From The President

Kathy Bornick

I hope everyone is enjoying their summer. We are still busy at Holiday Shores with several projects being completed such as a new roof for the maintenance building and refinishing of the floors in the clubhouse.

Just a word to let you know that we have had some minor thefts in the park which have consisted of two bicycles being stolen and at least three cars being searched and items removed such as a blue-tooth speaker and loose coins. All of the cars were unlocked and the bicycles unprotected. This is reminder to always lock your cars at night and secure your bicycles before you go to bed. The residents affected contacted the police as they should have. Call the Sheriff at 727-582-6200 if you see anything out of the unusual.

From The Office

Pat Merl

Rules and Regulations – Friendly Reminder

Please completely fill out a Departure Form Prior to departure for one week, or more. (Rules and Regulations Book, Page 4, Rule #12.)

...Any shareholder who leaves the park for thirty days, or longer, must designate a caretaker for their property, who will be responsible for the exterior weeding and maintenance of their property... Please read this Rule in its entirety. (Rules and Regulations, Page 10, Rule #1(a).

The purpose of filling out the Departure Form is to maintain and secure your property while you are gone. The Departure Form also gives you the option of having your newsletter sent to you, or not.

The speed limit shall be fifteen (15) miles per hour for all vehicles in the Park and all traffic control signs shall be obeyed. (Rules and Regulations Book, Page 14, Rule # 1.)

Bicycles and golf carts are subject to the same rules as automobiles regarding stop signs and riding on the right side of the road... (Rules and Regulations Book, Page 14, Rule # 3.)

It has been observed and reported that residents have been driving above the 15 mph speed limit and rolling through stop signs. It is also not unusual to see Park pedestrians walking in the middle of the streets and stopping to talk with their backs against oncoming traffic. Although this is private property, these are small roads, and the speed limit is 15 mph, it would be prudent for Park pedestrians to be more aware of traffic, for their own safety – particularly by facing

CORRECTION TO JULY'S FRIENDLY REMINDER REGARDING VISITORS AND GUESTS:

Shareholders *are not required** to contact the office, nor fill out a visitor slip when having Visitors in the park. A Visitor is defined as anyone NOT spending the night in the park.

All other information in the July Newsletter, regarding Visitors and Guests, remains the same.

*On a side note, a sincere thanks goes out to those of you who responded to the July Newsletter Friendly Reminder and advised the office of Visitors over the past few weeks ☺

Holiday Shores Activities Association

Shirley Johnson

July with all the red, white and boom brought residents out to enjoy pizza and bingo at the clubhouse. Sue Howard with her pleasant voice got to mark something off her bucket list. She always wanted to call bingo. Thanks Sue, nice job! We also had a special raffle with little prizes given out between bingo games. Otto Petty won \$53.00 for 50/50.

My right hand in activities is leaving us and going to Texas. Lucy, you will be missed by myself and all the residents who have enjoyed all the time and effort you have put into making sure they had a good time. I hope our farewell party on July 12th expressed our thanks for all you have done. Thanks David for organizing the food. Good luck, Lucy! August is going to be quiet, try to get back in the swing for September.

Anyone who would like to help out in the library during the summer months please contact either Shirley Johnson or the office. It only takes a few hours a week. Thank you

PLEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

We would like to extend our deepest sympathies to the families of Lee Fullmer and Norman Gagne who passed away recently. We would also like to extend our sympathy to the family and friends of Mary Ciufu, a former resident who passed away.

Neighborhood Watch

Tom Vanzant

All full time shareholders should have received a Neighborhood Watch refrigerator magnet containing the phone number for the Sheriff. If you have not received one, please call Walter Douglass at 727-773-7790. Part time shareholders will have one delivered when they get back. We have a list that we are using to ensure that everyone receives a magnet.

We are excited to announce that we have a new member, Linda-Grace Spencer. You might have seen her riding around with Walter on one of their night patrols. She has been a big help, and is a great addition to our team. Walter and Linda-Grace would like to thank all the shareholders who took their advice and moved things to make them less accessible for theft. It takes three ingredients to make a crime: desire, ability, and opportunity. Take away any ingredient and the recipe will fail; there will be no crime. Properly locked doors, neighborhood awareness, reporting suspicious persons or activity, identifying your valuables, all deprive the would-be criminal of an easy target. We live in a nice, clean, safe park. By working together, we can keep it that way.

Phone scams are getting more creative and even the best of us can be fooled. One of the newest scams in Pinellas County involves the victim delivering a pre-paid card to a fake sheriff at the Criminal Justice Center in Clearwater. The scammers even answer the phone as the Sheriff's Department, if you call the number THEY give you. Phone scams can involve the IRS, Social Security, missed jury duty, false claims of family members needing to be bailed out of jail, fake winnings of lottery/Publishing Clearing House, etc... The refrigerator magnets with the non-emergency Sheriff's number were purchased to be used ANY TIME we suspect crime. ALWAYS call the Sheriff's number before giving anyone money over the phone, unless it is a charity that you help support. Never give anyone a pre-paid card. They are untraceable. Also, IF you win something, you should not have to pay them any money to get your money. Neighborhood Watch is a program that the Sheriff's Department started to work hand in hand with residents of Pinellas County. Don't be shy, when in doubt....call the number on your magnet.

We would like to remind the shareholders that the light in the clubhouse entry across from the office needs to be shut off at the end of each night.

If you would like to join Neighborhood Watch, please give either Tom Vanzant 609-980-2063, or Walter Douglass 727-773-7790 a call. Both full time and part time shareholders are welcome.

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

The cost of dry cleaning around the world

Have you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

Discarded tech adds up

Chances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).

- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).

Computers are better than we are at arithmetic, not because computers are so good at it, but because we are so bad at it.
