RULES THAT RESIDENTS FORGET

Swimming Pool – RESIDENTS ONLY FROM 2-4PM DAILY. CHILDREN UNDER THE AGE OF 3 YEARS ARE NOT ALLOWED IN THE POOL. There has been some mention of late that this has been happening. There is reason for this rule in the Prospectus, if something comes out of the diaper or pullup we have to shut the pool down until the pool service gets debris out of pool and shocks the pool. Please be respectful of your neighbors and abide by this critical sanitation rule!

Guests must be signed in at the office.

Pick up after your pet! When walking on 92nd Lane, please stay on the west side of the street.

Phone Numbers and Addresses

Hello everyone and welcome to a little bit of Paradise.

My name is Dennis, and I along with a lot of help from my wife Mary, try to keep up a current directory for the residents here at Harbor Lights. Your help can make it a lot easier for us to produce a directory that is as accurate as possible at the time of printing. If you are new to the park or have had a change of address or phone number please, simply fill out the form on this page. You can then drop the form off at our home at 9126 48 Terrace N. or give the form to Mary or myself at one of the social meetings.

By now the 2019/2020 directory has been printed. If you haven't received one, we will have them at the social meetings, or you can drop by and pick one up at our home. If any of your information in it is incorrect and you would like it corrected for the 2020/2021 issue, please use this form as well and we will update our file for the 2020/2021 edition.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! Vegans

Is veganism in the United States on the rise? Although the Indiana Daily Student website reports that only 3% of Americans identify as vegan, there's evidence that it's becoming more and more mainstream. A Harris Poll survey found that one in five Americans at least sometimes eat vegan when dining out, and data from Impossible Foods shows that more than 50% of millennials and Gen Z members eat plant-based meat at least once a month, compared with one in five baby boomers.

Studies suggest that the slow rise of veganism is linked to concerns about the environment, a desire to address animal welfare, and overall health—although nutritionists point out that meatless burgers aren't necessarily healthier than beef because they include more salt and saturated fat.
