## **CLOTHESLINES:**

---

**N**ot allowed!! Park will be enforcing this!!

## **SNOWBIRDS:**

---

**R**emember to put all carport items away or tie-down. Hurricane season will be here soon and those items become flying objects. Be a good neighbor. Remember last year!!

## **BLANKETS FOR THE MIGRANT WORKERS:**

---

**R**emember the blankets, new or slightly used, for the migrant workers in Plant City. Their homes have no heat in the winter. Harriet Ha-Sidi will start collecting your donations in Mid-November. More information in the Fall.

## **TRAFFIC:**

---

**P**lease be careful when exiting our park!!!!

Making a left turn is very hazardous. Pinellas Sheriff's Dept would recommend a right turn only, to go left, go to the traffic light and make a u-turn. If you insist on a left turn out of the park, make sure all lanes are clear, do not remain in the median unless you have a small vehicle. Remember, over 75% of all accidents nationally are from making left-turns. Keep safe. Another reminder. Please be careful, we have all witnessed accidents at our front gate!!

## **POWER WALK:**

---

**T**hank you Marylou Belliveau for organizing and leading our Power Walk classes this season. Power Walk will be ending mid April, leaving many of us much healthier. Hopefully we will be able to enjoy this activity next season.

## REMEMBER: PET OWNERS !!! PICK UP WASTE!!!

---

**I**f you have guests with dogs, make them aware the dogs must be walked on a leash in the pet section. You must pick up their waste! Many complaints about this!! Let's try and be good neighbors. **ANOTHER REMINDER!! STILL A PROBLEM!!!**

## DANCE:

---

**A**pril 5th – Blinky and Fritz - \$6.00pp –Buy your ticket and sign up for a table. Tickets available at Social Club or call Ed or Marylou 498-6874

Thank you Ed and Marylou Belliveau for organizing our dances this season. Great choice of entertainers. Ed and Marylou are constantly visiting various venues to look at performers and their choice of music to see if they would be a good fit for us. We have all enjoyed their choices this year. We know that next season will be just as good. Thanks again!!

## FUN DAY:

---

**E**d, where do you get these games from? Games, lunch and being with friends! A wonderful way to end our winter season. As April comes we will say good-bye to many of our Northern friends and neighbors. A sad time, but many of us are already looking forward to next season. Thanks Ed for organizing a truly “Fun Day” for all of us to enjoy. Can't wait to see what you come up with for next year.

## BOCCE DINNER:

---

**H**eld March 10th in place of St. Patrick's Day dinner. As most of you know our kitchen has been closed until renovations are made to meet code standards. Joel and Cathy MacPhee quickly organized a dinner sponsored by the Bocce Club, open to all residents, so we could celebrate this holiday. Roadhouse Restaurant catered this event, food was delicious, tables were decorated in green, as well as many of the residents. Thanks again Joel and Cathy for giving us a chance to "wear the green".

## BOCCE: USA VS CANADA TOURNAMENT

---

**F**inals of the USA vs Canada Bocce Tournament were held on March 5th, with the USA winning the best of three games. The third game was tied at 10-10, with the USA scoring the last point. It could not have been a closer match!! All the players on both teams were winners. Our annual Bocce picnic was held after the match where both teams were honored with gifts. Thank you to all who helped decorate the court and club house in red and blue. Thank you also to the referees, to those who provided our music, and to Carol Denall and Rolande Morrow for organizing our wonderful lunch. As always we thank all those who contributed to the success of this activity, without you these events would not happen!!

Fun shuffling has been well-attended this year and will continue into April. Good time to come out and try this exciting game. Wednesday evenings 7pm. Thank you Gaetane Berman for preparing all those delicious lunches for the visiting teams playing here at Harbor Lights. As in past years some of the teams want to play their home games here so we could provide their lunch. Do we do catering? Thanks again Gaetane!

# Start thinking green this spring

Most of us can do a lot better when it comes to being ecofriendly. Here are two areas where we can improve upon our good intentions while we lessen our negative impact on the environment:

• **Recycling.** It's great if you always throw your empty soda cans and water bottles in the recycle bin, but are there other items you are overlooking? If your municipality has a recycling program they probably have a set of guidelines posted online that explains what they accept and how you should prepare those items for disposal. Even though that peanut butter jar is marked as being recyclable, it might be considered garbage if traces of peanut butter are still in it. Find out what you need to know and make a commitment to recycle as much as possible, properly.

• **The brown bag lunch.** Embrace sustainability when you take your lunch to work by eliminating the amount of disposable products you use. Carry your lunch in a cloth sack, bento box, or small basket. Pack food in glass, metal, or some other kind of reusable containers. Swap out paper napkins with cloth napkins, and plastic straws with metal ones. Consider keeping a coffee mug and set of flatware at your desk in an effort to generate less waste.

## A broadband of conservation

In 1989, attorney and activist Susan Tixier mobilized a group of “mature” women on a hike through Utah’s Grand Staircase-Escalante. Most of them were already involved in wilderness preservation efforts, but their goal was to discuss conservation issues surrounding many of the U.S. national monuments and make sure that the voices of older Americans were represented in that conversation.

A member of a passing group of hikers saw them and said, “What a bunch of great old broads!”

On that day, Tixier and her colleagues decided to officially call themselves “Great Old Broads for Wilderness.” Since then they’ve grown their membership to 8,000 across 38 “Broadbands” nationwide.

The group advocates for issues affecting the environment and wilderness protection causes. Their ranks include “Young Broads,” and men of all ages, “Bros.” They host “Broadwalks” where they dedicate a day of stewardship to an area, address conservation issues there, and spend time hiking and exploring.

Visit [GreatOldBroads.org](http://GreatOldBroads.org) to learn more about the Broadbands and the work they are doing.

## The mask of kindness

There once lived a man who was disliked by everyone in his village because of his surly demeanor and foul temper. He was known to mumble and grumble unpleasanties to passersby and therefore had no friends. He lived alone, with the only knocks at his door coming from the rocks thrown at his cottage by the children of the village.

One day after his kitchen window was smashed by a rotten gourd, and the man visited the village elder to complain about his miseries as well as the ill treatment he felt he was subjected to by the other villagers. He demanded that something be done.

“I have a solution for your problems,” the elder said, and he disappeared into an adjoining room where he could be heard rummaging through a great many things.

He returned holding a mask of a smiling face. “What I’m about to share with you will have the power to transform your life,” the elder said.

“The only thing that needs transforming is my broken window!” the man sneered.

The elder let out a heavy sigh. “As I was saying, this mask will not only transform your life, but it will correct any grievances you might have. Though, I must warn you,” he continued, “to wear this mask carries a great responsibility, an obligation to speak kind words, think kind thoughts, and perform random acts of kindness. Can you agree to uphold this edict?”

The man grudgingly agreed, reminding the elder he was owed a new window before he put on the mask and began the walk back to his home. Along the way the people he encountered greeted him with a wave or a smile. Occasionally someone inquired about his day. Because of the mask, he felt inspired to answer with a positive remark and this led to a pleasant conversation with a neighbor who noticed the man’s broken window and offered to fix it.

As the days and weeks passed the man grew more grateful and astonished by the effect the mask had on him. Because of the mask, the man never let a stranger pass him by without expressing a kind thought; he sought out opportunities to help others; and now had friends. For the first time ever, he was happy. The mask had transformed his life.

One day there was a knock on the man’s door. It was the elder, who’d come to take back the mask.

“But without this mask I will lose the ability to smile and show kindness,” the man objected.

“The mask didn’t make you kind,” the elder said. “The mask simply revealed to you all of the possibilities that exist when you are kind.”
