Holiday Shores Activities Association

Marie Rapoza

February was a busy month for the Activities Association. The February 4 meeting was well-attended with 53 residents. The choice of assorted pastries was a good idea. They were delicious. Thanks to Lucy Zunica and David Helms for preparing and setting up the coffee and pastries, to Joan Taylor for always taking charge of the name tags, and to Tom Moffatt and Eva Domen for taking care of the 50/50 drawing and the name tag drawing. Last, but not least to Dolly Lake for selling the Valentine Day's Dance tickets.

The NFL Championship Party was held on Sunday, February 5. A very special thanks to Jim & Lyne Barton and George and Anne Belanger.

An excerpt on the NFL Championship Party from the Bartons and Belangers is enclosed:

Forty-five Holiday shores residents witnessed a stunning upset Sunday evening as the New England Patriots defeated the Atlanta Falcons 34-28 in overtime. A lively evening of good camaraderie was highlighted by football pools and snacks. Congratulations to pool winners: Ed Z., Jim B., Dave C., Dee F., Priscilla D., Joanne H., Roy S., and Tom S. Winner of the 50/50 drawing was Tom M. Special thanks to the wonderful women and gentleman who contributed delicious dishes of meatballs, cocktail wieners, guacamole, a deviled egg tray and cheese tray

in addition to the snacks provided. Those attending saw outstanding plays and an entertaining half-time performance by Lady GaGa. Thank you for making the evening such a success.

On Wednesday, February 8, the White Elephant Sale was held and attended by many “treasure-seeking” residents. Everyone had a “ball”. There was laughter and enthusiasm throughout the evening. To complete the evening, scrumptious homemade pastries were served. A clear profit of \$270 was donated to the Activities Association.

A very special thanks to Lorna Langford and Sue Mesarich and their “terrific” Committee—Eva Domen, Anne Belanger, Nancy Plowright, Lois and Bob Holmes, Mary and Cline Stradley, Trudy Mason, Char Reed, and Patti Dempsey. This committee did an outstanding job and should be commended for all their time and effort place in this event to make it such a success.

A special thanks to Gary Plowright—“Mr. Delivery” who brought all the leftover “treasures” to the New 2 U Thrift Center, special “desk” delivery to Rosemary Facchini, and special “lamp” to Patti Dempsey. Activities Association really appreciated your time in doing us this favor. Thanks again. Gary—You’re special!

The Valentine Day’s Dance was on Tuesday, February 14 with 54 residents. The clubhouse was decorated beautifully. Music was provided by Mike Calzone (R Bar). The clubhouse was really rocking.

A special thanks to Pat Knight for coordinating and decorating the clubhouse for this event along with her committee—Bob and Mary Fuller, Bill and Diane Wall, Monty Slaybaugh, Jim Keady, and Dave and Carolyn Sperry. Hopefully I thanked everyone who helped and no one was omitted.

The monthly luncheon at Roosterfish was held on Thursday, February 23 with 40 attending. The food was delicious, and the service was excellent.

Once again, Lucy has outdone herself in the choosing of the restaurant and choosing a “special” treat after lunch.

The Steak Dinner on Saturday, February 25 was a great success. Congratulations to Dave Crosman and his committee for an outstanding job.

See you at the next meeting on March 4!
Don’t forget your name tags!!!

GOLF: HOLIDAY CHIPPERS

Mark, Priscilla and Shirley

There were 24 golfers who showed off their putting skills on a beautiful sunny day in January.

For the women: 1st was Merrill Morrissey with 17 putts. There was a playoff for 2nd and 3rd between Judy Garneau and Julie Pion with Judy being the winner. They each had 18 putts.

The results for the men: 1st was Jurgen Hellmich with 17 putts. There was a five-way playoff with 18 putts for 2nd and 3rd prize between Dave Crosman, Ray Innocenti, Tom Smith, Tom Vanzant and Jack Wallace. Tom came in 2nd and Jack was 3rd.

There were two golfers that won the mystery hole. Jan Harrison and Ray Innocenti are each \$5.00 richer.

Liz Tozzi won \$44.00 in the 50/50 draw. No one won the hole-in-one contest.

For the benefit of any residents, the prizes are 1st - \$15.00, 2nd - \$10.00 and 3rd - \$5.00. There is also a hole-in-one contest, mystery hole and a 50/50 raffle.

A reminder that dues for the Holiday Chippers was due in January and the amount is \$2.00. the dues for this event runs from January to January. So if you paid \$2.00 in November or December of 2016 that was for that year.

The cost of golfing is \$1.00. However, there is food, done by chef Bill Wall, and drinks for you to purchase. For a reasonable donation, we also have beer. Don't forget there is also a 50/50 drawing, too.

See you on the putting green.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Ancient gold belt dug up in U.K.

Archeologists in the U.K. have dug up a 3,000-year-old gold belt in Cambridgeshire, and it's now on display at the British Museum in London.

The object, known as a torc, is the largest ever unearthed. Torcs were usually worn around the neck, but this one measures 49.6 inches, suggesting it was worn as a belt between 1300 and 1100 B.C., or that it was worn by a sacred animal slated for sacrifice. The torc, made of 20 karat gold, weighs 1.6 pounds.

British scientists examining the artifact have found little sign of use or wear on the links used to fasten the torc together, so its original function remains a mystery.

Astronomers discover the sky's smallest asteroid

The universe is full of objects large and small: Sharp-eyed astronomers have recently discovered a near-Earth asteroid just 6 feet in diameter.

The asteroid, named 2015 TC25, was discovered in October 2015 by scientists working with the Catalina Sky Survey. It's one of the brightest of its kind ever observed, reflecting about 60 percent of the sunlight that hits it, and it's one of the fastest spinning. Astronomers speculate 2015 TC25 was chipped off another asteroid, (44) Nysa, a large bright object in the main asteroid belt that's about 44 miles in diameter.

The small rock is about the size of many meteorites that fall to Earth, but astronomers believe there's little likelihood of 2015 TC25 dropping on our planet very soon.

New light on our oldest ancestor, Lucy

The remains of "Lucy," the name given to the oldest human ancestor yet discovered, were found 42 years ago, and ever since scientists have debated whether she spent most of her time walking on the ground or climbing through the trees. The journal PLOS One reports that new evidence suggests the three-million-year-old woman had muscular arms, indicating that she may have been a tree dweller, at least some of the time.

A CT analysis of Lucy's fossilized skeleton shows that her arms were heavily built and similar to those of chimpanzees. Scientists speculate that Lucy may have slept up in the trees to avoid predators at night, spending as much of one-third of her life above the ground. The fact that Lucy may have died from falling out of a tree adds weight to the theory.
