Shut off water valves
If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Maintenance Staff Assistance

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam or Jim. This allows them to track, prioritize and complete their daily work load. Thank you!

Soliciting

If anyone comes to your door trying to sell anything, please be safe and just say no thank you; close your door and call the police non-emergency number (on page 2 of the Golden Gate Telephone Directory (727) 541-0758. Do not confront the solicitors and remember you are not being “mean” when you call the Police you are protecting yourself and your Community. .

WEED PROGRAM

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages. If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

SUMMER OFFICE HOURS

The Office will be closed on Fridays, through September 4, 2015. Please plan to conduct any office business you may have from Monday through Thursday during this time period. Don't forget, there is a self-serve copy machine in the hall near the entrance to the Patio for your use. If you have an emergency and need something from the Office on a Friday during this time-frame, you can call the out-of-hours number ((727)-578-2891) and the Director on call will assist you. Thank you and have a GREAT Summer.

Sidewalk cleaning

Your board has agreed on the issue of pressure washing our sidewalks. This will begin in this month. The sidewalks in the worst condition will be done first. For anyone who is not in residence at the time of their cleaning, no water will be turned on at your home.

Friendly Reminder:

Whoever borrowed the exercise CD from the Club House please return it, as the exercise group would like to continue their program.

Open Door Policy

The Board of Directors at Golden Gate have always had an “open door policy”. There are a number of ways for you to discuss any Community issue with them either during the summer months or during the peak season. At least one Director is in the office between the hours of 9:00 AM and 11:00 AM that you can request to speak to; you can write a letter or email, or there are intake forms to submit issues that will be kept confidential and responded to, and they conduct Director’s Workshops on Thursday mornings at 9:30 AM to discuss, plan and schedule work programs on items as they arise. A notice of these workshops is posted on the bulletin board by the Tuesday of the week they are scheduled.

As you know, being on the Board is a volunteer job. Please utilize any way listed above to bring issues to their attention. Please respect that outside of these venues, they are retired citizens just like you and enjoy their “free” time with their spouses in this beautiful Community you all enjoy.

Thank You Messages

John and Janet Bankhead Lot 289

Many, many, thanks to everyone at our Golden Gate for their thoughtfulness and prayers extended to me for my recovery from surgery. Indeed it has been an ordeal, which will take several months to recover from. There was an unexpected complication uncovered during surgery that could not be seen on my latest x-rays. The old prosthesis had rubbed its way through the rear of the bone and was hanging out. This was causing me the pain I had felt for the last 10 years. With the repair, I now have a 15 inch scar going from above the knee almost to my spine.

Thanks for all the wonderful cards, and loans of equipment to help me get through this. Thanks to the labor-of-love for the blanket and pillow, they are in use now. Thanks for coming to my aid when I needed help, it will never be forgotten.. I love you all. John and Jan

The pot luck started at 12:00 noon and there was plenty of good food for everyone. After the pot luck there were many door prizes to lucky ticket holders. Thank You to Pat Stephenson and all her great helpers, we could not have done it without them to make it a great success.

Please look on the bulletin board for the next coming event. Remember we have Labor Day to celebrate before our snowbird friends start returning, so let's get together to make this summer special!!

Even though January 2016 seems so far away we need to remind you our club will be doing the flea market on January 22nd and 23rd. Start now by sorting through your items to contribute to this event. If you need articles picked up or stored during the summer, please call Paul carter and he will make arrangements to accommodate you. We are planning to have a fashion show in the spring of 2016.

See you all in October - Submitted by Gloria Kolodizieizyc

August Is...

American Artist Appreciation Month. From Maxine Albro (1903-1966) to Karl Zerbe (1903-1972) and everyone else in between, celebrate American art in all its forms and the people who create it.

Get Ready for Kindergarten Month. This is the time of year when young children (and their parents) prepare for that all-important first day of school. Relieve their jitters by talking about what to expect, visiting the school and the teachers, and getting excited about the upcoming school year.

National Immunization Awareness Month. National Immunization Awareness Month (NIAM) highlights the importance of immunization—not just for kids, but for everyone. Activities focus on encouraging all people to protect their health by being immunized against infectious diseases.

National Spinal Muscular Atrophy Awareness Month. Spinal muscular atrophy (SMA) is a genetic disease affecting the part of the nervous system that controls voluntary muscle movement. An SMA diagnosis doesn't mean an end to your hopes and dreams. Changes and challenges lay ahead, but also opportunity, fulfillment, and hope for a future free of spinal muscular atrophy.

Little-known facts about books and language

The world of books, reading, and words is full of surprises. Take a look at some of these stories about writers and other creative people (from the BuzzFeed website):

- **Green Eggs & Ham.** This Dr. Seuss classic was written on a bet. Publisher Bennett Cerf wagered \$50 that Ted Geisel couldn't write a children's book using fewer than 50 different words. Geisel won.
- **Thomas Jefferson.** The third U.S. president (and writer of the Declaration of Independence) invented more than 100 "American" words to distinguish U.S. writing from British usage—including the word "anglophobia."
- **Gone with the Wind.** Margaret Mitchell began work on her first (and only) novel after recovering from an auto accident. During her convalescence, she read so many books from the local library that her husband got tired of going back and forth—so she suggested she try writing a book of her own.
- **Amazon.** The first book sold on the now dominant website was *Fluid Concepts and Creative Analogies*, by Douglas Hofstadter. Its subject: whether machines could be taught to think like people.

Stay optimistic to get ahead

Successful people are optimistic. They're realistic, and they see the challenges, but they don't lose their confidence. Here are some of the characteristics of "intelligent optimists" that anyone can master:

- **Don't deny problems.** Don't try to pretend difficulties don't exist. Learn to live with obstacles while looking for ways to overcome them.
- **Accept reality.** Recognize that you can't solve every problem. Don't get too wrapped up in trying to fix things you can't influence that you ignore what's possible.
- **Don't bury negative thoughts.** Everyone has them—"This will never work," or "Why am I wasting my time?" Instead of trying to repress them, ask what they're telling you, and work on getting past the problems that create negative thinking.
- **Look for different solutions.** Many solutions start as attempts to solve a different problem. Searching the background can provide clues to resolving the current difficulty.

Plan your vacation with these trends in mind

You may already have taken your summer vacation and are eagerly planning next year's. If so, you might want to consider these 2015 vacation data, according to the Summer Travel Guide from the travel insurance comparison website InsureMyTrip.com.

The five most popular vacation destinations were the U.K., France, Italy, the Caribbean, and the Netherlands. Planning ahead makes sense: The survey found that 82 percent of travelers booked their trips more than 30 days ahead of time, with 15 percent waiting until just a week or so before leaving to make their plans, and only 3 percent heading off at the spur of the moment.

Where will you stay? In the 2015 survey, 42 percent of vacationers chose hotels, 25 percent took a cruise, and 18 percent opted for vacation rentals. Only one in 10 survey participants said they bunked in with family or friends while traveling.

'Appointment TV' a thing of the past?

Not too long ago, the only way to watch your favorite show was to make sure you were home when the networks decided to broadcast it. Not so much anymore. Modern technology is taking hold of our viewing habits, according to the Digital Democracy Survey from Deloitte.

The study of more than 2,000 U.S. consumers age 14 and up found that 56 percent of viewers are streaming movies on their laptops, tablets, or other devices, and 53 percent stream television shows once a month. More than 42 percent of U.S. households use a video streaming service like Netflix to watch their shows and movies. Meanwhile, only 45 percent prefer to watch TV live.

Video streaming also makes binge-watching a thing, according to the survey: Sixty-eight percent of consumers report sometimes watching at least three episodes of a TV program in one sitting, and 31 percent of them do it once a week or more.
