Wayne Bettridge, Theresa Quinn, and Barb Cox step down. These three have done an insurmountable amount of work for you residents and we thank them from the bottom of our hearts for everything that they have done over the years.

Stepping up to the plate for a two year term are Sue Toner, Barb Pylinski, and Maureen Shannon. We welcome these three with open arms and are looking forward to working with them.

Please remember ladies and gentlemen, recreational functions can only survive with volunteers and we welcome every resident in our beautiful park to please offer to help out. Your recreation committee thanks every volunteer who has helped out this year in one way or another and asks that you please continue.

In closing, Nancy and I would like to wish you all a safe and healthy summer and looking forward to seeing you all back here in the fall or early winter.

## Greetings from the Office

By Karin Desmone

Please welcome new residents Leigh & Anita Herington Unit #83 and Tod & Heather Blanchard, Unit #117. May their new address give them lots of happiness, peace and enjoyment.

Many will be returning to their summer addresses this month and next. Please don't forget to sign out either in the library or the office. I do use these sign out sheets to communicate with PMI so mailings get to the address that you are currently residing in.

Also, if you are allowing someone to park their car in your driveway while you are away. The office will need a note with your name and unit number, and the person's name and unit number that you are allowing to park there.

*"HAPPY SPRING AND SUMMER"* to all. May the spring and summer warm your heart and home with lots of happiness and all the joy of life!! See you in the Fall.

## Soldiers to Remember

Please take a moment to offer a prayer of thanks and remembrance to all those who help to protect our way of life. Keep them in your prayers until they return safely to their loved ones.

Jim Beulow (Navy Seal) friend of Ray and Mina Krumsieg, Lot #60.

Joshua L. Buzzard (Army Ranger) Grandson of Ron and Marsha Baylor, Lot #196.

Adam Coburn (British Army) serving in Afghanistan, Nephew of Mildred and David Todd, Lot #2.

Sean Fitzpatrick (Company Commander US Army) Grandson of Judith Fitzpatrick, Lot #87.

Michael Gerathy (US Army) son-in-law of Debra and Steve Pollard, Lot #221.

John Grutzmacher (Master Sgt. USAF) Nephew of Ray and Mina Krumsieg, Lot #60.

Daniel Jones (US Navy) Grandson of Carol and Henry Diniz, Lot #25.

Matthew Jones (US Navy) Grandson of Carol and Henry Diniz, Lot #25.

"Scottie" – close friend of Mina and Ray Krumsieg, Lot #60.

Brian J. Stanfa (USAF) Grandson of Joe and Lois Stanfa, Lot #96.

Stanley Sweeny (US Army) Nephew of Ruth Marino, Lot #225.

John Wilson (PFC 1st Class USMC) Iraq – Grandson of Jean Key, Lot #138.

Ryan Wittenauer (PFC US Army) stationed in South Korea, Nephew of Karen and Bill Obermark, Lot #125.

So that we might get to know these courageous soldiers better, I would like to add their pictures to this section. Please forward any photos to Sue Bailey [suebail@tampabay.rr.com](mailto:suebail@tampabay.rr.com)

## Exploring the mysteries of an ancient codex

**B**ritish and Dutch scientists have used high-tech imaging to uncover the secrets of an ancient Mexican manuscript, the eScience News website reports. The manuscript, known as the Codex Seiden, is a strip of deer hide five meters long that's been covered with gesso (a white plaster composed of gypsum and chalk) and folded according to style to make a document 20 pages long.

It dates back to approximately 1560, and was found in what's now known as the Oaxaca region of Mexico. Like other codices from that area and others, the Codex Seiden uses brightly-colored symbols to record history: wars, genealogy, and cultural information.

One intriguing discovery: The high-tech imaging found the image of an individual represented by a glyph of a twisted cord and a flint knife. The man or woman resembles a character found in other codices, and may be an important ancestor of two families connected to other archeological sites in Mexico.

## Collision course

**A** huge space cloud is on a collision course with our galaxy, but don't panic—it's not expected to reach us for another 30 million years. According to NASA's Science Mission Directorate website, Smith's cloud, as it's known, is composed of enough gas to create two million stars the size of our size, and is orbiting the Milky Way at 700,000 mph.

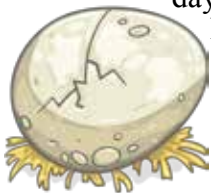

The collision won't have much impact for anyone still around, as the cloud is much smaller than our galaxy, but scientists are watching it closely anyway, seeking explanations for its origin as well as other secrets of the universe.

## Big dinosaurs, big eggs, and hatching times

**H**ow long did dinosaur eggs take to hatch? Paleontologists know very little about dinosaur embryology, but with CT scanners and high-resolution microscopy, they're finding out more.

The SciNews website reports on a recent find: Non-avian dinosaurs likely took longer to hatch than their feathered counterparts, much as modern reptiles hatch at a later age than today's birds. Scientists looked at the fossilized remains of two dinosaur embryos, looking at the formation of their teeth. Analyzing growth lines, they were able to determine that one dinosaur had died at three months, and the other at six months.

The difference in hatching times may have had an impact on the large dinosaurs' eventual demise. Because they require more food and other resources to live to adult size, larger reptiles were likely more vulnerable than smaller animals (amphibians, birds, and other mammals) to an extinction event.

## Did you know that April is also...

**ASPCA Month.** The American Society for the Prevention of Cruelty to Animals was the first humane society established in North America, and today it's one of the largest in the world. The ASPCA's mission, as stated by founder Henry Bergh in 1866, is "to provide effective means for the prevention of cruelty to animals throughout the United States."

**Global Child Nutrition Month.** Sponsored by the Global Child Nutrition Foundation, whose mission is to expand opportunities for the world's children to receive adequate nutrition for learning and help them achieve their potential. "We envision a future where school meals sustainably nourish all children and help them, their families, communities, and nations to thrive," reads its vision statement.

**National Autism Awareness Month.** Launched by the Autism Society nearly a quarter-century ago, this event is a nationwide effort to promote autism awareness, inclusion and self-determination for all, and assure that each person with autism spectrum disorder is provided the opportunity to achieve the highest possible quality of life.

**National Kite Month.** Every year in April, kite enthusiasts across North America celebrate the history and the future of the world's favorite pastime by letting their kites fly. April was chosen as National Kite Month because as the first month in spring, it's when most kite fliers are starting to bring their kites out of the closet and prepare for warm weather and summer fun.

**National Youth Violence Prevention Week, April 3-7.** A campaign to raise awareness and educate students, teachers, school administrators, counselors, school resource officers, school staff, parents, and the public on effective ways to prevent or reduce youth violence.

**National Robotics Week, April 8-16.** The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology affects society, advocate for increased funding for robotics technology research and development, and inspire students of all ages to pursue careers in robotics and other science, technology, engineering, and math-related fields.

**Animal Care and Control Appreciation Week, April 9-15.** A week of appreciation and recognition for the hard-working men and women who risk their lives and devote huge amounts of personal time and resources while serving the public as well as animals in need.

**Money Smart Week, April 22-29.** Money Smart Week began as a coordinated effort of the Money Smart Advisory Council, a diverse group of more than 40 Chicago-area organizations working together to promote personal financial literacy.
