## From The President

*Kathy Bornick*

**A**s a newly elected Board of Directors, we want to take this opportunity to wish all residents a Healthy and Happy New Year. We look forward to continuing to work in the best interest of all residents of Holiday Shores.

The Long Range Planning and Finance Committee Meetings are held at 9:30 AM on the second Thursday of every month. Your ideas and input at these meetings are helpful and welcome, since the Agenda items for the Board of Directors meetings are established during the Long Range Planning and Finance Committee meetings. The Board of Directors meets at 9:30 AM on the third Thursday of every month. Please attend both meetings if you are interested in the future of Holiday Shores Park.

## From The Office

*Pat Merl, LCAM*

**I**t's been great meeting more and more of the residents at Holiday Shores over the past several weeks and I'm looking forward to meeting many more as the season moves on. There are so many interesting people living here and finding commonalities with everyone has been extremely enjoyable for me.

I would like to thank those of you who have returned to the Park for the winter, for stopping by the office to let us know you are here and to remind those who are here and have not yet notified the office to please do. The same goes for any visitor's Park residents may have – please be sure to fill out a visitor's pass at the office.

There have been reports of animal droppings along Broadview Drive near the clubhouse. Needless to say, these may be wild and/or domestic droppings and pet owners can only be responsible for their pets. This is an opportune time to remind pet owners to please be sure to clean up after their pets when walking them in the Park.

# Holiday Shores Activities Association

Marie Rapoza

---

**T**he January meeting was attended by 46 residents. The meeting was both productive and informative. Your support is always appreciated by the Activities officers.

Thanks to Lucy Zunica for her inspiring invocation, to Lucy Zunica and David Helms for taking charge of the coffee and donuts. A special thanks to the following volunteers for helping out with the December activities – Terry Devaney, Anne Annese, Bonnie Keady, Joan Taylor, Lucy Zunica, Patti Dempsey, and David Middleton for his excellent designed posters.

The monthly luncheon at the Grand Plaza Hotel was held on Thursday, January 18 with 37 residents attending. What a spectacular turnout! Everyone enjoyed themselves. It was a great way to start the new year. Great job, Lucy!

A special to thanks hosts – Jim and Lyn Barton and their committee – Roy and Andrea Stearns, John and Charlene Williams, Bob and Lisa Holmes, and Diane and Mike McSweeney. What a terrific job!

The Sing-a- Long with Jack Jones was held on January 25 at 7 P.M. in the clubhouse. If you enjoy singing, be there. It is being held on the last Thursday of each month.

The “first” Aussie Day was held on January 27. A special thanks to Geoff Robinson for hosting this event. This event proved to be interesting, fun-filling, and educational. We were really in for a treat! Hope everyone enjoyed themselves.

## GOLF: HOLIDAY CHIPPERS

*Mark, Shirley, Diane, and Priscilla*

**T**he results of the January Holiday Chippers will be reported in the next month's media. We welcome anyone in the Park to come out and enjoy this event, which is the third Saturday of the month.

Dues, which is \$2.00, was due in January and can be paid when you sign up to putt.

For all you newcomers, there will be hot dogs cooked by our chef, Bill Wall, and drinks for you to purchase. We also have beer available, for a reasonable donation. There is a 50/50 draw and who knows, you may be a lucky winner!

Golf is \$1.00 to play and if you haven't paid your dues for this year, it must be paid in order to win any prize. For your dollar you putt for nine holes, have a hole-in-one contest and a mystery hole.

Please take note of the new picnic tables we now have for you to enjoy. We are looking forward to seeing many of our residents showing off your putting skills. We do have equipment for you to use.

See you on the putting green.

## Steak Feed Dinner

## Choralaires

*Lo Dykens*

Tho belatedly, I want to thank you, Choralaires, for the generous gift card given to me at our Christmas program. Walmart is a frequent stop for me, so I will put the card to good use.

You all did a wonderful job at our Christmas show and I appreciate so very much your dedication, interest, and time spent rehearsing. I’ve always enjoyed working with you as you’re an exceptional group of singers. I am hoping that we can work together again sometime in the future.

Let’s consider the Choralaires “Inactive” for now and see what happens in the future.

To the Choralaires, their families, and all the residents of Holiday Shores Park, my Best Wishes for a great year in 2018!

## Shuffleboard News

*Priscilla Donegan*

The shuffleboard courts have really been busy the past few weeks. It’s so nice to see so many of our residents participating in this event.

We invite anyone to join us on Monday, Wednesday, or Friday at 1:00 PM for an afternoon of fun. There is equipment for you to use and anyone of the members would be happy to help you learn this game. It’s a great way to meet your neighbors and make new friends.

Cost for the event is 30 cents and if you win you get your dime back!

Hope to see you on the courts.

## Interstellar asteroid is a first

---

**A**steroids can be found throughout our solar system, but astronomers have recently discovered one in interstellar space. The Science News website reports that the object, first believed to be a comet, is approaching the solar system at an unusually steep angle. Dubbed A/2017 U1, the asteroid is about 400 meters across and traveling 25.5 kilometers per second on a slingshot path past the sun. Astronomers plan to measure the colors in its reflected light to determine what it's made of and seek clues to its origins.

## Red sky in Asia mystery solved

---

**I**t's a centuries-old mystery: In the year 1770, skies over Asia turned a bright red for nine days. The cause of this unusual phenomenon has never been identified. Now, though, scientists believe they have an answer.

As reported on the Slate website, researchers recently uncovered a collection of 111 contemporaneous documents from that time, and learned that the red sky had lasted longer than previously thought (just two days) and was much larger as well.

Scientists' conclusion: The effect was created by an aurora caused by solar activity, sparking the longest geomagnetic storm in recorded history.

A similar aurora was observed on two nights in 1859 by a massive solar storm known as the "Carrington Flare." Analysis of records of sunspot activity in 1770 suggests that the Asian aurora was caused by sunspot twice as large as those that created the Carrington event.

If such an event happened today, it would likely have catastrophic effects, knocking out satellites crucial to communications and GPS instruments.

## New mineral found on Martian surface

---

**N**ASA has discovered evidence of an ironoxide mineral on the surface of Mars, the Sci-News website reports. The mineral, called hematite, was detected by spectral analysis of photos taken by the space agency's Curiosity rover in an area known as the Vera Rubin Ridge.

Curiosity zeroed in on a rock dubbed "Christmas Cove," and used its dust removal tool, a wire-bristled brush, to uncover an area some 2.5 inches across.

Observations made the rover's Mast Camera (Mastcam) and its Chemistry and Camera (ChemCam) confirmed the presence of the hematite, a mineral that may provide information about ancient environmental conditions on the red planet.
