From the Office

Here we go again it's that time of the year, I must report that it is happening again! Thefts and attempted break-ins have been reported within our community. This often happens as our snow-birds are leaving. Here are some suggestions to keep you and your property safe.

1. Keep doors and sheds locked at all times. Yes, even if you are home.
2. Consider installing a motion sensitive porch or yard lights. Thieves hate lights!
3. Do not leave tempting items in your carport or in back of your home. A lot of thieves cruise the area first to see what is available and come back after dark. So, keep your sheds closed, locked and valuables out of sight.
4. Report any known theft, vandalism, or suspicious characters to the Police on (727) 369-7864 **IMMEDIATELY**. Don't call the Office or the Directors and **DO NOT** confront the individual(s) let the police do the investigation! Although it is important information for us to know, the Police will not accept reports from anyone other than the person who witnessed the event and can describe first-hand what has happened. You can let the office know once you have reported it to the Police.
 - a. Pay attention to details: What does the suspect look like (size, features, clothing, vehicle (color and make if possible), etc. This will help the Police search our area and surrounding communities.
 - b. Do not follow the suspect. That is dangerous for your safety and will only delay the report to the police.
5. If you go away for a few days or a few weeks, don't forget to stop the mail and paper delivery. A loaded mailbox or newspapers in your carport screams "Break in – I'm not here".
6. Don't assume that strangers are just someone's family visiting. If your gut tells you something is wrong, it probably is. **DO NOT** confront the individual(s) **IMMEDIATELY** call the Police non-emergency number (727-369-7864). It is much easier to apologize to a neighbor for the error than explaining to them "...gee I'm sorry, I thought it was someone related to you" after their home is broken in to.
7. Lock/Secure your Golf Cart and Bicycles.

Shut off water valves

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

Soliciting

Soliciting of any kind is not allowed in Golden Gate. If anyone comes to your door trying to sell anything, please be safe and just say no thank you; close your door and call the police non-emergency number (on page 2 of the Golden Gate Telephone Directory (727) 369-7864. Do not confront the solicitors.

Weed Program

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

Friendly Reminder...

There have been several “exterior home improvement/modification projects” completed within our community during the past year. However, the majority of them were completed without prior approval of the Directors as required by “Golden Gate Rules and Regulations”: Per Rule 16. (Home Sites) ... *“Any additions or revisions to your exterior property, including outside painting of any type, must be approved by the Board of Directors and a permit obtained from the office before starting work. The permit must be displayed in a clearly visible area. No fences permitted without approval of Board of Directors...”*

Maintenance Staff Assistance

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam. This allows them to track, prioritize and complete their daily work load. Thank you!

Strays / Feral Cats

Free roaming cats also referred to as community cats present a challenge to the health and safety of county citizens as well as the health and safety of the cats. In order to confront this challenge with a new approach the Board of County Commissioners of Pinellas County has approved a 3-year pilot Trap, Neuter, Vaccinate, & Release (TNVR) program.

Golden Gate is working with 'Meow Now Pinellas'. As we trap a stray cats we contact Meow Now Pinellas to come and pick them up. It is very important for our residents to NOT feed these stay cats as this makes it very hard to trap them.

If you know of free-roaming community cats, please contact the Golden Gate Office and we will set out a trap or contact MEOW Now Pinellas at (727) 203-5255 for TNVR (Trap-Neuter-Vaccinate-Return) services.

ENGAGEMENT ANNOUNCEMENT

Love is in the air, right here at Golden Gate! We are pleased to announce the engagement of Kim McIlvoy and Steven Sorenson. Kim is the daughter of Bruce and Rosemary McIlvoy on 1st Street. Kim recently became a full-time resident. Prior to moving to Golden Gate, Kim lived in Illinois with her 23-year-old son. Kim has been a Registered Nurse for the past 33 years.

Steven Sorenson is also a resident of Golden Gate, He is the son of Peggy Sorenson who resides at 82042 5th Ave, Steven is a retired Army non-commissioned officer. He has four grown children.

Kim and Steven met on a blind date at the clubhouse for the Valentine's Day dance. They have Marcel Pilon to thank for playing cupid. What started out as a blind date apparently has turned into a life long commitment!

Everyone here at Golden Gate wishes them the best!

THANK YOU

To All Our Friends in Golden Gate,
Ken and I would like to say "Thank You" for all the support, prayers, food, thoughtfulness and calls during Kens' illness. He was a sick little puppy and is on the mend now..... Thank Goodness. We chose Golden Gate for our home even before we knew how wonderful it is and how lucky we are. I cannot imagine going through all of this without the love we received from all of you. We are so proud to be a part of what we call our Florida family and so appreciative that we are lucky enough to be included. Each and every one of you is special to us in so many ways, it seems like "Thanks" just isn't enough.

Thanks for sharing YOU with us,
Anne & Ken Jones

What do the instructions say? Creativity expert

Yoram Solomon often conducts workshops that teach people to approach problems with an open mind. In one exercise (recounted on the Inc. magazine website), he asks participants to build a structure out of a sheet of paper. Some cut the paper into smaller pieces, although his instructions don't specifically say they can.

Once everyone is finished, Solomon asks, "Did the instructions allow you to cut the paper?" Most believe they've done something wrong. But one person usually pipes up with, "You didn't say we couldn't, either."

"To be creative," Solomon points out, "don't assume restrictions that don't really exist."

Beware these creativity myths

Creativity can seem magical and mysterious, but you shouldn't make assumptions that can hold your imagination back. Watch out for these misconceptions that can impede your efforts to find innovative ideas and solutions:

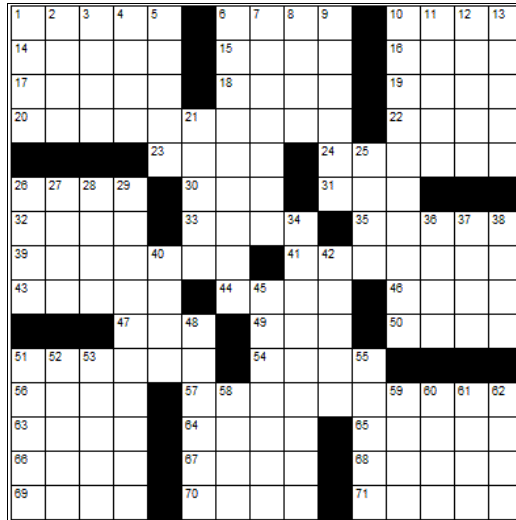

- The "eureka" moment. Many people believe that creativity is a sudden flash of insight. More often it's the result of research and persistence, immersing yourself in a subject, and then building on what you learn.
- Inborn creativity. You aren't necessarily born with the ability—or inability—to think creatively. You can learn the knack by asking questions, looking at things in new ways, and challenging the status quo.
- Uniqueness. Good ideas don't always spring from something new. Often the best ideas and solutions come from combining separate elements in different ways.
- Lone wolves. The stereotype of the genius working alone in an office or laboratory is misleading at best. Although some mavericks do produce good ideas totally on their own, many of the best ideas and solutions are the result of collaboration by smart, motivated people.
- Brainstorming. Brainstorming sessions can produce results if they're focused on a specific issue. If it's just a free-form session of throwing ideas around, chances are you won't generate practical solutions. Keep the discussion centered on the problem you're trying to solve.
- No limits. Creativity may seem to thrive on the concept of thinking beyond boundaries. In reality, constraints can force your thinking in the right direction. Try setting some limits to what you want to create—size, budget, deadlines—and see how that helps focus your imagination.

Did you know June is also...

Adopt a Cat Month. Your local shelter has tons of cute, cuddly newborn kittens mellow older cats, and everything in between. Shelter staffers are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

National Dairy Month. Start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products such as milk contain essential nutrients that can help you manage your weight and reduce your risk for high blood pressure, osteoporosis, and other health problems.

National Zoo and Aquarium Month. June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

PTSD Awareness Month. The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

National Automotive Service Professionals Week, June 11-17. A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

Men's Health Week, June 12-18. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

National Nursing Assistant Week, June 15-22. Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

Global Day of Parents, June 1. The Global Day of Parents was proclaimed by the UN General Assembly in 2012 to honor parents throughout the world in appreciation of their selfless commitment to children.

Flag Day, June 14. Fly Old Glory with pride!

Father's Day, June 18. A day to honor fathers everywhere.
