## FROM THE OFFICE

---

**W**ell I know some “snow-birds” will be starting to plan for their journey back north. Here are a few reminders for your attention:

• Please remember to sign out in the office. Your signature is needed to stop the Water/Sewer/Trash Bill. Per the Golden Gate Rules & Regulations: (#16 Home sites): Shareholders will be exempt from billing for City utilities for any month which the home is occupied less than 7 days providing the sign out procedure with the office has been properly completed. There is a city charge of \$25 to reactivate the water bill.

- When signing out please check to make sure we have an “away” contact number and address to reach you.
- “Weeds Needs” – Once again, the Weed program is available for \$40.00. This covers spraying for weeds in your front planters from May through September. If you choose not to participate or if someone is watching out for the upkeep of your property, if there is an issue, the “Friendly Reminder” will be sent to you. Please accept the reminder in the spirit it was intended.....just a friendly notice that your property may need a little attention.
- Hurricane Season – Please put away or secure all outside items that may become a projectile during a Hurricane. Even items that you may think are heavy (patio chairs/ tables, flower box pots or ornaments, etc.) will become airborne in 40+ mph winds. Your neighbors appreciate your consideration. It also does not invite potential thieves in to take your “stuff”.
- Don’t forget to get a forwarding mail package from either the mail man or there is a limited supply in the Office. If you do forget, you can forward your mail on-line at [www.usps.gov](http://www.usps.gov).

This is probably a good time to give a refresher on how the Water/Sewer/Trash bills work.

If you are here more than 6 days in a calendar month, you will get a bill from the city. The bill date is always 1 month past the usage month. For example, if you were here more than 6 days in April, you will get a bill in May, with a bill date of May. The payment will be due in June. To make it a little more confusing, if you have an electronic debit from your checking account, you will see the payment in June, (because that is the due date) for April’s usage. Hope this helps.....if not give Jane a call.

## SHUT OFF WATER VALVES

---

**I**f you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

## LIGHT UP AT NIGHT

---

**I**f you are riding a bike or driving a golf car at night you should have lights on so others can see you.

## ARTICLES FOR THE NEWSLETTER

---

If you have a computer with an email connection, articles may be emailed to [ggmedia@tampabay.rr.com](mailto:ggmedia@tampabay.rr.com), preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. ## WEED PROGRAM

---

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

## SAFETY & SECURITY

---

**“Remove It!!” “Lock It!!” or “Lose It!!”**

The Pinellas Park police is continuing this campaign which request all Pinellas County residents to lock their vehicles. There have been a rash of burglaries to unlocked vehicles. Officers will be using notices on vehicles to instill upon the citizens to lock their vehicles so they won't become a victim.

## **PARKING REQUEST**

---

**W**henever you, your guests, or contractors need to park out on the street, please follow Community Rules!

- No parking on the sidewalks. Your maintenance fees pay for all repairs.
- Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for cars, golf carts and bicycles trying to proceed by the vehicles.

---

## **“TIS THE SEASON”**

---

**J**ust a reminder that once Pinellas County swells with our welcome “snow-birds” petty theft and vandalism tend to increase. It is wise to always keep your home and vehicle doors locked and lock up your bikes, trikes, tools and sheds even when you are home. As always, please remember there is no soliciting allowed in our Community and you should call the Police dispatch number 541-0758 to report all solicitors. Never invite them in to your home.

---

## **MAINTENANCE STAFF ASSISTANCE**

---

**I**f you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam or Jim. This allows them to track, prioritize and complete their daily work load. Thank you!

---

## **BICYCLES**

---

**P**lease remember that bicycles are vehicles and must obey all traffic laws including stopping at all stop signs. This applies to residents and visitors.

---

## **THANK YOU**

*Sue Bowles*

---

**W**e would all like to thank Dottie Rissinger for all her hard work in getting old and new members into the women's club. We now have over "100" members! Dottie has gone over and above to help out in a lot of areas in the park. Her lasted job was to co-chair the flea market.

**GREAT JOB!**

Thanks again Dottie, we all noticed. Please keep up the good work?

# GOLDEN GATE WOMEN'S CLUB

Submitted by Gloria Kolodzieizyck

**T**HANK YOU to friends and neighbors of Golden Gate. Because of your hard work and generosity we had a very successful Flea Market. Even though the weather didn't cooperate you still supported us and we are very appreciative of you. Our success will enable us to continue to provide more fun events for you to attend. We are pleased that we were able to provide the Salvation Army two full truckloads of excess donations. Many thanks to all of the volunteers who spent two full days setting up, selling and cleaning up. Special thanks to Mary Jane Holoska for letting us use her property for storage, to the Kitchen crew for keeping our bellies full, to Tish Farrell for her mentoring and last but not least (rather first and foremost) to Paul Carter who for the past several years has made pick-ups throughout the summer to allow us to gather many items to be held in storage (and to his helpers for their assistance).

Our Men's Night in February was attended by over 150 gamblers. We started the evening with a spaghetti dinner that was followed by many games of chance. Word is there were many big winners but even the losers had a great time. Thank you to Pat Stephenson for organizing this year's event and to all those who assisted her

Plans for our Fashion Show are still being finalized with The Dress Barn furnishing our fashions. Watch for more information at a later date.

As you can see we are a very busy and exciting club and we invite you to come and join us.

# SHUFFLE NEWS

John Bankhead

**P**ractice discs vs competition discs  
When the white discs were purchased, a suggestion was made to “season” the discs by using them for practice. Later a decision was made to have the discs professionally seasoned by the disc vendor, and that was done. Currently there is no reason to use the white competition discs for any practice by anyone. These discs should be kept in the best waxed condition for tournaments and competitions and not be beat up by novices in practice. Too many times teams have been preparing for a match and the discs are in no condition to be used in match play, and recently they were in use by friendship members up until the visiting team arrived to compete in the nova league. We have practice discs which are black and yellow which should be used for practice, instruction, and games. When a set of discs are used they should be waxed when their use is completed, not left on the floor of the locker to be cleaned and waxed by another. It is always the same people who pull out a set of the competition discs to practice with and have never waxed a disc in their life. Recently an unidentified group of four people were in the club’s locker unescorted by anyone from the club, and playing shuffle with the competition white discs, this my friends is completely wrong, and whoever unlocked the locker and gave them the discs should know that.

## THE GOLDEN GATE THEATER CLUB NEWS

Charlene Whitehead, Secretary

**T**he Theater Club meeting was held on February 3rd with many members in attendance. Our February 20th Winterlude Show was sold out. It was greatly enjoyed by our residents and guests. A special thanks to Anne Jones for the loan of her Karaoke system. She always comes through for us. Also, a special thanks to Marie Avitabile for her great organizational skills and dedication. Lets not forget Erma Stevens, she is always available to lend a helping hand when needed. **GREAT JOB GIRLS!**

Plans are underway for the Adult Comedy Show on March 13th directed by Tish and Jim Farrell. We all know what a great show that will be. If past shows are an indicator, it will be fabulous. Flyers will go out to all residents the week of March 7th, so be sure to check your

mailboxes and mark your calendars. As previously mentioned by Harvey Hodder in his last newsletter, there were changes to the Executive of the Theater Club. Don Kuzmickas finished up his term as President and Paul Carter assumed that position. Thanks Don for a great job. Marie Avitabile is back as Vice President, (we knew she couldn't stay away for long). Welcome back Marie. Harvey Hodder is moving on to take a position with another club. We will miss his monthly new letters. We all looked forward to reading them. Charlene Whitehead will be replacing Harvey as Secretary. Erma has agreed to remain as our Treasurer; she does such a great job at keeping the books balanced. Well folks it has been a busy month but that is all I have to say for now.

## MARCH 2016 NUGGETS NEWSLETTER

Anne Jones

**M**arch is the month when we can all say “Whewwww”, we sure hope our Florida weather is warm and sunny again!! Here are some March holidays I found in my research of the month.

- March 1st “National Dadgum That’s Good Day”
- March 3rd “National I Want You To Be Happy Day”
- March 14th “National Napping Day”
- March 16th “National Everything You Do Is Right Day”
- March 19th “National Let’s Laugh Day”

Golden Gate Nuggets Club’s goal this month is to honor all these Holidays.

March 4th @ 5pm will be our Pot Luck Dinner, hosted by Ray & Ada & Company. There will be a flyer letting you know the main dish, and your job is to bring all the fixins!! Remember to bring your place settings, but not before 2pm on that day. After this dinner we hope you will all say “Now that was Dadgum good food”!!

March 9th @ 8pm is our “Luck of the Irish” dance, hosted by Ulaine & Harry and Anne & Ken. The entertainment for the evening is “Rich Kelly”, playing most anything you’d like to hear. Tickets will be sold on Tuesday, March 1st & Wednesday, March 2nd from 9am-10am in the poolroom. Cost for this dance is \$5.00 for all, but remember, any unregistered guests tickets will only be sold on the 2nd. We only “Want You To Be Happy”, so if you see a leprechaun tonight, have your 3 wishes ready, but don’t let him anywhere near your shoes!!!

March 15th @ 7pm is Meeting Night!! You never know what’s happening at our meetings, so you might need to “Nap” before you come.....because we want it to be an “Everything You Do Is Right” kind of night!!

March 20th@ 4pm is “CHOPSTICK AUCTION” time. With much prodding by all that attended last year, Delores has agreed to do this one more time!!! (Really folks, she just loves to shop!!) The Nuggets Club will provide the food, the beer, the wine, and all you need to bring is plenty of quarters and be ready for a romping good time!! Tickets will be sold on Tuesday March 15th & Wednesday March 16th in the poolroom from 9am-10am. The price is \$5.00 for Residents and Registered guests and \$10.00 for all unregistered guests. Join us and lets play together, lets have fun together, “ Lets Laugh” together!!!

And remember: Life may not be the party we hoped for, but while we are here we might as well dance.

## March Is...

---

**American Red Cross Month.** The American Red Cross was founded by Clara Barton in 1881. Today its supporters, volunteers, and employees provide compassionate care in five vital areas: People affected by disasters in America; support for members of the military and their families; blood collection, processing, and distribution; health and safety education and training; and international relief and development.

**Music In Our Schools Month.** An annual celebration sponsored by the National Association for Music Education, Music In Our Schools Month engages music educators, students, and communities from around the country in promoting the benefits of high-quality music education programs in schools.

**Social Work Month.** The goal of Social Work Month is to educate the public about how social workers bring about positive social change and improve the lives of individuals and families. It's sponsored by the National Association of Social Workers, which works to enhance the professional growth and development of its 132,000 members, to create and maintain professional standards, and to advance sound social policies.

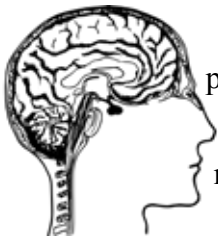

**Women's History Month.** Women's History Month has its origins as a national celebration in 1981 when Congress authorized the president to proclaim the week beginning March 7, 1982, as "Women's History Week." Since 1995, Presidents Clinton, Bush, and Obama have issued a series of annual proclamations designating March as "Women's History Month."

## Weekly

---

**National Cheerleading Week, March 1-7.** National Cheerleading Week recognizes cheerleading athletes around the world. Its goal is to build a more positive image of cheerleading by engaging in group activities, community service, and fundraising projects.

**NO MORE Week, March 6-12.** NO MORE is a movement to raise public awareness around ending domestic violence and sexual assault. NO MORE Week is a national effort to engage individuals and organizations to say "No more" to abuse, and to make domestic violence and sexual assault awareness and prevention a priority year-round.

**Brain Awareness Week, March 14-20.** A global campaign to increase public awareness of the progress and benefits of brain research, Brain Awareness Week unites the efforts of partner organizations worldwide in a celebration of the brain for people of all ages. Activities include open days at neuroscience labs, exhibitions about the brain, and more.

## Keep the speed up when you walk

---

A brisk walk is good for your health, especially as you grow older. A study reported on the LiveScience website found that older adults who maintain a speed of 3 miles per hour when they walk have a 50 percent lower risk of heart disease than people with a pace of two miles per hour or slower. And folks who walk an average of seven blocks a day have a 47 percent lower chance of developing heart disease than those whose walks add up to just five blocks a day or less. So put your shoes on and get walking.

## Help your brain stay healthy

---

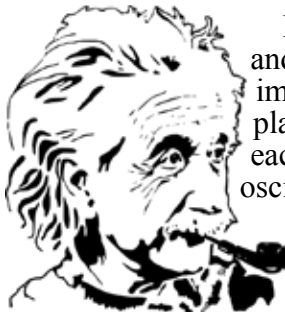

Feeding and stimulating your brain well can keep it healthy throughout your life. The American Academy of Family Physicians offers these tips for keeping your mind in tip-top shape:

- Eat a healthy diet. Choose nutritious foods like antioxidant-rich vegetables, fruits, and whole grains, and omega-3 fatty acids, and cut out saturated fats. Avoid fad diets that offer only short-term results.
- Watch your weight. Maintain a healthy weight and pay attention to your blood pressure, cholesterol, and blood sugar, which are all associated with an increased risk of dementia.
- Exercise your brain. Keep learning new things all the time. Puzzles and games that stretch your mind can help you maintain good brain health. So can staying active socially, so keep up your friendships and strive to meet new people.

## Mission to gravity: Space probe searches for waves

---

A European space probe will try to confirm a theory about gravity developed by Albert Einstein, according to the Reuters website. Launched late last year, the LISA (Laser Interferometer Space Antenna) Pathfinder will assume an orbit between the Earth and our sun, collecting data about gravity waves.

Einstein predicted the existence of ripples of gravity that bend space and time some 100 years ago, but finding those ripples on Earth has been impossible. The space-based experiment will monitor two cubes of a gold-platinum alloy to determine whether they maintain their distance from each other in free fall. The results will allow scientists to observe minute oscillations caused by gravity waves.

## Teed off

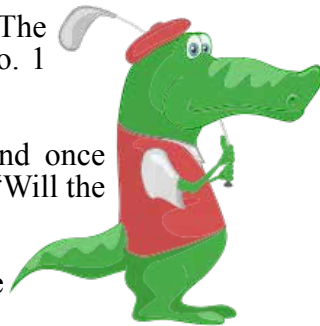

---

**G**olf courses typically have two sets of tees, one for women and one farther back for men. One day at the first tee a man was stepping up to his ball when a voice came over the clubhouse loudspeaker: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The golfer looked up, surprised, then addressed his ball again. The voice on the loudspeaker repeated, “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

Irritated now, the golfer backed away, took a deep breath, and once again approached his ball. For a third time, the loudspeaker blared: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The man flung his golf club down. “Will the announcer please shut up and let me hit my second shot?”

## An exciting finish

---

**T**wo bass players performing Beethoven’s Ninth Symphony realized that for some time at the end of the piece, the bassists play nothing. They decided to sneak out of the auditorium for a quick drink at the bar in the lobby.

After a few quick shots, one of them checked his watch. “Uh-oh, we have to get back in two minutes.”

“Don’t worry.” His friend ordered another round. “I tied down the last page of the conductor’s score, so they’ll keep playing the same part over and over. No one will notice.”

After a few more drinks, they staggered backstage and made their way back to their chairs as the conductor struggled to untie his music score with one hand while conducting the orchestra.

One usher at the rear of the auditorium whispered, “What’s going on?”

The other usher answered, “Well, it’s pretty exciting. It’s the bottom of the Ninth, the score is tied, and the bassists are loaded!”

*I guess I laugh to keep from crying. And I guess if you ever get me crying, I might not stop. This is the way I look at tragedy or else I’ll cry.*  
—Bob Newhart
