## From The President

*Tom Vanzant*

Please notice the new exterior of the clubhouse, office, and maintenance shed, as well as the recently completed Stamp-krete installation on the office entryway. Last but not least, be sure to take a peek at our newly resurfaced shuffle board courts. Our park continues to reflect the pride of ownership that each one of us has. Holiday Shores is a great place to live.

We now have a smoke free pool area, in consideration for our shareholders who do smoke, we have created a designated smoking area, located behind the pool area, which is convenient for both our pool users and shuffle board players.

As you are aware, we are in the process of proposing amendments to a number of bylaws. Thanks to our Bylaw Committee, consisting of Joe Doyle, chairman, Monty Slaybaugh and Tammy Prochaska.

It is extremely important that everyone attends our November 21st Board Meeting, as the Park's attorney, Richard Zacur, will be there to review each bylaw change and explain why these changes are important to our Park. He will also explain the process involved in making these changes.

Your proxies will be mailed by early November, since the November Board Meeting is about a week after the mailing, may we suggest you attend the board meeting in order to be better informed, before you cast your vote.

## From The Office

*Pat Merl*

### CHECKING IN UPON ARRIVAL

Slowly, but surely, residents are returning to the Park, for the winter season. I wish all of you safe travels, if you still have the trip ahead. Upon your return, please do not forget to register with the Office upon your return. Although it would be nice to personally say hi to everyone, you don't necessarily have to come to the office during business hours to check in. You can just jot down your name, lot number and the words "checking in" on a piece of paper and drop it in the Park Office Mailbox, or you can call the Office and leave the same information with either David or me, or on the voicemail.

In addition to Tom Vanzant's list of Park upkeep and improvements, additional Park maintenance and upkeep includes the trimming of palms and hardwoods, a few weeks ago, and a new tree that was planted next to the office which is now in full bloom. Additional plants

that were placed in the median along Holiday Shores Drive are also starting to bloom adding a nice splash of color in that area of the Park. A special thanks goes to Walter Douglass for his diligence in watering these plants every morning for the past few weeks, until they were able to take root.

Outside of routine maintenance, Harvey has varnished all of the Park benches, power washed the sidewalks around the Clubhouse, painted the curb and put shells in front. He has washed the shuffleboard court and pool covered areas and put crushed shell down on the east and west side of the pool area. He's also trimmed the overgrown Crepe Myrtle on 106th Ave and trimmed back some small palms here and there, just to be sure things are in tip top shape. LAST, BUT CERTAINLY NOT LEAST, THE PUTTING GREEN HAS BEEN REVITALIZED AND NIDY COMPLETED THE WORK ON THE SHUFFLEBOARD COURTS TODAY (10/17/19)!!!! THE PAINT IS DRYING IN THE GUTTERS, AS I TYPE THIS SENTENCE ☐

Please be sure to advise the office of anything that you think needs tending to, so that we can continue to stay on top of things. If you have streetlights out in your area, please advise the office of the exact address, or the nearest one, so that I can identify the exact location of the light on the Duke energy light repair site. ([duke-energy.com/customer-service/request-light-repair](http://duke-energy.com/customer-service/request-light-repair)) they usually get right on it, although, sometimes there can be a considerable delay, depending on the type of repair, or service that needs to be done.

Thanks!

**P**LEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

We would like to express our sympathies to the friends and family of Joan Lopata, Margie Welch and Oscar Kinyon who recently passed away.

We would like to express our sympathies to the friends and family of a former resident, Raymond Laycox, who passed away in September, 2019.

## Theater

David Middleton

---

**T**he Way Off-Broadway Theatre Group will meet on Tuesday November 12th at 2:00 pm in the clubhouse to begin making plans for our show in March. We will be electing our officers for the coming year and discussing our production of Eating at Edie's. What happens when the local diner suddenly could become the set of a Hallmark movie? Will the diner's regulars become overnight stars? Come join us and see. WOBTG welcomes everyone to come "play" with us; we're always looking for new talent both on stage and off! Any help and suggestions will be welcome. So, put on your thinking caps, let the creative juices flow and let's get theatrical! We'll see you on Tuesday, November 12th at 2:00 pm!

## Shuffleboard News

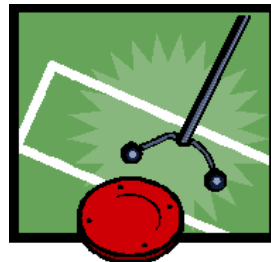

Priscilla Donegan

---

**T**he shuffleboard season is about to begin. This activity will be taking place on Monday, Wednesday, and Friday at 1:00. We had a very successful season last year and are looking forward to this season.

We invite anyone new to the park to come on out and give it a try. There is equipment for you to use and it is a great way to meet fellow residents. The cost to shuffle is ten cents a game and if you win, you get your dime back!

Last year we gave night shuffling a try, and those who participated seemed to enjoy it. Watch the boards in front of the clubhouse for day and time.

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

## Ditch these financial bad habits

---

**W**ant to handle your money better? Most of us do. The Motley Fool website advises breaking these three bad habits:

- **Paying bills late.** A few days or weeks may not seem to matter, but you'll be hit with late fees, interest, and damage to your credit rating. Do your best to pay all your bills on time. Set up reminders so you're always on schedule. Automatic payment is one reliable option.
- **Accumulating too much debt.** Not all debt is bad, as long as you manage it sensibly and pay it off in a reasonable time. If you can't pay off your credit cards and other debt by the end of the month, set up a budget that helps you monitor and control your spending before debt gets out of control and hurts your credit rating.
- **Not saving.** Putting money away can be difficult, but not saving any money is a mistake. You should have a reasonable cushion in case of emergencies—at least three months' worth of living expenses. Look for ways to cut costs, and set up a separate savings account so you're able to keep track of savings and spending money easily.

## When and where to pay cash

---

**C**redit and debit cards are convenient, but sometimes you're better off using cash. The Reader's Digest website suggests keeping your card in your wallet in these situations:

- **Tipping.** Tipping in cash instead of adding it to your bill ensures that your server gets the full amount.
- **Farmer's markets.** Many vendors have credit card machines nowadays, but not all of them. And the machines can always go down because of a power outage or spotty Wi-Fi. Keep cash handy so you don't miss out.
- **Minimum purchases.** Coffee shops and other venues frequently have a \$5 or \$10 minimum for credit card purchases. Paying cash ensures you don't buy more than you need in order to meet the minimum.
- **Private transactions.** You want to buy a special gift for your spouse, but you don't want him or her seeing it on a credit card statement. Use cash to keep the transaction secret.

**Money and beauty are defenses against the sorrows of this world, but neither can undo the past. Only time will conquer time. The way forward is the only way back to innocence and to peace.**

**—Dean Koontz**

## The speeder

---

**L**ate one night a man was speeding down the empty road. A cop pulled him over. “Are you aware of how fast you were going, sir?”

The man replied, “Yes, I am. I’m trying to escape a robbery I was involved in.”

“Were you the one being robbed, sir?”

“Oh, no, I was the one who committed the robbery. I was escaping.”

The cop was shocked. “So you’re telling me you were speeding and you committed a robbery?”

“Oh, yes,” replied the man calmly. “I have all the loot in the trunk.”

The cop grew angry. “Sir, I’m afraid you have to come with me.”

“Don’t search my car!” the man cried. “I’m afraid that you’ll find the gun in my glove compartment!”

“Wait here.” The cop returned to his car and called for backup. Within minutes there were cars, cops, and helicopters all over. The man was dragged from his car, handcuffed, and put in the back of a police car.

A few minutes later another cop brought him out. “Sir, this officer tells us that you had committed a robbery, had the stolen loot in the trunk of your car, and had a gun in your glove compartment. However, we didn’t find any of these things in your car.”

The man shrugged. “Yeah, and I bet that liar said I was speeding, too.”

## Five surgeons

---

**F**ive surgeons were talking about the best patients. The first surgeon said, “Accountants are the best to operate on, because when you open them up, everything on the inside is numbered.”

The second surgeon said, “Nah—librarians are the best. Everything inside them is in alphabetical order.”

The third surgeon responded, “Try electricians, man! Everything inside them is color coded!”

The fourth surgeon said, “I prefer lawyers. They’re heartless, spineless, and gutless.”

To which the fifth surgeon said, “I like engineers. They always understand when you have a few parts left over at the end.”

*Laughter and tears are both responses to frustration and exhaustion. I myself prefer to laugh, since there is less cleaning up to do afterward.*
