It is with great sadness that I have to report the passing of three of our dear Honeymoon friends. Holly Anderson, #156, passed away June 8, Ralph Carr, #123, passed on June 12 and Wes Ferguson, #173 passed on July 13. Condolences to the families, these friends will be missed.

I would like to thank everyone for the wonderful support, cards, food, donations etc. and just being there for me with the loss of my wonderful husband Gill. He loved honeymoon Park and everyone here . He is truly missed.  
Pat Gilliland

The Honeymoon Pool Parties continue every Wednesday at 4:00pm, Rain or Shine!!!

Attendance has been at least 20 residents with a high of 27. The food, snacks and deserts are always plentiful. A great time for all of us to search the prior weeks encounters. Al Ross even came over as he continues to heal. It is so nice to catch up with the neighbors!!!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## **This from Carolyn Carr:**

---

**A** little girl asked her mom “Mom, may I take the dog for a walk around the block?” Mom replied, “No, because she is in heat.” “What’s that mean?” asked the child. “Go ask your father. I think he’s in the garage.”

The little girl went to the garage and said, “Dad, may I take Sasha for a walk around the block? I asked Mom, but she said the dog is in heat and to come to you.” Dad said, “Bring Sasha over here.” Being old school, he took a rag, soaked it with a little gasoline, dabbed the dog’s backside with it to disguise the scent, and said, “OK, you can go now, bt keep Sasha on the leash and only go one time around the block.”

The little girl left and returned a few minutes later with no dog on the leash. Surprised, Dad asked “Where’s Sasha?” The little girl said, “She ran out of gas about halfway down the block, so another dog is pushing her home.”

**T**raditionally, during the late spring and summer months, law enforcement generally sees an increase in property crimes. The targets of opportunities increase in the summer since many families go on vacations, children are out of school, and families spend time outside and leave doors unlocked or garages open.

These simple crime prevention tips can help you decrease your chances of becoming a victim:

- Keep cars locked at all times.
- It’s a good idea to keep home doors locked at all times even when you’re inside. While working outdoors, if you can’t see a door to the house or garage door, keep it closed/locked.
- If you have an alarm, use it.
- Social media isn’t always a good idea. Share your vacation when you arrive back home, otherwise would-be thieves have a good idea when to break in.
- Prepare your home for leaving. Stop the mail, newspaper, or have it picked up. If you don’t have a house sitter, try to make your home look like there is someone there. Use automatic timers to turn on lights.
- Trim the shrubbery. Tall shrubbery can hide a thief’s entry into your residence.

If you see suspicious activity, call 911. For non-emergencies, call Pinellas County Sheriff’s Office 727-582-6200.

## Carolyn Carr shares Kids Wisdom.....

---

While I sat in the reception area of my doctor's office, a woman rolled an elderly man in a wheelchair into the room. As she went to the receptionist's desk, the man sat there, alone and silent. Just as I thought I should make small talk with him, a little boy slipped off his mother's lap and walked over to the wheelchair. Placing his hand on the man's, he said, "I know how you feel. My mom makes me ride in the stroller too."

---

As I was nursing my baby, my cousin's six-year-old daughter, Krissy, came into the room. Never having seen anyone breast feed before, she was intrigued and full of all kinds of questions about what I was doing. After mulling over my answers, she remarked, "My mom has some of those, but I don't think she knows how to use them."

---

Out bicycling one day with my 8-year-old granddaughter Carolyn, I got a little wistful. "In ten years," I said, "you'll want to be with your friends, and you won't go walking, biking, and swimming with me like you do now."

Carolyn shrugged. "In ten years you'll be too old to do all those things anyway."

---

Working as a pediatric nurse, I had the difficult assignment of giving immunization shots to children. One day I entered the examining room to give 4-year-old Lizzie her injection.

"No, no, no!" she screamed.

"Lizzie," scolded her mother, "that's not polite behavior."

With that, Lizzie yelled even louder, "No thank you! No thank you."

---

On the way back from a Cub Scout meeting, my grandson innocently said to my son, "Dad, I know babies come from mommies' tummies, but how do they get there in the first place?"

After my son hemmed and hawed awhile, my grandson finally spoke up in disgust, "You don't have to make up something, Dad. It's okay if you don't know the answer."

## **And this one from Betty Hoffman.....**

---

**M**y wife hosted a dinner party for all our friends, some of whom we hadn't seen for ages and everyone was encouraged to bring their children along as well. All throughout dinner my wife's best friend's four-year-old daughter stared at me as I sat opposite her. The girl could hardly eat her food for staring. I checked my shirt for spots, felt my face for food, and patted my hair in place, but nothing stopped her from staring at me. Finally I asked her, "Why are you staring at me?" Everyone at the table noticed her behavior, and the table went quiet, waiting for her response. The little girl said, "I'm just waiting to see how you drink like a fish."

## **Just found this bit of news in the Dunedin Patch:**

---

**T**he Pinellas County Sheriff's Office North District Station has moved to a new location in Dunedin. The new North District Station is located at 2496 Bayshore Blvd., Dunedin, at the corner of Bayshore and Curlew Road.

Also in the Dunedin Patch:

The Dunedin City Commission has unanimously approved a one-year pilot program that will allow ferry operators to test the waters of the financial feasibility to provide ferry service from Clearwater to Dunedin.

The service would be available on Fridays, Saturdays and Sundays from noon to about 10:00pm.

Ferry service began July 6th, with a grand opening planned for the weekend of July 13th.

## **From Pinellas County Government Facebook page:**

---

**W**hen Thunder Roars, Go Indoors! Thunderstorms can produce deadly lightning capable of striking up to ten miles away from the storm – so, even if you don't see rain you could be in harm's way. Remember this simple message: When Thunder Roars, Go Indoors!

## Some thoughts from my friend John:

---

I thought growing old would take longer.

Sometimes the first step towards forgiveness is realizing the other person was born an idiot.

I wonder what people who spell “u” instead of “you” do with all their spare time.

How many boxes of these Thin Mints do I have to eat before I start seeing results?

Got tasered picking up my friend from the airport today. Apparently security doesn't like it when you shout “Hi Jack!”

My bed is a magical place where I can suddenly remember everything I was supposed to do.

What doesn't kill you makes you stronger. Except for bears. Bears will kill you.

There are times when my greatest accomplishment is just keeping my mouth shut.

No matter how big a hammer you use, you can't pound common sense into stupid people.

I had a Goldfish that could break dance on the carpet. But only for like 20 seconds.

And only once.

You haven't experienced true heartbreak until you've been thinking about leftovers all day and then come home to find that someone ate them.

Brains are awesome. I wish everybody had one.

My mouth is like a magician's hat. You never know what's gonna come out of it.

I'm old enough to remember when a wild night out meant skating around in circles while a DJ played music.

Some of you are too young to know what it feels like to take a ton of pictures then have to wait 2 weeks to find out they all sucked.

I want to be like a caterpillar. Eat a lot. Sleep for a while. Wake up beautiful.

Walmart: “Hey, let's buy 30 cash registers and only keep 2 open.”

I bought a little bag of air today; the company that made it was kind enough to put some potato chips in it as well.

Some days I amaze myself. Other days I look for my phone while I'm holding it.

Mr. Rogers did not adequately prepare me for the people in my neighborhood.

I always wanted to lay naked on a bearskin rug in front of the fireplace. Evidently, Cracker Barrel has a policy against this.

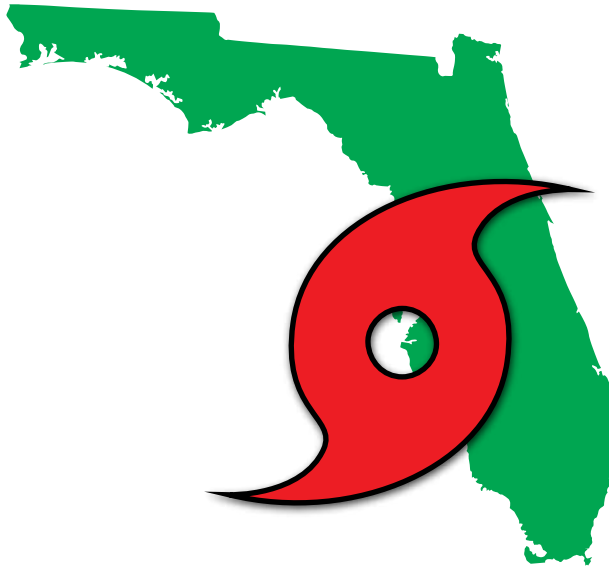

I went to the psychiatrist today. She told me I had a split personality and charged me \$160.00. I gave her \$80.00 and told her to get the rest from the other idiot.

### ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

## And who hasn't had trouble with Auto-Correct?

---

Hi, George, this is Richard, next door. I've got a confession to make. I've been riddled w/ guilt for a few months & have been trying to get up the courage to tell you face-to-face. At least I'm telling you in this text, & I can't live w/myself a minute longer w/o your knowing about this.

The truth is that, when you're not around, I've been sharing your wife, day & night. In fact, probably much more than you. I haven't been getting it at home recently, & I know that's no excuse. The temptation was just too great. I can't live w/the guilt & hope you'll accept my sincere apology & forgive me. Please suggest a fee for usage & I'll pay you.

Regards, Richard

George, feeling very angry & betrayed, went next door & shot Richard, killing him. He went back home, shot his wife, poured himself a stiff drink & sat down on the sofa. George then looked at his phone & discovered a 2nd text message from Richard.

Hi, George. Richard here again. Sorry about the typo on my last text. I expect you figured it out & noticed that the darned Auto-Correct had changed "wi-fi" to "wife."

Technology, huh? It'll be the death of us all.

## And just one more.....

---

Mujibar was trying to get a job in India. The Personnel Manager said, "Mujibar, you have passed all the tests, except one. It is a simple test of your English language skills. Unless you pass it, you cannot qualify for this job."

Mujibar said, "I am ready."

The manager said, "You must make a sentence using the words yellow, pink, and green."

Mujibar said, "The telephone goes green, green, and I pink it up, and say, yellow, this is Mujibar."

Mujibar now works at a call center. No doubt you have spoken to him.

## Larry and Betty Hoffman

---

We had a visit from Larry and Betty Hoffman recently. They were on their way home from Minnesota, where they spend every Fourth of July. We showed them the high spots of Northern Indiana – Shipshewana Flea Market, late lunch at Das Dutchman Essenhaus in Middlebury, a stroll through Elkhart's Botanical Garden, a visit to the local brewery, and a visit to a campground where we roasted weenies and toasted marshmallows. It was a very pleasant visit with our good Honeymoon neighbors

Life is good!
