Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

What businesses would you like to see advertising?

Dunedin & Park Recycle Program:

As we start another winter season at Golden Crest, a reminder for all **Full Time and Snowbirds** returning to the Park:

- Items placed in the Blue Re-cycle Bin **should be cleaned prior to placing in the bin.** A sticker on top of the re-cycle bin details what items can be re-cycled.

- Also remember on Monday's, the Blue Bins are placed at the curb for pick-up, place the Blue Bin at least 5 feet from the Green Waste (Garbage) Bin. This makes it easier for the trucks to pick up the Bins.

The Buy One Get One Free Program for the Food Bank:

As we all return to our winter homes it has been suggested, perhaps we could start gathering food for the local Food Bank. One idea is, when we go shopping and the supermarket has a Buy One Get One Free, if you only need One item, how about getting the Second free one and we can accumulate for a Food Bank drop.

We'll set up a box in the Clubhouse to collect the items and do a bi-monthly drop off at the food bank. Non-Perishables items only please.

January 2016 Park Rummage Sale:

To donate to our once a year sale please go through your unit and sort out gently used items you no longer need. The **Rummage Sale, on January 16, 2016**, supports all our activities within Golden Crest. Such as the weekly Coffee and Donuts - (some Parks charge for this). The entertainment at our various events is paid from this revenue stream. Also, part of the food for each event is also covered. So please donate generously and shop on the 15th and 16th. Park Residents get first choice on all items at our pre-sale for residents only on **January 15, 2016**.

If you have any business contacts, please ask them for a donation of a gift certificate for sales or services, to be auctioned off to Park Residents. All donated gifts will be auctioned after coffee on **January 21, 2016**.

More details will follow in the next Park News Bulletin.

Did you know that December is also...

Buckwheat Month. Buckwheat has been providing essential nutrients, vitamins, energy, and fiber to humanity for approximately 8,000 years. It contains higher levels of zinc, copper, and manganese than other cereal grains, as well as high levels of zinc, copper, and potassium. From pancakes to soba noodles to blintzes, try adding some more buckwheat to your diet.

National Impaired Driving Prevention Month. The month of December is one of the busiest on the nation's roadways, and also one of the most dangerous. Sponsored by Mothers Against Drunk Driving, this month-long event seeks to raise awareness about the consequences of driving under the influence of alcohol and drugs.

National Safe Toys and Gifts Month. Keep your family safe during the holidays by buying only toys you can trust. Remember to immediately discard plastic wrapping or other packaging before they become dangerous playthings, and keep toys appropriate for older children away from younger siblings.

Universal Human Rights Month. A commemoration of the Universal Declaration of Human Rights, adopted by the General Assembly of the United Nations on Dec. 10, 1948. The need for this document grew out of the human tragedy of World War II and represents the first global expression of human rights.

National Handwashing Awareness Week, Dec. 6-12. Fight disease during the winter and all year long by remembering these principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough or sneeze into your hands; and don't put your fingers into your eyes, nose, or mouth.

Hanukkah, Dec. 6-14. Beginning at sundown, this eight-day festival in the Jewish faith celebrates the triumph of light over darkness and the rededication of the Holy Temple (the Second Temple) in Jerusalem.

Computer Science Education Week, Dec. 7-13. Computer science opens doors for students. Learning even the basics will help in virtually any career. Just as we teach schoolchildren how electricity works, every 21st-century student should have a chance to learn what computers do and how they do it.

Kwanzaa, Dec. 26-Jan. 1. A celebration honoring African heritage and African-American culture, culminating in a feast and gift-giving. Created by Maulana Karenga, Kwanzaa was first celebrated in 1966-67.

NEA: Fewer Americans enjoy the arts in person

When was the last time you went to the symphony, the ballet, or a museum? A National Endowment for the Arts study points to a disturbing trend: The number of Americans attending core arts events like the opera, the theater, and other activities is on the decline.

According to “A Decade of Arts Engagement: Findings From the Survey of Public Participation in the Arts, 2002–2012,” only 33.4 percent of U.S. adults attended any arts events between July 2011 and July 2012—down from 34.6 percent in 2008, and down yet again from a decade earlier when the figure was 39.4 percent.

One bright spot in the report: Although only a third of U.S. adults attended a cultural event in person, 71 percent said they had watched, listened to, or downloaded some kind of artistic event via the Internet. That includes streaming pop music, however, lumping Beethoven in with Nicki Minaj.

Americans upbeat about science

Despite controversies and disagreements about climate change, genetically modified foods, animal testing, and other scientific issues, most U.S. citizens have a positive view of science and scientists, according to a study from the Pew Research Center.

The study found that 79 percent of U.S. adults believe science has made their lives better, and a majority of them have a positive view of science’s impact on such matters as food quality, health care, and the environment. Additionally, 61 percent believe that government investment is essential to scientific progress, although 34 percent say that private investment would be sufficient.

The effort to understand the universe is one of the very few things that lifts human life a little above the level of farce, and gives it some of the grace of tragedy.

—Steven Weinberg

Get on pace for a healthy new year

The end of the year is the perfect time to commit to a healthier lifestyle going forward. How can you maintain your resolve on a daily basis? Try these tips:

- **Pick a partner.** People who exercise with friend have a higher success rate.
- **Set concrete goals.** Don't vaguely aim to walk "more" each day. Set challenging but realistic goals. And be sure to chart your progress.
- **Shorten the duration.** Rather than a single hourlong session, aim for three 20-minute workouts or four 15-minute workouts a day. People who opt for shorter sessions actually tend to work out more over the course of a week.
- **Redefine "exercise."** You don't have to spend hours at the health club to stay in shape. Keep track of your daily activity and try to incorporate healthy behaviors like walking for at least 20 minutes, taking the stairs instead of the elevator, or getting off the bus or train a block early. Exercise will become part of your day, not an added chore.
- **Clear your mind.** Make a regular date with yourself for exercise and train yourself not to think about all the other tasks you could be doing. Focus on the here and now and don't get distracted by the future or the past.
- **Find exercise you enjoy.** Most gyms offer a variety of exercise equipment, so choose an activity that makes you feel good while you're doing it, not something you detest no matter how beneficial it may be. Riding a bike through your neighborhood is just as helpful as sitting on a stationary bicycle in the gym.
- **Set your own goals.** Even if you work with a buddy or trainer, decide for yourself what you want to achieve. Set realistic targets that challenge you, not impossible goals that make you reluctant to try.
