Cribbage News

Dick Brown

The 2016/17 Cribbage Club is scheduled to start Mon. Oct. 10th at 1p.m. All are welcome, new players will be helped and taught.

Dick Brown and Bob Delaney have run the club since Bill Donegan passed away, but this season Christine and Jim Cook, Bill's daughter and son-in-law, will be taking over leadership.

Last season during high season we averaged 16 to 20 players each Monday. Ya'all come now

Tom Lenard advises – Always, Ask, Never Assume

With his request approved, the Bulletin Newspaper photographer quickly used his mobile phone to call the Townsville airport to charter a flight. He was told a twin-engine plane would be waiting for him at the airport.

Arriving at the airfield, he spotted a plane warming up outside a hanger.

He jumped in with his bag, slammed the door shut, and shouted, "Let's go."

The pilot taxied out, swung the plane into the wind and took off.

Once in the air, the photographer instructed the pilot, "Fly over Mount Stuart and make low passes so I can take pictures of the fires on the hillsides."

"Why?" asked the pilot. "Because I'm a photographer for the Bulletin," he responded, "and I need to get some close up shots."

The pilot was strangely silent for a moment, finally he stammered, "So, what you're telling me is that . . . You're NOT my flight instructor!"

God's Plan for Aging

Most seniors never get enough exercise. In His wisdom God decreed that seniors become forgetful so they would have to search for their glasses, keys and other things, thus doing more walking. And God looked down and saw that it was good.

Then God saw there was another need. In His wisdom He made seniors lose coordination so they would drop things requiring them to bend, reach and stretch. And God looked down and saw that it was good.

Then God considered the function of bladders and decided seniors would have additional calls of nature requiring more trips to the bathroom, thus providing more exercise. God looked down and saw that it was good.

So if you find as you age, you are getting up and down more, remember, it's God's will. It is all in your best interest even though you mutter under your breath.

Nine Important Facts to Remember As We Grow Older

#9 – Death is the number 1 killer in the world.

#8 – Life is sexually transmitted.

#7 – Good health is merely the slowest possible rate at which one can die.

#6 – Men have 2 motivations: hunger and hanky panky, and they can't tell them apart. If you see a gleam in his eyes, make him a sandwich.

#5 – Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks, months, maybe years.

#4 – Health nuts are going to feel stupid some day, lying in the hospital dying of nothing.

#3 – All of us could take a lesson from the weather. It pays no attention to criticism.

#2 – In the 60s, people took LSD to make the world weird. Now the world is weird, and people take Prozac to make it normal.

#1 – Life is like a jar of jalapeno peppers. What you do today may be a burning issue tomorrow.

Another Birthday Party from Tom Lenard

August has been a month of birthdays at Honeymoon Park. A few people hit the big 70, a few others added another year to their time line.

On Saturday August 13th we had another birthday celebration. After a wonderful Pot Luck dinner we all enjoyed the cake and ice cream Eddy ann Karen Briggs brought to celebrate Karen's younger sister's Birthday. What a wonderful opportunity to celebrate Georgia's Birthday.

Happy Birthday Georgia!!!! and all the other August babies!!!

Our Trip

From Ruth Cote

Rich and I left July 16th for a trip to Canada, New York, Connecticut and Virginia. We went to Gavenhurst Ontario and visited Margret & Ted for 3 days arriving on July 18th. Had a great time sightseeing and visiting. Left there on the 21st and went to Midland (which is about an hour away) and visited with Bill & Jean Smith. Went on a boat ride on a huge lake where Bill & Jean vacation on their boat. He still has his plane but didn't do any flying. Did some sightseeing, went to a play in town and enjoyed sitting on the porch visiting and watching the deer and wild turkeys running around.

We left there and drove to Whitby (which is about 2 hours from Bill & Jean's) to visit Noemie & Frank. We had a nice visit and went out to lunch, walked the mall and visited. Noemie is doing good but they have decided not to come back to Florida. It was a hard decision to make but she decided it was for the best health wise. Their son and daughter-in-law will be down in January.

We left Canada on the 27th and headed for a little town called Rushford N. Y. to visit Chris & Dale. They live on a lake so we went for a boat ride, went to a beautiful park, did a safari, went to an Amish food and vegetable auction and out to dinner. We had a great time. We enjoyed every visit.

We left N.Y. and headed to Ct. where we spent a week visiting family and friends. My daughter had a family picnic at her home and it was great seeing everybody, especially my Great Grandson! We then went to Va. where we stayed with my oldest daughter, celebrating her birthday and also my Great Granddaughters.

We had a wonderful time visiting everyone. It was a great trip but we were glad to get home!!!!!!

From Carolyn Carr

My neighbor was working in his yard when he was startled by a late-model car that came crashing through his hedge and ended up in his front lawn.

He rushed to help an elderly lady driver out of the car and sat her down on a lawn chair. He said with excitement, "You appear quite elderly to be driving."

"Well, yes I am," she replied proudly. "I'll be 97 next month, and I am now old enough that I don't even need a driver's license anymore."

He asked "How do you know?"

"The last time I went to my doctor, he examined me and asked if I had a driver's license. I told him yes and handed it to him. He took scissors out of the drawer, cut the license into pieces, and threw them in the waste basket, saying, 'You won't need this anymore.' So I thanked him and left!"

Fifty Years

From Susie Buckley

Meanwhile, in another part of the country on August 13, Betty and Larry Hoffman celebrated fifty years of marriage! About forty old and new friends joined the Hoffmans for food, wine, beer and talk.

Among the guests, all the way from Rushford, NY, were Dale, Chris and Millie Wittig!

Also attending, from Elkhart, In., Dave and Susie Buckley, and from Columbus, Oh.,

Gail Larvenz. Betty insisted that these out-of-town guests stay at the Hoffman Bed and Breakfast, but there weren't enough beds to go around. So, on their very special night, Golden Wedding Anniversary, Betty slept on the family room couch and Larry slept on another couch in the living room.

Everyone survived, and even had a great time! Happy Anniversary!

Betty and Larry with daughter Debbie on Larry's right, son Michael and daughter Cathy on Betty's left.

Awwwww!

Wisdom and Beer

from Tom Lenard

“Sometimes when I reflect on all the beer I drink, I feel ashamed. Then I look into the glass and think about the workers in the brewery and all of their hopes and dreams. If I didn't drink this beer, they might be out of work and their dreams would be shattered. I think, It is better to drink this beer and let their dreams come true than be selfish and worry about my liver.”

Babe Ruth

“When I read about the evils of drinking, I gave up reading.”

Paul Horning

“24 hours in a day, 24 beers in a case. Coincidence? I think not.”

H. L. Mencken

“When we drink, we get drunk. When we get drunk, we fall asleep. When we fall asleep, we commit no sin. When we commit no sin, we go to heaven. So, let's all get drunk and go to heaven!”

George Bernard Shaw

“Without question, the greatest invention in the history of mankind is beer. Oh, I grant you that the wheel was also a fine invention, but the wheel does not go nearly as well with pizza.”

Dave Barry

Road Trip

Hⁱ

Well Ralph and I are off on another road trip to Western USA.

Leaving on Sept. 14th and returning on Oct. 28th.

I will do my best to keep in touch and let you know how we are making out. Calling for snow around Yellowstone Park just like last year when tried to go there, so we will keep our fingers crossed that it does not snow.

Also going again to the balloon fiesta in Albuquerque New Mexico. It is beautiful sight to see and we enjoyed it very much.

Then we will work our way back towards Las Vegas for a few days and maybe a little warmer then the North.

We are going to try and go to Los Angeles and Carmel California if we have time.

Take care. All the best.

Carolyn and Ralph

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital and its physicians served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.

Rainy Florida

I have heard that it has been a very wet summer in Florida. I have also heard that in the summer the grass and flowers and trees and shrubs grow like crazy. Ron Borsh sent me a picture, proof of the thick carpet of grass that grows in the rainy season. I don't think that is a picture of Second Street, though.

Arts and Crafts Show

Last issue I put in a reminder about the Arts and Crafts Show. I had the date wrong! Please mark your calendars and plan to participate at the clubhouse on November 5th, 2016.

An excerpt from 'A Walk Thru Time'

Honeymoon Park 30th Anniversary, 1968 – 1998

Off Dunedin's west coast was a long, narrow strip of land. Some early settlers in the 1800s homesteaded there and raised not only crops but hundreds of hogs. Hence its name, Hog Island.

In 1918 a devastating tornado-like storm swept water across the island and made a 225-yard-wide channel. Two island were created when the narrow channel was widened even more by dynamite and a second severe storm, the hurricane of October, 1921.

The southern island was renamed Caladesi Island. It remains one of the few large undeveloped barrier islands off Florida's gulf coast and currently ranks second best beach in the United States. This island is still accessible only by ferry or private boat.

The northern island retained the name of Hog Island until the 1930s. By this time hog-raising had dwindled. The Island was purchased by a New York developer who constructed 50 palm-thatched "honeymoon" bungalows for use by couples chosen through a contest. Soon thereafter, the island was officially renamed "Honeymoon Island and remained a romantic getaway for some time.

The Dunedin Causeway, built in the 1960s, made Honeymoon Island accessible by car. The island now holds a few condominiums, but most of it is owned by the state of Florida. As a state recreation area, Honeymoon Island now offers quiet, relaxation, sun bathing, shelling, fishing, and hiking or biking on nature trails. Armadillos, nesting osprey, storks, horned owls and many water fowl can be seen in their natural habitat. Picnic shelters and ample facilities for large family gatherings are also available.

It is from Honeymoon Island that the Park gets its name. Thank heavens its name was changed back in the 1930s. If the name Honeymoon Park seems odd for a retirement community, just imagine a five-star park named after a hog!

From the Editor's Desk

Fall is definitely in the air. At least in the northern part of North America. Time for football games, raking leaves, maybe a fire in the fireplace. Storing the boats and other water toys till next summer. Getting the snow-thrower and snow shovels ready to go.

Oh wait!! That's the time I fly south! I don't know about you-all, but I don't miss the snow and cold at all! And, I am very much looking forward to seeing sunshine, beaches, and Honeymoon friends soon.

Take care!

Susie

Some challenges spur imagination and success

Imagination performs best when it's challenged. Perfect freedom leaves the imagination listless, and whatever is created is lifeless as well. Only when a challenge presents itself does the imagination perk up. How can the problem be solved? What other paths could you follow?

Take for example, American writer Flannery O'Connor. She was stricken with lupus erythematosus in her mid-20s. She spent almost all of her life (she died at age 39) on her family's farm. But as the disease made movement more and more difficult, it also pushed her to sit at her typewriter every day and write. The stories she churned out are full of wild imaginings and a great spirit of hope.

Just listen

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, "You must learn to listen to your wife."

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, "Now go home, and listen to every word she *isn't* saying."

Learn to let go

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

She was ready to break the vase when she said, "OK, let's try one more time. Open your hand and hold your fingers out out straight, and then pull."

"Oh, no, mommy!" the boy cried. "If I do that, I'll drop my penny!"

Storytellers have as profound a purpose as any who are charged to guide and transform human lives.

Check medical bills with care

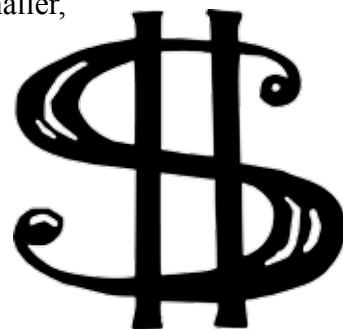

Dealing with health insurance claims can be frustrating and time-consuming. Multiple bills from different departments for what seems like one medical procedure can baffle even the most organized consumer. The key is to keep track of insurance claims and keep detailed records. Follow this advice:

- **Review records.** Verify that the medical provider has the correct billing information. Also, check the identification or group number of your insurance plan on claim forms.
- **Follow up to be sure the claim is being processed.** Contact the provider or insurer after receiving a bill to confirm receipt. Write down the names of everyone you speak to, noting the date of the call and any available confirmation numbers.
- **Verify all the expenses.** Check to see if you are being billed twice. Similarly, verify that the contracted rate between the insurer and the provider is actually what you are being billed for.

Revamp your finances to save more money

If you can figure out how to save just \$125 per month, then set up an automatic savings to a mutual fund that yields an average of 7 percent, in five years you will have almost \$9,000. In 20 years, that amount will have grown to \$65,000! Here are four suggestions for coming up with that \$125 per month:

- **Look at your cable TV bill. Do you need all those channels?** You can roll your bill back by getting rid of premium channels or subscribing to a smaller, cheaper package.
- **Stop picking up magazines from the supermarket or newsstand.** Save yourself some money by reading online or subscribing to your favorite magazine instead. And if you're subscribing to anything you don't read, cancel it.
- **Change your cell service.** Shopping around can get you a better deal that will save you bucks. Just make sure you won't be penalized for breaking a contract early.
- **Call your credit card company.** You may be able to get a lower interest rate just by asking.
