## Golden Crest Golf Tournament:

The Annual Golden Crest Golf Tournament was held on Tuesday January 20, 2015 at Dunedin Stirling Links under overcast skies to begin with then beautiful sunny skies and warm temperatures. Another very successful tournament was completed under the guidance of our Golf Coordinator, Nels Auger. There were 10 teams participating this year, 2 Women and 8 Men's teams. After the competition was completed and the scores posted, there were two teams tied in the Men's section with a score of minus 1. A putt off was required to determine the overall winners. After a toss of the coin between Art Taylor of Team LeBlanc and Kyle Foster of Team Pippy, to determine who would putt first, Art Taylor won the toss. The two players putted from approximately 30 feet and Art Taylor sank the putt to win the overall Golden Crest Golf Tournament for Team LeBlanc, winning his second straight Park Championship. The winners are from L- R,

*Marquis Guimond*  
*Regis LeBlanc – Team Captain*  
*Art Taylor*  
*Claude Richer*

The Runners Up after a Putt Off were, from L-R:  
 Kyle Foster  
 Bob Pippy – Team Captain  
 Herb Hendricks  
 Bernie Stoneham

In the Golden Crest Ladies Division, the winning team with a team score of minus 1, consisted of from L – R  
Rosella LeBlanc – Team Captain  
Bonnie Nabb  
Sandra Guptill  
Jan Muldoon

On behalf of all the golfers, a big “thank you” goes out to Nels Auger for all his hard work in looking after the weekly golf league and the Golf Tournament.

## Golden Crest Golfer Hits a Hole in One:

For Bob Nicholls, it was his first time out this season golfing. It was a memorable date”, November 11, 2014 and he was at the 7th tee overlooking the mighty 80 yard PLUS ( note the big plus) expanse of the fairway. Taking into consideration the un-golf like chatter of his two play-mates, Nelson Auger and Bob Ivers. He took out his trusty 9 wood that he had purchased for \$ 2.00 at some garage sale. Bob hit the little white thing a mighty wack. He had figured in the distance, wind direction, humidity, moisture content of the green and the fairway and pin placement. Nels just started yelling that he had actually HIT the green (smarty pants). Bobby Ivers just watched in AWE, as the ball headed into the cup. Congratulations Bob.

## Vegas Nite 2015 at Golden Crest

By: Art & Jean Taylor

We did it!! We broke the attendance record again, last year we had 72, this year 87. A great time was had by all. The Kitchen Committee ( Randy & Shirley ), kept the good-ies coming all night. Randy had his arm in a sling the next day, from all the pumping up the beer keg all night long. The ½ keg picked up by the beer committee ( Laurie and Mike ) was floating ( empty ) by nights end. The Door and Race workers ( Jean, Bonnie and Vicki ) were kept busy all the time as was Larry on the Races. The Jockey Committee ( Maureen and Janet ) did a great job. The jockey’s in their racing colors had the crowd on their feet cheering. The Auction brought in close to a Half Million dollars ( Play Money ).

Tom did a great job organizing the cleanup. Everybody pitched in to clean and straighten up the clubhouse. When they were finished, it looked like nobody had been there. The old saying, “What happens in Vegas stays in Vegas” doesn’t apply here. Please spread the word and tell all those who weren’t there what they missed. Thanks again to all who helped out and attended.

## Golden Crest Annual Rummage Sale for 2015:

By: Shirley Boudreau

**A**lthough it was a little cool, the weather was relatively kind to us and our Golden Crest Annual Rummage Sale was quite a success.

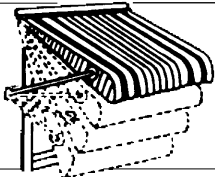

In just one hour on Friday January 16th, there was an amazing turnout from our park residents and on Saturday January 17th, the outside community was lined up a half-hour before we opened which kept us busy. The jewelery, clothing, crafts, linens, books, glassware, etc. had a treasure for everyone. It definitely was not possible to pass the baked goods table without taking a treat ( or two or three ) home with us. The delightful lunch coming out of the kitchen was a wonderful break from carrying all those purchases.

Our lucky Raffle Winners were all from within the Park, as follows: Shoe Rack - Hans Grannell - #383, Carol’s Afghan – Jenny Stephens - #381, Black and White Pictures – Sandra Guptill - #430, Shirley’s Afghan – Mike Fiffe - #406, Food Basket – Bob Ivers - #423, 50/50 Draw - Marquis Guimond - # 414.

Some of the leftover items were picked up by the Salvation Army and Anne Siatkowski arranged

# New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

### Did You Know March is Also...?

**American Red Cross Month.** The American Red Cross plays a vital role in rebuilding communities hit by disaster and providing critical support and resources at home and abroad. As President Barack Obama said in a presidential proclamation in 2011, “During American Red Cross Month, we celebrate our nation’s humanitarian spirit, and we recommit to providing relief and hope in times of crisis.”

**Music In Our Schools Month.** Sponsored by the National Association for Music Education, Music In Our Schools Month is an annual event that engages music educators, students, and communities from around the country to promote the benefits of high-quality music education programs in schools. The program began as a single day of celebration in New York in 1973 and became a month-long salute to school music in 1985.

**National Kidney Month.** Kidneys filter 200 liters of blood a day, help regulate blood pressure, and direct red blood cell production. But 1 in 3 Americans is at risk for kidney disease due to diabetes, high blood pressure, or a family history of kidney failure. During National Kidney Month, the National Kidney Foundation offers health activities to promote awareness of kidneys, risk factors, and kidney disease.

**Social Work Month.** The American social work profession was established in the late 19th century to ensure that immigrants and other vulnerable people gained tools and skills to escape economic and social poverty. Today, the profession of social work helps people in their personal and interpersonal lives and pursues social change to benefit a wide variety of individuals, families, and communities.
