Another successful yard sale/bake sale was held on January 21st, proving once again "one man's junk is another man's treasure." Sales totaled \$275.25 and were donated to the Association. Thanks to everyone who donated items and to Anne Hartman for taking care of the bake goods table. A very special thanks to Harold, Rich and Herman for taking all the leftover items to the Sheriff's Ranch.

Karen & Teresa

## Blood Drive

I am happy to say we had a very good turn-out at the January blood drive. We were hoping for five donors, and ten showed up!

For those who don't know, only 7% of the population have type O-Negative blood, and is the most in demand as it is compatible with all other blood types.

The next blood drive is March 16th. If you have any doubts about whether you are able to donate, please come and talk to the staff. They have all the info on who can give and who can't.

Again, thanks to everyone who donated, and let's see if we can't have even more donors on March 16th.

Rich Gropp

## PICTURE DIRECTORY INFO:

---

**A** Big THANK YOU to all that participated in getting your picture taken for the directory. I am sorry to announce that we didn't have the turn-out we had anticipated. Due to the lack of interest we had to cancel our last day of photography. We still hope to have a directory in your hands prior to the Snow Birds departures.

If anyone would still like to be included it is VERY IMPORTANT that you contact Ann Scott @ 317-979-2322 ASAP, and we can arrange to have you photographed at another location. We are no longer scheduling anyone at the clubhouse.

There were 115 for the 2011 issue and only 90-95 for this issue. Partly due to illness but more were just not as interested as we thought they would be.

This park offers a lot of different things and with so many new people we are finding out a lot of them prefer to do their own thing and not get involved. This is sad for some of us, but we are an understanding group and just want you to enjoy where you are. Perhaps the next time?

If anyone has any ideas as to how we could have made this more successful, or if you don't think you were given enough information, please feel free to give me your ideas. I am open to suggestions as to how this could have been presented to you so more residents would have participated.

Thank you again if you were one that came, and I apologize if you wanted to participate and don't feel we gave you the opportunity.

Respectfully,  
Ann Scott

Condolences to Pat Blackett and the family and friends of Rosario Indelicato. Rosario, lot #66, passed away February 5.

## Thank You

---

**T**hanks to all for your generous contributions to the Dunedin Cares Food Pantry!

Honeymoon Mobile Home Park donated over 80 pounds of food, paper products, personal hygiene items, and cleaning supplies to the pantry in December!

Dunedin Cares, Inc. Food Pantry opened in November of 2015. Statistics indicated that even in our delightful city of Dunedin, there were pockets of people who are "food insecure." The first year of opening the pantry has confirmed that the statistics are correct.

The need is not just during the holiday season, but year round. Therefore, a container will remain in the clubhouse for donations to be made throughout the year. The food pantry, located at 1620 Pinehurst Road, is open on Tuesday, Thursday and Saturday from 10 - 12 to help people in the Dunedin area who cannot afford to put food on their table.

Thank you again for your donations and support of the pantry.

Jane Eilers. #196

## Cold and Flu Season

Since this is the cold and flu season, I thought this information, found in the January issue of Real Simple magazine, to be very interesting.

“A single cough can contain as many as 200 million virus particles and can travel out of the lungs at a speed of up to 500 MPH! That means a cough is faster than both a bullet train (375 mph), and a NASCAR racer (200 mph). Once they are out in the world, germs can survive for several hours on paper and a few days on plastic or steel.”

And that's how easily those nasty germs get around! Not a bad idea to use the wipes provided at the grocery store to sanitize the shopping cart handles.

Susie

## Cribbage

Wow! What a great turn out for our Monday afternoon get together for cribbage. We started with about 10 people and have grown to between 20 to 24. We have had a great time and lots of winners and a few losers, but that is okay, we are there to have a good time.

If anyone is interested in coming to play, just show up ready to play Mondays at 1.00pm. Bring \$3. Chocolates are free while they last!

## ST PATTY'S DAY

*From Faye Lynch*

Once again, our park will sponsor a St. Patrick's Dinner at the clubhouse from 5:00 to 7:00pm on Friday, March 17th. There will be a choice of the traditional corned beef and cabbage dinner or Shepherd's pie and salad, along with dessert. Place settings will be provided, just bring your drinks of choice.

Music will be provided by our very own Sentimental Journey band. There will be dancing as well, door prizes and Fifty-Fifty.

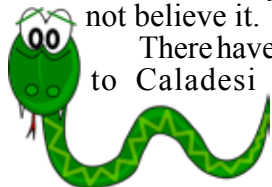

Tickets are \$12.00, and you can purchase them from Tom and Faye, #27, or Jim and Chris, #61.

## ANOTHER SNAKE STORY

Saturday, in the park (no, it was Monday) I think it was the Fourth of July (wait, it was January 23rd), Dale Wittig and Rich Gropp were going about their duties as volunteers at Caladesi State Park. Dale was driving the work cart along the nature trail when Rich suddenly leaped over in

Dale's lap and started gesticulating wildly to go faster.

It seems they had run over a rather large rattlesnake who was not very happy about the situation. Fortunately, no one was hurt, not even the rattlesnake. Rich has a picture, if you do not believe it.

There have been other rattlesnake encounters involving these two. And still they go back to Caladesi Island every Monday to help keep the park ship-shape for all the visitors.

Thanks for your hard work guys, but I hope you have a snake-bit kit in your supplies!  
Susie

## Park Breakfast

February 11 was the second Park Breakfast of the season. There was a full house, almost standing-room-only! Gus and Kathleen, Guy and Claudette, and the rest of the crew did an excellent job. They even cut up fresh fruit – pineapple, watermelon, strawberries, cantaloupe and grapes – which was a big hit. This healthy bit offset the wicked French Toast bake, another new addition.

Many thanks to Gus, Kathleen, Guy, Claudette and their helpers! The next breakfast will be March 11. Don't miss it!

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## No Nursing Home for Us

*Suzanna Nowak found this information on line:*

**W**ith the average cost for a nursing home care costing \$188.00 per day, there is a better way when we get old and too feeble.

I've already checked on reservations at the Holiday Inn. For a combined long term stay discount and senior discount, it's \$59.23 per night.

Breakfast is included, and some have happy hours in the afternoon.

That leaves \$128.77 a day for lunch and dinner in any restaurant we want, or room service, laundry, gratuities and special TV movies.

Plus, they provide a spa, swimming pool, workout room, lounge and washer -dryer, etc. Most have free toothpaste and razors, and all have free shampoo and soap.

\$5 worth of tips a day you'll have the entire staff scrambling to help you.

They treat you like a customer, not a patient.

There's a city bus stop out front, and seniors ride free. The handicap bus will also pick you up (if you fake a decent limp).

To meet other nice people, call a church bus on Sundays. For a change of scenery, take the airport shuttle bus and eat at one of the nice restaurants there. While you're at the airport, fly somewhere. Otherwise, the cash keeps building up.

It takes months to get into decent nursing homes. Holiday Inn will take your reservation today. And you're not stuck in one place forever -- you can move from Inn to Inn, or even from city to city.

Want to see Hawaii ? They have Holiday Inn there too.

TV broken? Light bulbs need changing? Need a mattress replaced? No problem . . . they fix everything, and apologize for the inconvenience.

The Inn has a night security person and daily room service. The maid checks to see if you are ok. If not, they'll call an ambulance . . . or the undertaker.

If you fall and break a hip, Medicare will pay for the hip, and Holiday Inn will upgrade you to a suite for the rest of your life.

And no worries about visits from family. They will always be glad to find you, and probably check in for a few days mini-vacation.

The grandkids can use the pool.

What more could I ask for?

## Squirrel problems at the church

*From Carolyn Carr*

There were four churches and a synagogue in a small town: a Presbyterian church, a Baptist church, a Methodist church, a Catholic church and a Jewish synagogue. Each church and the synagogue had a problem with squirrels. The Presbyterian church called a meeting to decide what to do about their squirrels. After much prayer and consideration they determined the squirrels were predestined to be there and they shouldn't interfere with God's divine will. At the Baptist church the squirrels had taken an interest in the baptistery. The deacons met and decided to put a water slide on the baptistery and let the squirrels drown themselves. The squirrels liked the slide and, unfortunately, knew instinctively how to swim so twice as many squirrels showed up the following week. The Methodist church decided that they were not in a position to harm any of God's creatures. So, they humanely trapped their squirrels and set them free near the Baptist Church. Two weeks later the squirrels were back when the Baptists took down the water slide. But the Catholic Church came up with a very creative strategy. They baptized all the squirrels and consecrated them as members of the church. Now they only see them on Christmas and Easter.

Not much was heard from the Jewish synagogue, they took one squirrel and circumcised him. They haven't seen a squirrel since.

## Valentine Festivites

Valentine festivities started a little early at Honeymoon, February 11th, to be exact. That was the day of the annual Valentines Dance. A smaller crowd than usual enjoyed the food, dancing and fellowship. Music was provided by Rich Gropp, the snake handler. Thank you, Donna Hill, for putting together this great party.

## From the Editor's Desk

by Susie Buckley

---

I am writing this from my other home in Elkhart, Indiana. Our oldest granddaughter decided to have a baby, and it so happened that her due date was February 12. So we made plane reservations allowing a 2-week window for this little fellow to be born.

During this 2-week period, we missed the Valentine Dance, the Wine Tasting, the Chili Cook-off and the Sixth Street Party! All that in only 2 weeks! What an active park we live in!

But, the baby arrived on his due date, so we had almost 2 weeks to cuddle him, and we were able to help out our grandson with some doctor appointments. We may have missed out on some fun things at the park, but it was very exciting and important that we be at home.

I am reminded of why we spend six months at Honeymoon MHP – baby it's COLD outside!

Enjoy each day, we don't know what tomorrow will bring.

## A Poem That Was Us

From Ann Scott

---

A little house with three bedrooms, one bathroom and one car on the street,

A mower that you had to push to make the grass look neat.

In the kitchen on the wall we only had one phone,

And no need for recording things, someone was always home.

We only had a living room where we would congregate,

Unless it was at mealtime in the kitchen where we ate.

We had no need for family rooms or extra rooms to dine.

When meeting as a family those two rooms would work out fine.

We only had one TV set and channels maybe two,

But always there was one of the with something worth the view.

For snacks we had potato chips that tasted like a chip.

And if you wanted flavor there was Lipton's Onion Dip.

Store-bought snacks were rare because my mother liked to cook

And nothing can compare to snacks in Betty Crocker's book.

Weekends were for family trips or staying home to play.

We all did things together, even go to church to pray.

When we did our weekend trips depending on the weather,

No one stayed at home because we liked to be together.

Sometimes we would separate to do things on our own,

But we knew where the others were without our own cell phone.

Then there were the movies with your favorite movie star,

And nothing can compare to watching movies in your car.

Then there were the picnics at the peak of summer season,

Pack a lunch and find some trees and never need a reason.

Get a baseball game together with all the friends you know,

*...continued on page 18*

Have real action playing ball and no game video.  
Remember when the doctor used to be the family friend,  
And didn't need insurance or a lawyer to defend  
The way that he took care of you or what he had to do,  
Because he took an oath and strived to do the best for you.  
Remember going to the store and shopping casually,  
And when you went to pay for it you used your own money?  
Nothing that you had to swipe or punch in some amount,  
And remember when the cashier person had to really count?  
The milkman used to go from door to door,  
And it was just a few cents more than going to the store.  
There was a time when mailed letters came right to your door,  
Without a lot of junk mail ads sent out by every store.  
The mailman knew each house by name and knew where it was sent;  
There were not loads of mail addressed to "current occupant".  
There was a time when just one glance was all that it would take,  
And you would know the kind of car, the model and the make.  
They didn't look like turtles trying to squeeze out every mile;  
They were streamlined, white walls, fins and really had some style.  
One time the music that you played whenever you would jive,  
Was from a vinyl, big-holed record called a forty-five.  
The record player had a post to keep them all in line,  
And then the records would drop down and play one at a time.  
Oh sure, we had our problems then, just like we do today  
And always we were striving, trying for a better way.  
Oh, the simple life we lived still seems like so much fun,  
How can you explain a game, just kick the can and run?  
And why would boys put baseball cards between bicycle spokes?  
And for a nickel red machines had little bottled Cokes.  
This life seemed so much easier, slower in some ways  
I love the new technology but I sure do miss those days.  
So time moves on and so do we and nothing stays the same,  
But I sure love to reminisce and walk down memory lane.  
With all today's technology we grant that it's a plus!  
But it's fun to look way back and say,  
Hey look guys! That was us!

## Monthly

---

**American Red Cross Month.** For more than a century, the American Red Cross has harnessed the generosity of the American people, mobilizing the nation in the wake of disaster. The American Red Cross and its international partners have served during crises across the United States and around the world. During American Red Cross Month, Americans celebrate the nation's humanitarian spirit and recommit to providing relief and hope in times of crisis.

**Brain Injury Awareness Month.** Sponsored by the Brain Injury Association of America, which conducts an awareness campaign each March. The theme for the 2017 campaign is "Not Alone," providing a platform for educating the public about the incidence of brain injury and the needs of people with brain injuries and those in their families.

**Music In Our Schools Month.** An annual celebration of music educators, students, and communities nationwide, all promoting the benefits of high-quality music education programs in schools. Music In Our Schools Month began as a single statewide event in New York in 1973 and grew to become a monthlong celebration of school music in 1985.

**Women's History Month.** Women's History Month had its origins as a national celebration in 1981 when Congress requested that the president proclaim the week beginning March 7, 1982, as "Women's History Week." Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as "Women's History Week." Since 1995, Presidents Clinton, Bush and Obama have issued a series of annual proclamations designating March as "Women's History Month."

## Weekly

---

**Professional Pet Sitters Week, March 1-7.** An annual observance that honors professional pet-care providers, seeking to educate the pet-owning public about the advantages of professional in-home pet care and encourage pet-loving entrepreneurs to explore professional pet sitting as a viable career.

**Dental Assistant Recognition Week, March 5-11.** Dental assistants are a key part of the dental practice year-round. During Dental Assistants Recognition Week, dentists in the United States and Canada celebrate by honoring their dental assistants for the variety of duties they perform and helping them provide patients with top-quality dental care.

**Women in Construction Week, March 6-12.** The focus of Women in Construction Week is to highlight women as visible members of the construction industry. The National Association of Women in Construction's thousands of members across the country raise awareness of the opportunities available for women in construction and emphasize the growing role of women in the industry.

## Tough interview

---

**S**inger/songwriter and Nobel Prize winner Bob Dylan is known for his idiosyncratic and iconoclastic ways. His sometime guitar partner Bruce Langhorne tells a story of one time the two were being interviewed on a talk show in 1965.

Les Crane, the interviewer, was getting frustrated with Dylan's brief, uninformative answers to his questions. So at one point, when Dylan joked, "That's a nice tie, though," Crane pointed out that Dylan never wore neckties, and then gave the musician his tie to calm the tension.

Dylan responded by saying he liked Crane's boots. Crane didn't turn them over. Instead he said, "Hey, Bob, that's a nice harmonica." But Dylan refused to give it up.

## Hotel concierges go above and beyond

---

**H**otel concierges have to deal with some pretty unusual situations sometimes. Here are some of their most outlandish stories, from the Huffington Post website:

- One guest in a London hotel requested wild goat's milk for his bath. The concierge had to take a cab to Wales (£600) to buy the milk (£50). Then the milk had to be heated for the bath, and the concierge also had to supply 50 bottles of Evian water to wash the milk off after the bath.
- A bride-to-be spilled coffee on her satin wedding dress, and the concierge spent hours washing the stain out and then drying the dress with a hand dryer, consoling the bride all the while.
- One guest asked for 20 pounds of ice to be delivered to his room for his penguins.
- A couple checking into a luxury hotel in New York for their wedding asked for a life-size chocolate statue of themselves.
- A crew of commercial filmmakers asked the concierge to find them a trained monkey for their shoot when the monkey they had originally arranged for didn't show up.

## Fresh or frozen? The choice is yours

---

**M**om may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

## Watch for these sources of illness while traveling

---

**T**raveling has enough hassles—check-in lines, lost luggage, bad airline food—without adding germs to the mix. Be safe by watching out for these common sources of germs and bacteria that can make you sick when you travel (from the CNN website):

- Washroom stall locks. In one test, airport stall locks were found to have an average of 70 colony-forming units (CFUs) per square inch. Use soap and water or a good hand sanitizer after touching them.
- Seatbelt buckles. Clean your hands after buckling up. Airplane belt buckles can have up to 230 CFUs per square inch.
- Lavatory flush buttons. These can get pretty nasty, containing 265 CFUs per square inch (although overhead vents and tray tables have more).
- Drinking fountains. Thirsty? Maybe buy a bottle of water instead. The buttons on airport drinking fountains have been found to hold 1,240 CFUs per square inch.
