President's Report

By Ray Lamoureux

The holidays are over and all the people that went home are returning to Golden Acres. They are returning at the right time as it is getting cold up north this time of the year.

We have elections for the board of directors on February 10th. We will have met the candidates after coffee on January 27th. We have four candidates running for two positions. The ballots with the resumes will be mailed out in a week. It good to see people interested on how our community is run.

The committee for changes to the rules and regulations will be meeting to discuss the proposed updates and to make some of the present rules easier to understand. We have some rules with a lot of grey areas in them. We want them to be clearer to understand also to bring them up-to-date with the changing times of our community.

We will be starting inspections of each unit in the park. We want to get them done before the end of January to give anyone who receives a letter ample time to complete the violation before they head home for the summer.

We are also going to complete phase two of the water survey. We will be checking all units for internal leaks. We will not have to go into any units to do this as the gage to test for leaks will be on the outside of the unit. The leaks we find we will send out letters informing the owners of the problem and asking when it will be repaired.

The floor in the clubhouse will be cleaned and waxed on Sunday February 21st. The clubhouse will be closed all day Sunday till noontime Monday February 22nd.

The annual board picnic will be held at the clubhouse on March 21st at noontime. We will have a tent set up on First Street with tables and chairs so the clubhouse will not be as congested as it has been in the past two years. The turnout seems to be larger when held at our clubhouse rather than at the park.

From the Editor's Desk

By Sue Bailey - suebail@tampabay.rr.com

HAPPY VALENTINES DAY! 2016 is also a Leap Year, so we have 29 days this month. February finally sees many of us getting our first breath of fresh air. The hustle-bustle of the holidays are behind us, and the pressure of New Year's resolutions is either included in healthy habits or dropped by the wayside, depending on whether we have kept our resolutions or not.

Some notable holidays in February include Groundhog Day on February 2nd, Valentine's Day on the 14th, and Presidents Day in the USA / Family Day in Canada on the 15th.

The word February comes from the Latin word Februarius, from Latin februare meaning to "purify" or "expiate." In ancient Rome, Februarius was the "Month of Purification" and great festivities were held to reestablish the empire's focus on righteous living.

The birthstone for February is amethyst, a purple quartz with a beautiful blend of violet and red. It is said that it keeps the wearer clear-headed and quick-witted. The birth flower is the violet. Violets will bloom in very cold weather. Seeing their bright petals pop up in the snow is a picture of hope, inspiration and promise. Spring is not far when the violets come to call. The Primrose is included in February birth flower because it's one of the first indications of the approaching of spring. Its name, primrose, is derived from the Latin primus meaning first. Primrose symbolism includes courage because it takes determination to blossom in the face of stark cold conditions. It also takes resourcefulness to be the first to come out in the open. Primrose symbolism also includes renewal, love and devotion.

Within this newsletter are articles and pictures from some of our residents; articles from past events such as Aqua Fit, Food and Toy Drives, Odd Ball Golf Tournament, Pinellas County Current Water Restrictions; and announcements for upcoming events in February.

Until next time,

May God bless and keep you well and safe...

Notes from the office

By Jo Ellen Bryant

The new and old faces that are coming through the revolving door at the office all have one thing in common. They are smiling. They are hugging old friends, reuniting with families, and are so happy to be away from the colder climates. They are also happy to be living the simplified life of more play than work. Just one look at our January schedule is enough to make any lounge lizard or couch potato get up and start doing stuff. I see a great deal from my office window too, bikers, walkers, swimmers, and travelers. Already things are bustling.

There is the steady stream of visitors and renters who are signing into the office. Thanks for remembering to do this; plus it gives me an opportunity to say hello to friends and acquaintances. If your away address has changed there is a form in our form- rack in the office for you to fill out. This will go to Progressive Management so they know how to direct your mail if you are not in the park.

When you all check into the office upon arrival and put your expected departure date, this information is sent to PMI. They especially like to know when you will be returning to the park as the fall is when our first mailings go out. Be certain to include this so we are not hunting you down to send you your mail. This is also when your payment books for those of you who are not on auto-pay are mailed for the New Year.

Our new phone directories should have been distributed by the time you read this Newsletter. We had many changes, name removals and owner edits. Naturally perfection is difficult to achieve with such a large database, but I feel Sue and I came very close. If you should happen to note an error please give it to us in writing and we shall begin our edits for the next edition 11 months from now. Having a new book in January is far more effective and useful, than having a new book in March. You must sign for your new book.

Thank you all for your most kind birthday wishes and Christmas offerings. I'm so fortunate with a wonderful group of Board members, as well as an impressive composition of talented and kind residents, each nicer than the next.

Don't forget to check out our web site to view photos. They look brighter and more colorful on the web site. If there is an event, send the photos to the office via email and I shall have them posted by our new Web Master Jill Day. There is room for lots of albums so don't be shy.

You cannot do a kindness too soon, for you never know how soon it will be too late.

~Ralph Waldo Emerson

Reminder from the office

By Jo Ellen Bryant

Please use your own trash barrels for trash. If you have extra debris you must obtain approval from your neighbors before using their trash containers. DO NOT use a person's trash containers or any of their facilities such as a driveway, lanai, or laundry machines without permission. The owners need to let the office know of this approval.

Recreation Report

By Ron Short

With the deflated Canadian dollar this year, it is certainly showing the effect on Canadian snowbirds and that is quite visible in the different events that our club hosts. Attendance keeps getting smaller but hopefully that will improve in the near future.

The end of January brought the closure of a very busy month with the Welcome Back Snowbird dance, the pancake breakfast, the pot luck supper, and the sock hop dance. Although attendance was very low, everyone who attended seemed to enjoy themselves.

February brings a leap year along with our monthly pot luck supper, our annual car port sale, Valentine dance, pancake / bacon breakfast and of course our annual Can-Am night hosted by Lynne Perron.

The recreation committee would like to thank Ed Richtmyer, Georgina Lamoureux and Nadine Templeton for their years of service on the committee and wish them well in their future endeavors.

At this time, the recreation committee would like to welcome new comers Bob Mickle and Donna Delf to our committee. It is a two year term and we are looking forward to working with them.

Also thanks to Gary & Bev Collins who are organizing a new card game called "5 Hand Pepper". It is played on February 13th, 20th, and 27th from 1 until 3 pm at the clubhouse. Everyone is welcome and will be shown how to play the game.

Till next month, take care as we care.

Food & Toy Drives

By Nancy Baker

Once again we've had very successful and generous food and toy drives. This year our food was donated to a new food bank, after a vote to keep our donations in Dunedin. This new organization can be found at 1620 Pinehurst Rd. They are open Tuesdays and Thursdays from 10 a.m. until noon if you wish to give on your own at a later date.

As Christmas is near and Santa needed a hand, our wonderfully generous neighbors placed fun toys under the Christmas tree in our clubhouse. These have been dutifully delivered to the Post Office and Marines who help Santa in distributing toys to children who will now have a wonderful and happy Christmas morning. A big THANK YOU to all who donated!!!

Christmas in Florida

By Cheryl & Lorne Taylor

Our grandchildren had a wonderful time spending Christmas in Florida! One of the highlights of their visit to Golden Acres was seeing Santa on 3rd street on Christmas Eve. He was riding a 3 wheeled bike! What a special treat! Thanks Santa. "

Carport Sales

By Ann Stewart

If you plan on having a carport sale at your coach on Saturday, February 13th, you must sign up on the bulletin board at the clubhouse. I will take care of getting the permit for the park.

Oddball Golf Tournament

By Bill Erickson, Joe Bunevith, Gil Callingham

Friday, Jan 1st, marked the 5th annual men's "ODDBALL" golf tournament. Once again it was held at Countryway Golf Club. Following the matchup of players and a short discussion of the rules, 17 men from Golden Acres were ready to tee off. The game was on.

Afterward everyone gathered in the clubhouse again to brag and discuss the day's awesome shots. As in years past, numerous orange balls were lost and found their way into the many water hazards along the course. One player asked why orange balls and not white? Answer: Anybody can play with white balls, it takes a real man to play 18 holes with a single marked orange ball.

This year the 1st place team was Frank St. Peter and Gordy Spafford. 2nd place was Ian Munro and Tom Healy. Closest to the pin on #7 was

Frank St. Peter and on #11 was Ed Richtmeyer. Congrats guys.

Thanks to all who participated. Remember Guys to mark the calendar for the 6th annual next "New Years Day".

What better way to bring in the New Year.

5 Hand Pepper Cards

By Bev & Gary Collins

Starting in February, come join us on Saturdays from 1 pm to 3 pm at the clubhouse for a fun card game called "5 Hand Pepper"! There is a sign-up sheet on the bulletin board. It's easy to learn and we will teach you. Hope to see you there.

Valentine's Day, love, and money

Money may not buy you love, but on Valentine's Day it can buy a lot of flowers, candy, and jewelry. Americans last year spent \$18.9 billion on Valentine's Day, with the average person paying \$142.93—\$96.63 on their spouse or significant other, and the rest going to gifts for family members, co-workers, teachers, and others.

Men spent more than women—an average of \$190.53, compared to \$96.58. Almost 52 percent of men bought candy for their partners, 61 percent went for flowers, and 21 percent splurged on jewelry.

The gift giving wasn't limited to people, either—21.2 percent bought something for their pets.

Up all night? Fight insomnia with this information

Approximately 6 percent of people in the U.S. suffer from insomnia and the negative effects it can have on health. If you can't fall asleep at night, these facts from the Live Science website may help:

- Keep a consistent schedule. If you can't get to sleep after a weekend, the reason may be that you've stayed up later for a couple of days. Stick to a consistent routine so you're rested on Monday morning.

- Sleeping pills aren't the answer. Specialists caution that medications don't cure insomnia and may increase other health problems.
- Hormones may play a role. Women are twice as likely to struggle with insomnia than men, studies show. Sleepless nights may be associated with women's menstrual cycles, as well as pregnancy, menopause, and other hormonal changes.

Nobody wants to fall into a safety net, because it means the structure in which they've been living is in a state of collapse and they have no choice but to tumble downwards. However, it beats the alternative.

Lawn Chemicals	Irrigation to water-in necessary lawn chemicals is not restricted when required by the manufacturer or when required by law. Chemical applications shall be watered during authorized watering hours. Watering-in shall be limited to one application of one-quarter inches within 24 hours of the application.
Hand-watering Lawns	Lawns may be <u>spot treated</u> by hand-watering isolated areas to provide uniform moisture content. This practice is a water-conserving means of compensating for difference in sun exposure, sprinkler coverage, and other site-specific factors.
Low-Volume Irrigation Devices	Landscape (groundcover other than lawn) may be irrigated on an as-needed basis without regard to the normally allowable watering days or times if Low- Volume Irrigation technology is used.
Irrigation System Testing & Repair	May be operated for maintenance and repair with an attendant on site in the area being tested – no more than once per week and one test should not exceed 10 minutes.
Vertical Mowing (Verticutting)	Extra watering of turfgrass may occur on any day of the week for a 14-day period after a vertical mowing procedure.
Wasteful & Unnecessary Use of Water	The following wasteful and unnecessary water uses are prohibited: <ul style="list-style-type: none">• Allowing water to flow from an unattended hose• Hand-watering a lawn on a restricted day or more than once a day, except when used for spot treatment• Hosing-down a driveway or solid surface when a dry method could be used• Hosing-down a structure when a dry method could be used• Allowing water to flow from a broken sprinkler head, outdoor faucet, malfunctioning plumbing or irrigation system after receiving verbal or written notice

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. We pay out \$400 every month to residents who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

What businesses would you like to see advertising?

We have spots available in the following categories:

The history of Black History Month

We owe much of our greater understanding of black history to Carter G. Woodson. Born to former slaves, Woodson worked hard and against the tide of prejudice to obtain his own education. In earning his doctorate from Harvard, Woodson was disturbed to find that during his studies, history books virtually ignored the black American population. So he decided to take on the challenge of writing black Americans into the history books.

He established the Association for the Study of Negro Life and History (now called the Association for the Study of Afro-American Life and History) in 1915, and a year later founded the widely respected Journal of Negro History. Then in 1926, he launched Negro History Week, the precursor to Black History Month, as an initiative to bring national attention to the contributions of black people throughout American history.

February was chosen as Black History Month for the significant events and people who figured prominently in black American history. For example:

- Feb. 23, 1868: Civil rights leader and co-founder of the NAACP, W.E.B. DuBois, was born.
- Feb. 3, 1870: The 15th Amendment was passed, granting blacks the right to vote.
- Feb. 25, 1870: The first black U.S. senator, Hiram R. Revels (1822-1901), took his oath of office.
- Feb. 12, 1909: The National Association for the Advancement of Colored People was founded by a group of concerned black and white citizens in New York City.
- Feb. 1, 1960: A group of black Greensboro, North Carolina, college students began a sit-in at a segregated Woolworth's lunch counter. The event marks a watershed moment in the civil-rights movement.

Valentine's Day doesn't have to break the bank

Looking for something to do with your sweetheart on Valentine's Day that's not too expensive? Try these ideas:

- Read a story together. Buy two copies of your favorite book or story (or borrow them from your library) and spend the evening discussing it. You may both learn things you didn't know about the story (and each other).
- Team up on a new recipe. Instead of going out to a restaurant, delve into your cookbooks and find a meal to collaborate on. Choose something different and challenging, and enjoy the results.
- Visit a museum. Your town probably has a museum (or two) that you've never been to. Or a landmark you haven't seen yet. Select someplace new and check it out together.
