President's Report

By Ray Lamoureux

The snowbirds are back in Golden Acres for the winter season. The park is nearly full with only a few coaches still empty. The weather has been hotter than normal for this time of year. It has been really hot playing golf over the last month.

The palm trees were trimmed last week and they are looking a lot better and not hanging down to the side walk. We will be trying to get them done sooner next year and scheduled a date to trim them with the lawn service. He is so busy this time of year trimming for his other customers we had to wait for an open date for him to do ours.

A board meeting was conducted last week to discuss some of the pending issues that need to be addressed. Two board members are assigned to review the rules and regulations for the park. Some of the rules that are not clear enough need to be rewritten to make them better understood. Also things have changed in the park since they were last looked at in 2008. The committee will be made up of two board members one former board member and two residents. If you would like to be on this committee please submit your name in writing to the office.

We also talked about parking for events at clubhouse. The walkways into the clubhouse entrances have been blocked by parked cars. We will be having temporary no parking signs on either side of the clubhouse walkways during the events. Also a permanent sign of no parking any time will be installed by the fence near the bank to keep the road open for emergency vehicles.

February 10th is election of board members. There will be two positions up for election. You will be receiving a form in the mail if you would like to run for one of these positions. The position is for a three year term.

As of this writing we have only one unit up for sale. Most of the time the units that go up for sale have a buyer before they reach the office. We have at least five calls in the office each week for people looking to buy in our park.

From the Editor's Desk

By Sue Bailey, suebail@tampabay.rr.com

December, the last month of 2015, where did the time go? I want to take this opportunity to thank all of you who provided me articles and pictures for the monthly newsletter for 2015. It wouldn't have been much of a newsletter without your articles and I hope you continue in 2016!

Within this newsletter are articles and pictures from some of our residents and announcements for upcoming events in December. Our GA calendar is filling up but wait until January! Roz Frabotta (unit 94) has had a very busy summer and I am so pleased that she agreed to share it with us. We also have a new community association manager, Paul M. Reardon, appointed by Progressive Management, Inc. which you will read about in this newsletter.

December comes from the Latin word Decem (meaning ten) because in ancient Rome December was the tenth month of the year. Although it's now the twelfth month, it retained its original name. The birthstones of December are turquoise, zircon, and tanzanite.. In ancient lore, the turquoise has been esteemed as a holy stone, a bringer of good fortune. The zircon was said to aid sleep, bring prosperity, and promote honor and wisdom in its owner. Tanzanite is thought to inspire compassion and to encourage calmness. The flowers are the narcissus which embodies the idea that you want your beloved to stay just the way they are and holly which symbolizes your wish for domestic happiness.

Some important dates to remember in December include: Tuesday, December 22nd is the Winter Solstice, marking the beginning of winter and the shortest day of the year. Friday, December 25th is Christmas, the biggest holiday of the year. Saturday, December 26th is Boxing Day, celebrated in Canada. December 31st, New Year's Eve, is when all of the fun and festivities start for ringing in the New Year.

I wish you a very Merry Christmas and a Happy Holiday Season.

Until next time,

May God bless and keep you well and safe...

Happy Holidays!

Notes from the Office

By Jo Ellen Bryant

There are several reminders to all residents.

Your payments to PMI must be mailed by you. Please do not drop them off to the office, we stopped this policy about 7 years ago. You are responsible for getting it there on time, not us. Of course, there are exceptions when starting up with auto-debit.

Please let the office know in advance that you are renting your coach by filling out one of our simple forms. We need to know names and dates of arrival and departure. The forms are in the lobby of the office and on our web site.

Before you request a new shop key, please check to see if you possibly still have yours. It would be helpful to us, rather than continuously making new keys. Don't forget to sign the waiver yearly even if you still have your key.

Many of you may be cleaning out or doing remodeling. The City of Dunedin has an excellent service of providing dumpsters of several sizes. Simply call the office and we will request the dumpster for you, and you pay Golden Acres the fee. A two (2) yard dumpster (3 X 3 X 6) is \$50.64. If you have one or two large items of which you need to dispose, the city will pick these up as well. The office makes the arrangement and is usually the same day service. (cost \$15.82 for one large item) (No TV pickup) Best Buy will take these if you can take the item to the store.

Thank you all for signing into the office and clubhouse. PLEASE put your departure date even if you are not certain it can be an estimate. This information is for PMI so when they do their mailings, they know to which address they should be sending your mail.

Lost and Found items: Please bring them to the office.

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

Welcome New Residents Mark & Linda Johnson (Unit 174)

By Jo Ellen Bryant

The enthusiasm and excitement exude from this lovely young couple from Duluth, MN, in fact we had to recheck their birth dates to be certain they were old enough to live here! Both Linda (Lin) and Mark have been chomping at the bit for years waiting for their retirement, particularly Mark.

Minnesota is a far piece from Florida with the cold winds, below freezing temperatures, and deep snow, but Mark's parents retired here over 30 years ago to Golden Crest, and are still here at 85!! Naturally their son and daughter-in-law have been down many times over the years and are very familiar with this area. A brother of Mark's also resides in Dunedin. It was only a matter of time that Mark and Lin moved here. It was perfect timing as the Richard's unit was up for sale, Lin was on the phone jumping at the chance to own a place in Golden Acres. Serendipity works in magical ways.

Both were high school and college sweethearts, and have been married 38 years. You can see the Ying and Yang of a sweet relationship as they reveal their history and lives. Mark loves the fishing in the cold Pequaywan Lake behind their home in Duluth, and Lin likes to curl up with a good book, in fact, many books. They have enjoyed all the cold weather sports of snowmobiling and skiing, and of course cheering for the Vikings. In fact the so called "wood ticks" have a nice life living 175 miles north of Minnesota.

Their town of 100,000 supported the community with livelihoods at the University of Minnesota Duluth, and the Hospital community. Mark, after spending his college years on a full basketball scholarship settled down to marriage with his lovely bride. His sales and managerial skills paid off working in sales in several capacities. First RJ Reynold's, and then in pharmaceuticals and lastly retiring from a sales manager of a Building Company the end of June.

Linda is the perfect people person with her bright smile and energetic disposition. Her career along with raising their son, scanned working in Savings and Loan Bank, Human Resources, and lastly Customer Service for a large paper mill company, Verso. She just retired in August! That's less than 60 days out of the retirement gate! No wonder she is grinning. She loves to read, do outdoor activities, bike, and play Bunco. They both claim they are rusty in the golf department but willing to give it a try. *I think I saw Marks's clubs on the purple porch.*

NO MORE CABIN FEVER, as they plan to enjoy the warm winters in Florida compared to the freezing cold ones of Minnesota, and explore the area and enjoy all the nice happenings in and around Dunedin. They look forward to making new friends, and when they are not busy, they plan on doing the "fixing up" thing to their coach. A bit of remodeling and updating and planting will keep them busy for a while. Please welcome these lovely Minnesotans into our park. You'll be able to recognize them right away, with short sleeves, and big smiles.

Checking In - Catching Up

By Roz Frabotta

Hello, friends!

I trust you are (or will soon be) soaking up the Florida sunshine. I hope all is well with you and you are ready for a sunny, warm, fun winter. I just saw the GA November Newsletter and it looks like the snowbirds are flocking back to the park and the activity level is ramping up as well and "Senior Summer Camp" is back in business!!

Fortunately, the whirlwind pace of my fall is finally slowing down. It's been a lot of fun, but I'm looking forward to my Florida time for a break!! I've pretty much been on the go since Labor Day: football weekend in South Bend for ND-Texas game, Italy trip, Colorado trip, another wedding this weekend, retirement party coming up, and other events sprinkled in between!!

The Italy trip was FABULOUS! My sister, cousins, and I had an unbelievable time! I could not believe we were in the midst of such beauty and history. We had wonderful accommodations, the food was incredibly delicious, and we met some really delightful and fun people as well. I have a few "sneak peak" pictures, but I also have a ton of pictures to share with you when I

get there--if you'd like to see them.

I barely had enough time at home to get my days and nights straightened out before leaving for Colorado for my friend's daughter's wedding. More breathtaking country and sightseeing sandwiched in between wedding festivities!

In between all of my travels, I've been very busy with all of my hospice work. It's almost morphed into a "job" because I've been putting in a lot of hours in various areas, although I mostly continue with my patient

care at our inpatient "house" (which is my first love and greatest passion), but I LOVE all of my volunteering so much that I hardly consider it to be "work." I've continued with the volunteer education (training) classes--this week I did a videotape session, and I have one more "live" class right before I head to FL. Two weeks ago I was invited to be the volunteer representative at a meeting at our "house" with our U.S. Senator. And I also now participate in volunteer recruitment, which involves community events/speaking engagements and I'm in "training" to work with creating and/or presenting a new legacy program that will begin in November before thanksgiving--it's a pretty cool online opportunity for writing/video recording/photo-journaling stories and events for patients' to leave as legacies for their families.

I was very humbled to be nominated for "volunteer of the year" by my hospice. We don't have such an award within our own organization, but this nomination would have been for the Greater Cleveland Volunteers, which is a "generic" organization that recruits volunteers for a variety of Cleveland area nonprofits, one of which is our hospice. I didn't expect to win (and I didn't) but just to be nominated was quite an honor!

Stay well-- See you SOON!!

Shuffleboard

By Norm Sanford

Some time at the end of last season was spent saying our final goodbyes to our teammates and friends. Now shuffleboard will continue with a new season and a full calendar of events.

FUN SHUFFLE: Will be on Tuesdays at noon. This is open to all residents of the park. It promises to be a fun event. Your host this season is Charlie Nadjiwon.

SHUFFLE TEAM: The home games are at noon. We have seven B-teams in the league. We are always looking for new players that like a little competition. We will help you learn this sport.

TEAM PRACTICES: Will be held on Fridays at noon. All team members should be available for practices. CHARLIE NADJIWON and GENE BINETTE will be the team captains.

UNDER THE STARS: Will be held on Wednesday nights at 7 pm. If the lights are on and the weather good. This is a fun event to come and have a game with your friends and test your skill level. We encourage you to share this time with your spouse. The club house will be available for refreshments and conversation.

SHUFFLE FUN NIGHT : This event will be held late in January. Get your tickets early since last year we sold out. This is a lot of fun so do not miss the event. PS: the food will be great, the ponies will be ready to run and I hope you pick the right one. Hope to see you there.

Halloween Potluck

By Joe & Paula Bunevith

Well Halloween came to Golden Acres, a Sumo Wrestler, Fred Flintstone, The Day of the Dead, a Witch, Pirates, a Ghost, a Doctor, and a Kitty Cat came to visit us. There were Halloween decorations throughout the hall and as usual plenty of food, the approximately 45 residents had a great evening of friendship and fun. Leftovers were put into take out containers and distributed to some of the residents who couldn't make the potluck. All in All it was a great evening.

NEA: Fewer Americans enjoy the arts in person

When was the last time you went to the symphony, the ballet, or a museum? A National Endowment for the Arts study points to a disturbing trend: The number of Americans attending core arts events like the opera, the theater, and other activities is on the decline.

According to “A Decade of Arts Engagement: Findings From the Survey of Public Participation in the Arts, 2002–2012,” only 33.4 percent of U.S. adults attended any arts events between July 2011 and July 2012—down from 34.6 percent in 2008, and down yet again from a decade earlier when the figure was 39.4 percent.

One bright spot in the report: Although only a third of U.S. adults attended a cultural event in person, 71 percent said they had watched, listened to, or downloaded some kind of artistic event via the Internet. That includes streaming pop music, however, lumping Beethoven in with Nicki Minaj.

Americans upbeat about science

Despite controversies and disagreements about climate change, genetically modified foods, animal testing, and other scientific issues, most U.S. citizens have a positive view of science and scientists, according to a study from the Pew Research Center.

The study found that 79 percent of U.S. adults believe science has made their lives better, and a majority of them have a positive view of science’s impact on such matters as food quality, health care, and the environment. Additionally, 61 percent believe that government investment is essential to scientific progress, although 34 percent say that private investment would be sufficient.

The effort to understand the universe is one of the very few things that lifts human life a little above the level of farce, and gives it some of the grace of tragedy.

Did you know that December is also...

Buckwheat Month. Buckwheat has been providing essential nutrients, vitamins, energy, and fiber to humanity for approximately 8,000 years. It contains higher levels of zinc, copper, and manganese than other cereal grains, as well as high levels of zinc, copper, and potassium. From pancakes to soba noodles to blintzes, try adding some more buckwheat to your diet.

National Impaired Driving Prevention Month. The month of December is one of the busiest on the nation's roadways, and also one of the most dangerous. Sponsored by Mothers Against Drunk Driving, this month-long event seeks to raise awareness about the consequences of driving under the influence of alcohol and drugs.

National Safe Toys and Gifts Month. Keep your family safe during the holidays by buying only toys you can trust. Remember to immediately discard plastic wrapping or other packaging before they become dangerous playthings, and keep toys appropriate for older children away from younger siblings.

Universal Human Rights Month. A commemoration of the Universal Declaration of Human Rights, adopted by the General Assembly of the United Nations on Dec. 10, 1948. The need for this document grew out of the human tragedy of World War II and represents the first global expression of human rights.

National Handwashing Awareness Week, Dec. 6-12. Fight disease during the winter and all year long by remembering these principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough or sneeze into your hands; and don't put your fingers into your eyes, nose, or mouth.

Hanukkah, Dec. 6-14. Beginning at sundown, this eight-day festival in the Jewish faith celebrates the triumph of light over darkness and the rededication of the Holy Temple (the Second Temple) in Jerusalem.

Computer Science Education Week, Dec. 7-13. Computer science opens doors for students. Learning even the basics will help in virtually any career. Just as we teach schoolchildren how electricity works, every 21st-century student should have a chance to learn what computers do and how they do it.

Kwanzaa, Dec. 26-Jan. 1. A celebration honoring African heritage and African-American culture, culminating in a feast and gift-giving. Created by Maulana Karenga, Kwanzaa was first celebrated in 1966-67.
