FROM THE PRESIDENT

Kathy Bornick

All vehicles on wheels including bicycles and golf carts must stop at all stop signs. Please slow down and stop at all stop signs.

Call the SHERIFF. Call the SHERIFF. Call the SHERIFF Call 911, if you see someone in the Park that you think does not belong here. Call 911. The SHERIFF will respond quickly. If you see something, say something! The Sheriff's department works for you. You are the most important part of Neighborhood Watch. So Call the Sheriff.

FROM THE OFFICE

Kay Tyrrell

SHAREHOLDER'S JUST A REMINDER!! When Standards did a recent inspection there was an unusually high number of Shareholder's that got written up. As per Maintenance and Improvements of Holiday Rules and Regulations it is clearly states that any Shareholder who leaves the park for 30 days or longer must designate a caretaker for their property, who will be responsible for the exterior weeding and maintenance of their property.

If such a person is not designated HSP will take appropriate action and designate someone to be responsible for the exterior weeding and maintenance and bill the shareholder for the appropriate charges.

Holiday Shores has a reputation of being one of the best kept Parks in Pinellas County, so let's strive to keep it that way.

Also those who contribute articles to be placed in the Newsletter, please make sure you submit them to the Office in a timely manner, the cut -off date can be found in the previous edition of the Newsletter.

Thank you for your cooperation.

There will be a gathering on Veterans Day at 10am. Please join us. Ruth Kredovski will be hosting her wine and cheese party on November 21st at 6pm. Do not forget to bring your state’s wine or cheese,

Activities will have Thanksgiving Dinner at 2 pm. We will furnish meat and would like our residents to bring their favorite dish. **Everyone** is welcome. Sign-up sheet will be up first of November. December meeting is on the 5th. Candlelight Dinner will be held on December 15th at 5pm. The Christmas decorations judging will be on 17th. Christmas brunch will be at 10pm. New Years Eve dance is on 31st and will begin at 8pm. Details will follow as time gets closer to our events. Looking forward to see all soon!

GOLF: HOLIDAY CHIPPERS

Mark, Shirley & Priscilla

It’s that time of year when the Holiday Chippers will begin showing off their putting skills. The third Saturday of the month around the noon hour is the time and the place is the putting green by the gazebo. Please check the marquee by the clubhouse for starting time. Hopefully the weather cooperated and there was golf in October.

Everyone is welcome to participate or just come to socialize. There will be hot dogs and beverages to purchase. Beer is available for a donation.

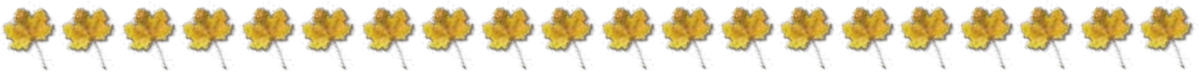

For those of you new to the park, please plan on attending this event. There is equipment for you to use. Just bring money to putt, purchase food, drinks, 50/50 tickets, and dues if you haven’t already paid yours for 2015. (Dues, is due, for current members in January.)

See you the third Saturday in November.

CHORALAIRES

Lo Dykens

We have currently rehearsing on Tuesday mornings. We are anxiously awaiting to welcome all our singers back for the season.

SHARING AND CARING

Dolly Lake

PLEASE call me if you know of someone who is ill, in the Hospital, having surgery, or has passed away, etc. Very often, people think someone else has called me, therefore I am not informed. So please give me a call!! Thanks for your help.

Sharon Cannon had surgery and is hopefully recovering.

We offer our sympathies to the families and friends of Wade Garrett and Bruce Bordone, who passed away recently.

We also extend our condolences to Lucille Koval on the passing of her son. We also extend our condolences to Mary Oechsli on the passing of her son.

THEATER

David Middleton

The Way Off-Broadway Theatre Group met on Tuesday October 13th and after much discussion, it was decided to not present the Murder Mystery Dinner in November this year and to concentrate on the March show instead. Our next meeting will be Tuesday, November 10 at 2:00 pm in the Clubhouse and we welcome all to come play with us; we're always looking for new talent both on stage and off! We will be planning our March show for next season and any help and suggestions will be welcome. So, put on your thinking caps, let the creative juices flow and let's get theatrical! We'll see you on Tuesday, October 13 at 2:00 pm!

SHUFFLEBOARD NEWS

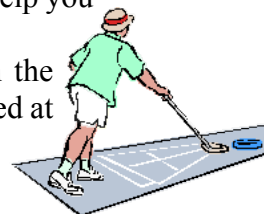

Priscilla Donegan

The weather hasn't cooperated, but hopefully by the time you receive this month's media, shuffling has begun. Dues this year is \$3.00 and Tom Smith or Mary Guilmette will be happy to sign you up for the season.

You don't have to have your own equipment in order to play. Anyone who would like to try the game is more than welcome and any members would be happy to help you learn the game.

Shuffling is at 1:00pm on Monday, Wednesday and Friday. Watch the marquee for when shuffling will begin. There is also a flag that is displayed at the court to tell you there is shuffling that day.

See you on the courts.

WII BOWLING LEAGUE

Harold & Joan Harlan's Ghost Writer

Although most activities seem to stop in the summer, Wii Bowling continued/continues to be active. Every Thursday evening, the bowlers arrived ready to do "battle". In the process, there are/were lots of cheers for those who successfully bowled a "300" game, made their "First" Strike, got their first "Turkey" or "Six Pack", or missed that "Perfect Game" by "1 **not so** perfect ball". All of our "Senior Senior's" continued to enjoy doing battle at the lanes but more importantly, liked the opportunity to "Have Some Fun", conversation and laughter, while staying out of the heat.

The Wii Bowling Lanes are up and operational every Thursday evening at 5pm. All new residents are encouraged to "swing" by to give the "game" a try OR just to "visit" and "to see what's happening" and have "some laughs" and "some FUN".

If you're looking for a way to stay out of the heat and for something to do rather than watch television, join the Wii Bowlers on a Thursday evening.

STOP BY and GIVE Wii BOWLING A TRY!

TRAVEL CLUB

Jan Lessard

The summer has presented many opportunities for people to see, eat, and visit while exploring a variety of local sites and activities. As we move into the busy holiday season, there are a variety of wonderful excursions ready and waiting for people to visit and enjoy.

Too learn more about these possible trips and for the latest on "**What's Happening?**" be sure to attend The **NEXT On-Site TRAVEL CLUB MEETING** which will be **Thursday, November 5, 2015 at 6:00 pm (Or** immediately following completion of Wii Bowling). Also, don't forget to check the Bulletin Board for sign-up sheets and more information.

If anyone has an idea or thought about where he/she would like to see or take a trip, please let me know because you might not be the only one interested in visiting the location. Perhaps, they'll be others who would like to go as well and if feasible, I could plan a trip.

NOTEWORTHY TUESDAY

Jan Lessard

With the return of the many Northern Residents, which means more activity and more obstacles in the Clubhouse, it's difficult to maintain the Tuesday 9:30 am Coffee with the 10am Social Time. Therefore, Noteworthy Tuesday will temporarily suspend its Operational Activity. Watch for its return date and/ or more information in the future.

POOL LEAGUE

Dick Lessard

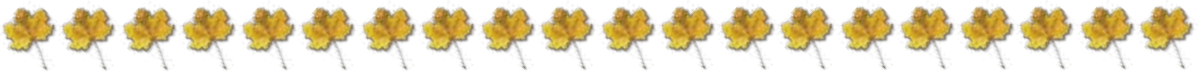

The Pool Tables have been busy on Tuesday afternoons, as one of the year round activities. The summer had many regular's continuing to enjoy the cooler weather inside while practicing pool shots. Their dedication, practice, and improvement is noticeable. It seems the "Sharks" continue to "Circle" hoping for new "Fish" to stop by and give Pool a Try.

Remember, Practice Makes Perfect!

Stay healthy when you travel

Can your hotel room make you sick? Whether you're on vacation or traveling for work, you don't want your accommodations to create health issues. Try these tips to stay healthy wherever you crash:

- Get a smoke-free room. Avoid exposure to leftover smoke and nicotine by requesting a smoke-free floor when you make your reservations, or at least a nonsmoking room.
- Resist the minibar. Decline a minibar key when you check in. You'll be free of temptation to indulge in unhealthy (and expensive) drinks and snacks.
- Ditch the bed cover. Bed covers can be hiding places for bugs and other pests. Store it in a dresser or a corner of your room before going to bed.
- Bring your own disinfectant. Wipe down the phone, TV remote, and other devices with an antibacterial spray or wipe before using them to get rid of any harmful bacteria and germs from previous guests.
- Use fresh cups. Don't drink from reusable glasses and cups. Stick with your own water bottle, or plastic disposable cups wrapped in plastic.

Don't sabotage your diet during the long afternoon

You can eat a healthful breakfast and a nutritious lunch, yet still undercut your efforts to stay fit if you slack off in the afternoon. Watch out for these post-lunchtime habits that can add on extra pounds (from the Health Magazine website):

- Heavy snacks. A mid-afternoon snack can turn into a second lunch if you're not careful. Don't overdo it. Limit your snacking to 150 calories or fewer.
- Avoiding the gym. Schedule time for exercise; don't skip it just because you're busy or tired. Burning calories is important to staying in shape.
- The coffee shop. If you need a dose of caffeine, don't overload on extra sugar and cream, and resist the scones and muffins. Have a cup of coffee or tea at work, or ask a friend to pick up something salubrious for you so you don't face the temptation.
- Workplace celebrations. Birthdays, showers, good-bye parties and the like usually feature treats that can pack on the pounds. Share your good wishes, but don't go overboard on the goodies.

Military Family Appreciation Month. Throughout November, military families serving around the world are honored through a variety of observances and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

National Epilepsy Awareness Month. The Epilepsy Foundation estimates that 65 million people around the world, and 2 million in the U.S., have epilepsy—a neurological condition in which disturbances in the electrical activity of the brain cause seizures. National Epilepsy Awareness Month seeks to break down barriers stopping people with epilepsy from reaching their fullest potential.

National Peanut Butter Lover's Month. Celebrate your love of peanut butter this month by sharing these facts with your friends: One 12-ounce jar of peanut butter contains about 540 peanuts; one acre of peanuts can produce enough peanut butter for 30,000 sandwiches; and peanuts contribute more than \$4 billion to the U.S. economy every year.

Native American Heritage Month. Beginning as a single day of recognition for the contributions the first Americans have made to the establishment and growth of the U.S., Native American Heritage Month was designated in 1990 by President George H. W. Bush.

Week to Week in November

National Animal Shelter Appreciation Week, Nov. 2-8. Approximately 3,500 animal shelters across the United States serve the estimated 6-8 million homeless animals in need of refuge each year. Show them some love and support.

National Hunger & Homelessness Awareness Week, Nov. 14-22. Held each year the week before Thanksgiving to give Americans a time to show compassion for people experiencing hunger and homelessness.

Geography Awareness Week, Nov. 15-21. Spatial thinking through maps is one of the most important skills that students can develop as they learn geography, Earth and environmental sciences, and so much more. Celebrate and explore the power of maps!

American Education Week, Nov. 16-20. Take this opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education.

Have a nice flight (if you can)

Flying may be the fastest and safest way to travel, but we all have our own preferences and quirks when traveling by air. A survey of more than 1,100 family travelers by ExpertFlyer looked at passenger habits. Their findings included:

- **Airline choice.** United? American? Southwest? Forty-five percent of participants said that airline mile redemption was a factor in choosing which airline to fly on.
- **Storage space.** Space is at a premium on most airplanes. Seventy-five percent admitted to “stealing” overhead bin space beyond their authorized allotment.
- **Food.** In-flight meals aren’t the only option if you’re hungry. More than one-third of passengers said they bring their own food to eat during flight.
- **Complaints.** Flying can be stressful. The top complaint: A bad seat or a seat not near companions (35 percent), followed by delays (25 percent), and general discomfort (24 percent).
- **Worries.** Lost luggage is one thing, but 21 percent of survey participants said that terrorism is their biggest concern when traveling with their families. That was followed by getting lost or separated (19 percent) and crime (19 percent).

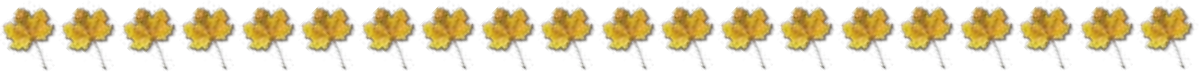

Who’s drinking all the coffee?

Lots of people depend on coffee to get them through the day. According to figures from Gallup, 64 percent of U.S. adults drink at least one cup a day. Some drink more:

- One cup 26 percent
- Two cups 19 percent
- Three cups 8 percent
- Four or more 11 percent
- None 36 percent

Coffee is somewhat more popular with the older generation, with 74 percent of people 55 or older drinking it daily, a habit shared by just 50 percent of the 18-34 crowd. Women drink a little more than men: Sixty-six percent of women report having one or more cups per day, while 62 percent of men say the same. And Caucasians drink more than African-Americans—67 percent to 59 percent.

Moo! Cows may be smarter than you think

What's the smartest animal you can think of? Dolphins and chimpanzees may spring to mind quickly, but don't neglect one often-overlooked farm animal: the cow.

College students at the University of Sydney (as reported by the Huffington Post) conducted experiments with dairy cows and found that our bovine friends are capable of quickly mastering a maze to find food, and thus may possess better problem-solving skills than previously known.

The cows were tested in a T-shaped maze similar to those used with mice and rats. They learned to follow a sound through the maze to get to their food, with one of them reaching its goals within the first 20 seconds of the test.

The results suggest that cattle farmers could train cows to obey specific sound signals to come in for milking, producing greater efficiency on dairy farms.

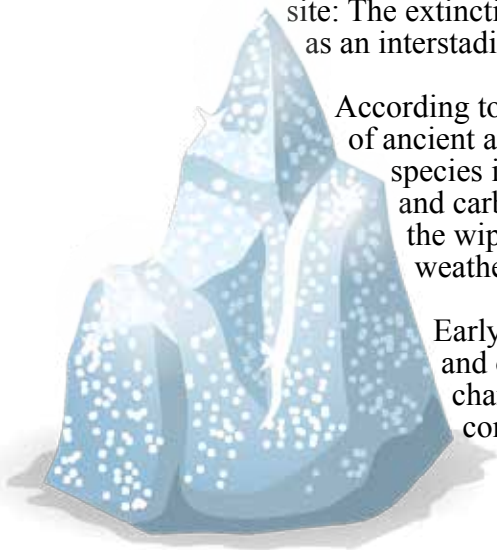

Global warming, not Ice Age, may have killed mammoths

Giant woolly mammoths roamed the Earth until about 11,000 years ago, when they abruptly went extinct. For years, scientists theorized that they were killed by the cold temperatures of the last Ice Age. Now some believe the explanation is just the opposite: The extinction event was caused by a sudden warming event known as an interstadial.

According to research published in the journal *Science*, DNA studies of ancient animals point to the sudden extinction of many large species in past ages. As more DNA from fossils became available, and carbon dating methods improved, scientists discovered that the wipeouts didn't correspond to the rise of glaciers and cold weather, but rather to periods of rapid global warming.

Early humans also contributed to the demise of the mammoths and other large beasts, but the evidence suggests that climate change was a major factor in their extinction—raising concerns about the future of our present environment.
