BLOOD DRIVE

From Rich Gropp

The blood drive on January 7th was a big success! It was a great turnout with 10 people donating.

That is 4 more than we were expecting.

Three people benefit from each pint of blood donated. That's 30 people we have helped! What better gift than the gift of life to someone. Thank you, all who donated.

We are scheduled for another drive on March 10th, right after Koffee Klatch.

4 Thanks again. See you next month!

Honeymoon Bread Club News

Meetings are held the third Thursday of the month; at our January meeting we made German soft pretzels and Brazilian cheese puffs.

Our next meeting will be at 9:30 on Thursday, February 18th after Koffee Klatch. At the request of one of our members, our February meeting will be about Czechoslovakian kolaches—a delicious sweet pastry that can be made with a variety of fillings like apricot, poppy seed, or (my personal favorite) prune filling like my Bohemian grandmother used to make.

Bread Club membership is open to anyone who is interested in learning how to make great, fresh bread at home for a fraction of what it costs to buy in stores, including flat breads, sandwich breads, biscuits and scones, quick breads, whole grain and rye breads.

Feel free to contact me with questions or help with a recipe.

Congratulations to the Newly-Weds!

On November 14, 2015, Verda Slanker and Glenn Woods were married in Goshen, Indiana. They have returned to Honeymoon MHP (how appropriate!) and are at #223 on East Street.

SAVE THE DATE

March 17th, St Patty's Day, will be the St Patrick's Day Dinner, with music provided by our own Sentimental Journey band. Faye and Tom Lynch and Martha and Vic Howarth are planning this year's event, and will provide more details in the weeks ahead. Keep your eyes on the bulletin boards.

Another important date is February 27th. That is the day of the ever-popular SIXTH STREET PARTY! Fred Clyne and Jane Simmons will host the event, from 12 noon until 4:00pm, rain or shine. Fred announced at Koffee that the price has doubled this year. What with the balloon man, karaoke, food and drink, it was necessary to increase the cost of FREE! Just bring a lawn chair and party in the street. It's a great time! For free!

Neighborhood "Watch Talk" Vacation Rental Property Scam

The Pinellas County Sheriff's Office has published the Top Ten Scams of Pinellas County for the past year.

SCAM #10 Vacation Rental Property Scam

In a recent case, a vacationer arrived at what he thought was the vacation property he rented only to be greeted by the surprised owner / resident of the home.

The particular home was listed for sale through a classified real estate broker but certainly not as a rental property.

As it turns out, a scammer had pirated particulars including pictures from the online classified listing and incorporated them into the scammers own listing. Fictitious look alike website and contact / payment information resulted in the vacationer being out the money with no place to stay.

Another vacationer lost \$6,000 to fraud after booking a vacation rental property through a large online website that sees itself as an intermediary, a classified advertising service connecting homeowners to renters.

To ensure the property lived up to its advertising, the vacationer asked a friend who lived nearby to call the number listed, meet the property manager and inspect the property. Everything looked good, so the arrangements were made by email. The rental agreement was signed, and the money was transferred to an offshore bank account directly to avoid the fees charged by credit card issuers. The vacationer also failed to buy rental guarantee insurance that protects reservations up to \$10,000.

The property manager never received the money. A fraudster had hacked into the initial link.

This type of fraud, called phishing, is very common. For instance, people often receive what appears to be a legitimate email from a bank or government agency asking you to update your personal information by clicking a link.

Online transactions can be compromised. Use your phone to confirm the seller's identity. Use your credit card, which offers a guarantee against unauthorized purchases. And never send money to someone you don't know based solely on email correspondence.

So go and run free
 So go and run free with the angels
 Dance around the golden clouds
 For the Lord has chosen you to be with him
 And we should feel nothing but proud
 Although he has taken you from us
 And our pain a lifetime will last
 Your memory will never escape us
 But make us glad for the time we did have
 Your face will always be hidden
 Deep inside our hearts
 Each precious moment you gave us
 Shall never, ever depart
 So go and run free with the angels
 As they sing so tenderly
 And please be sure to tell them
 To take good care of you for me.

TO ALL THE KIDS WHO SURVIVED THE 1930s, '40s, '50s, '60s and '70s!!

From Tom Lenard

- First, we survived Being born to mothers who may have smoked and/or drank While they were Pregnant.
- They took aspirin, Ate blue cheese dressing, tuna from a can, and didn't get tested for diabetes.
- Then, after that Trauma, we were Put to sleep On our tummies In baby cribs Covered With bright colored Lead-based paints.
- We had no Childproof lids on medicine bottles, locks on doors or cabinets, And, when we Rode our bikes, We had baseball Caps, Not helmets, on Our heads.
- As infants and Children, we would ride in cars with no car seats, no booster seats, no seat belts, No air bags, bald tires and sometimes no brakes..
- Riding in the Back of a pick- up truck on a warm day was always a special treat.
- We drank water From the garden hose and not from a bottle.
- We shared one Soft drink with four friends, from one bottle, and no one actually died from this.
- We ate cupcakes, White bread, real butter, and bacon. We drank Kool-Aid made with real white sugar. And we weren't overweight.

WHY?

- Because we were Always outside playing...that's why!
- We would leave Home in the morning and play all day, as long as we were back when the streetlights Came on.
- No one was Able to reach us all day. --And, we were OKAY.
- We would spend Hours building Our go-carts out Of scraps And then ride Them down the hill, Only to find Out we forgot the brakes.. After running into the bushes a few times, we learned To solve the problem..
- We did not Have Play Stations, Nintendos and X-boxes. There were No video games, No 150 channels on cable, No video movies Or DVDs, No surround-sound or CDs, No cell phones, No personal computers, No Internet and No chat rooms.
- WE HAD FRIENDS And we went Outside and found them!
- We fell out Of trees, got cut, Broke bones and Teeth, And there were No lawsuits From those accidents.
- We would get Spankings with wooden spoons, switches, ping-pong paddles, or just a bare hand, And no one would call child services to report abuse.
- We ate worms, And mud pies Made from dirt, And The worms did Not live in us forever.
- We were given BB guns for our 10th birthdays, 22 rifles for our 12th, rode horses, made up games with sticks and tennis balls, and -although we were Told it would happen- we did not put out very many eyes.

Fun at the bowling alley

One of the many activities going on at Honemoon MHP is the Wednesday morning bowling league. Anybody can join in at Dunedin Lanes on Patricia Avenue, every Wednesday morning at 9:00am. None of us will ever be on the pro circuit, but we have fun. Every so often someone will bowl three strikes in a row, which is called a turkey. On January 6th it was a real family affair when both Dale and Chris rolled turkeys!

Snow has arrived at Belmont Lake

From Carolyn Carr, Jan 12, 2016

We are expecting about 7 inches, don't mind. The first real snow of 2016, it is very pretty.

Can't wait to get back to Sunny Florida. Should be in a couple of weeks. Look forward to seeing everyone.

Hope you had a great holiday season. Take care and hello to our friends at Honeymoon Park.

All the best, Carolyn

HAPPY BIRTHDAY GILL!!!

On Dec. 31, 2015, Pat and Gill took their family on a cruise for Gill's 80th birthday. The family came from Ct., RI, and Argentina to celebrate with him. It was wonderful! We went to Cozumel and everyone had a wonderful time! It was a great bonding time with lots of laughs and something everyone will remember.

Thanks to everyone who contributed something to this month's newsletter. Please keep up the good work! The calendar and article deadline for the March issue will be February 10th.

Be sure to check out the Honeymoon Mobile Home Park Community Association, Inc Facebook page. It will be a great way to share photos and keep informed in a timely manner.

Welcome back to all! Stay safe! Life is good!

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. We pay out \$400 every month to residents who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. February Is...

American Heart Month. Heart disease kills an estimated 630,000 Americans each year. February has been celebrated as American Heart Month since 1963 as part of the effort to urge Americans to join the battle against heart disease. Learn how to reduce your risk through lifestyle changes and, in some cases, medication.

Black History Month. An annual observance in the United States, Canada, and the United Kingdom to commemorate the history and contributions of black people. Black History Month was officially recognized by the U.S. government in 1976, with President Gerald R. Ford urging Americans to “seize the opportunity to honor the too-often neglected accomplishments of black Americans in every area of endeavor throughout our history.”

Grapefruit Month. Rediscover the naturally invigorating grapefruit. Loaded with vitamin C, grapefruit helps boost the immune system during these winter months when colds and flu are at their peak. Whether you enjoy it fresh from its golden skin or straight from a glass, there’s nothing quite like the bold taste and healthy goodness of grapefruit.

Library Lovers’ Month. Library Lovers’ Month is a month-long celebration of school, public, and private libraries of all types. This is a time for everyone, especially library support groups, to recognize the value of libraries and to work to assure that the nation’s libraries will continue to serve.

Weekly

National School Counseling Week, Feb. 1-5. Sponsored by American School Counselor Association, National School Counseling Week highlights the impact school counselors can have in helping students achieve school success and plan for a career.

Burn Awareness Week, Feb. 1-7. Designed to provide an opportunity for burn, fire, and life safety educators to unite in sharing burn awareness and prevention messages in communities, and to kick off a year full of burn awareness education.

National Entrepreneurship Week, Feb. 20-27. National Entrepreneurship Week is a celebration of a lifelong learning challenge for youths and adults interested in finding exciting career opportunities. Teachers and students can get involved at all levels, as well as entrepreneurs, policy makers, community leaders, and parents.

National Engineers Week, Feb. 21-27. Dedicated to ensuring a diverse and well-educated future engineering workforce by increasing understanding of and interest in engineering and technology careers.

The history of Black History Month

We owe much of our greater understanding of black history to Carter G. Woodson. Born to former slaves, Woodson worked hard and against the tide of prejudice to obtain his own education. In earning his doctorate from Harvard, Woodson was disturbed to find that during his studies, history books virtually ignored the black American population. So he decided to take on the challenge of writing black Americans into the history books.

He established the Association for the Study of Negro Life and History (now called the Association for the Study of Afro-American Life and History) in 1915, and a year later founded the widely respected *Journal of Negro History*. Then in 1926, he launched Negro History Week, the precursor to Black History Month, as an initiative to bring national attention to the contributions of black people throughout American history.

February was chosen as Black History Month for the significant events and people who figured prominently in black American history. For example:

- Feb. 23, 1868: Civil rights leader and co-founder of the NAACP, W.E.B. DuBois, was born.
- Feb. 3, 1870: The 15th Amendment was passed, granting blacks the right to vote.
- Feb. 25, 1870: The first black U.S. senator, Hiram R. Revels (1822-1901), took his oath of office.
- Feb. 12, 1909: The National Association for the Advancement of Colored People was founded by a group of concerned black and white citizens in New York City.
- Feb. 1, 1960: A group of black Greensboro, North Carolina, college students began a sit-in at a segregated Woolworth's lunch counter. The event marks a watershed moment in the civil-rights movement.

Valentine's Day doesn't have to break the bank

Looking for something to do with your sweetheart on Valentine's Day that's not too expensive? Try these ideas:

- Read a story together. Buy two copies of your favorite book or story (or borrow them from your library) and spend the evening discussing it. You may both learn things you didn't know about the story (and each other).
- Team up on a new recipe. Instead of going out to a restaurant, delve into your cookbooks and find a meal to collaborate on. Choose something different and challenging, and enjoy the results.
- Visit a museum. Your town probably has a museum (or two) that you've never been to. Or a landmark you haven't seen yet. Select someplace new and check it out together.
