## From The President

*Kathy Bornick*

### Happy New Year.

It has come to our attention that some Shareholders do not know that they can attend meetings held by our different committees. Please feel free to attend all posted meetings.

Long Range and Financial meetings are held on the second Thursday of every month. Shareholders are welcome to attend.

Meetings are posted on the Marquee in front of the Clubhouse. Your 2017 Board of Directors look forward to seeing you attend.

## From The Office

*Kay Tyrrell*

### A HAPPY & HEALTHY NEW YEAR TO YOU ALL.

**Feeding of Wild Life** – A Blue Heron was found in the Park in very poor shape and it was transported to a Wildlife Sanctuary. It was found to have eaten two or three hot dogs. The County is very upset that some residents in Holiday Shores Park may be feeding the wildlife.

There is a \$10,000.00 fine if you are found to have done so. **Reminder:** Page 3, Item 10 of our Rules and Regulations says – The feeding of all wild life is prohibited. **PLEASE ADHERE STRICTLY TO THIS RULE.**

## Special Thanks To Chrissy

*David and the Office*

We would like to issue a special thank you to Chrissy DiLonardo for all her help putting on the Office Christmas Open House. She made it all look effortless along with the food being beautifully presented on the tables. We couldn't have done it without her. We had a good turn out – over 75 residents came and ate desserts and listened to Jack Jones' group play music. Everyone had a great time – we'll do it again next year. So, Thanks again Chrissy for all your help.

# Holiday Shores Activities Association

*Maria Rapoza*

---

**W**ell, what can we say—except here we go again. Another year with the same officers—Marie Rapoza – President, Lucy Zunica – Vice President, Joan Taylor – Secretary, and David Helms – Treasurer.

Hopefully, we will be as successful as we were in 2016.

We are again looking forward to working with everyone. Because without your support and help, activities cannot be achieved. Volunteering is the key for our success.

Candlelight Dinner was held on Tuesday, December 13 with 83 residents in attendance. Eric Butler, the caterer, presented and prepared an outstanding dinner—Maple Roasted Pork with all its fixings and finishing the dinner with delicious bread pudding with a Jack Daniel’s sauce. Mark Ralston, impersonator and entertainer, a one-man show was enjoyed by all.

A special thanks to Terry Devaney for the gorgeous Christmas motif in the hall and the beautiful and elegant table centerpieces. Thanks to Lorna Langford and George Novak and committee—Sue Mesarich, Chrissy DiLorenzo, Karen Raineri, Pris Donegan, Joan Taylor, Eva Domen, Patti Dempsey, Mary Graham, Anna Martorana, Marge Musser, Lindy Rolfe, Anne Barboza, and Diane Wall for setting up and organizing this special event and to Dolly Lake—ticket seller.

This year’s Christmas Lights Contest Gathering was held on Tuesday, December 20. On Sunday, December 18, the judges of the contest circled the park in golf carts scoring the decorated residents’ homes. Thanks to the judges—George Novak and Lorna Langford, Fred and Patti Dempsey, Norm and Linda Burkey, Jim and Brenda Lyness and to Mark Stevens—“leader of the pack”.

Also a special thanks to Dee Firkins, Mary Graham, and Carolyn Sperry for “concocting” Dee’s special “brewed” cocoa and to Karyn Monroe who entertained in a “true” Christmas spirit. Prizes were awarded. The list of winner is posted on the bulletin board in the clubhouse.

The Christmas Day Brunch was held on Sunday, December 25. Everyone enjoyed the various choice of dishes made by the residents. Thanks to Peggy Beane, Virginia Craghill, Patti Dempsey, Eva Domen, Dave and Jean Crosman, Ruth Kredovski, George Novak, Lorna Novak, and Pat Spenser.

The New Year’s Eve Celebration ended our first year. Music was provided by Good Times—DJ Gary Eremita. The evening was filled with joy and laughter and at midnight “sleepy” but happy residents welcomed in 2017.

## UPCOMING ACTIVITIES:

- Saturday, January 7 - Activities Meeting

Evelyn Powell had a possible stroke, was in Largo Med, and is now in Palm Gardens of Pinellas.

Jack Engle was in Largo Med with breathing & other medical problems and is now in rehab @ Palm Gardens of Pinellas.

## Library

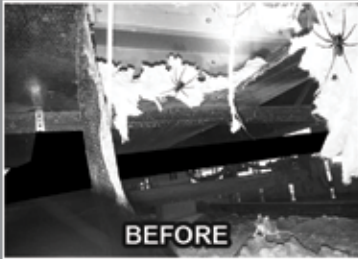

*Peggy Beane*

**I**would like to thank my readers who patronized our Library during 2016. Also, I thank each and every one of you who donated books, as our Library operates solely on donations. I encourage all our new residents to stop by for a visit and see what a fine little Library we have here at Holiday Shores. We have a nice selection of books from most of the popular authors.

I would especially like to thank efficient and helpful volunteers who make my work so much easier: They are – Sue Masarich, Lo Dykens, Dolly Lake, Marge Musser, Pat King, and Joanne Guilmette.

## Special Note From Terry Devaney To The Elves

The hall looks so beautiful for our Christmas Season and Activities. This could not have been accomplished without the help of the Keady's, the Wall's, Rosemary Facchini, Jeanne Uhlenbrauck, and with the assistance from our very own Harvey.

Thank you all, Merry Christmas and a very Happy and Healthy New Year.

## Theater

*David Middleton*

It's show time again as the Way-Off Broadway Theatre blasts off for a voyage into rock 'n' roll outer space for the March, 2017, production. Fasten your seat-belts for an epic night of entertainment filled with comedy, jam-packed with classic top 40 hits, and capped with a raucous Lip-sync Battle. This original musical comedy lovingly pokes fun at your favorite sci-fi adventure TV shows and movies. Follow the exploits the all-female crew of the Starship Boobieprise as they encounter a despicable villain, a dashing hero, his side-kick and others while saving the planet of Lypsynchronia from disaster. The Way-Off Broadway Theatre Group had its first organizational meeting for the March production of Star Chix on December 6th. Rehearsals are scheduled to start on January 3, 2017 and will continue on Tuesdays and Thursdays at 1 pm. Some parts have been assigned, but other roles are still to be cast. We will also need help back stage, as well as with props, set building and costuming. All are welcome...we'll find a spot for you for sure. Marie Rapoza and Dolly Lake will be heading up ticket sales. Tickets will go on sale in January...watch the bulletin board in the Clubhouse for dates and times. Star Chix will run March 6, 7, and 8, 2017. Mark your calendars now. You won't want to miss it.

# Shuffleboard News

Priscilla Donegan

The annual Turkey Shoot was held on the 16th of November. It was well attended with 47 people trying to win a prize. This year cash prizes were give, and one could purchase a turkey if you so desired. First prize went to Dave Nichols with a score of 83! He received \$20.00. There was a tie between Doug Brown and Dave Crosman with a score of 65. They decided to flip a coin and Dave was 2nd and Doug place third. They won \$15.00 and \$10.00 for their efforts.

We are so pleased so many new and old residents have come out to try this sport. Hopefully you will continue to enjoy the fun at the courts.

We would like to welcome everyone back and invite anyone who would like to participate in this event to give it a try. There is equipment for you to use and anyone of the shufflers will be happy to help you. The cost is 10 cents a game and if you win you get your dime back!. Shuffling is Monday, Wednesday, and Friday. at 1:00 pm. A flag for shuffling is displayed on the day we will shuffle.

Dues for the Shuffleboard Club is \$3.00 and is due at this time for the 2016-2017 season. Tom Smith will be happy to take your money.

Happy New Year everyone.

## Golf: Holiday Chippers

Mark, Shirley and Priscilla

**O**n a beautiful sunny, Saturday in November, the Holiday Chippers showed off their putting skills. A number of residents enjoyed the great hot dogs, brats and sausage sandwiches prepared by Chef, Bill Wall, while observing the putting contest.

For the benefit of any residents 1st prize \$15.00, 2nd \$10.00 and 3rd \$5.00. There is also a hole-in-one-contest, mystery hole, & 50/50 raffle.

The results of the contest: Men 1st with 16 putts Dave Crosman. There was a play off for second and third place with 18 putts each. Monty Slaybaugh was 2nd and Frank Portelli was 3rd.

Ladies results: 1st was Andrea Stearns with 20 putts. There was a four way playoff between Jan Harrison, Pat Knight, Merrill Morrissey and Peggy Wallace. Pat won 2nd and Merrill was 3rd.

Andrea Stearns also won the hole-in-one contest and is \$10.00 richer.

There was a winner on the mystery hole and that was Dave Crosman.

The 50/50 draw which had \$37.00 was won by Diane Wall.

Congratulations to everyone who was a winner. We had 18 golfers this month. Hope to increase the number next time we play, which is the third Saturday of the month.

A reminder that dues for the Holiday Chippers is due in January and the amount is \$2.00. The dues for this event runs from January to January. So if you paid \$200 in Nov or Dec of 2016, that was for that year.

The cost for golfing is \$1.00. However, there is food, done by chef Bill Wall, and drinks for you to purchase. Also a reasonable donation, we also have beer. Don't forget there is also a 50/50 drawing too.

Happy New Year.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Brain drain: Control your appetite after a long day at the office

---

Ever notice that you can feel starving after a long day at work even though you've spent it mainly at your desk? Scientists, as reported by The New York Times, say it happens because your brain, feeling tired, starts to want more fuel to keep going—even though you haven't exactly been digging ditches for eight or nine hours. The problem is that you're consuming calories your body doesn't actually need because your brain is telling you to.

One way around this dilemma is exercise. In an experiment at the University of Alabama at Birmingham, 38 college students met to discuss what their favorite pizza was. After the discussion, they were allowed to eat as much pizza as they wanted. On another day, they were brought back and given a series of tests from college entrance and graduate-level exams. Afterward, half the students worked out on treadmills while the rest sat quietly. The entire group was again served all the pizza they wanted, but the treadmill group ate less—about 25 fewer calories than at their previous session. On the other hand, the rest of the group actually ate 100 calories more.

The study suggests that a light workout after a mentally strenuous day may curb one's appetite—good to know before you sit down to eat.

## Eat lots of these foods to prevent prostate cancer

---

Prostate cancer is one of the most common forms of cancer in men—more than 180,000 cases are diagnosed each year. Diet can be a factor, doctors say, especially one of foods high in saturated fats found in meat and dairy products. Men may be able to reduce their risk of developing prostate cancer by eating more of these healthy foods:

- Broccoli. Benefits: Low in carbohydrates and rich in antioxidants and phytochemicals that may prevent cell changes contributing to cancer.
- Salmon. Benefits: Lots of omega-3 fatty acids that can inhibit prostate cancer.
- Brazil nuts. Benefits: Selenium; six to eight nuts contain 700 percent of a daily serving.
- Tomatoes. Benefits: Lycopene. Men who eat 10 portions of tomatoes a week may reduce their risk of prostate cancer by 18 percent.
- Walnuts. Benefits: Walnuts and walnut oil have been shown to reduce levels of the hormone IGF-1, which has been linked to prostate cancer.
- Coffee. Benefits: Antioxidants, as well as stimulating the body to metabolize sugars more efficiently. Green tea shares similar qualities.

## The five-second rule may not be so safe after all

---

**W**e've all heard of the five-second rule: If a piece of food drops on the floor, it's safe to eat if you grab it in five seconds or less. That may not be true, though, according to an article on the Medical News Today website.

Researchers at Rutgers University decided to test the rule. They used four types of surfaces: stainless steel, ceramic tile, wood, and carpet. They also choose four kinds of food: watermelon, bread, bread with butter, and gummy candy. Finally, they tested four different contact times: less than a second, five seconds, 30 seconds, and 300 seconds.

They cultivated bacteria similar to salmonella and spread it on the different surfaces, allowed it to dry, then dropped each food on each surface for each designated time period. The results: The bacteria was able to contaminate the food almost instantly in every case, although with different degrees of contamination. Watermelon soaked up the most bacteria because of its moisture; the gummy treats were affected the least due to their hard surface. Nonetheless, the scientists are confident that their findings disprove the five-second rule. So you're probably safer throwing out any food on the floor.

## Plutonian moon's red spot explained

---

**J**upiter is famous for its great red spot, but it's not the only red patch in the solar system. Charon, a moon of Pluto, also sports a reddish blotch near its north polar region, and scientists now know what causes it, according to the Sci-News website.

The spot, nicknamed Mordor Macula, covers an area the size of New Mexico, and is made of methane that comes from Pluto. Once the methane escapes Pluto's atmosphere, it falls to the surface of Charon's north pole and then freezes (winter temperatures in Charon's polar region can drop as low as negative 430 Fahrenheit). UV light from the sun turns the methane into heavier hydrocarbons that eventually become reddish organic materials known as tholins.

Data came from the New Horizons space probe. One of the project's scientists characterized the discovery as the realization that Pluto is a cosmic graffiti artist, spray-painting its nearest neighbor red.

## Marriage in trouble? Watch for these signs

---

Just because you're not having fights with your spouse doesn't mean everything is fine in your marriage. It could be in trouble without you and your partner realizing it. Watch for these signs that you need to get back on track:

- **Your partner isn't first on your list.** When you've got big news, whom do you tell first? If it's not your spouse, you may be disconnecting from him or her. Communicating about what's important to both of you is vital in an honest, healthy relationship.
- **You're focused on yourself.** Strong marriages rest on mutual goals. If you forget your partner's needs while making your own plans, he or she may begin to do the same. Although you each may want some personal time, carve out time to spend with each other—talking, taking a walk, watching a movie, or something else you both enjoy.
- **You compare your spouse to others.** Try to avoid thoughts like, "I wish Lynda was more like Diane," or "Why doesn't he bring me flowers like Paula's husband?" Comparisons lead to dissatisfaction and resentment. Be open about what you want so your partner has a chance to fulfill your needs.
- **You lead separate lives.** You may not be fighting, but you're also not doing much together. Do you watch separate TV shows, go to bed at different times, eat meals without the other person? Make more of an effort to get in sync so you don't find yourself living alone without actually moving out.

## Quick hits

---

Want to liven up the conversation at your next party? Try some of these one-liners:

- "I've been diagnosed with a certain type of brain disorder where I deny the existence of certain 1980s rock bands. There is no Cure."
- "My wife probably tells me I never listen to her."
- "And the award for best neckwear goes to ... well, look at that. It was a tie."
- "No matter how nice your son or daughter is, German children are kinder."
- "Thank you for my student loans. I don't think I can ever repay you."

## Monthly

---

**National Bath Safety Awareness Month.** In the United States, an average of 370 people across all age groups suffer bathtub or shower-related injuries every day. Slips, falls, and hot-water burns are the prime causes of accidents in the bath and the second leading cause of accidental death and disability. Remember: Bath safety is an integral part of general home safety.

**National Blood Donor Month.** Some give blood because they've been asked to. Some know a family member or a friend who might need blood someday. Some simply believe it's the right thing to do. Whatever your reason, the need is constant and your donation is important to maintaining a healthy and reliable blood supply.

**National Stalking Awareness Month.** The National Center for Victims of Crime launched National Stalking Awareness Month (NSAM) in January 2004 to increase the public's understanding of the crime of stalking. The National Stalking Awareness Month website ([www.stalkingawarenessmonth.org](http://www.stalkingawarenessmonth.org)), launched in January 2009, provides a wealth of information about this crime and about the nationwide observance.

**National Train Your Dog Month.** The Association of Professional Dog Trainers began the National Train Your Dog Month campaign in 2010 to raise awareness of the importance of socialization and training, to inform the public that training your dog can be easy and fun, and to help new pet parents start off the year right with their newest family member.

## Weekly

---

**Diet Resolution Week, Jan. 1-7.** This week is about focusing and altering the types of food you consume rather than just reducing the amount. Try eating at least one piece of produce every day (fruit or vegetable), eating fish at least once a month (once a week would be better), and drinking at least two glasses of water a day.

**National Sugar Awareness Week, Jan. 16-20.** Can you go five days without sugar? Take the challenge to find out how difficult finding foods that do not contain some form of sugar can be, as well as how this substance can affect your body, mind, emotions, and life.

**No Name-Calling Week, Jan 16-20.** No Name-Calling Week was inspired by the popular young adult novel *The Misfits*, by James Howe. The No Name-Calling Week Coalition was created by GLSEN and Simon & Schuster Children's publishing and has been adopted by schools around the U.S., growing into one of the largest bullying-prevention initiatives in the country.
