From The President

Tom Vanzant

We are excited to welcome back our newly arrived seasonal residents. There is a lot happening in your park, however, the most important issue is that you cast your vote on the Bylaw Amendment Changes.

These changes, prepared by your peers, are a good start on updating the Park's current Bylaws.

We appreciate the support of the shareholders that were able to attend Mr. Zacur's, November board meeting presentation which explained why these changes are so important to you and our Park. For those that were unable to attend, we ask that you seriously consider voting YES to the changes. These proposed changes were prepared by a shareholder committee, along with a unanimous board decision to send the changes to you for your vote.

In keeping with our commitment of giving our shareholders a voice, I am happy to say that we have formed four shareholder only committees:

The Bylaw Amendment Committee whose members worked diligent and purposefully to successfully completed their task in time for the Annual Meeting.

The Technology Committee whose members are working on an HSP website. The Committee's mission is to create a site that is user friendly and provides the shareholders with useful, interesting, and valuable information that will draw you to use your website.

The Pool Room Committee, whose members are researching companies and obtaining estimates on the cost of recovering the pool table and identifying other necessary maintenance that needs to be done. Their goal is to provide a renewed surface on the pool table for our shareholder pool shooters to while away the hours.

The Gym Committee whose task is to evaluate our gym layout and equipment and provide the board with recommendation for improvement of both. Currently, two (2) of the five (5) pieces of equipment are down and have been repaired several times several times in the past, without lasting success. Needless to say, the Committee members will be shopping around to find equipment that will appeal to the shareholders and enable them to enjoy using the gym, much more.

If you have an interest in serving on a committee please contact myself or our Vice President, Kathy Bornick.

Thank You

From The Office

Pat Merl

The Park is bustling with activity. More and more of our seasonal residents are coming back and settling into our beautiful community for the winter months. Participation in the variety of events that occur during the holiday season, as well as several months thereafter, is just one way to renew friendships and forge new ones. I strongly encourage you to attend some of the meetings that will occur over the next several months. Everyone is invited to attend a few (or more) of the Committee (there are four of them, to date), Long and Short Planning, and regularly scheduled Board Meetings. Doing so provides you with an inside perspective of what is going on in your Park and a peek at some of the immediate and long term plans for the future. Notices are posted on the bulletin board, in the pool room, at least 48 hour priors to each meeting. Who knows, you may find yourself becoming active on an existing committee, or involved in the creation of a new one!

The December 14th Annual Meeting provides an excellent opportunity to have your voice heard. Please mark your calendar so that you are sure not to miss this very important meeting. This is the time you will be able to vote on your choice for the 2020 Board members as well as several Proposed Association Bylaw Amendments. If you cannot attend the meeting, please don't let that stop you from voting for your 2020 Board or the Proposed Bylaw Amendments. Once you make your decision on how you would like to vote, just fill out your Proxy and drop it and your Ballot in the large white box in the Park office.

Christmas and New Year's Eve are just around the corner! This is the time to create memorable moments with friends and family. Happy Holidays!!

NEIGHBORHOOD WATCH

Pam Grimm

OUCH! If you see a lime green caterpillar about the size of your pinky, keep your dog away from it. You don't want to pick this one up either! It could be an IO caterpillar moth. The larval stage of the IO moth ranks near the top of any list of problematic stinging caterpillars. The spines that cover the caterpillar are connected to poison glands. As with any stinging caterpillar, contact with the spines can be very painful — the sensation is similar to a bad bee sting; the pain can often last several hours. They have been spotted in the Park on certain shrubs/plants. They love hibiscus, crape myrtle, and anything that has fresh tender leaves.

...continued on page 6

Neighborhood Watch would like to welcome the seasonal shareholders back. Remember to lock up all bikes, cars, etc.... Bring all valuables, electronics, and chargers inside before retiring for the evening. As always, we are looking for new members to help educate and conduct patrols in the Park. If you are interested in joining, or would like more information, please call Pam Grimm at 727-828-9541.

If you see anything suspicious, call the Sheriff at 727-582-6200, then Neighborhood Watch. If a crime is in progress, call 911. All calls to Neighborhood Watch are confidential

Holiday Shores Activities Association

Shirley Johnson

November is a special month to honor our Veterans and Servicemen. This year we collected supplies for Operation Military Matters. This is an organization started by Graci Tubbs, who was 9 at the time. We donated a van full of supplies. Thanks to all our residents who participated.

We are looking forward to our luncheon at Abe's on Thursday, November 21st at noon.

Thanksgiving was held at clubhouse. Turkey and Ham furnished by Activities.

Welcome Back Party will be hosted by Andrea and Roy with At Large Band entertaining on Sunday, December 1st at 7:00 PM. Come join us and meet your neighbors.

Check A Frames for December events.

Activities Committee wishes all residents a healthy and happy New year.

GOLF: HOLIDAY CHIPPERS

Priscilla Donegan

The Holiday Chippers had their first day of golf on the 23 of November, due to another event that was scheduled for the third Saturday.

For all you residents new to the park, this activity is on the third Saturday of the month. We begin at the noon hour. There will be food and pop for you to purchase and for a reasonable donation, beer is available. There is a 50/50 draw for which you can purchase tickets.

The cost for this activity is \$1.00.

Hope to see you on the green.

Theater

David Middleton

The Way-Off Broadway Theatre held the first meeting of the new season on Tuesday, November 12, 2019. Officers for the coming season were elected and the new officers are David Middleton, President; Linda Dunn, Vice-President; Judy Garneau, Secretary; and David Helms, Treasurer. The new script for the March Show was read through, discussed and selected. Eating at Edie's is set to run March 9, 10 and 11, 2020, on the clubhouse stage and will star many of your friends and neighbors. The production, which takes place in a local diner named Edie's, features double-entendres, outrageous puns, corny jokes, music and lots of silliness. This show will be a must-see on your Spring calendar. Yes, we will need a lot of help from actors on stage to backstage help, costumers, set builders, etc. Come play with us...we believe theater is not just for the young, but the young at heart. It will be fun times for all - join us! No experience necessary... we're always looking for new talent on stage and off! The Way Off Broadway Theatre Group will meet on December 10th at the home of David Middleton and David Helms at 5:30 pm. Rehearsals for the March production will begin on Thursday, January 2, 2020 at 1:00 pm

Shuffleboard News

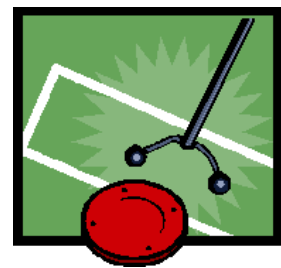

Priscilla Donegan

The shuffleboard courts have been busy the past couple of weeks. If you haven't been to the courts, yet, come on over and see how beautiful they are. Most of the work was done during the summer months. Thank you to all who waxed them for all of us to use.

On November 13th, the Annual Turkey Shoot was held on the shuffleboard courts. There were 44 residents and guests that participated in trying to get a high score for a prize. This is a blind shoot so no one knows where their disc is going. If you were unable to attend this year, hopefully you will put it on your schedule for next year.

Skip Wagner and Julie Pion shot 71 points each. There was a playoff and Skip won first and Julie was second. Doug Brown shot 61 coming in third place. Money was given out and first was \$20.00, second \$15.00 and third was \$10.00. Congratulations to all the winners and a big thank you to all who participated or helped in any way for the success of this activity.

Looking forward to seeing you on the shuffleboard courts. Come on out and give it a try. Monday, Wednesday, and Friday at 1:00. It costs ten cents a game and we play 3 games. Win and you get your money back!

December Days

World AIDS Day, Dec. 1. World AIDS Day is an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness.

International Tea Day, Dec. 15. Enjoy your favorite cup with a friend.

Ugly Christmas Sweater Day, Dec. 20. You know you've got at least one. Grab your least attractive Christmas sweater and show off your lack of good fashion taste.

First night of Hannukah, Dec. 20. Gather together to light the first candle on the menorah.

Christmas, Dec. 25. The highlight of the year to children young and old.

Da Vinci's bridge design would have worked

Leonardo da Vinci is known for such paintings as “Mona Lisa” and “The Last Supper,” but he was also a masterful engineer. According to the LiveScience website, in the 16th century he designed what would have been the longest bridge in the world at the time, connecting Constantinople to a nearby area called Galata over the Bosphorus Sea. He was responding to a request for proposals from Sultan Bayezid, the ruler of the Ottoman Empire.

Da Vinci's bridge was never built, but modern researchers from MIT have built a 3D replica of the bridge, using materials and construction equipment that would have been available in the 16th century. They found that da Vinci's design, using only a single arch, would have been structurally sound, thanks to compression that would have held the bridge's stones together. Leonardo was a true Renaissance man.

Monthly Memos

National Drunk and Drugged Driving Prevention Month. Drinking and driving can make the holiday season deadly for drivers, passengers, and pedestrians. National Drunk and Drugged Driving Prevention Month seeks to spotlight the dangers of driving under the influence of alcohol, drugs, or both. According to the National Safety Council, more than 40,000 people died in alcohol-related traffic accidents last year, so this year, stay safe during the holidays.

- **National Safe Toys and Gifts Month.** In recent years, the U.S. Consumer Product Safety Commission (CPSC) has created a robust toy safety system, requiring testing by independent, third-party laboratories around the world, imposing some of the most stringent toy standards in the world, and more. These combined efforts continue to foster the confidence of American families as they prepare to shop for toys this holiday season.
- **National Tie Month.** December is the month to honor the most required yet maligned strip of cloth that's an essential part of business attire—the necktie. Neckties give people the chance to add a little spice to their classy, professional look. A nice necktie speaks volumes about a person's sense of style and even gives people a little look at his or her personality. So this month, give a little extra respect to the people who are professional, classy, and trendy in their favorite ties.

Awareness Week

National Handwashing Awareness Week, Dec. 1–7. Avoid colds and flu during the winter months by following the four principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough into your hands; don't sneeze into your hands; and above all, don't put your fingers into your eyes, nose, or mouth.

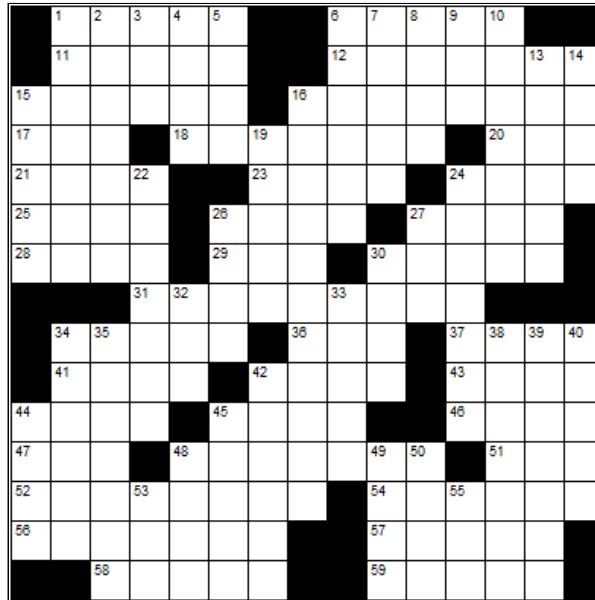

- **Older Driver Safety Awareness Week, Dec. 2–6.** Older Driver Safety Awareness Week aims to promote understanding of the importance of mobility and transportation to ensuring older adults remain active in the community—shopping, working, or volunteering—with the confidence that transportation will not be the barrier stranding them at home.
- **Kwanzaa, Dec. 26–Jan. 1.** A weeklong celebration observed in the United States as well as other countries with populations of African descendants, Kwanzaa is a holiday that honors African culture in not only the African American community but also in the world African community.

Life it is not just a series of calculations and a sum total of statistics; it's about experience, it's about participation, it is something more complex and more interesting than what is obvious.
—Daniel Libeskind
