## Self Defense Class

---

**P**at Malone, Karate Second Degree Black Belt, will once again teach Self Defense classes on Tuesdays at 3:00pm. Don't be a helpless victim. Learn what to do if someone grabs you or strikes at you. The classes will stress techniques for overcoming a variety of types of "grabs" assailants may attempt. Each technique is simple and if learned by repetition, can be done in an instant. Most importantly, they can be VERY effective at overcoming the attack, neutralizing the attacker and allowing escape.

No need to call or sign up. Classes will start at 3:00pm sharp each Tuesday and will last about 45 minutes. Wear comfortable clothes and sneakers or closed toe shoes. Classes will normally be held on the grass just to the south of the pool. SEE YOU THERE!

Pat Malone, #25

## Trip to the Mountains

*from Ruth Cote*

---

**R**ichard and I took a Trip to Pigeon Forge Tennessee to visit the kids, grand kids and great grand kids. We had a family picnic so we got to see everyone. We had a lot of fun with the little ones swimming and playing games.

There was an antique car show that lined the main street for about 3 miles.

There were Model T's, Chevy's, Oldsmobile's, Studebaker, Fords, any old car you could think of and trucks too. It was fun to see them and they were absolutely beautiful.

We went up in the mountains but didn't see any bears. Then we went to Peachtree Ga. to visit Rich's niece. She and her husband celebrated their 50th wedding anniversary with a short ceremony. Richard gave her away. It was very special.

Then we traveled to a little town called Helen, Ga. about 125 mi from where we were. It is a small Alpine Village nestled in the Blue Ridge Mountains on the Chattahoochee River with about 500 residents. Lots of gift shops, restaurants and motels. One main St about 1 mile long. All the buildings are Swiss style and have pictures painted on them. The German food was excellent. You can take a tour around town in a horse and carriage and the driver gives you a little history about Helen.

We took a trip to the Unicoi State Park where the Anna Ruby Falls are. We climbed 1/2 mile straight up the mountain on an asphalt trail to see the falls. There were 2 falls, the biggest one Anna Ruby was about 400 ft high and was really flowing. The other one was about 200 ft high. It was something to see. We had a good time but were glad to get home.

## Back Home

*from Carolyn Carr September 21*

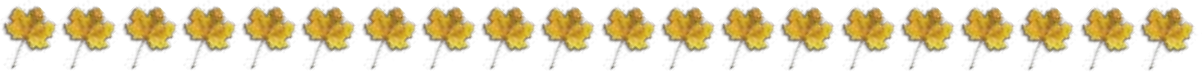

---

**H**i Everyone  
Well Ralph and I made it home safe and sound with no real issues. Did about 6300 miles without killing each other. Trip was great, weather was awesome except one bad storm last Thursday night in Illinois, called for tornado warnings. All we got was part flash flooding in our park, we stayed dry.

Saw lots of beautiful country in Oregon, Wyoming, California. Lots of prairies to look at (kind of boring.) So, back to the old grind, getting cottages put to rest for another season and starting to clean up the property.

Take care and we will talk again soon.

Love to all,  
Ralph and Carolyn

A police officer called the station on his radio.

"I have an interesting case here. An old lady shot her husband for stepping on the floor she just mopped."

"Have you arrested the woman?" came the reply from the station.

"Not yet," said the officer. "The floor is still wet."

## NEIGHBORHOOD "WATCH TALK"

Over half of your neighbors are members of the "Watch". Residents are encouraged to join the "Watch" by emailing [hmhpwatch@gmail.com](mailto:hmhpwatch@gmail.com) with their name and lot number. It's that easy!!!

### "ROBOCALLS" Look Out for...

Phone calls at all hours of the day, and on the other end? A recording. The phone call is most likely a "ROBOCALL".

According to Florida Attorney General Pam Bondi, people are receiving more robocalls because of advances in technology. Companies can make up to 1,000 calls every minute.

First, **do not** believe the caller ID. Scammers hide behind robocalls to take advantage of consumers and to disguise their identities so you will pick up the call.

Second, **do not** hit any response keys. For example, they may ask you to hit one to speak to an operator, or hit the pound sign to be taken off the call list. **Do not respond.**

Third, **hang up the phone.** If a robocall directs a consumer to press a button to speak to an operator or to be removed from the company's call list, they should hang up immediately.

Pressing a button confirms that the solicitation is being heard and can lead to more robocalls.

Consumers who do not wish to receive solicitations over the phone should register their phone numbers with the national and state Do Not Call Registries at the following links, [DoNotCall.gov](http://DoNotCall.gov) and [FLDNC.com](http://FLDNC.com).

Consumers receiving robocalls should write down the name of the company mentioned in the prerecorded message and phone number associated with the call.

Consumers that receive robocall solicitations can report the calls to the Florida Attorney General's No Fraud Hotline at 1-866-9NO-SCAM (866-966-7226) or online at

[MyFloridaLegal.com](http://MyFloridaLegal.com).

Be Safe.....Become Aware

P.S. When you see the Sheriff in the Park, give a big wave and a thank you. After all....

## BOTTLE OF WINE

*From Carolyn Carr*

---

**F**or all of us who are married, were married, wish you were married, or wish you weren't married, this is something to smile about the next time you see a bottle of wine.

Sally was driving home from one of her business trips in Northern Arizona when she saw an elderly Navajo woman walking on the side of the road.

As the trip was a long and quiet one, she stopped the car and asked the Navajo woman if she would like a ride.

With a silent nod of thanks, the woman got into the car.

Resuming the journey, Sally tried in vain to make a bit of small talk with the Navajo woman. The old woman just sat silently, looking intently at everything she saw, studying every little detail, until she noticed a brown bag on the seat next to Sally.

'What in bag?' asked the old woman.

Sally looked down at the brown bag and said, 'It's a bottle of wine. I got it for my husband.'

The Navajo woman was silent for another moment or two. Then speaking with the quiet wisdom of an elder, she said, 'Good trade.'

The information for the calendar is as accurate as it can be as of October 14th. Many more residents will be returning in the next few weeks and activities will probably be added. Chef Fred will likely do hot dogs, line dancing might start in November, and other fun things will surely be added. Upcoming activities are announced at Koffee Klatch every Thursday at 8:30am. You can also check the bulletin board at the clubhouse.

## Stay!

From Carolyn Carr

---

I pulled into the crowded parking lot at the local shopping center and rolled down the car windows to make sure my Labrador Retriever Pup had fresh air. She was stretched full-out on the back seat and I wanted to impress upon her that she must remain there.

I walked to the curb backward, pointing my finger at the car and saying emphatically, "Now you stay. Do you hear me?"

"Stay! Stay!"

The driver of a nearby car, a pretty young blonde, gave me a strange look and said, (this is going to hurt; read on)

"Why don't you just put it in 'Park'?"

## Newsletter Cover Picture

Sometimes people ask me to send in a picture to go on the cover of our newsletters. Published in last month's newsletter on page 6 are directions on how to submit a picture. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. ## From the Editor's Desk

by Susie Buckley

---

**L**ike the swallows to Capistrano, the Buckleys have returned to Honeymoon. The weather is beautiful now, but I have been told of all the rain that fell during the summer, causing major flooding in the entire Tampa Bay area. But, because of all that rain, we actually have grass on Second Street!

The beach at Honeymoon Island has been refurbished and looks like Clearwater Beach. There is roadwork happening on Alt 19, but they are doing the work at night. Our new street lights light up the night. Pat, our activities director, has a new knee. We have some new activities to try: Yoga, bread-making and weight watching. There are no homes in our park for sale, and work has started on “setting” the two brand new homes.

LIFE IS GOOD!! Looking forward to seeing all our neighbors soon! Safe travels.
