Director on call for the Month of February – Jim Alaimo.

In case of an “Park Emergency” – Dial (727) 578-2891.

For non-emergency issues you should call the Police dispatch number 541-0758. For immediate help dial 911.

Running for the Board of Directors

The first notice of the Annual Meeting to be held on February 19, 2019 was mailed or distributed to all shareholders on or before December 12, 2018. This notice describes the procedure to be followed in qualifying to run for the Board of Directors. At that Annual Meeting, it will be necessary to elect three directors to our Board. The term of Jim Alaimo will expire in February, 2019. The remaining terms (2 years) of Don Kuzmickas and Dolores Hathaway will expire in February 2021 but are currently vacant and new Directors must be voting in. Paul Carter & M. Dennis Dufault will remain on the board for one more year as their terms will expire in February 2020.

Important: Your notice of intent to run must be back to the office on or before January 12th, 2019 to be eligible.

NOTICE FROM THE OFFICE UNUSED ENVELOPES

The office sends out a number of packages each year to all residents for upcoming shareholder and budget meetings. To minimize expense, all materials are printed here. If you don't need or use the envelopes provided in the package, it would be appreciated if you return them to the office for re-use. Remember.... it's your money!

NOTICE FROM THE BOARD of DIRECTORS:

To all residents, the office will no longer print boarding passes or register for flights.

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Reminder to all residents PLEASE -- DO NOT place Hazardous Waste (Paints) or food type garbage into the Dumpsters. Paint cans can leak onto our roads which could be costly.

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before

...continued on page 6

the third Tuesday of the month.

Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

Safety & Security

“Remove It!!” “Lock It!!” or “Lose It!!” This is a new campaign to all Pinellas County residents to lock your vehicles. There have been a rash of burglaries to unlocked vehicles. Officers will be using notices on vehicles to instill upon the citizens to lock their vehicles so they won’t become a victim.

House Numbers

Just a reminder, while driving around the community there were several homes that did not have the street numbers visible from the street. This could be a problem should Pinellas Park Statutes mandates that all homes MUST have their street numbers Visible from the street.

Parking Request

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules!

- No parking on the sidewalks. Your maintenance fees pay for all repairs.
- Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for cars, golf carts and bicycles trying to proceed by the vehicles.

“Tis The Season”

Just a reminder that once Pinellas County swells with our welcome “snow-birds” criminals use this increase in population to their advantage to increase petty theft and vandalism. It is wise to always keep your home and vehicle doors locked and lock up your bikes, trikes, tools and sheds even when you are home. As always, please remember there is no soliciting allowed in our Community and you should call the Police dispatch number 369-7864 to report all solicitors. Never invite them in to your home.

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam or Les. This allows them to track, prioritize and complete their daily work load. Thank you!

Bicycles

Please remember that bicycles are vehicles and must obey all traffic laws including stopping at all stop signs. This applies to residents and visitors.

Thank You

The Board of Directors would like to thank all the individuals who helped in the kitchen and assisted members signing in for the annual budget meeting and counting the ballots. Well Done!!

Although not required the Board suggests each resident have a set of keys to your home securely stored at the Office. These come in very handy in case you accidentally lock yourself out of your home. They can also be used in case of an emergency and access to your home is needed by the Board, Police or Fire department. If an emergency did occur and it was necessary to break down a door to enter your home the cost could be \$500 to \$600 in damages. These keys will NEVER be given out to anyone without your permission.

Labor of Love Special Speaker

Labor of Love would like to invite you to a presentation by Dr. Michelle Beaulieu, a Neo Natal Board Certified NP at John Hopkins All Children's Hospital.

Saturday, February 2, 11:00, at our clubhouse. A light lunch will follow.

She will speak about the care of the littlest babies, and what LOL can make to help. No monetary solicitation.

This is for anyone that is interested in learning about the NICU.

Lam and Kevin have a daily schedule of work they follow. They also check in each morning in the office to see if there are any work orders; submitted by a Director or Jane. Lam and Kevin are not to be given work requests or work orders directly from any resident. If you have a request that you feel would need either Lam or Kevin's time, please stop by the office and request a work order to be filled out and it will be scheduled. Your cooperation on this is greatly appreciated to allow Lam & Kevin to maintain our community.

Golden Gate Church

The Church in The Park

Wishing everyone a Very Blessed, Happy and Healthy New Year for 2018!
It had been determined not to have the Choir, but with the requests that were received, it has been decided to reinstate the Choir.

Our congregation is growing and it is great to share the word of GOD with everyone. We all enjoy the socializing, donuts and coffee afterwards. If anyone would like to acknowledge their

Birthday or Wedding Anniversary with us, they can see Don K. and make a contribution towards the donuts for a specific Sunday morning.

Our Services are non-denominational with our Pastor John Bowers. Please come to a Sunday service at 8:45am and see what we are all about.

The Women's Club

Doree Haseltine

We had an amazing time at the paint and wine event. Getting together, having fun, laughing, critiquing our own work and taking home a tropical painting and lots of memories! Thanks, Pam Millsap, for hosting.

Our January meeting went well and we had a speaker from the Neptune Society talking about cremation after the meeting. Thanks Rose Bragdon, Joan Guptil, Linda Davis and Gloria Ledeaux for hosting the meeting.

The women's club also assisted with Dick Yates memorial luncheon on Jan 23.

Next up; The BOUTIQUE SALE!!!! We need more helpers for Friday Feb 22 and sat Feb 23. We are also still taking your gently used clothing, jewelry, shoes, purses, men's clothes for the sale. Please contact Joyce Yoder.

If you haven't joined the women's club yet, get involved- we have so many more fun events coming up! Next meeting Feb. 20th

7 pm and we have an artist coming to show us how to make our own Easter or birthday cards.

Shuffleboard News

The shuffleboard season for 2019 is well underway. The Shuffleboard Club is the only club that has teams that represent Golden Gate outside of the park. There are two traveling Shuffleboard teams. Our more experienced players are on the Friendship League team, captained by Bill Fournier. There are 14 members and their matches are on Tuesday afternoons. The Friendship Team has done exceptionally well, winning first place in their league 4 out of 5 years and should be in contention again this year. The Nova League team, captained by Helen Cramer, plays on Thursday afternoons, is also expected to finish well this year.

The game of shuffleboard is a bit unusual. Most people don't really think of it until they are retired and are in a park or complex that has shuffleboard courts. When you try playing it, the first impression is "this is easy". Indeed, it is easy. How many games do we know, requiring

physical activity, that a 90-year-old can compete against a much younger player?

We have 100+ members in our Shuffleboard club at Golden Gate, and we are the envy of other parks. Here at Golden Gate there are many opportunities to play and enjoy the game.

Our Friendship Team Practices on Mondays from 11:00am to 1:00pm. There are enough open courts for others to practice with us as long as we synchronize our games. The Friendship team has priority.

On Mondays from 1:00pm to 3:00pm there is open practice (anybody can play) and the Nova League Team has priority.

Wednesday's 11:00am to 1:00pm is also open practice with Nova League Team having priority.

Wednesday afternoons at 1:00pm Frank Poirier runs a Fun league. No experience necessary. Just come and play and find out what it's all about.

On Saturdays from 10:00am to 12:00 noon we have a game called Horsecollar. Anyone is welcome. There is a nominal fee of 50 cents to play. (Most people win their 50 cents back). You may bring your guest or outside friends. Horsecollar is an easy game to play. All you have to do is score. Your scores and the scores of the person, or persons, with you are combined. Unlike the regular game, Horsecollar is strictly scoring. It's a good way to meet new people and have a little fun.

On Sundays, beginning at 1:00pm, Frank Poirier also runs a Fun Doubles League. Partners are picked by luck of the draw and change every game.

It is a good idea to show up 15 minutes early for all of the shuffleboard events so that the people can get organized before starting time.

Since shuffleboard is the kind of game that people tend to get better year after year. I encourage new residents to give it a try. And in a short time, you could be competing against the best.

There are many discs and cues (shuffle sticks) in the unlocked shed at the courts. Don't be afraid to give it a try. You may find yourself a new pastime.

5 MILE WALK CLASS:

Join us Tuesday and Friday at 10:00 am in the clubhouse for our Ultimate 5 Mile Walk class. Get together with friends, family and neighbors to have fun doing a great 5 Mile Walk Plan that is focused on cardio, strength training, and flexibility that we all need as we grow older. We burn lots of calories and do around 7,500 steps in just one class. The class allows all of us no matter what our age to get healthier and feel better each and every day here in paradise. Bring your neighbor, friend or family member with you and WALK YOURSELF HEALTHY!!!!

LINE DANCE: Mondays at 10:00 am

This is a fun class taught by Sue Thompson. It is a beginner's class for line dancing. We will work with you from the first step to the last step. We are helping you learn line dances that we can do in our community at our dances. We teach the steps then practice to music until we all learn it. We also will pick some nights of extra fun to practice on and I will work separate with anyone who feels they need extra help. It's all about fun with our family, friends and neighbors AND the exercise we get is great in helping us all to get and stay healthy. We do around 7,000 steps while we dance, laugh and have fun.

Many Americans still worried about their finances

The stock market may be up, but many Americans are still struggling with financial security, according to a story on the USA Today website. A September 2018 Bankrate.com survey found that among people earning less than \$30,000 a year, 78 percent said that their financial situation has failed to improve over the past two years, and many said it had gotten worse. On the other hand, people earning \$75,000 a year or more reported feeling better about their money.

The survey found other divides as well. People 65 and older reported the least financial improvement, and millennials ages 28–37 felt the most improvement. In addition, men reported doing better in earlier years than women did.

Coffee still in demand

We sure like our coffee. The U.S. National Coffee Association's 2018 National Coffee Drinking Trends report says that the number of Americans who drank coffee in the past day is the highest it's been in six years.

According to the report, based on a study of more than 2,700 adults 18 or older, 64 percent said they drank coffee within the past day, the highest amount since 2012. This is higher than the growth from 57 percent in 2016 to 62 percent in 2017. The study also found that past-day consumption traditional coffee, defined as “regular coffee” brewed from “gourmet quality” beans, held steady over the previous years, at 16 percent. Similarly, consumption of espresso-based drinks held steady from 2017, at 24 percent.

Try these tips for healthy eating habits

If you've already slipped off your New Year's diet, it's not too late to get back on track. Just follow these tips for healthy weight loss from the Harvard Health Publishing website:

- Make a list. Keep track of what you eat and drink for at least three days. Include what you consume, where, how much, and so forth.
- Set a goal. Be specific—do you want to lose a certain number of pounds, lower your blood pressure, or something else? Identify strategies for reaching your goal in a reasonable amount of time.
- Anticipate obstacles. What might prevent you from hitting your goal? If a busy schedule might keep you from working out, plan to get up a little earlier. If an empty pantry tempts you to order take-out, spend some time looking up healthy recipes, then go to the grocery store for ingredients and make enough for a few nights of leftovers.

Cave drawing of bull is earliest of its kind

Archeologists have discovered the oldest known drawing of an animal on the wall of a cave in Indonesia, according to the U.S. News & World Report website. It's some 40,000 years old, about five feet wide, and it depicts a bull-like creature in a red silhouette.

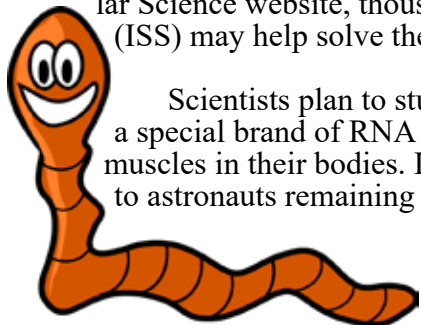

Along with similar drawings on cave walls in Borneo, the drawing sparks renewed debate about the role of art in ancient times. Similar cave paintings have been found in France and Spain, though they're just 33,500 to 37,000 years old.

Cave dwellers began sketching humans engaged in hunting activities and dancing some 14,000 years ago in both Europe and Asia. The findings raise the possibility that humans migrated from Africa to Europe and then Asia, bringing their artistic sensibilities with them.

Invasion of the space worms

Long-term space travel poses many challenges, but one of the most daunting is the loss of muscle mass in a zero-gravity environment. On a voyage to Mars, for example, space travelers could arrive on the red planet too weak to stand. Now, reports the Popular Science website, thousands of worms headed to the International Space Station (ISS) may help solve the problem.

Scientists plan to study muscle atrophy in the worms and then treat them with a special brand of RNA designed to stop the breakdown of protein and preserve the muscles in their bodies. If all goes according to plan, this could alleviate one danger to astronauts remaining in space for long periods of time.

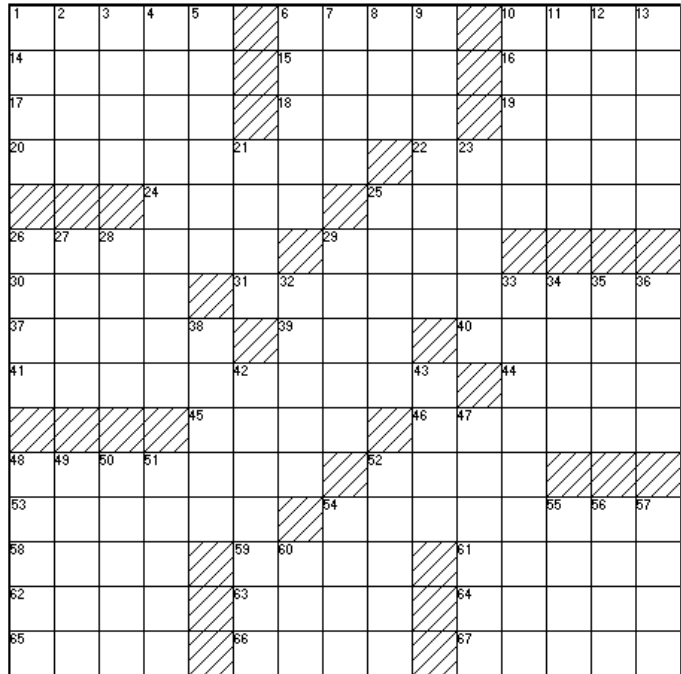

Science is simply common sense at its best, that is, rigidly accurate in observation, and merciless to fallacy in logic.

—Thomas Henry Huxley
