Welcome Back Snowbirds:

On behalf of the Homeowners' Association and the Recreation Committee, we would like to welcome back all the Snowbirds to Golden Crest. We are sure this is going to be another enjoyable winter season with various activities within the Park.

Dunedin & Golden Crest Recycle Program:

As we start another winter season at Golden Crest, a reminder for all **Full Time and Snowbirds** returning to the Park:

- Items placed in the Blue Re-cycle Bin **should be cleaned prior to placing in the bin.** A sticker on top of the re-cycle bin details what items can be re-cycled. It has been noted on numerous occasions, re-cycled items are not being rinsed prior to placing in the Blue Bin, the City of Dunedin would appreciate this being completed.

- Also, place the Blue Bin at least 5 feet from the Green Waste (Garbage) Bin. This makes it easier for the trucks to pick up the Bins.

It would be appreciated if the above procedures could be followed by everyone this winter.

January 2020 - Park Rummage and Bake Sale:

To donate to our once a year sale, please go through your coach and sort out gently used items you no longer require. The Rummage and Bake Sale is Saturday January 11, 2020 from 8:00am – 1:00pm and all money raised goes towards funding events at Golden Crest. Park residents get first choice on all items at our pre-sale on Friday January 10, 2020 from 11:00am – 12 Noon.

Thanks.

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Brainstorming isn't the only solution

Fun fact: The man who popularized brainstorming in the 1940s also touted the benefits of solitude when searching for creative ideas. Alex Osborn's book, *Your Creative Power*, described how he brought a practice he'd seen in a previous job to the advertising firm BBD&O (he's the "O").

"The early participants dubbed our efforts 'Brainstorm Sessions,' and quite aptly so," the book says, "because, in this case, 'brainstorm' means using the brain to storm a creative problem—and do so in commando fashion, with each stormer attacking the same objective."

But he also advised solo thinking. "A good long shower or a hot tub often induces ideas. One reason is that while we bathe we are shut off from distracting influences." And he describes one particularly fruitful effort:

"Once when I faced a hard creative task, I went to an inn over 100 miles away. Not only was I uninterrupted—not only did I get away from routine—but, because I had made such effort to go so far solely to engage in creative effort, my imagination seemed to work far better. The very taking of that trip tended to sharpen my imagination."

Brainstorming can be useful, but it's not the only tactic for sparking your creativity.

An alphabetical guide to inspiration

Is creativity as simple as ABC? Harvey Mackay thinks so. The businessman and bestselling author shared his formula for innovation and inspiration in a column on the Daily Herald website. Here's how his list begins:

- **A: Advertising.** "Expand your brand beyond media-generated advertising. For example, we painted our company name and phone numbers on top of our delivery trucks so they were visible to people who worked on upper floors of tall buildings."
- **B: Bold.** "People are not inspired by ordinary messages, so give them a reason to remember you."
- **C: Curious.** "Curiosity may not have been good for the cat, but it's a winning formula for people."
- **D: Different.** "Don't be afraid to do things that have never been tried before. You have to have enough faith in yourself to trust your instincts."
- **E: Everyone.** "I firmly believe that everyone has the capacity to be creative, if only they allow themselves to be."

(For the full list, go to https://www.heraldextra.com/business/harvey-mackay-the-creativity-abcs/article_f3703366-1c06-5178-9225-cb821c1a054e.html.)

All the stories that get passed around this time of year give us a great opportunity to learn about our heritage.

National Novel Writing Month. National Novel Writing Month (NaNoWriMo) is a fun, seat-of-your-pants approach to creative writing. On Nov. 1, participants begin working toward the goal of completing a 50,000-word novel by 11:59 p.m. on Nov. 30. Emphasizing enthusiasm, determination, and a deadline, NaNoWriMo is for anyone who has ever thought about writing a novel.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Reading makes people better, study suggests

Do you read a lot? If so, chances are you're more kind and empathetic than most people, according to a study reported on the Peace Quarters website.

Researchers in Great Britain asked 123 people about their reading or television watching habits. Then they analyzed participants' social skills, asking questions like, "How often do you consider other people's points of view versus your own?" and "Do you go out of your way to actively help others?"

The results showed that the book readers, usually considered introverted and antisocial, displayed more empathetic traits than people who primarily watch TV. The genre of books seemed to make a difference, with readers of romance and drama showing more empathy and skill at seeing things through another person's eyes.

Of course, it could be that empathetic people tend to read more, instead of reading creating more empathy. Either way, it's good news for bookworms.

Have a safe Thanksgiving

When you fire up the oven to roast your Thanksgiving turkey, you're probably not thinking about tragedy. But home fires are the most common disaster in the United States, and cooking is the leading cause of those fires. Thanksgiving Day is the unfortunate host to about 4,000 fires each year. Here are some safety tips to keep your Thanksgiving fire-free:

- Stay in the kitchen and keep watch while you are cooking.
- Use a timer if you have something in the oven or are boiling or simmering something on the stove.
- Don't wear loose sleeves or loose clothing when cooking.
- Keep anything that can catch on fire—pot holders, oven mitts, towels, etc.—away from your stovetop or oven.
- Turkey fryers are extremely dangerous, and most safety organizations do not recommend their use.
- Make sure you have a smoke alarm installed with working batteries. Push the button to check that it's working every month, and install new batteries at least once a year.
- After your guests leave, do a home safety check to make sure that all candles are extinguished and all of your cooking appliances are turned off.

Thanksgiving
