## Just a Reminder from the Board of Directors:

---

Residents should not park vehicles or golf carts that are for sale at the front gate as this does not present the best atmosphere of our community.

Additionally, there have been a few incidents where residents have had guest staying at their home over the 15 day limit without directors approval. Per Rule 5 of the Golden Gate Regulations “Occupancy by guests of the shareholder shall be for a period of time not exceeding (fifteen) consecutive days and 30 (thirty) days total per year, unless a longer period is approved, in writing, by the Board of Directors. Any visit of a guest will be terminated immediately if they fail to abide by the Association Rules and Regulations. Any permission for an approved extended guest who fails to follow the Rules and Regulations will be revoked. Use of the unit by family members is permitted, provided the shareholder notifies the office prior to arrival of the guests, assumes responsibility for water, sewer, and garbage charges and designates the length of stay. Guests must be registered upon arrival, sign out when leaving and they must agree to abide by all the rules of the Association.”

## Shut off water valves

---

If you are using the water outdoors, please remember to shut off the valve at the house instead of just turn the nozzle on the hose.

## Maintenance Staff Assistance

---

If you identify a maintenance item around the Community, please ask someone in the office (Jane or a member of the board) to complete a work order for Lam. This allows them to track, prioritize and complete their daily work load. Thank you!

## Parking Request

---

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules!

- No parking on the sidewalks. Your maintenance fees pay for all repairs.
- Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by. This causes obstructions and creates a dangerous situation for cars, golf carts and bicycles trying to proceed by the vehicles.

---

## Soliciting

---

Soliciting of any kind is not allowed in Golden Gate. If anyone comes to your door trying to sell anything, please be safe and just say no thank you; close your door and call the police non-emergency number (on page 2 of the Golden Gate Telephone Directory (727) 369-7864. Do not confront the solicitors. You are not being “mean” when you call the Police. You are protecting yourself and your Community.

---

## Golf Cart Parking

It has been brought to the Board’s attention that many unit owners are leaving their golf carts parked between units. This causes a problem for the Association’s Lawn Contractor, for it impacts his ability to perform his responsibilities in a proper manner. Please refrain from parking the carts on the lawn areas, especially on Thursdays, the designated day for lawn cuttings. Your cooperation is truly appreciated.

---

## Articles for the Newsletter

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to [ggmedia@tampabay.rr.com](mailto:ggmedia@tampabay.rr.com), preferably by the Monday before the third Tuesday of the month. The Board of Directors’ Meeting is the third Tuesday of the month and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don’t have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

## WEED PROGRAM

As most of you are aware, we have a problem with the growth of weeds during the summer months, typically May through September. The weed problem we are concerned about is in the planter boxes and the front of the homes. Even those homes that have mulch or stones in the planter boxes will have weed growth.

The board does send "friendly reminders" to alert residents as stated in rule #16..."Each shareholder is responsible for the neat and orderly appearance of his or her premises at all times. However, the general response to the friendly reminders has been less than satisfactory.

We would like to aid in solving this problem by having our maintenance staff spray weed killer in the planter boxes or in front of the home for any resident that desires to participate. There will be a \$40.00 per year fee to cover the cost of the material for spraying from May through September. If you wish to participate in this program, send a check or pay cash to Jane in the office. If you choose to participate in this program, our maintenance staff will spray, beginning in May and ending in September. However, if you have ornamental plants that could

be harmed by the spraying, you will have to make other arrangements, since we will not be responsible for any damages.

If you choose not to participate, the weed issue for planters and the front of your home will continue to be your responsibility, and be subject to the terms of rule #16 concerning work done in your absence.

## FRIENDLY REMINDER

---

There have been reports that individuals have not been obeying STOP signs and speed limits. The speed limit and STOP signs are posted for everyone's safety. Golden Gate Rule #9 reflects "All residents and guest must obey all local and state rules related to the operation of vehicle's. The (fifteen) MPH speed limit must be observed by all residents and guest." Please remember safety first! It may take you a few seconds longer to get where you're going. However, should an accident occur it could take you a lifetime to forgive yourself.

## Light up at Night

If you are riding a bike or driving a golf car at night you should have lights on so others can see you.

## Tips for choosing the right contractor

---

- Ask to see their license and call the appropriate licensing agency - Pinellas County Construction Licensing Board for a county license or for state license to verify the status and insurance.
- Ask for and verify references from past customers.
- Check with the Pinellas County Consumer Protection, local Chamber of Commerce and the Better Business Bureau.
- Get a written estimate from several licensed contractors. Be sure that the estimate includes all work to be done by the contractor, the materials involved, date of completion and the total cost.
- If the project is for repairing damage, check with your insurance company first to verify that your insurance will cover the repairs before you sign a contractor.
- An occupational license or business tax receipt (BTR) is not sufficient in the construction trades.
- Beware of contractors or alleged contractors who ask to be paid in cash, ask for large payments up front, or ask for you as the homeowner to pull the permit.
- After you choose a contractor:
  - Make sure your contractor obtains a permit and posts it on the front of the property.
  - If the contractor requests a final payment before all final inspections are completed and the permit placard has been signed by the appropriate inspectors, request that he/she obtains all final inspections prior to your final payment. However, you must abide by your contract.
  - Make sure your contractor provides you with releases of liens from his subcontractors and suppliers.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

- 
- Before signing a contract, be certain your contract includes:
  - The contractor's name, street address, telephone number and state or local license number.
  - A precise description of the work to be completed, including a draw schedule and list of materials.
  - Completion date, including cleanup after work is finished.
  - Warranty agreements, including length, terms and recourse.
  - A notice of consumers' rights under the Florida Homeowners' Construction Recovery Fund for contracts involving general, residential and building contractors.
  - Read your contract carefully and personally fill in any blank spaces. Consider having an attorney review the contract. If you do not have an attorney the Florida Bar offers a lawyer referral services.
  - Beware of unlicensed contractors:
  - If you are planning to build a new home, a room addition, add on a second story, begin remodeling on your home, or have work done that requires a building permit, take care to select a qualified person to perform the work. Under state and local ordinances, any person you hire under contract (verbal or written) to perform construction on your property must be a licensed contractor. The contractor must be state certified or registered. All printed advertising material such as business cards, newspaper ads and telephone book ads must show his or her state license number.
  - Beware of anyone that asks you to obtain the building permit as an "owner/builder", this may indicate that they themselves are not properly licensed to obtain the permit.
  - Also, beware of people that claim that you will save quite a bit of money by not obtaining a permit. A permit will only lead to compliance with the appropriate building codes, these are only minimum requirements.
  - Unlicensed contractors do not have insurance coverage. Any injury that occurs on your property will be a claim against your insurance.
  - If you wish to check on the license of an individual you can call the Pinellas County Construction Licensing Board at (727) 582-3100. Additionally, you can contact the Pinellas County Building Department at 464-3888.

Contractors are required to be licensed by the Pinellas County Construction Licensing Board (PCCLB). You can verify a contractor's license complaints by calling:  
 PCCLB at (727) 582-3100  
 Pinellas Park Building Development Division at (727) 369-5647  
 The Better Business Bureau at (727) 535-5522
