From The President

Kathy Bornick

Hurricane season is upon us. Please review your hurricane plans, just in case. Remember, the clubhouse CANNOT be used as a shelter. Mandatory evacuation means leaving Holiday Shores completely.
Please plan ahead.

From The Office

Pat Merl

DEPARTURE NOTICES

A flurry of Departure Notices were turned in to the office over the past few weeks as the seasonal residents head back to their summer homes. We are still not receiving Notices from everyone when they leave the park, nor does everyone check in with this office when they return. Forms can be obtained from the office, or from the folders attached to the bulletin board in the Clubhouse. If you are gone and realized you didn't submit your form, you can always contact the office to have one emailed or faxed to you. They will not be sent through the US Mail.

LANDSCAPING

The Crown of Thorns plants have been removed from the planters along Holiday Shores Drive. They will be replaced with something appropriate for that area, in the near future. Palms Direct will be asked to make a recommendation early next week, so that we are sure whatever is planted there will thrive and complement the area.

COMMITTEE COMMUNICATION

In the interest of improving the lines of communication between the office and established committees, committee members should discuss any and all issues relating to their area of interest with their Chairman, who will then relay that information to the office. The Chairman will then, relay any information provided by the office to their committee. This will insure that everyone gets the same information from the same source – their Chairman. Thanks for your cooperation.

It has been reported to the office by Neighborhood Watch, that residents who are using the clubhouse after hours are leaving by doors other than the automatic door. These doors are being left open and unlocked. Please if you go out of the clubhouse in any of the side doors, make sure that they are locked and closed.

Diane & Bill Wall

Thank you to everyone who made this event happen. The men who cooked, the ladies who worked in the kitchen and the serving line. Also to those that came early to put up the tents and helped set-up tables in the clubhouse. As always the music was a great hit. To all that took their time to do the games and our great bartender – thank you. Kudos to the two couples that took the food to the shut-ins.

We could not have made this work without your help. We hope everyone enjoyed this special day.

A big thank you to Harvey Shaw, for all his hard work, as always.

Neighborhood Watch

Pam Grimm

The park is thinning out more each week as the last of the seasonal residents begin their journey North. With seasonal residents leaving, Neighborhood Watch is thinning too. Just by keeping an eye on your immediate neighbors helps tremendously. Our park is a safe place to live, but we do have uninvited visitors every once in a while. Make your home undesirable by locking up your car, bike, charger, and doors. Motion Detector lights are an excellent deterrent. Try not to advertise that you will be gone for long periods of time. It's better to ask neighbors to keep a close eye on your home. If you have any problems, remember to call the Sheriff. We'd appreciate you also informing Neighborhood Watch. It's important to us that we know what is going on in our Park. During the summer, please call Walter Douglass. You can reach him at 773-7790.

Neighborhood Watch would like to wish Tom Vanzant all the best in his new position on the Board. We will miss him.

During the months of June, July and August, please call Pinky or Joe Virden at 831-4143 if the Office has closed for the day/week and you need a Parking Permit for the Clubhouse.

Neighborhood Watch currently has 18 members. Out of those, only 6 are full time residents. Two of those are currently out of commission. If you are interested in joining Neighborhood Watch, please call Walter Douglass at 727-773-7790.

Holiday Shores Activities Association

Shirley Johnson

June will be a quiet month in Holiday Shores. We hope all the residents have a wonderful time while they are home and look forward to your return in the fall.

GOLF: HOLIDAY CHIPPERS

Priscilla Donegan

The last scheduled golf had to be cancelled due to illness among several of our helpers and residents.

The officers would like to thank anyone who helped in any way toward the success of the Holiday Chippers. Ray Innocenti was there every Saturday to help Mark set up for this event. Bill Wall grilled delicious hot dogs and brats and his peppers and onions added a nice touch to the sandwiches. His wife Diane, was a huge help to me in collecting the money and keeping everyone's scores and dues straight. Thanks Dee and Oscar for helping Shirley collect money for food and the 50/50 draw. Hopefully we haven't forgotten anyone.

There is another thank you, to all the residents for participating in the golf or coming to buy your lunch. Without you we wouldn't have Holiday Chippers.

Have a safe summer and we will look forward to seeing everyone in the fall.

Sharing and Caring

PLEASE call Shirley Johnson if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called, therefore we are not informed. So please give us a call!! Thanks for your help.

We extend our sympathies to the family and friends of Edwin Willard (Jr) who recently passed away. We also extend our sympathy to Pat Dugal whose sister passed away.

WORD OF THANKS TO ALL OF HOLIDAY SHORES

Joanne Guilmette

The office has been so kind to give me this chance of saying goodbye to all my dear friends here in Holiday Shores. It has come to that point in my life to make another change. I want now to go back to New England and be with my family. The office has given me this wonderful way of doing it and our lives here were everything it was supposed to be especially the part of making wonderful friends. I will be thinking of you all when the north winds of New Hampshire are blowing.

Shuffleboard News

Priscilla Donegan

The shuffleboard season has come to an end. However, many of you are full time residents and might like to continue to shuffle. The unlocked shed has equipment and beads for you to use. Please remember to return the equipment to its proper place.

The officers would like to thank everyone who has helped in taking care of the courts, during the season, twilight shuffling and during the summer months. A big thank you to all the residents for participating in this event. I believe we had a record number of residents that have enjoyed getting together for an afternoon of fun. Without all of you, we wouldn't be able to have this event.

Looking forward to seeing everyone in the fall. Hopefully the courts will be finished by then.

Happy Father's Day!

Early birds versus night owls—who's better off?

The early bird gets the worm, and early risers enjoy other benefits, according to a story on the *New York Post* website. A survey of sleep habits involving 2,000 people found that, among other things, self-identified early birds have more sex on a weekly basis than their night owl counterparts.

The survey also found that early birds generally make more money, are more likely to work in an office setting, and describe themselves as happy. They're also more likely to be married with children in their home. On the other hand, night owls are typically shy and sarcastic, likely to believe in ghosts and cryptids, and more often single.

They tend to sleep about the same amount—seven hours a night for early birds and six hours for night owls. However, early birds are light sleepers, and they feel more well-rested when they get up than night owls.

Disconnecting may not lead to the benefits you're looking for

Ever feel the need to disconnect from your devices for a “digital detox”? The Yahoo Finance website reported on a survey by Mojo Vision (Saratoga, California), which found that people tend to use technology as much, if not more, after distancing themselves from their smartphones and tablets for a while.

The survey of 1,000 Americans found that 67 percent agree that technology makes life easier, but 55 percent believe that all that tech is a distraction, with one-third worrying that it hurts people's ability to connect with one another. Still, 54 percent said that abstaining from their devices didn't produce the positive benefits they'd hoped for—or at least were unsure whether it had a beneficial impact.

The most common strategies for “subtracting” tech are setting devices to send fewer notifications, putting them on a “Do Not Disturb” setting, scheduling times to not use their devices, or simply turning them off for a period of time.

A good decision is based on knowledge, and not on numbers.

Flower power

A dairy farmer in Japan, Toshiyuki Kuroki, found a novel way to help his wife, Yasuko, cope with her failing health. When complications from diabetes robbed her of her vision, he began planting shibazakura around their farm. It's a species of phlox and a hearty groundcover that blossoms March and April.

Though he knew his wife of 30 years would no longer be able to see the beautiful fuchsia-colored petals, he hoped the sweet fragrance of the flowers would lure her outdoors and out of her deepening depression. It didn't, for a while, and then something pretty wonderful happened.

As the farmer continued to plant more flowers, they thrived and spread across the farmland. People from surrounding areas, even tourists, began to visit the farm. Everyone wanted to see the beautiful pink fields and walk among the spring flowers. With so many new and different people showing up on their land, the farmer's wife began to wander outside and interact with the visitors. She was happy again.

For the past 25 years, the shibazakura fields that surround the home of Toshiyuki and Yasuko Kuroki have sparked joy and wonder in the hearts of many. The Kurokis receive about 7,000 visitors a year at the farm during March and April, and they no longer raise dairy cows.

Their story is a reminder that love and flowers are a powerful healing force.

That's what friends do

A story recently went viral on social media that attracted the attention of national news outlets:

A teenager from a small town in Arkansas saved two years of earnings from his part-time job to buy a motorized wheelchair for his best friend and fellow high school classmate. It was a selfless act that speaks volumes about friendship and goodwill while serving as an example of how each of us can do and give more to contribute to the greater good.

A flower cannot blossom without sunshine. A man cannot live without love.
