Tony and Jan received the certificate for their Mother Jean Warren. Other recipients include: James Anderson, Kenneth Burt, James Bridger, Peter Gallineli, John Gonzales, Jan Gruhala, Butch Goodridge, Larry Lang Sr., Robert Norton, and Stephen Pryor. Prior recipients include Skip and Jane Perley. The certificates are sponsored by the American Legion, the Eagles, the Amvets, and the Marine Corp League.

Managers Corner:

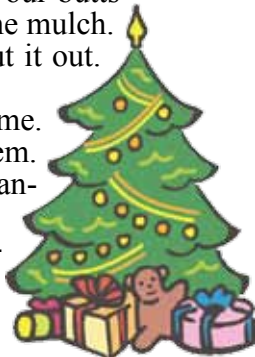

The Christmas Party will be December 9th from 7PM-10PM. As always we will donate to Toys for Tots. There will be a snack, raffles and music by Darrell and friends. Sign up in the red book and come have some fun!

Garbage days are Monday & Friday, if you have trash either wait for the correct day to put it out. Or take it to the dumpsters. When taking items to the recycle cans, please use the proper can. Cardboard boxes do not go into the cans. You can flattent them and put out with the trash. Maintenance will pick it up on trash day. Smokers! Please dispose of your butts in the ash trays. We had a fire due to someone throwing their butt on some mulch. Fortunately, there were people at the shuffle courts that saw this and put it out. Thank you to those people!

We have a new ice machine in the clubhouse. I hope it lasts us a long time. There are still many thuyings we need to address. And we will get to them. Remember, if you have a fruit tree in your yard. You are responsible for cleaning up the fruit. This causes unwanted critters.

We want to welcome all our new residents to the community. You are always welcome to join the activites here. And make use of the amenities.

We hope everyone has a wonderful & safe Holiday season!
Debbie

December Is...

National Impaired Driving Prevention Month. Get home safely from your holiday parties this month—and remember safe driving habits all through the year. December was designated National Impaired Driving Prevention Month in a presidential proclamation in 2011 to “address the serious and growing threat drunk, drugged, and distracted driving poses to all Americans.”

Safe Toys and Gifts Month. Shopping for toys for Christmas, Hanukkah, or other holidays? Think about safety. Every year, toymakers around the world recall millions of toys due to safety concerns like lead paint and small magnets. Choose toys that are safe for the age of the child so everyone can enjoy a happy holiday.

Universal Human Rights Month. Universal Human Rights Month is dedicated to sharing information about human rights and distributing copies of the Universal Declaration of Human Rights throughout the world in English and other languages. The declaration was adopted by the U.N. General Assembly on Dec. 10, 1948.

National Stress-Free Family Holidays Month. Don't let the stress of the holiday season get you down. Instead of driving yourself crazy trying to create the “perfect” holiday, identify what's truly important to you, your family, and your friends, and develop holiday traditions that are uniquely your own.

Don't sabotage your workout

You work out regularly, so why aren't you in the best shape of your life? You could be sabotaging yourself without realizing it. Whether you go to a fancy health club or simply exercise at home, don't undercut your progress with these mistakes:

- Not warming up properly. Without a thorough warm-up, you won't get all the benefits of a good workout, and you increase your chances of injury. Don't leap right into exercise—get your muscles ready to work.
- Consuming the wrong calories. Energy drinks and power bars may seem healthier than soda and chocolate, but they still add unwanted calories. Keep up your energy with fruits and vegetables, not trendy sports beverages or massive bran muffins.
- Starving yourself. The flip side of eating too much is not eating enough to get through your workout. If you're hungry, you'll tend to binge on high-calorie foods later. Focus on a healthy diet that supports your effort.

Stay **CONNECTED** To the *ERs* You Trust

The ERs You've Always Depended On

In times of emergency, you want an ER you can trust to provide quick, quality care when you need it most. BayCare's full-service emergency centers are trusted leaders in exceptional emergency care throughout Tampa Bay. As a resident of central or northern Pinellas County, you have access to four convenient locations for the treatment you or your family need. It's comforting to know that these ERs are not only close by, but have been trusted by generations of Pinellas County residents for their quality of care.

Turtles: Not as quiet as you always thought

Most of us think of turtles as slow and silent, but that's changing. According to the Scientific American website, biologists have identified 11 distinct sounds that turtles make—though they have no idea what they mean.

Researchers spent two years tracking and recording giant South American river turtles in Brazil. The 220 hours they captured let them zero in on six of the 11 specific sounds; some occurred during periods of migration and nesting, while other noises seemed to come out all the time.

The scientists aren't even sure if other turtles recognize the sounds. Further research will have to determine whether they're actually calling out "Cowabunga!" and discussing pizza.
