From The Office

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Maintenance Staff Assistance

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam or Jim. This allows them to track, prioritize and complete their daily work load. Thank you!

Parking Request

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules!

- No parking on the sidewalks. Your maintenance fees pay for all repairs.

- Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for cars, golf carts and bicycles trying to proceed by the vehicles.

Soliciting

Soliciting of any kind is not allowed in Golden Gate. If anyone comes to your door trying to sell anything, please be safe and just say no thank you; close your door and call the police non-emergency number (on page 2 of the Golden Gate Telephone Directory (727) 541-0758. Do not confront the solicitors. The Office was informed by a resident who was walking and saw an uncomfortable soliciting incident. He used his cell phone to call the police and report it. The police arrived in 3 minutes and when they searched the community they found a number of people who were blanketing the entire community. They were all detained and interrogated. You are not being “mean” when you call the Police. You are protecting yourself and your Community.

Golf Cart Parking

Board of Directors

It has been brought to the Board's attention that many unit owners are leaving their golf carts parked between units. This causes a problem for the Association's Lawn Contractor, for it impacts his ability to perform his responsibilities in a proper manner. Please refrain from parking the carts on the lawn areas, especially on Mondays, the designated day for lawn cuttings. Your cooperation is truly appreciated.

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

WEED PROGRAM

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed

..continued on page 8

killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages. If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

SUMMER OFFICE HOURS

The Office will be closed on Fridays, starting Friday, July 3, 2015 through Friday, September 4, 2015. Please plan to conduct any office business you may have from Monday through Thursday during this time period. Don't forget, there is a self-serve copy machine in the hall near the entrance to the Patio for your use. If you have an emergency and need something from the Office on a Friday during this time-frame, you can call the out-of-hours number ((727)-578-2891) and the Director on call will assist you. Thank you and have a GREAT Summer.

Sidewalk cleaning

Your board has agreed on the issue of pressure washing our sidewalks. This will begin in this month. The sidewalks in the worst condition will be done first. For anyone who is not in residence at the time of their cleaning, no water will be turned on at your home.

Open Door Policy

The Board of Directors at Golden Gate have always had an "open door policy". There are a number of ways for you to discuss any Community issue with them either during the summer months or during the peak season. At least one Director is in the office between the hours of 9:00 AM and 11:00 AM that you can request to speak to; you can write a letter or email, or there are intake forms to submit issues that will be kept confidential and responded to, and they conduct Director's Workshops on Thursday mornings at 9:30 AM to discuss, plan and schedule work programs on items as they arise. A notice of these workshops is posted on the bulletin board by the Tuesday of the week they are scheduled.

As you know, being on the Board is a volunteer job. Please utilize any way listed above to bring issues to their attention. Please respect that outside of these venues, they are retired citizens just like you and enjoy their "free" time with their spouses in this beautiful Community you all enjoy.

Thank You Messages

Jim and Pat Stephenson- Lot 235

We'd like to thank everyone at Golden Gate for attending the picnic on May 30th. Even though our streets look deserted it was surprising to see the number of full time residents. We believe everyone enjoyed the food and socializing with other residents. There were a lot of good suggestions for future activities. A full list is on the bulletin board at the clubhouse. The most popular included an ice cream social, appetizers and a spaghetti dinner. Thanks to everyone who helped with the food and cleanup. Hopefully, we can "find more fun during the summer".

Pat & Jerry Pockalski Lot 5

We would like to thank the Board, Paul Carter especially, for obtaining a replacement of our palm tree that was damaged during the fall. The tree was special, an anniversary gift from our children for our 55th a few years ago.

Thank you all for the prayers and cards during my surgery and rehab. It is great to be convalescing at home in Golden Gate.

Golden Gate Church The Church in The Park

Non-denominational Services at 8:45 AM on Sunday at Golden Gate Club House. We continue to enjoy Pastor Bower's teachings. Come and enjoy overhead Projection. New larger print Bibles are available.

Your Church Board has voted, due to our current finances, to send a monetary gift to Metropolitan Ministries, Labor of Love and Pastor Bowers. We also bought a laptop computer for the Overhead projector.

Don't forget your swords (your Bible).

Women's Club

Bev Kehr

Wow here we have another season winding down and it was a busy one. The snowbirds have gone. Let's hope they all had a safe trip and a safe one back in the fall. The next Women's club meeting will be on October 21, 2015. A big thank you to all our new officers for doing a great job.

The Men's club had a wonderful Mother's Day Dinner. THANK YOU!!

With more folks living here year round the library is being put to good use. Thanks to the person who donated the 300 piece puzzles. It is a great addition, but we are still looking for large print books, and DVD's not VHS tapes.

Thanks to all and have a nice summer.

July Is...

Eye Injury Prevention Month. Eye injuries occur at a rate of more than 2,000 per day, with an estimated 1,000 eye injuries occurring in American workplaces alone. In addition to wearing proper safety eyewear, early detection and treatment of eye conditions and diseases are essential to maintaining good vision throughout your life.

Independent Retailer Month. Celebrate independent retailers across the country. Support and shop independent merchants all through the year, and use July as a time to unite for the independent retailers in local communities that help build our economy.

National Hot Dog Month. What better month to enjoy a delicious hot dog? The National Hot Dog and Sausage Council estimates that Americans eat over 7 billion hot dogs between Memorial Day and Labor Day, with 150 million consumed on the Fourth of July alone. Do your part.

Parks and Recreation Month. This year marks 30 years of Parks and Recreation Month, highlighting the enduring importance of parks and recreation for the world. From the start, parks were created to give us a place to appreciate nature, exercise, socialize, and have fun—a mission that lives on into the future.

July Daily News...

World UFO Day, July 2. Have you had a close encounter? Spread the word on this day that explores the unexplained.

Independence Day, July 4. The United States declared its independence from Great Britain on this day in 1776.

Global Forgiveness Day, July 7. “To forgive is to offer opportunity for a new beginning to the offender, and provides a process of healing for the victim.”

Shark Awareness Day, July 14. As much as we enjoy being frightened by this predator of the sea, remember that the shark has a key role to play in keeping marine ecosystems in balance.

World Ranger Day, July 31. Sponsored by the International Ranger Federation to commemorate rangers killed or injured in the line of duty and to celebrate the work rangers do to protect wildlife around the world.

The state of food across the U.S.

Every U.S. state is known for something: slogans, state birds, celebrities, etc. If you're hungry, or planning your vacation menu, consider some of these official state foods found across the country:

- Alaska: Salmon (state fish)
- California: Avocado (state fruit)
- Delaware: Peach pie (state pie)
- Georgia: Grits (state prepared food)
- Illinois: Popcorn (state snack food)
- Louisiana: Sweet potato (state vegetable)
- Maryland: Smith Island Cake—a yellow cake of 8-10 layers with chocolate frosting (state dessert)
- New York: Apple muffin (state muffin)

The creative process—from the artists who know

What do professional artists, writers, and performers think about creativity? From The Guardian come these thoughts on the process from people who depend on their imagination to do their jobs:

- Guy Garvey, musician. “Just start scribbling. The first draft is never your last draft. Nothing you write is by accident.”
- Polly Stenham, playwright. “I’m very fidgety, and I seem to work best when my hands are occupied with something other than what I’m thinking about. During rehearsals, I find myself drawing little pictures or symbols that are somehow connected to the play.”
- Tamara Rojo, ballet dancer. “An idea never comes to me suddenly; it sits inside me for a while, and then emerges.”
- Mark-Anthony Turnage, composer. “If you get overexcited by an idea, take a break and come back to it later. It is all about developing a cold eye with which to look over your own work.”
- Fyfe Dangerfield, musician. “For me, the image of the tortured artist is a myth—you don’t need to be miserable to write songs. In fact, if I am feeling down, the last thing I want to do is write; though it’s important sometimes just to sit down and get on with it, however you’re feeling. Your creativity is like a tap: if you don’t use it, it gets clogged up.”

Trust in others rises as people grow older

In a cynical world, trust can seem hard to come by. But new research suggests it may grow as we get older. The World Values Survey, collecting data from more than 200,000 people in 83 nations, found that more than a third of people 80 years old or older agreed with that most people can be trusted, although just a quarter of 20-year-olds said the same.

The results were consistent regardless of nationality, gender, education, and income.

A similar study, analyzing data from the General Social Survey of 1,230 U.S. citizens over time, also found that our willingness to trust increases as we grow older.

One possible explanation: As time goes on, most people tend to simplify their lives and spend more time with their families, resulting in a more positive and generous attitude about the world.

That morning cup of coffee may be really good for you

A lot of us depend on a cup of coffee or two to get going in the morning. But coffee may have even more significant health benefits. Here's a quick look at what it may do to improve your life:

- **Melanoma.** A study by the National Institutes of Health and the AARP found that the more coffee people drink during the day, the lower their chances of developing melanoma over a 10-year period. Four cups of coffee a day was associated to a 20 percent drop in melanoma risk.
- **Multiple sclerosis.** An analysis of two studies of people diagnosed with MS (one in the U.S. and one in Sweden) found that consuming at least four cups of coffee a day appears to delay the onset of symptoms. The caffeine, researchers say, seems to have neuroprotective properties that inhibit MS development.
- **Liver cancer.** Drinkers of three or more alcoholic beverages a day may be able to cut their risk of liver cancer by drinking coffee, according to a recent World Cancer Research Fund report. Coffee and coffee extracts appear to have a preventative effect on the expression of genes involved with inflammation—an effect that's most prevalent in the liver.
