President's Report

By Ray Lamoureux

The election of board members is on tomorrow and the newsletter has to be in today. I wish to thank all the four people that have placed their names on the ballot for showing interest in how our community is run. Without people stepping forward we would not be able to function as an association. I would like to thank Don Webb and Joe Lemon for their three years of service on the board of directors. We lost one of our board members last month. We as a board will miss him rest in peace Skip.

This is the time of the year we have a lot of projects going on in the park. We are looking at oak trees to trim and one big oak to be removed. Also looking at planting more palm trees to replace some of the holly trees removed.

We are still moving forward with our water project. We need to replace four of our isolation valves that are not working properly. We need to schedule time with the Plummer to get them changed. We also did a water survey on each unit and found some with leaks. We need to go back and check on the progress of fixing these leaks. The water bills are still dropping compared to the bills we received last year.

We did a sewer line survey on two sections of the park. They have tree roots in the pipe and will be removed as soon as the plumber can get to them. We will need to think about replacing this line in the near future. It will be a major project to get this done because of all the trees in the areas.

The inspection of each unit was completed last week. We need to do this inspection to keep our community looking great. The people that come into the office looking to buy say we are the best kept park around the area. We have very few units that go on the market for more than a month and we have a waiting list of preapproved buyers looking for certain types of units. If you get a letter on some problem please try to let us know at the office when it will be completed.

From the Editor's Desk

By Sue Bailey, suebail@tampabay.rr.com

I want to thank Jo Ellen for dedicating the new 2016-2017 Park Directory to me and the standing ovation from all of you at coffee hour on January 20th was very humbling indeed. I appreciate all of your support as I really enjoy being the editor of our monthly newsletter. Although there wouldn't be much of a newsletter without all of your wonderful articles and pictures. So thanks to everyone who has contributed articles and pictures to make this our Golden Acres' Monthly Newsletter. Our publisher, Monthly Media, also has a huge role in making this free publication available to all residents and I don't want to leave out the residents who deliver it door-to-door every month. Thank you Joe & Paula Bunevith and Marsha & Ron Baylor. The camaraderie I see and feel at Golden Acres is awesome!

Daylight Savings Time begins on the 13th, so don't forget to set your clocks ahead by one hour. Happy Saint Patrick's Day on the 17th and we are celebrating with a Saint Patrick's Day Dance! March 20th is the March Equinox and the first day of Spring (hoorah for Spring!). On the 25th is Good Friday and on the 27th we celebrate Easter and there will be an Easter Potluck Dinner at the clubhouse. There are many more activities scheduled for March, so check out the calendar of special events this month.

The ancient Romans insisted that all wars cease during the time of celebration between the old and new years. Since March was the first month of the new year in ancient Rome, some historians believe the Romans named March after Mars, the Roman god of war.

The birthstone of March is aquamarine, derived from the Latin word aqua, meaning water, and marina, meaning the sea. This gemstone was believed to protect sailors, as well as to guarantee a safe voyage. The serene color of aquamarine is said to cool the temper, allowing the wearer to remain calm and levelheaded. The second birthstone for March is bloodstone, a dark-green jasper flecked with vivid red spots of iron oxide. This ancient stone was used by the Babylonians to make seals and amulets and was believed to have healing powers — especially for blood disorders. It is sometimes called the martyr's stone as legend tells that it was created when drops of Christ's blood stained some jasper at the foot of the cross.

The birth flower of March is daffodil (also known as Jonquil or Narcissus), meaning spring, rebirth, domestic happiness, and vanity. The colors of the bloom include white, yellow and orange.

Within this newsletter are articles and pictures from some of our residents, including an article and picture from Fraser Muir who has been awarded a Knight of the National Order of the Legion of Honour, France's Highest National Order. Congratulations to Fraser for his involvement in the liberation of France during WWII! There are also articles from past events such as Welcome Back Snowbirds' Dance and Progressive Cards; and announcements for upcoming events in March such as St. Patrick's Dance, Dunedin Food Bank and GASP (you can read what this acronym means in this newsletter). It is with my deepest sympathy and sorrow to list so many people we have lost this past month.

Until next time,
May God bless and keep you well and safe...

Have you met the Obermark's (Unit 125)?

By Jo Ellen Bryant

When Bill and Karen purchased in 2013, every time I asked them to come chat so I could do an article on them, they were renovating the coach. Or they were in their grubby work clothes and didn't want a photo taken. Today I had the pleasure of finding them spiffed up and they agreed to let me do an article on them for our Monthly Newsletter. So, to those of you who have not yet had the pleasure of meeting this lovely interesting couple, you are missing out big-time. If you want Irish family history, NBA facts or Genealogy information you best pull up a chair because these folks can share a whole lot!

We can blame Ann Millburg (Lot 12) for her family belonging to the same parish as Bill's parents in St. Louis in 1967 for the ultimate discovery of Golden Acres. Both Bill and Karen were bred and grown up in St. Louis, Missouri. They each attended colleges in the St. Louis area; he attending Washington University, and she, St. Louis University.

When they met and married, as newlyweds in the 70's Bill wanted a frugal place for their honeymoon. He saw an ad for \$6 a night in a N. Miami Beach "hotel". Little did they know they were going to spend their honeymoon in a Jewish Retirement home during Passover! Love is a many splendid thing.

Bill has had a very extensive dedicated background in Social Work working the gamut of settings with teenagers, juvenile offenders, and senior adults in the later years of his career. His service started at Children's Hospital as the director of Social Work for 20 years, to working in a Rehabilitation Hospital, and eventually working with the Sisters of St. Mary's Health Care System with elders.

Karen's career moved rapidly in the direction of nursing and public health. She started out at St. John's School of Nursing for her Bachelor's spending 20 years working at Cardinal Glenn Hospital. Along the way she was one of 6 lucky students in one of the first Pediatric Nurse Practitioners Programs at St. Louis University, which now has become a national program. It started as a trial program, and continued to grow into a master's level program. The shortage of physicians in rural areas precipitated this program and it grew.

As if raising two children was not enough work while both had careers, Karen went back to school at 50 for her Master's in Public Health. She then moved into another phase of 20 years as a school nurse, which provided a more flexible job to meet the needs of her growing kids.

Not only were they skilled with the rehabilitation of people in their professions, but also in real life redoing homes and house. Bill, having had a basketball career he, follows the NBA touring. They enjoy the trail for biking & walking and our pool for swimming. Back home they love to antique and do road trips (which have included a few to Quebec, Hilton Head, and the Cape). Playing bridge, line dancing, aqua fit, and biking also fill their time. Karen had acquired the ancestry bug or gene, and has really gotten into it deep. Her face lights up and you can get excited yourself just listening to her and the depths to which she has explored her family and Bill's. Get your saliva tubes ready!

They are lovin' it here in Golden Aces, and now I truly know why it took 3 years to stop them for a minute to get an interview. They are really busy! If you've not had the chance, please do welcome them into our special community. They are already a wonderful contribution.

Directory Corrections

By Jo Ellen Bryant & Sue Bailey

Our apologies if your entry in the new 2016-2017 phone directory is incorrect. Please contact Jo Ellen at the office or Sue Bailey and we will note it and list it in the newsletter so everyone can correct it in their directory. If you have not received your new directory it is available for pickup at the office. Jo Ellen will be publishing an insert for the directories of those incorrectly listed. If you did not receive the insert for the directory, it is available for pickup at the office.

A great suggestion given to me was to also list in the newsletter the phone numbers of new Golden Acres residents and those who have changed their number so everyone can update their directories instead of waiting until the new directories are published.

Our apologies to Jim & Marcella Zweifel (Lot 223) and to Earl & JoAnne Zimmer (Lot 73) as the phone numbers are the same for both. Please correct your directory accordingly.

Correction for Jim & Marcella Zweifel as their correct phone number is 314-409-8052.

Recreation Report

By Ron Short

February welcomed a new member of our Recreation Committee and would like to thank Cheryl Taylor (Thunder Bay, ON) for stepping up to the plate to help us out.

Looking ahead to March, we have our Annual Strawberry Festival on March 6th (pending attendance) and our fantastic Penny Craft Bake sale (Mary & Rita) on March 12th. Then on the 15th of March is our St. Patrick's Dance (Hosts: Steve & Linda Swann) and then our monthly Pancake / Bacon Breakfast on Saturday March 19th (Gene and the boys) and on the 26th is our last Snow Bird and Resident Dance called "Farewell Spring Fling Dance" (Hosted by Ron & Nancy and Bob & Lynne). Then to close off the Season on Easter Sunday (March 27th) is our Easter Pot Luck Supper with the hams being supplied by your Recreation Association.

Thank you to all you park residents who have come forward to help out with cleaning of tables, coffee pots and putting away the coffee creamers / sugar bowls every Wednesday morning and the cleanup. It is greatly appreciated.

In closing, the Recreation Committee would like to offer their Condolences in the loss of Skip Delf who did so much over the years for our park and who will be greatly missed by all.

Till next month, take care as we care.

Fraser Muir Awarded

By Fraser Muir

Fraser Muir has recently been advised by the Government of France that he has been awarded a Knight of the National Order of the Legion of Honour for his involvement in the Liberation of France during World War II.

This is France's highest National Order and was created by Napoleon Bonaparte on May 19, 1802 as a general military and civil order of merit.

Although it took 70 years to happen Fraser was still honoured and pleased to receive this award. However, he added that he was saddened being the only member of his crew honoured with

this award, the other six members, as far as he knows have passed on.

Crew members, back row from the left:

John Brosko Bomb Aimer, Colbalt, ON.; Ken Thompson Wireless Op, England; Bob Engineer England; Jack Payne Navigator, Niagara Falls, ON.

Front Row: Fraser Muir Mid Upper Gunner, Westville, NS; Tommy Groves Pilot, Wetaskiwin AB; Blair MacSwain Tail Gunner, Alison, PEI.

Our crew flew a total of 36 Operations, over Germany and occupied territories, two of which were in France.

Progressive Cards

By Eleanor & Gerald Saunders

Even though progressive cards was competing with a football game on Saturday, January 16, 2016, we had a good turnout. Thank you to all who came out. The hall was filled with laughter and teasing as everyone tried to remember which way they were to move to the next table. Much confusion - see what summer does!!!!

We had 2 new players: Jane Fadzen (renter Lot 70) and Timmie Strader (Lot 129).

High score for the evening went to Dave Orman, while the door prize went to Bob Sheire.

Many thanks to the following: Janice Garvey for her help in the kitchen; Linda St. Peter, Charlie Nadjiwon, Sandy Tilley, Ian Munroe, Mary Ellen Hearn, Mary Wittenbols for being substitutes; and all of the card players who helped with tables at the end of the evening.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Welcome Back Snowbirds Dance

By Jackie & Denny Cunningham

Since Steve and Linda Swann were unable to return on time to host this dance, Jackie & Denny Cunningham took over this year's event.

On Saturday, January 9th, seventy-six residents put their dancing shoes on and got us off to a good start.

A new entertainer to our park by the name of "Johnny M", kept many of us on the dance floor most of the evening. He was very impressed with our beautiful clubhouse and the compliments several people gave him at the end of the night.

We had two spot dance winners: Ed and Jean Morin and Cathy and Bill Battersby.

Plus three door prize winners: George Paddington, Pat Larson and Ed and Jean Morin (who actually won a "DOOR"). How lucky for them. Ha Ha! All in fun.

It was good to see all those familiar faces return for another great winter. Special thanks to our setup and cleanup crew. We love ya.

Reminder for St. Patrick's Dance

By Jackie & Denny Cunningham

"Top of the mornin' to you and the rest of the day to 'me self!"

Don't forget to get your tickets for the St. Patrick's Dance on Tuesday, March 15th from 7:30 pm-10:30 pm. The price per ticket is \$6. The entertainment is the band Rock & Roll. Come join us for a fun evening and wear your Irish garb as a tribute to the Irish! You don't have to dance, just come and enjoy the evening and each other's company.

"Erin Go Braugh" - "Ireland Forever".

Dunedin Food Bank

By Nancy Baker

While getting our tour of the new food bank for Dunedin, we remarked that there wasn't much storage space. So the minister told us to lift up the long tablecloths and underneath we discovered cases and cases of peanut butter - but no jam or jelly!

Since February is the month of hearts and red everywhere, we decided it was fitting to give them some red jams and jellies. What fun collecting all those jars of red! - our "Valentine" to the food bank.

Now kids (or everyone) will have jelly for their PB & J sandwiches. Yum, yum!

Don't forget our final food collection the last Wednesday in March as you are packing to go north. For those of you who will not be leaving until April, you can donate your goods to Steve Swann. Thanks to Steve for his help in extending the collection until then. Above all, thanks to all of you who have donated foods over the fall and winter!

The Patriot Guard Riders

By Bill & Kay Erickson

The Patriot Guard Riders (PGR) are a diverse group of individuals from across the nation with one goal in mind. The reason for their being is to show honor, dignity, and respect for those brave soldiers who have paid the ultimate price for our way of life. It was established in 2005 by a group of 6 veterans who rode motorcycles from an American Legion post in Kansas. These gentlemen felt that it was wrong to protest the war at the funeral or grave-site of one of our soldiers by the Westboro Baptist Church. Since that time, the PGR has grown to over 400,000 members nationwide.

They all have one thing in common besides the love of motorcycles. It is an unwavering respect for those who risk their very lives for America's freedom and security. It is not necessary to ride a bike, it does not matter if you're a veteran, what your political views are or whether you are a hawk or a dove, where you are from or what your income is. The only prerequisite is the willingness to show honor and respect for our military.

Our main mission is to attend the funeral services of fallen American heroes as *invited guests of the family*. Each mission we undertake has two basic objectives:

1. Show our sincere respect for our fallen heroes, their families, and their communities.
2. Shield the mourning family, their friends and relatives from interruptions created by any protester or group of protesters.

We accomplish the latter through strictly legal and non-violent means.

To those of you who are currently serving and fighting for the freedoms of others, at home and abroad, please know that we are backing you. We honor and support you with every mission we carry out and we are praying for a sage return home for all.

The PGR will stand a flag line for all our military, veterans and those that have been killed in action. It is a dedicated group of volunteers that show dignity, honor, and respect in all kinds of weather. Rain, snow, cold, heat makes no difference, if invited to stand for a veteran, we will be there. The Patriot Guard Riders have a national website that you can check for more information and that is www.patriotguard.org. The site describes the missions, how to join, and who to contact if you would like to have them honor a loved one. They will stand for any veteran from any branch with dignity, honor and respect.

If you have any questions or would like any additional information please feel free to contact me at (612)597-6867.

With Dignity, Honor and Respect
Bill and Kay Erickson (Lot 210)

Editor's Note: The PGR served at both the viewing on Monday afternoon (2/8/16) and the funeral mass on Tuesday morning (2/9/16) with dignity, honor, and respect (in the rain, wind, and cold) for Skip Delf. It was the ultimate tribute to Skip, his family, and friends!

Soldiers to Remember

Please take a moment to offer a prayer of thanks and remembrance to all those who help to protect our way of life. Keep them in your prayers until they return safely to their loved ones.

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter.
