From the Office...

Marti & Staff

October has arrived and another summer season is behind us. Many of our Northern friends are beginning to make their way back to their winter homes. With their arrival I want to remind both our full-time residents and seasonal residents of the following:

The speed limit in the Park is **10 MPH**. Many of us share the roads in the park using a variety of transportation. Whether walking, roller blading, biking, using golf carts, motor cycles and cars, we must all be aware of others on the roads and diligent in keeping safety as a top priority. The 30 seconds you save by speeding is not going to matter if someone is hurt in the process.

The City of Dunedin will not pick up electronics from multiple unit properties. Items such as TVs, monitors, computers, microwaves, copiers, printers and VCRs must not be left at the dumpsters.

Residents are responsible to dispose of these items in a legal manner. For more information about mobile collection sites and the county disposal facility please contact the Park Office.

Mobile home owners should be receiving their registration renewal notices from the Pinellas County Tax Collectors office. In compliance with the Park rules and regulations and the Florida State statute, 320.19 you must have a current decal on your home. In May 2014 the Pinellas County Tax Collectors office put out a notice that “delinquent mobile homes must renew or face tax liens.” What this means is if your registration is delinquent there will be a tax lien placed directly on your title which must be paid before any changes to the title or sale of your home can be completed. A copy of this notice can be found on the bulletin board in the recreation hall. If you need help determining when your registration expires, please stop in the office during normal business hours and I would be happy to assist you. Mobile home registrations expire on December 31 unless you have renewed for multiple years.

The end of summer season is always a good time to take stalk of the condition our homes. Please take a few minutes to walk around your home to inspect it for any routine maintenance that is needed. This would include washing of the home, painting, trimming plants back from the home and roof and eradicating weeds from concrete and stone areas.

Safe travels this fall to all of our friends.

A new addition to the calendar is Ageless Grace at 2:30pm on Tuesday, October 7th. This is a great exercise class for any age. The exercises are done while sitting in a chair. Pat says to give it a try, you will love it!

In the August issue of the Gazette I erroneously stated that Pat organized the Alaskan cruise and tour. It was not Pat, but Jeff Stringfield who put that trip together. Sorry, Jeff!

But feel free to plan some more trips!

On Monday, September 1st, about 40 residents attended the Labor Day picnic. Thanks to Karen Briggs, Jane Eilers and Darlene Musico for planning this fun party, and thanks to Rich Cote, the grill-master. Included in the festivities was a birthday cake for Nancy Hopkins.

Get Well wishes go out to Tony Rotel, Steve Barton, and Joanne O'Rourke. We wish you all a speedy recovery.

The recipe for this month is one that was shared on Facebook. It looks simple, and yummy, and I intend to make it soon.

Pumpkin Crunch Cake

- 1 can (15 Oz) pumpkin
- 1 can (12 oz) evaporated milk
- 3 eggs
- 1 ½ cups sugar
- 1 ½ tsp cinnamon
- ½ tsp salt

1. Whisk the above ingredients together in large bowl. Pour into greased 13 x 9 baking dish.

- 1 box yellow cake mix
- 1 cup pecans, chopped
- 1 cup butter, melted

2. Layer dry cake mix evenly on top of pumpkin mixture. Sprinkle pecans on top of cake mix.

3. Drizzle melted butter evenly over top. Bake at 350 for 50–55 minutes until golden brown.

I received this communication from Kurt Beard, owner and publisher of Monthly Media Newsletters. I wish Kurt and his wife Cathy the best of luck in their retirement years, and certainly thank them for all the help and support they have given me in getting our newsletter up and running. It will be a smooth transition, I'm sure. The newsletters will be delivered to the park around the first of the month, and you will still be able to view the Gazette online at www.monthly-media.com

9/2/14

After 38 years we have decided it's time to retire from Monthly Media. This enterprise has been a tremendous blessing to us and we leave with mixed feelings. We cannot thank you enough for your kind cooperation and patience over the years. Over the years we have made many friends among the editors we have worked with.

We have found someone to carry on and take our place! His name is Darin Hunt. As of the October 2014 issue, Darin and his company (Hunt Ventures, Inc., Venice, Florida) will be the new owners of Monthly Media and will assume full responsibility for all functions of Monthly Media newsletters. Darin has been publishing mobile home newsletters as Community Media since 2010. Their current service area includes Fort Myers Beach stretching north to Lakeland. You can find more information about Community Media at <http://4CommunityMedia.com>

This seems to be a light news month. I'm only at 14 pages! Thanks to Marti and Pat for helping me out. Please send photos or stories to honeymoongazette@gmail.com and check out our monthly newsletter online at www.monthlymedia.info.

I've been told that it has been a very hot summer in Dunedin. I don't know how it's been in other states, but here in northern Indiana it has been cooler than normal. We have had to run our furnace for the past few days! Looking forward to escaping to the Sunshine State in about 4 weeks.

Some of our friends and neighbors have already left for Florida, or are leaving soon. Safe travels to all. We will see you soon!

Water and Swimming Safety

From the Red Cross

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming.

If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.

More water safety information is available at redcross.org.
