BLOOD DRIVE

Rich Gropp

On Thursday, April 2nd, the “Bloodmobile” will make a stop at Honeymoon MHP. It will be in front of the clubhouse from 9:45am to 10:45am. The goal is to have at least 6 people donate blood.

All donors will get a wellness check-up, which includes blood pressure, temperature, iron count, and cholesterol screening. In addition, donors will receive a T-shirt and a voucher for a free breakfast at Perkins.

Remember, when you give a little blood, you are giving someone life.

FIRST ANNUAL SECOND STREET PARTY

Second Street neighbors, Linda Morris and Lynda Walsh (Linda 1 and Lynda 2) are inviting one and all to the first annual Second Street party. They are planning food, drink, and dancing in the street! The action will center around #69 and #71, but will probably extend further east and west!

Plan to join us on Second Street on Saturday, April 11. Fun starts at 2:00pm, and might end at 6:00pm. And thank you Linda and Lynda for organizing this party!

To the Ladies of Honeymoon Park

Barb Potts

By the time the April Gazette arrives, some of you will be getting ready to head back home. Hope all of you have a safe trip.

We had a good time this winter making new friends and being with “old” friends. I hope you all enjoyed the restaurants we went to this year. We will be looking forward to next winter when you all come back.

Those of us who are lucky enough to live here all year will still be getting together once a month during the summer. Maybe we can try new places as well as visit some old ones. Don't forget to check the board at the clubhouse to see where we are going to eat next!

Be safe and God Bless

Barb

I would like to add a big THANK YOU to Barb Potts for finding fun places to meet and eat! After all, one of our most enjoyable pastimes is eating! Barb finds places that can accommodate large groups and makes sure everyone has a ride and acts as hostess, making everyone feel welcome.

Aluminum Beverage Can Collection Pays Money

From Bill Smith

A volunteer team of thirteen residents, lead by Richard Cote, regularly collects clean aluminum beverage (soda, beer) cans. The crushed clean aluminum beverage cans are sold to the metal recycler. In January, almost 200 pounds of crushed aluminum was delivered to the metal recycler. The proceeds of \$120.00 will be used by the Honeymoon Community Association, Inc. in activities for Park residents. Residents are encouraged to support this continuing collection program by depositing only clean aluminum beverage cans in receptacles located at the dumpster compound, the pool deck, and the shuffleboard shed.

Thank you to "Crushin' Team" Members; Richard Cote, Steve Barton, Ray Conley, Gil Gilliland, Larry Hoffman, Tom Lenard, Harry Lester, David McPhee, Don Nowers, Bill Price, Bill Smith, Archie Smitherman, Dale Wittig.

Pat Gilliland reports:

On Feb. 9th 29 people went on the Enchantment of the Seas cruise ship to the Bahamas. The weather was a little cool but fun was had by all. Lots of laughs and fun get-togethers. Good entertainment and shore trips and wonderful food.

Everyone is already looking forward to another cruise next year. Thurs Feb. 19th a wonderful Valentine dance was held at the clubhouse with about 65 people. Music was provided by Short Notice Duo. Everyone danced the night away.

On Tues. Feb. 17th a group of 17 residents carpooled to Gulfport Fl. and enjoyed all the vendors on Beach Ave. they all had a nice lunch at Neptune Grill. Fun was had by all.

Another fun thing to do at Honeymoon Park.

Friday Feb. 20th 17 people went to Tampa Bay Downs for a day at the races with a wonderful buffet included. Nice way to spend a cool Friday. We even had some winners!

A Day at the Races

By Rich Gropp

I went to the horse races for the first time with our group here at the park. It was a beautiful day to be at the track. I had high hopes of winning a few races and coming home with more money than I went with.

I placed a few bets on the first race and while returning to my seat I heard everyone in the room laughing. They were laughing at a horse that got loose from it's handlers and ran the track backwards! Well, that was the horse I just bet on, and of course it was "scratched"!

I guess this was a sign of how my day was going to go! I bet a couple of more races and did win one.

Looks like a know how to pick a good horse when I see one! Right?

Almond Roca Cookies

Yield: 5 to 6 dozen, depending on size

Ingredients

- 2 1/2 cups AP flour
- 1/2 teaspoon baking soda
- 1/4 teaspoon salt
- 1 cup dark brown sugar
- 1/2 cup sugar
- 1 cup butter, room temperature
- 2 eggs, room temperature
- 2 teaspoons pure vanilla extract
- 1 8-oz package toffee bits
- 1 cup coarsely ground blanched almonds
- 1 cup each of semi-sweet chocolate chips & white chocolate chips

Directions

Preheat oven to 300 degrees F.

In a medium mixing bowl, whisk together flour, baking soda, and salt. Set aside. In the bowl of an electric mixer, blend sugars together on medium speed. Add butter and mix to form a grainy paste. Add eggs and vanilla and mix at medium speed until light and fluffy. At low speed, slowly add the flour mixture and then the toffee bits. Mix until just blended; do not over-mix.

Refrigerate for 30 minutes.

Place ground nuts in a small bowl. Roll dough into 1" balls, then roll in the ground nuts. Place on parchment-lined cookie sheets about 2" apart. Bake 20 to 22 minutes and then transfer cookies to a cooling rack.

Melt the chocolate chips & white chocolate chips separately, then drizzle decoratively over cooled cookies.

From MaryJo Boyle

On Valentine's Day, I won an Honorable Mention ribbon at the Florida State Fair for my Almond Roca cookies, and I received a Blue Ribbon (1st Place) for my Vanilla Chai Icebox Shortbread cookies. Several people asked for the recipes, so here they are. Both recipes are easy and delicious. The Almond Roca recipe is the one that I made for the Cookie Swap in December.

Vanilla-Chai Icebox Shortbread Cookies

4 to 6 dozen cookies, depending on size

Cookies:

- 2 1/3 cups all-purpose flour
- 2 teaspoons pumpkin pie spice
- 2 teaspoons ground ginger
- 1/2 teaspoon ground allspice
- 1/2 teaspoon ground cardamom
- 1 cup (2 sticks) butter, softened
- 1 cup granulated sugar
- 3 tablespoons honey
- 2 large egg yolks
- 1 medium vanilla bean

Icing:

- 1 cup confectioner's sugar, sifted
- 1 teaspoon pumpkin pie spice
- 2 teaspoons pure vanilla extract
- 1 tablespoon light corn syrup
- 1 tablespoon water

Directions

In a large bowl, sift or whisk together flour, pumpkin pie spice, ginger, allspice and cardamom. Set aside.

Combine butter, sugar, and honey in a bowl. Beat until light and fluffy. Add the egg yolks, one at a time, and beat until smooth.

Using a small knife, split the vanilla bean lengthwise in half. Scrape the seeds from both sides of the pod with the tip of the knife and add them to the butter-sugar mixture. Beat to combine. Add in flour-spice mixture, 1 cup at a time, blending until fully incorporated.

Divide the dough in half and transfer each half to a sheet of wax paper. Shape into 12" logs.

Chill or freeze logs at least 2 hours or overnight.

Preheat oven to 350 degrees F with an oven rack in the middle. Line two baking sheets with parchment paper.

With a sharp knife, cut logs into 1/4-inch-thick slices and arrange 1/2 inch apart on baking sheets. Bake until lightly browned around edges, about 10 to 12 minutes. Transfer to racks to cool.

In a small bowl, whisk together icing ingredients until smooth and transfer to a sealable plastic bag. Cut a tiny opening in one corner of bag and drizzle icing decoratively across the tops.

Gas Station Theft Prevention Awareness

By the time you read this, residents will have attended the introductory meeting to the Neighborhood Watch Program at Honeymoon Park. Safety is enhanced through education and awareness

Gas station theft prevention awareness is one example. The gas station setting allows thieves to catch their victims by complete surprise — when they are pumping gas or paying their tab inside the station. A thief is able to drive up next to the victim's car, open an unlocked door, and grab

any valuables within reach. Then, the thief quickly drives off. It happens in a matter of seconds. But these thefts can be easily prevented. Your Neighborhood Watch recommends the following tips to prevent residents from becoming victims of theft at area gas stations.

- Pick stations that are well-lit and have video surveillance cameras at the pump.
- Always remove your keys and lock the doors while you are pumping gas.
- Keep valuables out of plain view in your vehicle and lock the doors even if you are going inside for a moment.
- Pay attention to your surroundings.
- Don't let your cell phone distract you.

Ruth Cote says:

A married couple in their early 60's was celebrating their 40th wedding anniversary in a quiet, romantic little restaurant. Suddenly, a tiny yet beautiful fairy appeared on their table. She said, "For being such an exemplary married couple and for being loving to each other for all this time, I will grant you each a wish."

The wife answered, "Oh, I want to travel around the world with my darling husband."

The fairy waved her magic wand and - POOF! - two tickets for the Queen Mary II appeared in her hands.

The husband thought for a moment: "Well, this is all very romantic, but an opportunity like this will never come again. I'm sorry my love, but my wish is to have a wife 30 years younger than me."

The wife and the fairy were deeply disappointed, but a wish is a wish.

So the fairy waved her magic wand and - POOF! - the husband became 92 years old.

The moral of this story: Men should remember fairies are females.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you **believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology**, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, **"This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."**

Dr. Drew says that, **"The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment."** He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." **The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.**

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like **"Incredible", "Amazing" and "Unbelievable."** It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

New Homes!

Two new homes have arrived in the park. One is sitting on lot #202, the other is on #228. They are identical, and now we are waiting for them to be put together. Marty says they will sell for around \$90,000. Very nice! Also, it appears all the concrete pedestals have been “planted” for the new lights. On many streets the actual wiring has been inserted through the pedestals. So, perhaps before all the snowbirds go home, the new lights will be operating!

RIVER CRUISING

By Ruth Cote

Rich and I took our second river cruise on the Mississippi River, traveling from New Orleans to Vicksburg, Miss. and back to New Orleans, a 7 day cruise. We stopped in a couple small towns and did the hop on hop off bus. They were very interesting and had a lot of history.

We visited three beautiful plantations, Oak Alley in Vacherie, La. that has a quarter mile alley (walk way) with 28 live oaks, (300 Yrs Old) planted in two equal rows on each side 80 feet apart. The grounds were beautiful with flowering Crepe Myrtle trees.

In Natchez we visited the Frogmore Plantation (cotton), had a tour of the fields, steam engine cotton gin, the slave cabin and was entertained in an 1800s African- American plantation church. Then on to a 6 story 30,000 sq. foot mansion called Longwood Plantation. The civil war began, and the workers left with only the first floor finished, the upper 5 floors untouched. It is octagon shaped and is a National Historic Landmark.

We stopped in Baton Rouge and had a great bus tour. The guide told us that the name came from a huge stick with dead animals on it that was stuck in the ground by Indian settlers. When the French arrived and saw it they called the town Baton (meaning stick) and Rouge (meaning red). We had a wonderful trip although it was cold!!! The food, entertainment and staff on the ship were great!!!! Each time we left port they played the Calliope. We also spent 4 days touring New Orleans. All of the tour guides were well informed and some lived in the towns. We had a great time!!!

From the Editor's Desk

Susie Buckley

Activities are winding down for this season (already!) Much has been going on – all the trips, cruises, dinners, dances and other activities, not to mention the new lights and new homes. Honeymoon is a great place to live!

Your Board of Directors meets the second Thursday of the month from November through April. The Treasurer's report and the minutes from these meetings are posted on the north wall in the clubhouse. And I want to thank everyone who contributes to this newsletter. Keep up the good work!

At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
